BCHS Students Receive Awards

The Bethlehem Central High School delegates to the Tenth Annual State Leadership Conference of Future Business Leaders of America returned to school on May 1 with a plaque and two certificates.

The students, accompanied by Mrs. Jo Ann Davies, and Mrs. George Hanington, spent Sunday, April 28 through Tuesday, April 30, at Stevensville Country Club participating in various contests and discussion meetings. More than 800 student representatives from over 60 FBLA Chapters throughout the State of New York were present.

Deborah Cook returned with a plaque indicating that she had placed third in the Record-keeping contest. Laura DeFlumer had a certificate for placing fifth in the Public Speaking Contest. The BCBS Chapter earned a fourth-place certificate in the Chapter of the Year Contest.

During the business sessions Laurie DeFlumer, the outgoing State Treasurer, gave her annual report.

Gary H. Wilson, 113 Brockley Drive, Delmar was one of nine hundred seventy St. Olaf College students cited for academic achievement at the annual Honors Day convocation.

In order to qualify for honor student status, a student must have attained a 3.2 grade average during the previous semester. An A grade is 4.0.

Cited for special distinction were 60 students who were named to Phi Beta Kappa, academic honor society, during the year. Those persons and others who attained general honors based on grade average were listed in the program for the convocation and saluted by Dr. Sidney A. Rand, president of the college, who presided at the convocation.

School Budget

A school budget totaling \$9,984,934 for 1974-75 was adopted by the Bethlehem Central Board of Education last week and will be voted upon by district residents on June 12.

The proposed budget represents an increase of \$874,554, or 9.6 per cent, over this year's budget. It will mean a tax rate increase of between \$7.70 and \$7.95 per \$1,000 assessed valuation for Town of Bethlehem residents, and an increase of between \$20.95 and \$21.25 per \$1,000 for Town of New Scotland residents. This is a percentage increase of 7 1/2% for Bethlehem residents, and 14 1/2% for New Scotland residents.

The tax rate increases cannot be more firmly projected, because of uncertainties at this time on the amount of State Aid to be received, increased assessment totals in the two towns, and changes in equalization rates.

During the past two years, Bethlehem residents have had slight reductions in their school tax bills, while New Scotland school taxes have increased only because of equalization rate changes.

At the Board meeting held on Wed., May 8, when the proposed budget was adopted, many district residents objected to the Middle School staff cuts reflected in the budget. They asked for information on the legal possibility of placing the money amount for retention of those teaching positions as a separate vote on the June 12 ballot.

The Board agreed to investigate the legal requirements of such action, and scheduled a public meeting this past Monday to clarify the legal questions for anyone interested in initiating such action.

Budget Meetings Set

Three budget informational meetings, in addition to the Annual Meeting on June 11, have been scheduled for residents of the Bethlehem Central School District.

The first will be held next Wed., May 22, at 8 p.m., at the Educational Services Center.

Budget information sessions will also be held on Wed., May 29, at 8 p.m., at the Glenmont

LIBRARY NOTES

The Curtain Raisers Club of the Bethlehem Public Library will be presenting its final plays. The ninth graders have chosen serious drama. There are two plays, and each will be performed on a different date.

"Miss Tassey" has five female characters who, in 1910, center their lives around a boarding house for single women. Their lives certainly leave something to be desired and yet this play presents a good commentary on what it might have been like. The performance will be Thursday, May 16 at 7:30 P.M. in the Large Community Room of the Library.

"The Effect of Gamma Rays on Man-in-the-Moon Marigolds" also has five females who each in his own way borders on insanity. This play will be cast on Sunday, May 19 at 2:00 P.M., also in the Large Community Room.

These plays are for young

adults and adults and both have some good thinking material for life today. Come, and you will not be disappointed.

May Exhibits

May exhibits are ready for your viewing pleasure at the Bethlehem Public Library.

First to greet you as you enter the building are the oil paintings done by Marjorie Farrell of Slingerlands. Mrs. Farrell, who started painting in oils under Rudy Helmo has been painting the last few years with the Slingerlands Art Group and has had pictures exhibited in the Legislators' offices at the South Mall, at St. Peter's and at Ciné 1, 2, 3, 4. The Library exhibit consists primarily of oils, but there are some done with acrylics, and there are also several interesting oils on wood.

In the display case near the Circulation Desk are three pieces of needlepoint done by Mrs. Milton B. Lewis of Delmar. These pieces are only a few of the many which Mrs. Lewis has in her home, but because of the limited space only these

three were able to be exhibited. The needlepoint pieces are accompanied by two soapstone carvings and some ceramic birds which help to convey the mood created by the needlepoint.

