THERE WAS NO SPIRIT of gaiety at the auction last Saturday which saw all of Garry McBride's garage equipment sold under the mercilous pounding of the auctioneer's hammer. Watching the bidding was like looking on while your favorite shade tree of a long lifetime is being felled. Garry didn't look unhappy . . . but perhaps he was looking back over 50 years and remembering

all of the pleasant associations. It was many years ago that Dan Bennett traveled from house-to-house and farm to farm making repairs which later led to the plumbing business he has today. As Dan became established and needed transportation that was faster than walking or horse and wagon, he went to Garry McBride to buy the first car from which to carry on his business. Yes, there are many of us affected with a touch of nostalgia when we hear the echo of that auctioneer's hammer . . .

AS WE GO TO PRESS there has

been no release on the amount of money The Delmar Fire Company made from the Carnival . . . but we do know that your patronage has done a great deal to help them with their expenses ahead. So great was the merchant response to giving Door Prizes that it took a half

CLASSIFIED ADVERTISING RULES

Every week The Spotlight publishes Classified Ads FREE of any charge unless the advertiser gets results. These ads, however, must come under certain categories. Those not acceptable on this basis are listed below.

ADS NOT ACCEPTABLE ON A PERCENTAGE BASIS:

Ads from stores, businesses, manufacturing firms, more than one-of-a-kind of the same article.

Used clothing - new clothing IS acceptable.

Real Estate - for sale, for rent, real estate wanted, any type of real estate ad.

Positions - Help wanted, situations wanted.

All "Personal Service" ads.

Merchandise Wanted ads.

Automotive Dealer ads.

Lost and Found ads.

Here's how it works on the percentage ads: You call us and tell us what you want to advertise. From that information our ad writers will make up your ad. You don't pay anything. You don't get a bill for anything. And in all fairness to us, you won't advertise this same article or articles anywhere else. The ad costs you nothing unless you get results.

The minute you have had results from your ad, you call us promptly and tell us. Then, you send us a check immediately

so we don't have a lot of bookkeeping and billing.

The amount of your check is based on the following schedule: Up to \$101 on each article or transaction, you send us 10% of the ADVERTISED price.

From \$102 to \$501 on each article or transaction, you send us 5% of the ADVERTISED price.

From \$502 up, you send us 2% of the ADVERTISED price.

We reserve the right to exercise our discretion in the selection of ads, their wording and wordage, and duration. The amount due us should be paid as soon as each transaction has been completed.

CLOSING- Percentage Classifieds must be in on Wednesday preceding the week of publication - 8 days in advance of issue in which they are to appear.

PAID Classifieds must be in on Friday preceding the following Thursday publication.

Checks for Classified Ads should be Mailed to:

THERE'S SOMETHING about a summer theatre that is so much more intriguing than driving or flying to NYC and seeing a play during the fall or winter. And this is especially true when you know the people who are the backers and promoters of a local summer stock company. Yes, it's true, the Tri-Village area will have its **FIRST** theatre of the Straw Hat circuit this year. Before opening night we'll run a thumbnail sketch of the Producer of

this new theatre, Shelley Kaye, and another of Garrison P. Sherwood who will direct the plays. Both Mrs. Kaye and Mr. Sherwood have spent many long hours in their careful selection of the men and women who will make up the permanent company. Typical of the caliber actor and actress who will be a member of the Shelley Players this summer is Mary Jane Nottage who will have one of the leads in "The Voice of the Turtle" which opens for five evening performances on July 3. Mary Jane, although only 21, has had three years of winter stock at the Cleveland Playhouse which is known from coast to coast for its superb productions. In addition, she was with the Cape Theatre, Chataqua Repertory, and the Peninsula Theatre each for a complete summer. In addition to her many dramatic roles she also appeared in four musicals, Bloomer Girl, Finnian's Rainbow, Best Foot Forward and A Tree Grows in Brooklyn.

No matter how you look at it, our area is in for a summer of good theatre. When you get a group of people who have real acting experience, put them under the direction of a man like Garrison Sherwood and a producer like Shelley Kaye . . . that's the way to spell **GOOD THEATRE!**

THE BETHLEHEM BABE Ruth League season will open on Tuesday the 26th of June when the first game will be played on the Bethlehem Central Junior High School diamond. Try-outs for the teams were held last week under the direction of player agent Harold H. White. Nearly 60 boys participated in the tryouts to fill the vacancies in positions on the five teams sponsored in this year's league. Each team is allowed a roster of fifteen players.
