CLASSIFIED ADVERTISING RULES

Every week The Spotlight publishes Classified Ads FREE of any charge unless the advertiser gets results. These ads, however, must come under certain categories. Those not acceptable on this basis are listed below.

ADS NOT ACCEPTABLE ON A PERCENTAGE BASIS:

Ads from stores, businesses, manufacturing firms, more than one-of-a-kind of the same article.

Used clothing — new clothing IS acceptable.

Real Estate — for sale, for rent, real estate wanted, any type of real estate ad.

Positions — Help wanted, situations wanted.

All "Personal Service" ads.

Merchandise Wanted ads.

Automotive Dealer ads.

Lost and Found ads.

Here's how it works on the percentage ads: You call us and tell us what you want to advertise. From that information our ad writers will make up your ad. You don't pay anything. You don't get a bill for anything. And in all fairness to us, you won't advertise this same article or articles anywhere else. The ad costs you nothing unless you get results.

The minute you have had results from your ad, you call us promptly and tell us. Then, you send us a check immediately

so we don't have a lot of bookkeeping and billing.

The amount of your check is based on the following schedule: Up to \$101 on each article or transaction, you send us 10% of the ADVERTISED price.

From \$102 to \$501 on each article or transaction, you send us 5% of the ADVERTISED price.

From \$502 up, you send us 2% of the ADVERTISED price.

We reserve the right to exercise our discretion in the selection of ads, their wording and wordage, and duration. The amount due us should be paid as soon as each transaction has been completed.

CLOSING— Percentage Classifieds must be in on Wednesday preceding the week of publication — 8 days in advance of issue in which they are to appear.

PAID Classifieds must be in on Friday preceding the following Thursday publication.

ONE UNIQUE FACT

Early reports indicated that the Kiwanis Club fell short of their goal of \$2,000.00 last weekend for the benefit of their scholarship and needy children fund — BUT — one great big fact stood out above all others: NOT ONE CENT of the money collected will be diverted for any purpose other than that for which it was raised! UNLIKE most organizations, Kiwanis does NOT pay the fund raising expenses out of the money raised; it is taken out of separate funds entirely.

EARLY AMERICAN DISPLAY

The Adult Class in Early American Decorating, which has been in session two nights a week since Fall, has on display in Pulman's window at the Delaware Plaza the results of the season's work. A large number of women have enjoyed this class and the Adult Education Department of B.C.H.S. looks forward to having more participate when classes resume next Fall.

Under the direction of Mrs. Dorothy Schelling the group has restored old tin and furniture and also decorated China, woodenware and glass pieces, which are all included in the display.

The following women's work is included in the showing: the Mrs. C. Simon, G. Hallenback, L. Lyons, E. Miller, J. Carvell, D. McCrom, G. Burnham, M. O'Hare, M. Reid, F. Glenn, Miss Eleanor Peterson, Miss E. Kelp.

U.N. OFFICER AT KIWANIS

Roger W. Bayldon, native of South Africa, now Information Officer in the Department of Public Information, United Nations headquarters, will speak to the Delmar Kiwanis Club Monday, May 28, at 6:30 p.m.

BENEFIT SHOWING

Cub Pack 256 is showing Clifton Webb in "MR. SCOUTMASTER" at the Delmar Theatre Sunday afternoon, May 27 at 2:30 p.m. There will be a Cartoon Carnival in addition to the feature picture.