MOVIE REVIEWS

BILLY JACK

A wild mixture of cowboys, Indians, sheriffs, good guys, bad guys, hippies, street theater, young/old confrontations, yoga and pot. Presiding over all this is a Superman-like fold hero named Billy Jack. The picture is technically uneven and rather preachy, but somehow it picks up a good deal of voltage along its meandering route and it finally adds up to an exciting and unusual film. The night we were there, the audience (mostly young adults) cheered and applauded frequently.

CINDERELLA LIBERTY

An unassigned sailor on leave, picks up a pool-playing prostitute, falls in love, and

in the process, finds himself feeling fatherly toward her cynical wild, young, black son. He works hard to help them and achieves a partial victory. Touching and honest, but somewhat unlikely. Good performances.

Tomboys Booster Drive

Members of the Girls' Softball teams will be staging their Annual Door-to-Door Drive, Friday, May 17th and Saturday, May 18th. They will be passing out programs listing their sponsors and containing

a schedule of the 129 games to be played by the 17 teams. A total of 230 girls are participating this year. The games are held at the Senior High School grounds on week nights starting at 6:15 P.M. The season started Monday, May 13th and will end late in July.

It cost the league just under \$20, a girl last year and unfortunately our sponsors' contributions and our registration fees (although increased from last year) will not begin to cover this cost.

Bicycle Poster Contest

Bethlehem Town Supervisor Bertram E. Kohinke has proclaimed the month of May as BICYCLE SAFETY MONTH in the Town. Mr. Kohinke called upon all residents of the Town to give their wholehearted support to the program designed to reduce the hazards of bicycle riding for both adults and children.

The program, under the direction of Sgt. Leo E. Dorsey of the Bethlehem Police Department Youth Bureau, will consist of several phases, all directed towards awareness of bicycle safety. On Friday, May 17, children in Kindergarten through Grade 5 in all grade schools in the Bethlehem Central School District will be invited to participate in a poster contest, the theme of which will be bicycle safety. Each child will be given a complete list of contest rules and suggestions.

Completed entries will be brought by the children to McDonald's Restaurant on Delaware Avenue, in Elmsmere. Each participating child will receive a free regular soft drink, through the courtesy of McDonald's, at the time a poster is entered. The Bethlehem Police Youth Bureau will arrange for display of the posters in businesses and offices

Question:

My mother is receiving a monthly social security annuity check. Is she entitled to receive a lump sum death benefit at the time of her death?

Answer:

If your mother is receiving a check as an annuity from her husband's earnings there is no death benefit allowance.

If your mother's monthly check is computed from her earnings she is entitled to a burial benefit.

If your mother was entitled to benefits from her earnings but elected to receive a larger benefit from her husband's earnings she does not forfeit her right to a death benefit. She will receive this benefit based on her eligibility.

Dorsey and the Bethlehem Police Department for their continuing efforts to promote safe bicycle habits and the Bethlehem Veterans of Foreign Wars Memorial Post and McDonald's for their public-spirited cooperation and contributions towards a successful program.

Poison Plants & Flowers

Those plants and flowers which brighten your garden and home during the warm seasons also can be a source of danger to children. State health commissioner Dr. Hollis S. Ingraham warned parents today.

Dr. Ingraham said that each year there are hundreds of incidents of poisonings involving the ingestion of plants or flowers, with the majority of victims being children under five years of age.

"Bright flowers or unusual plants often fascinate little eyes and some plants may literally look good enough to eat to a toddler," Dr. Ingraham said. "However, parents should be aware that the leaves, stems and petals of many common garden variety flowers and plants can cause severe illness or even death if ingested. For this reason, children should be cautioned to look and smell but not to touch or eat the backyard flora."

Dr. Ingraham cited the rhubarb plant as an example of

BICYCLE SAFETY MONTH — In announcing the month of May as Bicycle Safety Month in the Town of Bethlehem, Mr. Kohinke stated, "I, Bertram E. Kohinke, Supervisor, urge all our citizens, both young and young at heart, to teach, observe and practice the bicycle safety rules of the road, and to promote the use of the bicycle as a practical and enjoyable form of transportation, recreation and exercise." Shown with Bertram E. Kohinke, Supervisor of the Town of Bethlehem, is Sgt. Leo E. Dorsey, Bethlehem Police Department Youth Bureau, as they reviewed details of the Bicycle Safety Program being conducted in the Town.

the type of health hazard that can grow in the backyard. Even though the stem and root portion is edible and is often used in pies and jams, he noted, the leafy portion of the plant if eaten, even cooked, can result in stomach pains, vomiting, convulsions and, in some cases, death.

