matrical construction and writes like an elementary student, compared to LeVere. I don't know if they were referring to the Spotlight as a whole or "Jottings." If it was the Spotlight as a whole, all those stories are sent in by many different people and places.

Joni happens to be only 22 and that is quite a lot different from 60. My father had done a lot more reading and had been through more in life that she has. Everybody doesn't write the same, if they did it would be a very boring world where reading was concerned. Some people have the knack of being able to put the right words together and having it come out brilliantly, other people have to try harder and make it come out the best they can. My father (it seems) was born with writing talent, if that's possible.

If you ask me, I think it would be very hard to follow in my father's footsteps. Joni is doing a very good job, with what she has to work with.

Daddy was trying to help her last year with her column, it wasn't supposed to be taking the place of his by no means. It was supposed to be articles that people sent in to her or anything that people thought would interest others. Maybe the person that wrote on this card has some interesting news that would be written in **adult** fashion, if so why don't you send it in!

**JOTTINGS**  
by  
Joni

Dear Joni,

On Friday, Jan. 10, the Times Union printed an article stating that Michael Mooney, Donald Mooney, Michael Mauro and Woodrow Beauregard were arrested for possession of a large quantity of marijuana and were charged with a felony. To my knowledge the T.U. has **not** reprinted an article stating that on Tuesday, Jan. 14, that which was believed to be mari-

...ana was proved in police laboratory tests to be a harmless vegetable known as alfalfa and the felony charges were dropped.

It seems that the paper always wants to print what looks

bad, but not that which is good.

A Concerned Friend

I agree that newspapers should print follow-up stories to clear the names of suspects in crimes. If they are found innocent it is the only fair thing

## COVER STORY

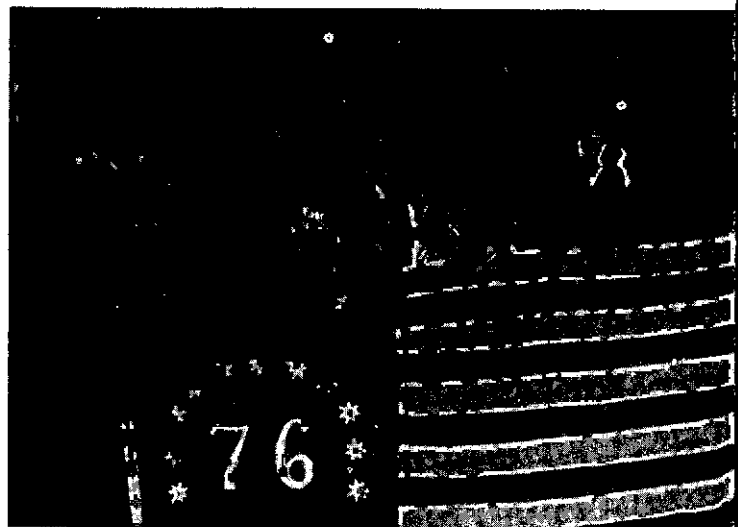

**BETHLEHEM JAYCEES BICENTENNIAL  
FLAG COMMEMORATION**

**THE BETHLEHEM JAYCEES** announce the sale of "Battle of Bennington" flags to commemorate the bicentennial of our nation. Although there never was a "Battle of Bennington," the thirteen star, '76 flag has been historically called the "Battle of Bennington Flag." This flag is one of six flag styles officially recognized by the United States Government for bicentennial purposes. It can be flown in the same fashion as the present 50 star flag. However, if both flags are flown simultaneously, the "Bennington" flag must remain beneath the 50 star flag.

The project chairman is Mr. Charles Underwood, External Vice-President of the Bethlehem Jaycees. The flags will be sold in kit form, including all necessary hardware, for \$10.95. Any questions concerning these flags may be directed to Mr. Underwood, 439-0623 or Mr. Robert Stockton, 439-9495.

Shown on cover: Harry Sheaffer, Town Supervisor, signing the Proclamation, while Rick Knight (left) and Bob Stockton (right) look on.

