WOMEN OF ST. THOMAS' PLAN GALA CARD PARTY AND FASHION SHOW TO BE HELD AT SCHOOL ON MAY 2

A springtime event of area interest is the second annual card party and fashion show being planned as a benefit for St. Thomas' School, Delmar, by the women of the parish under the sponsorship of the Altar and Rosary Society. The auditorium of the new school will be the place where literally hundreds of women will gather May 2nd at 8 o'clock for a gala evening, which will include card playing and a fashion show. Another popular feature will be a home crafts booth.

Mrs. Clayton Koonce, president of the Altar and Rosary Society, has announced that Mrs. Alex Lesuk and Mrs. Clayton Smith are co-chairmen for this affair. Committee chairmen include:

COOKING at the Open House at Hilchie's Terminal Hardware last Saturday, was one of the easiest jobs Mrs. Hilchie has had for some time. She and her father, Mel Miller, and Alan Hilchie have been remodeling the store these past few weeks, thereby proving that not everybody believes there's any recession. If you missed the Open House, go in soon and see the miracles that have been performed.

LAUNCHING A BOAT THIS SPRING?

Boating on lake or river is a wonderful sport, but the boats people own these days are getting classier and more expensive.

Like any other valuable property, your boat deserves proper insurance against loss or damage. It's just as vulnerable to calamity as your car or yourself.

We can safely insure any craft from a canoe to a liner. We have the experience to pick the best type of policy for you.

Whether it's a boat, a car, a house or a mill, we will insure it safely and quickly. Put all your insurance details in our hands and put your mind at ease.

Let US take the risks.

DAWNING by Evelyn M. Farny

Did you ever get up at the break of dawn,
And watch the brightening sky,
And wonder where the night has gone,
As darkness bids goodbye.

Flowers, opening up anew
In pure delight,
Waiting for their drink of dew
And breakfast of sunlight.

It's so quiet and peaceful,
Just nature at her best,
Without any cars or people,
As yet, to be her guests.

The sun is rising in the sky,
Bringing to us the day,
Bidding the shadows goodbye,
Chasing the mist away.

Oh, did you ever get up at daybreak,
And wonder what this day will be;
Joy, sorrow or heartache,
You'll just have to wait and see.

**SLINGERLANDS COMMUNITY PLAYERS TO PRESENT
"MY THREE ANGELS" ON MAY 23 AND 24 AT BCHS**

The Slingerlands Community Players have announced the selection of "My Three Angels," a three-act comedy by Sam and Bella Spewak, as their annual Spring production to be presented on May 23 and 24 in the Bethlehem Central Senior High School auditorium. Part of the proceeds will be donated to the Bethlehem Lions Club to help further their project to send a Bethlehem Central teacher to Syracuse University for a course on the handicapped.

Playing the roles of the three convicts responsible for the shenanigans in this hilarious comedy will be Richard Johnson, John Clark and William Morrison. Others in the cast include

William Heenehan, Arthur Ploetz, Robert Tracy, William Delaney, Mrs. William Heenehan, Mrs. Kent Miller and Mrs. Richard Karnow. Mrs. Garth Johnson will direct.

The action of "My Three Angels" takes place on Devil's Island in French Guiana on Christmas Day 1910 and revolves around the amusing efforts of three convicts to help the family of the storekeeper whose roof they are repairing. The play was presented on Broadway with Walter Slezak as one of the convicts and Jose Ferrer as director.

3 BIG REASONS (✓)

for heating your home with oil

(✓) IT'S SAFE

(✓) IT'S CHEAP

(✓) IT'S SURE

When you heat your home with oil, you enjoy advantages provided by no other form of fuel.

First, you have the peace-of-mind that comes with the knowledge that your heating unit is safe. Second, oil costs so little. Third, you are assured a steady, reliable level of heat no matter how low the temperature drops!

Call us for Atlantic's famous triple-refined heating oil. It now has a new additive that helps prevent formation of sludge.
