GRIPS LIKE A TANK... but doesn't ride like one

Pirelli Cinturato MS35 steel belted radial snow tires are designed to perform under the harshest winter driving conditions and still behave like standard radials on clear roads. A highly inserted forty five degree angle block tread pattern, rugged shoulder buttresses and new rubber compounds combine for outstanding performance in deep snow as well as on packed snow and ice. However, these elements are so subtly blended that MS35's sound, act and feel like superb standard radials on clear roads.

ALSO AVAILABLE WITH TEXTILE BELTS FOR IMPORTED CARS.

The Spotlight Goes to School

"And Finally, the Sophomore Election Results . . . ?"

Finally, after many delays and much confusion, the Sophomore elections for Student Council were held. The story behind this overdue election is one that clearly shows that the state and federal governments don't have the monopoly on botched up elections.

The voting for Student Council was supposed to be held last spring, but neither the advisor nor the Student Council that was serving at that time, knew who was supposed to run the elections. When this school year rolled around, the Sophomore Class was without leadership. It became necessary to expedite the election as soon as possible. The nomination sheets were put up on a Thursday morning (Friday was a vacation) and taken down on that Tuesday afternoon. That was all well and good except that supposedly there exists a Student Council rule that states that nomination sheets must be left up for at least a week. There were grumblings about that oversight in the Student Senate. Nevertheless the nominations were accepted. Finally the election was held and it seemed that would be that. Rob-

ert Myers was elected as president by a significant margin and Donna Ure was elected as secretary. The races for Vice President and Treasurer were so close, that extra time had to be taken to provide for a run-off. The results were: Dave Herman, vice president and Mary McNary, treasurer; and with all positions filled, the election was officially over. The word "officially" must be stressed, however, since there are rumors that a petition is being circulated by potential nominees, calling for, not only a re-election but a complete renomination, because of the circumvention of the nomination rules. All of this political perplexity must have an air of familiarity to those of you who are well acquainted with the custom of voting in public elections.

And it is at times like these that we recall the words of William Shakespeare, who (as he anticipated the 1974 B.C.H.S. Sophomore elections) was heard to say: "Oh, e at a tangled web we weave."

B.C. School News

The DECA Club at Bethlehem Central High School held their annual officer elections on Tuesday, September 24. Six officers were elected and are congratulated. The officers are as follows: President: Brian Wickes; Vice President: Jim McCarroll; Secretary: Debbie Anastasi; Treasurer: Dave Beckett; Historian: Dona Scherer; Publicity Chairman: Cheryl Lazare.

DECA would also like to extend their appreciation to all who help make our car wash successful. The car wash was held Sunday at McCarroll's Meat Market from 10-3 to raise money for the club. A sum of \$60.00 was made.

Emission Control Course Offered

A second five-week course in "Automobile Emission Control Systems" will be offered — and open to the public — starting Tuesday, October 29, as part of the Bethlehem Central School District's Continuing Education Program.

Mr. Peter Rosenfeld, Continuing Education Director, has announced that persons may enroll by calling 439-4921, Ext. 320, between 9 A.M. and 4 P.M. Registration is limited, so only the first 20 callers will be enrolled. Bethlehem Central School District residents will be given preference.

There will be a \$5 fee for the course, which will meet on five successive Tuesday evenings (excluding Nov. 5 which is Election Day.)

for Citizens Clubs, an organization of retired people in New York State.

Miss Goodman and her faculty sponsor, Mr. Dominick DeCecco, plan to attend a ceremonial luncheon in New York City on October 25, at which the contest prizes will be awarded.

BC Pupils Honored

A total of 30 Bethlehem Central High School pupils have been honored by the National Merit Scholarship Corporation in the 1974-75 competition.

Seven of the BC pupils have qualified as semifinalists, which means that they are in the running for scholarship aid. The finalists will be named later. The semifinalists are: Glinda S. Cooper, (who has already graduated) Shirley J. Huang, Michael L. Katz, (now attending Harvard University but will graduate with his class in June) Wendela C. Moore, Dianne M. Pohlsander, David E. Quinn, and Mary Joan Wengraf.

An additional 23 Bethlehem seniors received Letters of Commendation, which does not qualify them for National Merit scholarship aid, but indicates they rank in the upper two per cent of High School seniors throughout the country. These commended students include: Robert A. Burnett, Sharon Lee Carnahan, Matthew A. Casimo, Christine A. Clyne, Debra A. Cohn, Richard F. Dorsey, Sally A. Edwards, Glenn S. Foster, Steven L. Grossman, and Richard B. Hand.

