

ADVENT CALENDAR SALE TO AID IN ESTABLISHING EPILEPSY CONTROL CENTER

Freedom has been one of America's greatest heritages, and yet many of our fellowmen remain bound by a stigma derived from ignorance and fear. Shackled by prejudices and the lack of funds, the epileptics of our country must sit and wait for the time when they too will be freed from their bonds and allowed to lead lives comparable to those of their neighbors.

Neurology is the field of medicine with the knowledge and men capable of treating epilepsy, but doctors are few and the facilities expensive. At the present time there are the means for treating only one out of five of the 1,500,000 men, women, and children afflicted with this disorder. Attempting to remedy this situation is the National Epilepsy League and various local groups. Through the sale of the "Little Christmas Town" calendars the organization hopes to obtain funds for the construction and operation of "seizure control centers," one of which will be located in Albany as soon as funds are available.

TALK AND FILM AT NEXT LEGION POST MEETING

Phillip Lee of the Nathaniel Adams Blanchard Post No. 1040, American Legion, program committee has announced that George Vadas of the Veterans Administration will present a talk concerning veterans' benefits at the Nov. 21 meeting of the Post, Monday at 8:30 P.M. A question and answer period will follow.

Also the latest color film produced by the New York Telephone Company will be shown. This promises to be as interesting as their film of last year, "All About New York."

BCHS SENIORS TO PRESENT MUSICAL, "BELLS ARE RINGING", NOV. 18-19

"TB STILL A MENACE" P.T.A. TO HEAR

On Tuesday evening, Nov. 22, at 8:00 P.M. the Delmar Elementary School Parent-Teacher Association will present a program about tuberculosis, called "Are You Positive?" This program is of vital interest to the whole community. Dr. Frank C. Maxon Jr., chief of the tuberculosis service at Albany Hospital, will be the speaker. He has noted that the case rate is about half of what it was in 1950, because of new techniques of diagnosing tuberculosis.

The Delmar PTA cordially invites all members of the community to attend this important meeting. Refreshments will be served by the third grade mothers, Mrs. John Sestak and Mrs. William Iacono.

JUNIOR HIGH PARENTS CALL SPECIAL MEETING TO ASK "WHERE WILL OUR CHILDREN GO TO COLLEGE?"

The urgent problem of "Where and how will our children go to college?" will be probed at 8 P.M., Thursday, Nov. 17 at the Junior High School.

Alarmed by skyrocketing tuition rates and the increasing inability of New York State students to gain admission to out-of-state colleges (because we have limited facilities for "exchange" students) the Bethlehem Central Junior High Parents' Steering Committee has called a meeting, to which all interested persons in the community are invited.

College enrollment in New York State is expected to soar from today's 200,000 to 400,000 by 1970. New York State 4-year college facilities now building will accommodate only 5,000. What will happen to the

other 195,000 college eligibles? (It takes 5 years to build a unit of the State University.) What's being done by our State planners?, the parents want to know.

FABRICS NEEDED FOR WHITE CHRISTMAS COSTUMES

The costume committee of the "White Christmas" festival has asked us to appeal to area residents for fabrics — woolens, corduroys, silks, what-have-yous, curtains, draperies — anything that can be made up into the 14 Biblical costumes needed, and used for display materials in the Bethlehem market place scene. If you have something to offer please call Mrs. Robert Clarke at HE 9-3055, or drop it at her home at 5 Sunset Drive in Elmsmere.

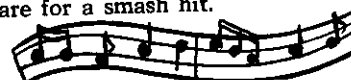

The Senior Class of Bethlehem Central High School announces the presentation Friday, Nov. 18 and Saturday, Nov. 19, of the hit Broadway musical, *Bells Are Ringing*. The Broadway version starred Judy Holliday and Sidney Chaplin and it was made into a movie starring Judy Holliday and Dean Martin.

The story centers around a girl who works for an answering service in New York, called "Suesanswerphone." The girl becomes deeply involved in trying to help her customers run their lives. Songs from the show include "The Party's Over," "Just in Time," both of which became popular hits, and "The Bells Are Ringing," "I've Got a Girl" and "Independent."

Director Henderson, new drama coach at the high school, reports that Richard Feldman has done the choreography. There is a large cast, plus a separate singing and dancing chorus. The cast includes: Mary Ann Dorsey, Sue Yapple, Kindra Muntz, Brian Warner, Dave Bartley, Greg Thompson, Dave Utz, Dick York, Terry Harrick, Bob Simmons, Price Chenault, Doug Johnson, Ted Palmer, Jim Hulihan, Vicki Van Nortwick, Dave Allen, Elaine Dennin, Bill Hunter, Pete Armer, Lorraine Parker, Bill Johnston, Charlene Plummer, Jocelyn Daniels, Sharon Adams, Mike Muncuso, Jim Rehbit, Carol Gainor and Sue Margison.

