

A STUDENT'S TEN COMMANDMENTS

BY ORVILLE HAYFORD - 1931

1. Thou shalt ever serve thy God and fellow men.
These duties never shirk,
But let unselfish service be thy lofty aim
In all thy work.
2. Thou shalt seek to know of every study chosen
Its value true
And stop not in pursuit until you find
What help it has for you.
3. Thou shalt love the truth and only truth
No matter what it gives
Of toil or sorrow, ease or pain,
For truth forever lives.
4. Thou shalt meet each task at time assigned
Nor fail to do thy part,
For he, who would but prove himself,
Must have a willing heart.
5. Thou shalt work each day with all thy strength
To build for greater tasks.
'Tis thus we labor, knowing
Just what tomorrow asks.
6. Thou shalt respect the rights of other men
Nor special privilege seek
Unless it be a favor that if but enjoyed,
Might help one serve the weak.
7. Thou shalt love thy friends more than thyself,
Thy school just like a friend,
But love thy parents with respect akin to God
And love thy God forever without end.
8. Thou shalt hold forever to the things you see
And care for most in others,
In whom you place the most of admiration
Among your brothers.
9. Thou shalt rejoice in excellence of others
And seek not for reward
But rather seek the gratitude of fellow men
And favor with thy God.
10. Thou shalt make thine own commandments harder than another
Would ever make for thee.
Daily point thine aims to all the things
That lift Humanity.

Mrs. Orville Hayford of 1494 New Scotland Road, Slingerlands, wrote a letter to the Spotlight concerning the "Fifteen Tips for Parents" series which was completed last issue. In her letter she mentioned that her late husband, when he was a teacher at Washington Irving High School in Tarrytown, had written "A Student's Ten Commandments" which she has kindly given us permission to reprint here.

Dear Spotlight,

Perhaps this is not as important an issue as I have come to believe it to be. Anyway, I want to pass it on to your excellent medium of expressing community ideas and opinions.

In a section of the Tri-Village Area where I first lived, I offered one Sunday to cut the lawn for our landlady. She made a very definite reply, to quote, "Lawns are never mowed in this neighborhood on Sundays or Holidays."

"Oh, of course," wisely I replied, and added, "the church in the block."

"No!" said she. "It is because of the noise. We work around our places doing many things but we never do anything that would inflict on our neighbors an unwelcome noise."

Well, last year we bought a home in another part of the town and I wish many Sundays that I was back in the old block for there you could read, nap, visit and day dream without competing with a clic-clic-clic or put-put-put of someone mowing their lawn.

Is there such a possibility of a village ordinance for silent noise jobs on Sundays only?

Sincerely yours,
 HM

P.S. I spoke to one of my neighbors about this and his reply was, "The noises don't bother me, so what!" Perhaps that is my answer; I would like to know.

The Spotlight:

I'm enclosing two dollars for three more years of the Spotlight.

I understand that the Spotlight is now qualified as second class mail - congratulations.

I would like to suggest through your paper that perhaps now would be the time to plan a town park. Homes are being built so fast that open land is fast disappearing. My idea of a local park would be a semi-rustic area similar to that little ravine down at the end of Oakwood Road past Bailey's Garage. That type of area would be good for picnics and relaxing. However, if possible, level spots for games should be included. I think a swimming pool would be unnecessary in the kind of park I'm thinking of.

John A. Van Dusen

-The Spotlight has NOT yet qualified for Second Class entry due to the fact that there is still not a large enough percentage of subscribers. -Ed.

LOCAL NURSERY SCHOOL ACCEPTING REGISTRATIONS
THE NEWLY INCORPORATED Tri-Village Nursery School will soon be making up its 1958-59 classes, it has been announced by Mrs. Leon B. Kromer, chairman. Anyone who wishes to receive an application blank should call Mrs. F.D. McCandless, the secretary. All application blanks will be sent out together early in May and the children will be accepted or put on the waiting list in the order that the completed forms are returned.

The nursery school, which will be starting its fourteenth year in the fall, enrolls sixteen three-year-olds, ("chippies"), and twenty-four four-year-olds, ("robins") and has a staff of two trained teachers plus a teacher's aid. Classes are held in the Bethlehem Center School where there is also a large fenced play yard. Transportation to and from school is provided.

The Tri-Village Nursery School, Inc. is a cooperative organization and each parent is expected to serve on a committee during the year. The preschool officers are also volunteer-

ing parents. Besides Mrs. Kromer and Mrs. McCandless, the officers this year are Mrs. Donald D. Gulling Jr., co-chairman, and Mrs. Edward T. Tisdall, treasurer.