The Commissioner observed that with the recent popularity of "back to nature" cookbooks and foods gathered in nature, plants, could also present a danger to adults. He urged those who would make an exotic dish from wild plant leaves, berries or nuts to make sure they know exactly what they've picked before eating it.

If a child should eat a plant or flower, Dr. Ingraham said, parents should contact their local Poison Control Center immediately. It is a good idea, he noted, to have the phone number of the center prominently displayed near the phone along with other emergency numbers.

triotic Holiday. Space and facilities have been provided for picnics, competitive events, special spectator events, a pass in review and a formal retreat on the Arsenal grounds. The Pepsi truck will be on hand, too. Every participant will receive a special commemorative patch. More details will be available at May Roundtables and in the mail. Plan the day now. Highlight of the program will be a review of the latest developments, locally and nationally, in health services, according to James P. Heron, executive director. He said plans are being completed for a program which will emphasize expansions of out-of-hospital patient care.

Officers and directors will be elected at the session, the annual report will be presented and outgoing board members will be honored. The dinner will begin at 7 p.m.

The annual meeting committee, in addition to Mr. Stuart and Mr. Heron, includes Joseph L. Cohen, Council Secretary, and Mrs. Albert J. Abrams, Miss Gayle K. Matthews and Peter G. Ten Eyck, 2nd, all board members.

Mr. Stuart joined the Albany-headquartered bank holding company in 1971, as vice president, and was named executive vice president in 1972. JOTTINGS

by
Joni

Upon request of one of our readers my column this week is devoted to bicycle safety. This reader thought it would be a help to the automobile driver, if bike riders wore light color clothing and bright color armbands. I agree. After almost hitting a bike rider one night, I think we should take all safety precautions necessary to prevent accidents. Anyone wishing to obtain more bicycle safety tips, contact

your local Police Department. In Bethlehem, contact Sgt. Leo E. Dorsey. Remember, bicycle safety saves lives!

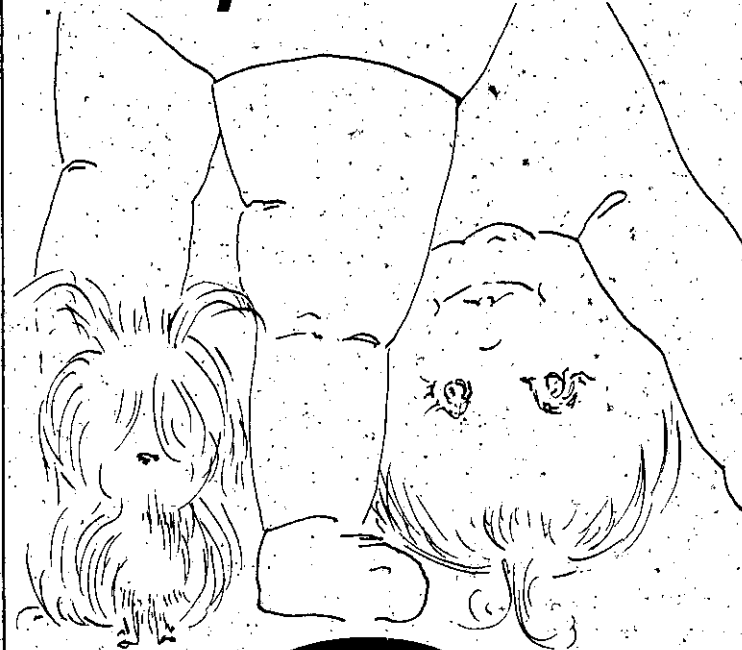

I received a very pleasant letter this week which I would like to share with you. Perhaps some of you are familiar with some of the men mentioned.

Even though I do not know Mr. Phillips, I accept his sincere sympathy and am very thankful for his kind words. Dear Joni:

I knew your father very well and was saddened to hear of his passing.

Some years ago when we were both young men, we played in an Orchestra called, "Chuck Wilson's LaChateau Orchestra." We played for skating at a rink in Menands where "2 Guys" now stands.

Keep cool and dry this summer . . .

The organization consisted of Chuck Wilson, Harry Willis, Billy Harris, Dave Davidson, LeVere and myself. One thing that always comes to mind is, the day it was so cold, when LeVere slid his trombone out, he could not get it back as it froze. Dave pushed down on his trumpet valves and they froze also. We sure had a laugh that day.

We played together for quite a while. I always found LeVere honest, sincere, a good musician, friend and a gentleman every inch.

Please accept my sincere sympathy.

Sincerely,
Irving Phillips