Music will be provided by Elaine Ham and Mary (Polly) Hale on the piano; Dave Birch-enough and Paul Feder on drums; Bill Wriston on guitar.

Curtain time is 8:30 P.M., tickets are \$1, and predictions are for a smash hit.

DELMAR LIBRARY NOTES CHILDREN'S BOOK WEEK

Delmar Public Library raises its voice loud and long in the slogan for Children's Book Week this year, "Hurray for Books!"

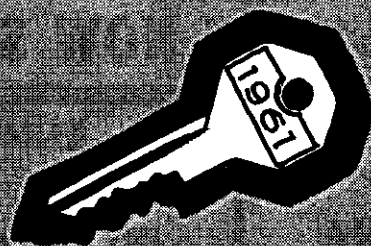

This — Nov. 13-19 — is the week for cheering, and many new children's books, varied in content, beautiful in format, displayed at the Library really give us Tri-Villagers something to cheer about.

A special feature of the display is a large array of books on language, including many foreign languages, records, and books which help us to communicate better in our own tongue. Mrs. Elizabeth Reed, children's librarian, has also designed a language tree depicting the branching family of Indo-European languages.

Mrs. Robert Herman. To be presented in Bethlehem Central High School are:

Marco Polo — Dec. 2, at 9:45 A.M.

A Trip Around the World — Jan. 31, at 9:45 A.M.

The Virginia Symphony — May 3, at 1:00 P.M.

Sounds good, don't you agree? Since the programs are of educational value, they are considered a part of the regular school curriculum and are held during school hours. Season tickets are on sale at the schools; however, tickets are available only to students registered in the 4th, 5th and 6th grades.

Did you know that the 263 collectors for the UNICEF program collected \$651.64 on Halloween among the neighborhoods in our Tri-Village area. Thanks to all who helped plus the adults who gave of their evening for the party and the tallying. We congratulate the entire effort.

Also from Judy Mac Dowell, news reporter for the Happy Hands and Hearts 4-H Club of Elsmere we have a recent bit of news . . . Their Box Supper for this month was held at the home of Mary Gaillard of Ridge Rd. On Nov. 10th at 7:30 P.M. the

Vadney and Barry Isbister. Plus the 6 varsity gals and 6 junior varsity. Quite a line-up and clever!

Paulette Zitko, daughter of Mr. and Mrs. John Zitko of Bartlett Lane, Elsmere, has recently turned out 24 cherry pies. During the last two weeks, that is. (Just to perfect her technique, by the way.) She earned her red ribbon in the pie competition in the Whipper Snippers 4-H Club to which she has belonged some five years. Her mother is the leader of the group too. Congratulations, Paulette! You must know the song that goes with this . . .

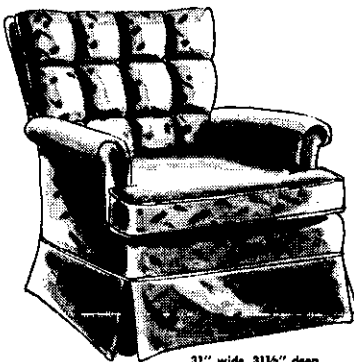

Mrs. Howard Miller of Dawson Rd., Delmar, general chairman of Albany Panhellenic Association Easter Seals project announces that all envelopes are in and accounted for. Her grand thanks go to Mrs. Louis Dempf of Delmar who assisted in this worthwhile endeavor. Also to the 87 members who actually did the addressing.

We talked to Betty Parry who managed the staging of the recent Academy for Girls fashion show with Town & Tweed furnishing the clothes, etc. This complemented the annual card party held throughout the afternoon of Nov. 9 at the school. 'Twas quite a huge success and well attended too.

Our best Senior Citizen told us about the delightful dinner that the VFW gave the Bethlehem Citizens last Thursday evening at the Junior High School.

Mr. Jack Weaver is the Director for the group this year. Last week they were entertained by a group of professional dancers.

A Tri-Village young man or woman will be Community Ambassador to a foreign land next summer because of the assistance of the many service groups in our area. These organizations will conduct a house-to-house canvass for funds to support the program, on Saturday, Nov. 19, as well as contributing through their respective treasuries.