Below are Rick Knight, Supervisor Harry Sheaffer and Bob Stockton displaying the flag. Jim Fuller Photo

### PROCLAMATION PRIDE IN AMERICA MEMBERSHIP MONTH

WHEREAS, the civic bodies and service organizations of our community and the departments of the local Government recognize the great service rendered to the community by the Bethlehem Jaycees, and

WHEREAS, the United States Jaycees and its affiliated local organizations have set aside the month of January, 1975, to observe the founding of the Jaycees, and to commemorate such founding by involving more young people into the service of humanity, and

WHEREAS, this organization of young men have contributed materially to the betterment of this community throughout the year.

THEREFORE, I Harry Sheaffer, Supervisor of the Town of Bethlehem do hereby proclaim the month of January, 1975, as Pride In America Membership Month and urge all citizens of our community to give full regard to the past services of the Bethlehem Jaycees.

Harry H. Sheaffer

to do. I am more than happy to print your letter. I hope it helps clear these boys' names with the community.

Dear Joni,  
You often ask for "gripes" or "Pet Peeves" — here's mine. I do much of my grocery shopping at the A&P Store, and many times, there are not only cars, but delivery trucks parked in the exit-entrance to the A&P parking lot on Booth Rd. Why are these drivers so inconsiderate and lazy, that they can't park in one of the places in the lot. The area is well marked with arrows, so that **anyone** can see this is **not** a parking space.

This not only makes it difficult to come and go from the parking lot, but is also a hazard, as you can't see the children or people walking or cars on Booth Rd.

I personally feel that if the police were to patrol this area and put tickets on these vehicles, maybe the drivers would use the proper parking places.

The weather has been cold, but do these people get any colder than the rest of us, or are they just plain lazy?

Name Withheld

Thank you for writing. I'm sure this is a case of extreme laziness. I hope some of these people read your letter and become aware of their mistakes. The only other alternative is to file a complaint with the Bethlehem Police Dept.

Dear Sir,  
I would like to compliment the National Savings Bank for its landscape design and execution at its new building at the Four Corners. It appears that every effort was made to save existing trees and that much thought and planning went into the landscape design for the parcel of land. This is a positive step towards bringing more green areas in our commercial zones and I hope that other merchants will emulate their efforts. With the coming of Spring, the true value of this planting will be appreciated. I was also pleased to note that the National Savings Bank chose not to have a free-standing sign, but rather placed its name on the building. I applaud this effort to remove another visual pollutant from our highways. I'm sure everyone knows that it is the National Savings

Bank without a huge glowing sign.

On the other hand, I would like to criticize the Gulf Oil Corporation for tearing down what once was the most well-landscaped gasoline station in town to replace it with their plastic-coated shed. The wooden fence in the back might easily have been evergreens and the plastic trees in front of the station are an affront to my sensibilities. In my opinion, any company which puts in plastic shrubs rather than the real thing, does not have a very high regard for the community which it serves. I hope that these are replaced forthwith. I hope that we are not in store for more of these self-serve towers in the future. There is also **no** need for a free-standing sign on this plot, since one can hardly miss seeing a 20 foot fluorescent-lit shed!

I certainly hope that more consideration will be given by the town fathers to design and execution of areas in our commercial zone. Perhaps an architectural review board is the

answer to some of these problems.

Sincerely yours,  
Dominic DeCecco

## OPEN LETTER TO YOUNG MEN OF BETHLEHEM

Gentlemen:

*We have composed this letter to ask you two questions.*

- 1. Have you ever noticed yourself shaking your head in disappointment at one or more of our local problems, and wishing you had a voice or at least a more effective voice in shaping the future of our community?*
- 2. Have you reflected upon life and questioned whether there is something you can do to accomplish more for your family and yourself?*

*Well, the Bethlehem Jaycees is an organization which will help you to realize yourself and your potentials in leadership through community action. We are composed of young men, 18 to 36, from all walks of life, whose purpose is to improve ourselves and our community.*

