TO PROVE- *to establish the truth, as by evidence; give demonstration by action.*

(Yearly, for 12 to 16 hours daily, we have given visual evidence and demonstration.)

Top quality dry cleaning doesn't depend upon any advertising slogan, or any machine or type of solvent or other supply. Research* over thirty years has shown that conclusively. Quality dry cleaning service requires a sound combination of honest effort, time for detailed hard work, and the knowledge and skill that comes only from devoted study and long practice and experience. Be very sure that nothing else will do the top quality job.

Basically the detergent quality of the cleaning process is vitally important to producing a thoroughly restored color, texture, and brightness to your fabrics. WE believe our process to possess truly impressive qualities in this particular respect. The next requisites are painstaking inspection, time consuming problem stain removal, or wet cleaning by hand brushing (an accepted procedure of The National Bureau of Standards for cleaning fabrics).

**The Pennsylvania Association of Dyers and Cleaners maintained a fellowship in dry cleaning research for twenty-seven years at Pennsylvania State University under the direction of Dr. Pauline Berry Mack. When Dr. Mack left the university to go to the Texas State College for Women they moved their fellowship to the Philadelphia Textile Institute. It still operates there.*

The connection is obvious - the result inevitable.

CLASSIFIED ADVERTISING RULES

Every week the Spotlight publishes Classified Ads FREE of any charge UNLESS you get results. (Before placing your ad, make sure it can be run on the percentage basis.)

Here's how it works:

You call us and tell us what you want to advertise. From that information our ad writers will make up your ad.

You don't pay anything!

You don't get a bill for anything!

The ad costs you NOTHING unless you get results.

The minute you have had results from your ad, you call us promptly and tell us. Then, when you have had results, you send us a check:

The Spotlight, 87 Roweland Avenue, Delmar, New York

You base the amount of that check on the following schedule:

Up to \$100 on EACH article or business transaction, you send us 10% of the advertised price.

\$101 to \$500 on EACH article or business transaction, you send us 5% of the advertised price.

Over \$500 on EACH article or business transaction, you send us 2% of the advertised price.

We reserve the right to exercise our discretion in the selection of ads and their duration. The amount which is due us should be paid as soon as each transaction has been completed.