The Community Ambassador visits are sponsored by the Experiment in International Living, a non-profit educational-travel institution devoted to fostering mutual respect and understanding among the peoples of the world. Founded in 1932, it has grown from a single American group to a world-wide organization with representatives

in 33 nations. During the last 29 years, over 12,000 Americans have journeyed to distant lands to take part in this unique experiment.

Hope to see our old friends this weekend . . . Rusty and Joe Trask in East Nassau, formerly of Delmar. They gather many together at this annual event for a Turkey Tipple . . . What a delightful time and what delicious eatables . . . suitable for a gourmet, by the way.

our varsity football team. These boys have been chosen for the 1960 All-Suburban Football Team. This is quite an honor for these boys, Coach Ritchko and

our school, as we have more boys on the team than other schools of the suburban council.

Our "experienced" debating team (Dick Braun, George Cole, John Lyons, Bill Newell) attended a tournament on Nov. 5 at Jeffersonville and their record was W4-L2. They debated teams with more than a year's experience and it took two of the top teams in the state to defeat BC, (one of whom won the state finals last year).

Our novice team, or semi-experienced team, also debated at Jeffersonville and came out in fifth place. This team consists of Mary Sue Tauss, Jenny

Flinton, Sheila Doyle and Jean Powers. Jean Powers was awarded second prize as the second place best female speaker!

Most important of all! Don't forget the senior play, *Bells Are Ringing*, Nov. 18 and 19, Friday and Saturday. We were privileged to watch a rehearsal and can say that it is a real great show! Anyone who doesn't see it is really missing something this year! Tickets will be sold at the door if anyone has not already bought one from a senior; price is one dollar.

Remember to drive safely over the Thanksgiving holiday.

Congratulations to our freshman football team for their season's record of three wins, two losses, and one tie. Co-captains Sal Pipito and Bill Blanchard, as well as coaches FitzPatrick and Rathjens, can be proud of their team. Very soon we'll have news on the newly-forming basketball and swimming teams.

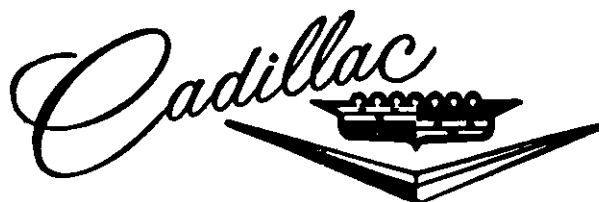

We sincerely hope the new girl in our homeroom, Georgia Albert, will be very happy here

at BCJHS.

On Dec. 3 the Canteen Council will present a "Sock Hop" from 7:00 P.M. to 11:00 P.M. in the school cafeteria. Prizes will be awarded for the prettiest socks, the craziest socks, etc.

The BCJHS newspaper "School Daze" is coming out Nov. 23. Miss Pino's seventh period class is working on it, with Jean Engel as the editor. (We hope our editor and publisher won't fire us for mentioning a rival newspaper.)

Consider This ! !!

**SEVEN Reasons why you should
buy ALL your Drug Needs in
Your Local Pharmacy**

1. On many items there is a question as to dosage, safety and feasibility of mixing with other medications. Only a physician or pharmacist can give you the proper answer.
2. THE PRICE IS THE SAME ! ! ! !
3. All pharmacists are well aware of the expense of medicines and try their best to give the most reasonable price on prescriptions. Therefore, when you buy your drug needs elsewhere, you are cutting down the gross amount taken in weekly by the business. Thus, if more and more people continue to buy the items that you would ordinarily consider as drug store items in non-drug store outlets, business is in trouble. The money has to come from someplace, and with his back to the wall eventually he will be forced to do what he does not want to do — RAISE PRESCRIPTION PRICES.
4. Your local pharmacist is always ready to serve your needs, whatever they may be, every day at all hours.
5. When times are tough or money is short, I cannot remember any local pharmacist refusing credit for medicines or prescriptions which any patient needs.
6. Your local pharmacy is an important part of the health team which stands ready to help and protect the health of your entire family.
7. Local businesses pay taxes, support local schools, churches, and other organizations and do all they can to make your local community a better place to live in.

**PLEASE MAKE A SEPARATE DRUG LIST AND PLAN TO
BUY YOUR DRUGS IN YOUR NEIGHBORHOOD PHARMACY.
REMEMBER—THE PRICE IS THE SAME . . . BUY ALL YOUR
DRUGS IN A DRUG STORE.**