SUPERVISOR JOHN OLIVER PULLS WINNING TICKET AT PLAZA BOAT SHOW; 16' RUNABOUT AWARDED TO MR. AND MRS. CHARLES NICOLOSI AND FAMILY OF DELMAR

John Oliver selects winning ticket to bring Plaza Boat Show to close.

After a week of cool temperatures and a wind that sometimes made it impossible to open the flaps on the exhibition tent, the Plaza Boat Show came to a blazing close Saturday afternoon when Town of Bethlehem supervisor John M. Oliver pulled the winning name from a hopper containing an estimated 200,000 entries. The winning name was Mrs. Charles Nicolosi of 69 Marlboro Road, Delmar. And the prize boat given by the Delaware Plaza merchants, was a 16-foot Family Runabout by Dundee.

When the Nicolosi telephone rang, it was Mr. Nicolosi who

took the message for his wife. He was almost speechless because like so many of us, it was the first time anyone in the family had ever won any kind of a prize.

Winner of the electric toy boat given by Toy Fair, was Louise Suttiff of Font Grove Road, Slingerlands.

The Boat Show, while never seeming to be crowded, was seen by an estimated 20,000 people who braved cold and wind to look over every popular boat, from a 9-foot row boat to the deluxe 25-foot inboard Pembroke cabin cruiser.

Both Bill Bennetts of Bennett Gun Works, were greeted by the many fisherman who visited their booth.

Most faithful in the boat show attendance were two men from the C.W. Whalen tent and 'awning firm of Troy, who spent 10 to 12 hours in each 24 working valiantly to keep the 40x80-foot exhibition tent in the air. Wind gusts up to 40 miles an hour tore the stakes from the asphalt pavement and swung the side tent poles back and forth like toothpicks. The patience and work of these men resulted in no one getting hurt and no boats damaged.

The excellent cooperation of the Police Department, Town Officials and the exhibitors were prime factors in making the show a memorable event in the area.

BICYCLE SAFETY CHAIRMAN, ARTHUR FLEAHMAN, WRITES LETTER OF INVITATION TO FIREMEN TO AID PROGRAM

As you know, the Town of Bethlehem has recently adopted a bicycle ordinance effective July 1, 1958 providing for the licensing of all bicycles in the Town by the Town Clerk or his designees and their inspection by the Chief of Police or his designees.

While the Kiwanis Club of Delmar expects to make its personnel available to work with the Town Clerk and Police Chief, we have actively solicited the help of all the fire companies in assisting in the inspection and licensing of bicycles and the educational road test program to be associated with it. It is not expected or anticipated that any firemen will be called upon to accept or reject any bicycle offered for inspection or act as a designee above referred to.

The Delmar Fire Company has agreed to assist the Town Officials and Kiwanians in a "dry run" or a rehearsal to be held Wednesday evening, May 7 at 7:15 p.m. on the parking lot outside the Delmar fire station. In the event of inclement weather, the

event will be held inside the fire house itself. All firemen of other companies who will participate in the program are urged to attend and witness the program as it planned to be officially carried out. Only a few bicycles will be involved. Immediately afterward we will adjourn upstairs either in the fire house or Town Hall for further demonstrations, questions, and answers and, at that time, we will work out the official inspecting and licensing dates in the various areas of the town.

We will be looking forward to seeing you on May 7 at Delmar. Please invite all members of your fire company who will participate to come with you.

Sincerely,
Arthur L. Fleahman, Jr.
Co-chairman of the Bicycle Safety Program

casions. It will be loaned at no charge to any organization in the Tri-Village area wishing to use it. Contact must be made with the Post Commander to obtain the film. Organizations must furnish their own projection equipment.

The film was produced by the Audio-Visual Department of Indiana University with the co-operation of the National Americanism Commission of the American Legion. Mr. Drew believes that this film will be an invaluable aid in teaching our children of the community the meaning and symbolism of our American Flag for years to come. The Town of Bethlehem school system has made plans to show the film to children from Kindergarten through ninth grade on a regular schedule during the school year. Adult organizations are also urged to make use of the film.

3 BIG REASONS (✓)

for heating your home with oil

(✓) IT'S SAFE

(✓) IT'S CHEAP

(✓) IT'S SURE

When you heat your home with oil, you enjoy advantages provided by no other form of fuel.

First, you have the peace-of-mind that comes with the knowledge that your heating unit is safe. Second, oil costs so little. Third, you are assured a steady, reliable level of heat no matter how low the temperature drops!

Call us for Atlantic's famous triple-refined heating oil. It now has a new additive that helps prevent formation of sludge.
