Christmas Vignette

At a special time of day, I find
The sun filters gold rays
through the blind,
Circles of light steal around the room

And on my Christmas Angel loom.

They touch her robe, her face,
her hair

And gold frame the picture
hanging there.

— Gertrude Kiley

When Jesus Came

When Jesus came into our world,

No trumpets blared, no flags unfurled.

The shepherds who watched their flocks by night,

Looked up and saw a luminous sight;

They all came from near and far
To follow this most brilliant star.

And when they saw the Babe so fair,

They bowed their heads in humble prayer.

A simple manger was His bed,
God's aura shone around His head.

The greatest day upon this earth,

When Mary gave Our Savior Birth!

Pirelli Cinturato MS35 steel belted radial snow tires are designed to perform under the harshest winter driving conditions and still behave like standard radials on clear roads. A highly inserted forty five degree angle block tread pattern, rugged shoulder buttresses and new rubber compounds combine for outstanding performance in deep snow as well as on packed snow and ice.

However, these elements are so subtly blended that MS35's sound, act and feel like superb standard radials on clear roads.

Society, I am writing to thank you, your staff, and all your readers who aided, contributed to, or worked on the 1974 Hope Chest fund drive.

For the first time in the Chapter's 17 years of existence, total income rose to \$100,000 of which the Hope Chest raised \$62,253. The cooperation from everyone was most heartwarming. Since 60% of all monies raised remains in the Chapter's 12 counties to help provide services to patients and their families in the local area residents can expect even better care for MS victims in 1975. The other 40% goes to the National Society for use principally in Research, which is, after all, the real Hope of our patients.

We of the National Multiple Sclerosis Society are indeed grateful.

Sincerely yours,
Constance B. Mack

JOTTINGS
by
Joni

Dear Joni,

I would like to know if you know what the Town of Bethlehem is doing in regard to studying cable television for our area. It seems to me that parts of Albany, all of Troy, parts of Colonie, all now have the cable and the towns of East Greenbush, Guilderland all are committed to serve the consumer.

I have seen nothing from Bethlehem other than to select a Chairman to study the possibility of service. (that was about a year ago)

If you could look into this for me, it would be appreciated. I know many people who are interested in cable but it is obvious someone or some persons are dragging their feet.

Sincerely,
Richard Rossuck
8 Weiser Street
Glenmont, N.Y. 12077

Richard,

I know the committee has had meetings and are working

on the possibility of servicing the area. I was unable to contact someone on the committee but hope to have more information next week. With luck your letter should bring results.

Soon to be Wed —

Mr. and Mrs. Howard L. Rice of Delmar have announced the engagement of their daughter, Miss Nancy Ann Rice, to Richard A. Osso, son of Mr. and Mrs. Robert Osso, Scarsdale.

Miss Rice was graduated from Bethlehem Central High School and Southampton College. Her fiancé attended Northern Michigan University and served in the Air Force in Vietnam. He is employed as a manager by Accurate Personnel Services in New York City.

An April 1975 wedding is planned.

May the New Year bring you much success & happiness!
