CLASSIFIED ADVERTISING RULES

Every week the Spotlight publishes Classified Ads FREE of any charge UNLESS you get results.

Here's how it works:

You call us and tell us what you want to advertise. From that information our ad writers will make up your ad.

You don't pay anything!

You don't get a bill for anything!

The ad costs you NOTHING unless you get results.

The minute you have had results from your ad, you call us promptly and tell us. Then, when you have had results, you send us a check:

The Spotlight, 87 Roweland Avenue, Delmar, New York

You base the amount of that check on the following schedule:

Up to \$100 on EACH article or business transaction, you send us 10% of the advertised price.

\$101 to \$500 on EACH article or business transaction, you send us 5% of the advertised price.

Over \$500 on EACH article or business transaction, you send us 2% of the advertised price.

We reserve the right to exercise our discretion in the selection of ads and their duration. The amount which is due us should be paid as soon as each transaction has been completed.

Again this week The Spotlight has 3 big contests going which will make the winners richer in worldly possessions. Our own Streets Contest is worth \$5 in any

advertiser's store; the Schellhaas Photo Contest is worth \$5 to the boy or girl who wins, in photo supplies; and the Town and Tweed Slogan is worth an Easter outfit

"A Rose is a Rose is a Rose"

Etiquette decrees that a HAT lends dignity to an occasion. Be hat-conscious and you'll be Fashion-wise!

We also carry Dickies in nylon, pique and wool at \$2.50.
