ALBIN STUDLER:
STUDLER'S SALES & SERVICE

Al and Nina Studler

Little did Al Studler think, 19 years ago, when he accepted the job as Service Manager for the Chevrolet dealer in Delmar, that he was destined to become an integral part of this community - in fact, one of its leading citizens!

In 1938, he branched out on his own with a General Repair shop at the corner of Elm and Delaware Avenues and acquired the GMC Truck franchise, which he has kept through the years. It was a one-man shop, with a pot-bellied stove for warmth during the cold winter months but

ADVERTISING PROCEDURE MERCHANDISE FOR SALE

Every week the SPOTLIGHT publishes Merchandise For Sale ads FREE of any charge unless the advertiser gets results. These are called PERCENTAGE ADS and here's how it works: Call us and tell us what you want to sell or advertise. Our ad writers will make up your ad. You don't pay anything then and you don't get a bill. And, in all fairness to us, you won't advertise this same article or articles anywhere else. The ad costs you nothing unless you get results. All established businesses excluded.

The minute you have had results from your ad, call us promptly, then send a check immediately so we won't have any unnecessary bookkeeping and billing.

The amount of your check is based on the following schedule: Up to \$101 on each article or transaction, you send us 10% of the advertised price; from \$102 to \$501, you send us 5% of the advertised price; over \$502, you send us 2% of the advertised price.

CLOSING

PERCENTAGE ADS must be in on Wednesday preceding the week of publication. CLASSIFIED ADS

50¢ per line with a \$1.00 minimum. DISPLAY ADS

\$2.00 per column inch per insertion; \$3.00 per column inch Front or Back Covers.

CLOSING DATE FOR CLASSIFIED AND DISPLAY ADS

Friday before the following Thursday publication.

the excellence of the service he gave soon was the talk of the village. There, he began his dream of the Service Shop he hoped one day to own.

Six years later, he took the first step toward fulfilling this dream and joined forces with Buck Smith to purchase the building at 243 Delaware Avenue, where he set up his service shop and they took on the Hudson Agency. There was many a headache during the war years due to shortages of material and lack of skilled workmen - and although the partnership broke up, Al concentrated on keeping as many Tri-Village cars on the road as possible and thereby won a host of friends.

It was in 1950 that he took his next step to make his dream come true. At that time he purchased the property across the street from his garage and began to visit every dealer's service shop he could find. He profited from their experience and from their mistakes . . . and slowly modelled he new garage until, today, it is one of the finest Service Shops in the country.

In '53, he took over the Nash Agency and has built it up to one of the top agencies in the area.

Studler's Sales and Service is a typical Tri-Village business inasmuch as it is a family business. Nina (Mrs. Studler) has worked side by side with Al, doing the bookkeeping since the Elm Avenue Garage days and raising the children. Al, Jr., home from the Coast Guard since April, stepped into the new Service building with all the Studler mechanical know-how. Dick, who arrived home from Air Force Service in England last week, is already getting caught up with the latest business transactions and is anxious to get to work. "Delmar's been awfully good to me,"

Al said. "I couldn't have built up the business without the help of the people in the Tri-Villages." However, as a Mason, a member of Kiwanis, the Board of Direc-