Also, Laura M. Hansen, Richard B. Haverly, Audrey S. Hendler, Deborah Logan, Cindy A. Messina, Janice G. Reissig, James C. Schanz, Loretta E. Shapero, (who has moved from the area) Richard J. Stickley, Mark L. Stulmaker, Teresa A. Sullivan, (who accelerated her course schedule and graduated last June) Christopher J. Wall, and Wendy S. Weinberg.

Students Observe Court Cases

On October 2 students from Bethlehem Central High School observed several cases in Small Claims Court and received an explanation of the court from Judge Whalen, presiding judge. The judge intends to visit the school in early November as a follow-up to the session. Mr. Merle Miller, the Business Education Department Chairman

and Personal Law teacher accompanied his students and Mrs. Jo Ann Davies brought students from her Business Law and Machine Shorthand classes. Mrs. Davies arranged with Mr. A. Johnas, a court reporter, to speak to the Machine Shorthand students concerning court reporting as a career. I did it myself, and it was a snap. First I talked with my Armstrong retailer. He gave me tips on installation, tools, and helped me choose the right ceiling for my room. He even gave me a "how to" booklet. Then, in much less time than I thought it would take... done! Suddenly my living room is new again... and the ceiling ties everything together—beautifully!

Fire Prevention Week Kickoff

Fire is a terrifying experience. All the more so for older people, invalids or the infirm. The terror of the experience breeds panic and in the panic lives are lost.

Worse still, valuable time and lives are lost when responding firemen are unaware that people may be caught in a burning home. A means of identifying areas of homes for immediate search has long been needed.

PROJECT RESCUE, will be introduced during Fire Prevention Week, by the Town of Bethlehem Fire Departments and

The Charles R. Bryant Insurance Agency. It is simple in its operation and therein lies its effectiveness.

Mr. Bryant is providing free of cost to the Town Fire Departments, distinctive decals to be placed in the upper right hand corner of windows where elderly people or invalids sleep or are confined. In responding to a fire or other emergency, fire personnel will look for these decals and initiate an immediate search and rescue, if necessary.

The only requirement on the part of our citizens is to notify their Fire Departments of their need for a decal and you will be provided with one.

Candidates Carl Touhey, Assemblyman Fred Field, and Howard Nolan made an appearance at the start of the American Cancer Society's Second Annual Bike-A-Thon. Assemblyman Field rode the 14 mile route and finished fifth in a field of over 150 riders. A first prize of a 10-speed bike will be awarded to the rider who collects the most funds. The bike was given jointly by Albany Dodge and Herman's Sporting Goods. There will be awards for first and second runner-ups and certificates for those who participated. Special thanks go to the officers and men of the 105th MP Company who acted as guards and guides for the route. Refreshments were served to all those who rode.

Boy Scouts Elect Leaders

Scoutmaster Gerard De Meur announces that the Boy Scouts of Troop 75 have elected their leaders for the new year. They are: Senior Patrol Leader, Brian Ellsworth; Assistant Senior Patrol Leader, Ben Riehl; Patrol Leaders, Bruce DeGroff, Brian Robinson, Robert Hieneman, and Mark Dempf.

Former Senior Patrol leaders, Kip Robinson and Peter Guard, have advanced to Junior Assistant Scoutmaster and former Patrol Leaders, Dave Holler and John Bryson, are in the Leadership Corp.

The Troops first fall activity will be a camping trip to Devils Tombstone in the Catskills. In October, the camping activity will be the District Camporee. A ski trip in February and a New York City trip in March are among the activities planned for later in the year.

The meetings are held Thursday nights at the Delmar United Methodist Church at 7:15 and boys who are 11 years of age or over who are interested in a scouting program that emphasizes camping are invited to join.

The Troop is sponsored by the Mens Club of the Church.

Wildlife Conservation Award

Many folks talk about helping wildlife but the Bethlehem Sportsmen's Club has done it. They have been named "Conservation Club of the Year" by the New York State Conservation Council for their 1200 hours of work, carried out by volunteer Club members, improving the habitat for wildlife on the Club lands near Clarksville. The importance and productivity of the work has been recognized by the Ruffed Grouse Society of North America who have selected the property as one of their few demonstration areas in the United States. The project consisted primarily of liberating food-producing trees and shrubs — aspen, apple, hawthorne, black cherry and serviceberry — from competition by overtopping vegetation and by establishing a matrix of food and shelter-producing bushy areas scattered through the predominantly woodland habitat. The Council established the award to give proper recognition to those individuals and organizations

The Delmar Progress Club this month starts its 74th year of service to the community under the leadership of newly elected officers shown here. From left to right, Mrs. Otis Dickinson, Treasurer; Mrs. Neal C. Baldwin, Jr., President; Mrs. G. Earl Hay, Vice-President; and Miss Frances Haner, Corresponding Secretary. Other officers are Mrs. Edward W. Landoli, Second Vice-President and Mrs. Robert Brenner, Secretary.