*As a Jaycee, you will be recognized as a person who cares enough to try and better his community and himself. We have well established programs in alcoholism, drug abuse, consumer protection, and venereal disease, to name just a few, to help the community. To improve you, we have leadership training courses, personal dynamics programs, public speaking, and family life development. These examples are only a brief glimpse at our organization.*

*Interested? Why not stop at the Center Inn, Route 9W, Glenmont, February 5, 1975, at 8:00 p.m. We will enjoy meeting you and answer any of your questions. Your beverage and snacks are on us. Feel free to bring a friend.*

*If you are unable to attend, but would like to know more about the Jaycees, please call Bob Stockton, District President, 439-9495, or Dave Harvey, President, Bethlehem Jaycees, at 439-4081.*

Sincerely,  
Bethlehem Jaycees

## Saint Thomas School Plans Open House

In one of his first proclamations as Town Supervisor, Mr. Harry Sheaffer declared the week of February 2 through February 8 as Catholic Schools Week in the Town of Bethlehem. In conjunction with the special activities planned throughout the diocese of Albany, St. Thomas the Apostle School in Delmar has invited all community members to become acquainted with the school, its teachers, pupils, and accomplishments. Classes will be open to the public each day during Catholic Schools Week from 8:30 a.m. to 3:00 p.m., with the exception of Wednesday. Visitors unfamiliar with the school are especially encouraged to attend during this time.

Eighth grade student receptionists will be present in the lobby to escort guests, and visitors will also find a schedule of daily classes and special activities there in the main foyer. In addition, an audio-visual slide presentation covering all aspects of St. Thomas School will be shown daily in the school library.

Special events scheduled for the week are as follows: A girls' basketball game will be played at 3:15 p.m. on Tuesday, February 4. On Wednesday, February 5th, all are welcome to attend a special Mass for stu-

dents and teachers in St. Thomas Church at 9:15 a.m. Also on Wednesday, which is designated Teacher Appreciation Day, parents and students are planning a special luncheon to be held at State University of New York at Albany in honor of the teachers.

It is hoped that people who have never "discovered" St. Thomas will take the opportunity to do so during this special week of welcome. Parents of school children would perhaps prefer to attend the Open House on Thursday evening, February 6 from 8 to 9:30 p.m. — a special time set aside for those already familiar with the school, who would like to talk with the faculty and view student's work.

Registration for the year 1975-76 will take place Monday, Tuesday, Thursday and Friday from 9 a.m. to 3 p.m. Wednesday will not be included in this schedule. Those who are unable to register their child during this period may come to the school on Saturday, February 8 from 9 a.m. to 12 Noon.

Perhaps you have always wondered what St. Thomas School has to contribute to our community. This is your chance to find out! A heartfelt invitation and warm welcome is extended to each and everyone in the area. Come and get to know us; we'd like to know you too.

