VOLUME 1, NUMBER 28

DELMAR, NEW YORK

JUNE 7, 1956

WILL YOU BE DRIVING THIS CAR AFTER JUNE 16th?

William Oliver, member of the Board of Directors of the Tri-Village Little League, points with pride at the Nash Rambler which will be given away as the first prize in the current booster ticket sales. The drawing will be made on Saturday, June 16. The car was purchased by the League at the wholesale price from Studler's Sales and Service. Second and third prizes will be a boy's and a girl's bike. The booster tickets are on sale throughout the area under the direction of Mrs. Harold Merritt, \$1 each or 6 for a five dollar bill. The money derived from the sale will be used to defray the season's expenses.

## CLASSIFIED ADVERTISING RULES

Every week The Spotlight publishes Classified Ads FREE of any charge unless the advertiser gets results. These ads, however, must come under certain categories. Those not acceptable on this basis are listed below.

### ADS NOT ACCEPTABLE ON A PERCENTAGE BASIS:

Ads from stores, businesses, manufacturing firms, more than one-of-a-kind of the same article.

Used clothing - new clothing IS acceptable.

Real Estate - for sale, for rent, real estate wanted, any type of real estate ad.

Positions - Help wanted, situations wanted.

- All "Personal Service" ads.
- Merchandise Wanted ads.
- Automotive Dealer ads.
- Lost and Found ads.

Here's how it works on the percentage ads: You call us and tell us what you want to advertise. From that information our ad writers will make up your ad. You don't pay anything. You don't get a bill for anything. And in all fairness to us, you won't advertise this same article or articles anywhere else. The ad costs you nothing unless you get results.

The minute you have had results from your ad, you call us promptly and tell us. Then, you send us a check immediately

so we don't have a lot of bookkeeping and billing.

The amount of your check is based on the following schedule: Up to \$101 on each article or transaction, you send us 10% of the ADVERTISED price.

From \$102 to \$501 on each article or transaction, you send us 5% of the ADVERTISED price.

From \$502 up, you send us 2% of the ADVERTISED price.

We reserve the right to exercise our discretion in the selection of ads, their wording and wordage, and duration. The amount due us should be paid as soon as each transaction has been completed.

**CLOSING**- Percentage Classifieds must be in on Wednesday preceding the week of publication - 8 days in advance of issue in which they are to appear.

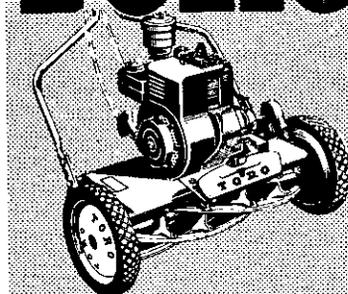

**PAID Classifieds** must be in on Friday preceding the following Thursday publication.

Checks for Classified Ads should be Mailed to:

**THE SPOTLIGHT, Inc.**  
87 Roweland Avenue  
Delmar, New York

Be sure to watch for YOUR name next week in the Spotlight Hidden Name Contest. If you find it, you'll be \$5 richer.

## LOCAL EVENTS CAPSULE

**OUR LOCAL EVENTS CAPSULE** is just that for this week in that it actually contains a series of important happenings which will take place in the Tri-Village Area in the very near future. Considering the un-measurable amount of good the Delmar Fire Department and its Rescue Squad do both in fighting fires and the transportation of the ill and hurt, we call to your attention again the Carnival which is now in full swing and which will continue through Saturday night. The proceeds from this gala fun event will be used by the company to defray some of their expenses during the coming year.

**TOMORROW, FRIDAY, JUNE 8,** the Albany County Health Department has arranged for a Salk Vaccine Clinic to be held in the Bethlehem Central SENIOR High School Gymnasium. The clinic will be open to the children in the School District over 6 months through 19 years of age and pregnant women. This clinic is for FIRST inoculations only.

Junior High School students will be transported by bus. Transportation of students enrolled in other schools, pre-school and elementary children will be the responsibility of their parents.

**LIKE STRAWBERRIES?** Most of us do and for that reason we're circling **Saturday, June 16,** on the calendar, because starting at 5 in the afternoon there'll be an old-fashioned Strawberry Festival at St. Stephen's Episcopal Church on Elsmere Avenue. Just wanted to get the date fixed in your your mind and marked on the calendar . . . and we'll have all of the mouth-watering details in next week's issue.

**ANOTHER BIG DATE TO** circle will be July 3 . . . that's the night that will mark the opening of the first (as far as we know) Summer Theatre of drama in the Tri-Village Area.

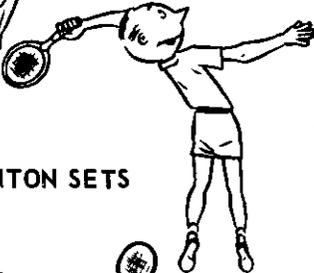

Like most of us, you've probably been driving out New Scotland Road and suddenly you came face-to-face with that intriguing sign: "Shelley Players." You slowed down and saw a most attractive barn theatre, wide expanses of lawn and parking area, and an adequate swimming pool. You

probably drove on wondering just what it was you HAD seen. Last year the two words, Shelley Players, were simply the name of a summer day camp which specialized in teaching the dance, dramatics, theatre make-up and those little allied arts which are so much fun and so hard to come by.

This year, a different story. Yes, Mrs. Kaye will still have the children there during the day . . . but once their voices are stilled, a new throng of professional Broadway thespians will arrive and take over for the evening hours.

As we said above, the Summer Stock Theatre right here in our area, will open July 3 . . . with "Voice of the Turtle."

As soon as plans are a little further advanced we'll bring you stories on the cast, the director, the theatre, etc.

Tommy Hoffman, 13, is well known to the teen age set in our area because of his skating rink connection . . . not as a fisherman. Here he is at Schroom Lake Decoration Day with a Lake Trout which he caught. The fish tipped the scales at 13 pounds 9 ounces.

**TODAY, WITH THIS ISSUE,** we are reinstating the most popular contest the Spotlight has run. It goes 'way back to those first issues last December. In fact, it began in the very first issue when we put the name of Mrs. Leonard Campbell in one of the ads and friends jammed her telephone line for the next 72 hours to tell her not to miss out on the Gift Certificate. cate.

With this issue we're starting it all over again. In one of the ads is the name of someone on our mailing list. All you have to do is **FIND YOUR OWN** name. If the name printed is yours, call us and tell us that you found it. In return, we'll send you a \$5 Gift Certificate good in any store which has an ad in this issue. Good Hunting!!

**KATHY'S TEEN AGE COLUMN** disappeared only for a short while. With exams a matter of days away, activities almost non-existent, and review pressure very strong, she stopped her column until such time as she can not only include school news but also teen age events from all through the territory the Spotlight covers. Yes, Kathy will be back with a column and pictures in profusion!

**BOB MARTIN** and many others throughout the area have only the best things to say about Lee Reynolds' products and service in his gas station. But Bob learned one thing just recently: If you want a sandwich, order it from a restaurant! Bob had no one to leave at his used car lot while he went to eat, so he called Lee and asked him to pick him up some kind of a sandwich! Lee did! He went to Nick's and got raw meat; to the Delmar Bakery for a roll; then he covered the meat with his BEST axle grease and served the whole mess to Bob on a fancy napkin. Result: Bob went hungry. Conclusion: there's still time in a humdrum world for a little extracurricular fun.

Every week new advertisers appear in our columns. One may have just the article or service you've been hunting.