All through school, Physical Education classes were the same every year. For an example, I'll use the trampoline. From the first year our school had one (fourth grade) through the 12th grade, we were taught the same moves. We never progressed to the more complicated ones after accomplishing the simple ones. By talking to my nieces and nephews, it's still the same way.

If other classes can be divided into learning potential, why not Physical Education? Why should the advanced students be held back from learning and the slower ones pushed too hard or forgotten completely?

Snow Fun! *by Jim Tuller*

Snowmobile Safety Course

The Helderberg Ridge Runner Snowmobile Club will sponsor a snowmobile safety course for all children 10 years of age or older. It is mandatory for anyone 10-18 to pass the course and obtain their license in order to operate a snowmobile in New York State. The course will be held at the Clarksville fire house, beginning at 7 P.M. on Friday, October 25.

'75 Snowmobile Designs Offer Wide Variety

Improved designs that contribute to easier handling, safe and comfortable ride, efficient fuel and power usage, fast braking, quieter operation, rider convenience and minimum maintenance are featured in new 1975 snowmobiles available to buyers this fall and winter.

With these design improvements is a wide variety of sizes

and features to satisfy the whims of virtually every snowmobiler.

Take the 1975 snowmobiles from Bombardier Limited, for instance. There are seven Ski-Doo series, ranging from lightweight Elan compacts (lowest-priced models basically for one-person riding) upward through new family-style Olympiques, sporty TNT fan-cools, high flotation TNT Everest style tracks (chosen Snowmobile of

the Year in 1974 by Ziff-Davis Publishing), high-performance TNT Free Airs, workhorse Alpine twintracks and luxurious side-by-side seating Elites.

There are also six Moto-Ski snowmobile series, ranging from one of the longest machines on the market, the Chimo, to one of the smallest, the Cadet. In between these series, include the racy TS 400, the family-styled Futura, completely new Nuvik, and luxury-designed Grand Sport.

Among the improvements available on various Ski-Doo or Moto-Ski machines are recessed ski runners, new slide suspensions, new engine cooling systems, 9-inch disc brakes with minimum parts for easy maintenance, external cab latch handles, clutch and engine variations, changes in ski contour, new track styles, and new seat contours, each planned better for '75 snowmobiling.

For quiet operation and noise reduction, there are special muffler and sound-deadening features engineered to each model.

For looks, the new '75's are colorful in various highgloss combinations. Each series has its own cab styling, chassis design, operating features, and price range.

It's symmetry of motion as three snowmobilers put (l. to r., rear to front) new '75 Chimo, TS 400, and Nuvik machines through their paces.

HALLOWEEN SAFETY POSTER CONTEST

Supervisor Bertram E. Kohinke announces that the Youth Bureau of the Bethlehem Police Department, under the direction of Sgt. Leo E. Dorsey and assisted by Thomas Kulikowski, Manager of McDonald's in Elsmere, will be sponsoring a Halloween Safety Poster contest through October 25. All pre-kindergarten through fifth grade children in the Town of Bethlehem are eligible and are urged to take part in this Safety Poster contest.

Mr. Kohinke states that the posters which are entered in the contest will be on display throughout the Town and also in McDonald's restaurant. Judging will take place on Sunday, October 27, at 2:00 P.M. at McDonald's in Elsmere. The entrees will be judged for each grade level separately and decisions will be based on neatness and best illustration of subject matter, "Halloween Safety."

Each child entering a poster will receive a special gift when poster is entered at McDonald's restaurant.

Rules for Poster Contest

1. Child must live within the Town of Bethlehem.
2. Child must be in pre-kindergarten through fifth grade.
3. All posters must be taken to McDonald's Restaurant at 132 Delaware Avenue, Elsmere, N.Y.

A LOVE STORY

Mr. & Mrs. Walter Kurkela, and Joseph Corbett.

Last October, Walter Kurkela, owner of the Duso Travel Agency in Poughkeepsie, signed up for a Swissair familiarization trip to Switzerland.

Last October, Marge Caccamo, of Myers Travel in Delmar, signed up for a Swissair familiarization trip to Switzerland.

This August, both Marge and Walter returned to Switzerland. Not on a familiarization trip; on their honeymoon. They were married in June.

The role of Cupid in this tale of travel agent love was played by Joseph Corbett, Swissair's Albany District Manager, who led last year's familiarization trip for area agents. Joe, of course, gives credit to the romantic influence of the Swiss mountains and lakes. For his efforts, whatever they were, Joe was rewarded with an invitation to the wedding and a three-way handshake by the cake. That's Joe, at right, with the happy couple, now living in Poughkeepsie.
