DOROTHEA K. GOULD:
ANN LOUISE SHOP

Dorothea K. Gould had a little taste of shop business about five years ago when she operated, in partnership, a gift shop in Albany for a brief period. Illness and the dislike of a partnership arrangement decided her to give up this venture. So she sold out to her partner.

However, the desire to own a shop persisted and this, together with her special liking for hats, decided her on the Ann Louise Shop.

Delmar sold just about everything but hats, she thought, so what could be nicer than a hat shop in the Tri-

ADVERTISING PROCEDURE MERCHANDISE FOR SALE

Every week the SPOTLIGHT publishes Merchandise For Sale ads FREE of any charge unless the advertiser gets results. These are called **PERCENTAGE ADS** and here's how it works: Call us and tell us what you want to sell or advertise. Our ad writers will make up your ad. You don't pay anything then and you don't get a bill. And, in all fairness to us, you won't advertise this same article or articles anywhere else. The ad costs you nothing unless you get results. All established businesses excluded.

The minute you have had results from your ad, call us promptly, then send a check immediately so we won't have any unnecessary bookkeeping and billing.

The amount of your check is based on the following schedule: Up to \$101 on each article or transaction, you send us 10% of the advertised price; from \$102 to \$501, you send us 5% of the advertised price; over \$502, you send us 2% of the advertised price.

CLOSING

PERCENTAGE ADS must be in on Wednesday preceding the week of publication.

CLASSIFIED ADS

50¢ per line with a \$1.00 minimum.

DISPLAY ADS

\$2.00 per column inch per insertion; \$3.00 per column inch Front or Back Covers.

CLOSING DATE FOR CLASSIFIED AND DISPLAY ADS

Village area. According to the many favorable and complimentary remarks she has received, it is evident that a great many other women think so too.

"A hat lends dignity to an occasion, and many women make the mistake of not wearing hats more often than they do," says a well-known authority on etiquette.

A hat should be a **MUST** for certain occasions and functions, and a woman is not properly groomed, no matter how nice or expensive her clothes, unless she wears one at such times, says Mrs. Gould.

Another reason for Mrs. Gould's decision to open a hat shop, was due to the fact that her husband, Apiculturist for the New York State Department of Agriculture, is away much of the time, as is daughter Ann, who is a student at Syracuse University where she also teaches English.

On October 25, the Ann Louise Shop will have been in operation for one year. In addition to hats the shop also features a most complete line of accessories.

THOUGHTS ON GOOD GOVERNMENT

Most good people expect others to provide good government for them. The result is that bad politicians are usually elected by GOOD citizens who do not bother to vote.

Nearly 40 million eligible voters failed to go to the polls in the last presidential election in 1952.

Most people forget that with every right entrusted to us by God, there is an accompanying responsibility.

Either you run your government — or your government runs you.

There can be no self-government without self-participation.

"The only thing necessary for the triumph of evil is that good men do nothing." — Edmund Burke.

Failure of even one person to vote in any election weakens free government just that much. Multiply that neglect of one individual a sufficient number of times and any free nation commits suicide.

Many good governments have disappeared because those who benefitted most by freedom got tired of governing themselves. They preferred to leave the running of public affairs to others. Not until it was too late did they realize they themselves let their government go by default to those who soon would enslave them.

This year REGISTER — VOTE!
