We drove to New York this week to see the INTERNATIONAL AUTO SHOW. Of course we rode down in one of our RENAULTS. Our average speed was better than 60 miles per hour. Our cost for Gas and Oil was LESS than \$2.00 for the round trip.

We minutely inspected every auto at the show but, dollar for dollar, we couldn't find one that would even equal the RENAULT.

## AREA EVENTS CAPSULE

\$25 REWARD! You may collect this from any Kiwanian who can't tell you about the two most exciting days Delmar has ever seen — May 18 and 19. Ask the next Kiwanian you meet! . . . ADULT EDUCATION DAY — MAY 15. This is an important date for Adult Education in this area. Eleven districts and all members of their advisory boards will sit down together to discuss future plans; the meeting will be at the Senior High from 8 to 10:30 p.m., with Peter Muirhead as chairman. . . . FIVE THOUSAND AREA FAMILIES WILL BE QUIZZED ABOUT SHOPPING HABITS. This week 5,000 questionnaires were mailed throughout the Tri-Village area by the Bethlehem Chamber of Commerce to determine the shopping habits of the local resident. Through the answers received the Chamber, in cooperation with the N.Y. State Department of Commerce, will be in a position to evaluate the needs of this community. Similar surveys have been made in the State with a great deal of success, but, according to Chester Hawley, president of the local Chamber, "no survey has been conducted on the scope of this one. Other places a cross-section sampling of opinion has formed the basis for the Department's recommendations. In this locality EVERYONE will receive a questionnaire in the mail and therefore be eligible to give his opinion." No one will be required to sign the blank, so there will be no obligation. Probably the most important question on the blank in the one referring to industrial development in the Town of Bethlehem, since taxes depend to a great extent upon the types of property to be taxed, and the individual homeowner's tax rate is directly effected by the value of the industrial property. . . . SALK POLIO SHOTS. A Polio Vaccine