## PROCLAMATION

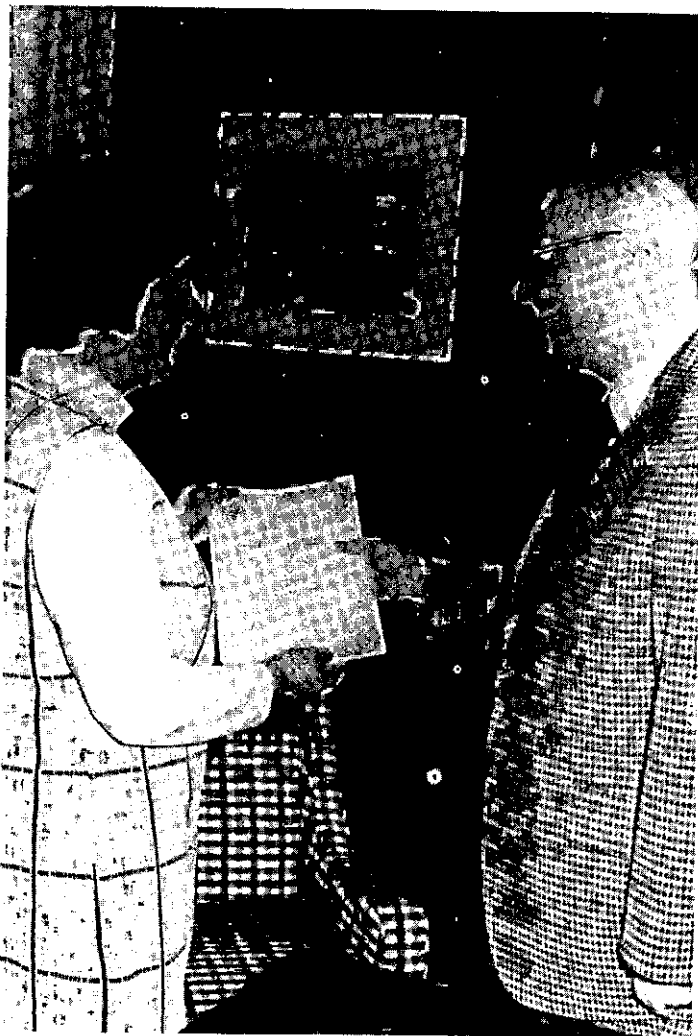

WHEREAS, St. Thomas the Apostle School in Delmar has, for the past eighteen years, dedicated itself to the education and total development of thousands of children, and  
WHEREAS, St. Thomas the Apostle School has contributed toward the attainment of a value oriented education by imparting religious and moral guidance, and  
WHEREAS, through collaboration with parents, growth of the total person has been realized through the dedication of clergy, religious and lay teachers, and  
WHEREAS, in recognition of the contribution that St. Thomas the Apostle School has made to the community of the Town of Bethlehem  
NOW, THEREFORE, I, Harry H. Sheaffer, Town Supervisor of the Town of Bethlehem, do hereby proclaim this week, February 2nd to February 8th, as

### CATHOLIC SCHOOLS WEEK

in the Town of Bethlehem, in recognition of the vital achievements and contribution of St. Thomas the Apostle School.

IN WITNESS WHEREOF, I have hereunto set my hand, and caused the Seal of the Town of Bethlehem to be affixed this 24th of January, 1975.

Harry H. Sheaffer  
Supervisor

CATHOLIC SCHOOLS WEEK — Feb. 2-8 — Mr. Harry Sheaffer, Town Supervisor, is shown presenting the proclamation designating the week of February 2nd to the 8th as Catholic Schools Week in the Town of Bethlehem to Sister Marie Faina, Principal of St. Thomas School.

St. Thomas School will be holding Open House February 3, 4, 6 and 7. The public is invited to attend class sessions during the week in recognition of the contribution made to the community by the parochial Catholic School.

### Music Program Meeting

And there shall be music... so say the supporters of the

Bethlehem Central School District Music Program. Staging their organizational meeting last Monday at the Bethlehem Public Library, enthusiasm was apparent during consideration of future music related activities. Prior to adjournment, committee chairmanships were established, future agenda items discussed (specific projects, by-laws, organization name) and a future meeting date announced. Interested individuals are invited to attend the next meeting at the Bethlehem Public Library, February 10 at 8:00 P.M. For further information, please contact Mrs. Bernard Bloom, 439-6610 or Mrs. Charles Meinert, 439-7281.

### Book Making Project

### Youths Receive Awards

A conservative project in which ten local youth participated has now received an award from the National Wildlife Federation. The habitat improvement project — carried on last summer on the Bethlehem Sportsmen's Club property near Clarksville — was earlier awarded recognition as the best club project in conservation in New York State in 1974.

The national award was presented to members of the Bethlehem Sportsmen's Club at their annual banquet on Sat., Jan. 25, by Mr. William Matott, director of the New York State Conservation Council.

Seven of the young people who teamed with adult Club members on the project attend Bethlehem Central High School. They are: William Clarke, Michael and Daniel Cassidy, Keith Smith, Mark White, and John

and Colin Gallup. The other three students, who attend Christian Brothers Academy in Albany, are: George and Alan Davitt and Timothy Graf. Director of the project was local biologist Gardiner Bump.
