

## EDITORIAL . . .

Delmar has always been a Property-Proud Town. Each Spring, Summer and Fall, homeowners seem to vie to have the greenest lawns, the loveliest gardens, the tidiest yards. But what has happened this winter? Street after street shows unshovelled side-walks. Walking is a hazardous task not only on side-streets but on our main shopping ways. Everyone doesn't drive a car. Many people have to walk. It is only courteous to make their path easy. One fall, one law-suit could be painful and expensive to both parties. Let's be good neighbors and shovel that snow out of the way.

## LETTER . . . (On the same subject)

Dear Sir,

Want to commend the officials of the Tri-Village for the care they give their roads. Really care for them. Put sand on them on the 16th so cars wouldn't slide and have an accident. Very good but what do they do for the pedestrian? There are some of us too old to drive a car and cost is too high so we walk. Doctors tell us to get out every day for a walk if we wish to keep well and active. Walks are dangerous. If a car is damaged it doesn't hurt it nor does it ache but if a pedestrian falls it hurts and aches and cost is high. If we live alone who will care for us. Please officials think and care for Pedestrians a bit.

## Suggested Plans for the Hudson Champlain Celebration

It is pictures like this that the Bethlehem Committee for the Hudson-Champlain Celebration need to make their Museum a place of interest. Can you identify the children in this 1920 (?) picture? We are only sure of Ken Goeldner - 3rd from the left in the front row. His mother was the teacher.

The Committee is considering the thought of developing a Speaker's Bureau to express the historical significance of our Town of Bethlehem. Any organization fortunate enough to hear John E. Glenn, of 248 Delaware Avenue, Elsmere, will be transported, in seconds, to an unbelievably exciting three centuries of change. His knowledge of Bethlehem is inspirational and his enthusiasm contagious. Mr. John Bender, President of the Senior Citizens' Club and Mr. Frank Patterson, whose ancestors were one of the first settlers in this area, would be excellent guides to the past as it was lived . . . and, of course, our Town Historian, Ruth Dickinson . . .

Earl Adams, another member of the community, whose family dates back to the early 1800's, is planning a window display, the later part of February, of family heirlooms. In as much as it was his ancestor who built the Adams' Inn - our present

Town Hall - in 1832, this display should be mouth-watering to antique-lovers throughout the county and state.

All in all, the Committee has really aroused tremendous interest in the Celebration. The Delmar Men's Orchestra and district school choral groups are uniting with Mr. Clifford Allanson in a concert. Mr. Allanson, of 126 Marlboro Road, Delmar, is a collector of old musical instruments, some of which date back one and two hundred years - and all of which, he can play.

Mrs. William H. Waldbillig and Ruth McDowell are joining forces in a Fashion Show, depicting life and work in the Tri-Village area during the 17th and 18th centuries. Any individual or group interested in this phase please contact the above-mentioned gals.

Mrs. Dickinson wants every club, church, and individual in the Town of Bethlehem to become an active cog in putting Bethlehem's best foot forward in these next 8 months of the Celebration. Old pictures, deeds, and letters are wanted for display. Merchant's windows are needed to exhibit our collections. Old cars, unique wagons, surreys, or carriages will warm Otto de Heuss' heart for his parade.

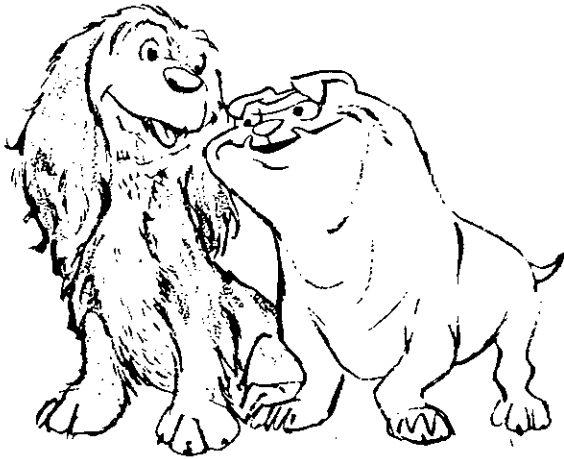

The next meeting will be Monday night, Town Hall at 8 p. m.

## WORLD DAY OF PRAYER TO BE FRIDAY, FEBRUARY 13

The observance of World Day of Prayer will take place on Friday, February 13th, at 2 p. m. in St. Stephen's Episcopal Church, Elsmere. This service, celebrated universally by Christian women, always comes on the first Friday after Ash Wednesday, the beginning of Lent; the program for this year was prepared by the Christian women of Egypt, and will be directed by the churchwomen of the Delmar Presbyterian Church. Each of the five participating churches in the Tri-Village Council will furnish a leader and an usher for the service; these ladies are: Mrs. Norman King; Mrs. Frederick Engell, Delmar Presbyterian Church; Mrs. R. L. Miller, Mrs. Tracey Johnson, Delmar Methodist Church; Mrs. Jennie Van Allen, Mrs. Keith Hubbard, Delmar Reformed Church; Mrs. John Pendleton, Mrs. William Osborn, Slingerlands Community Church; Mrs. Frederick Eckel, St. Stephen's Church.

A World Day of Prayer Service for all children of school age will be conducted at St. Stephen's on the same date at 3:45 p. m. under the guidance of Mrs. George Phelps from the Presbyterian Church; Mrs. Henry Hall from the Delmar Methodist Church; Mrs. Robert Jackson from the Delmar Reformed Church; Mrs. Benjamin Berry from Slingerlands Community Church; and Mrs. Frederick Moore from St. Stephen's Church. Transportation will be provided for those children attending Delmar, Hamagrael, Slingerlands and Glenmont schools; the children's offering will be used for the purchase of Christian literature to be distributed among Indian and migrant children.

Prior to the actual observance of World Day of Prayer, a Retreat will be conducted at St. Stephen's on February 9th at 11 a. m.

**Clinton Square Neighborhood House Works Modern Miracles**

Come in out of the cold and let's visit a while in Clinton Square Neighborhood House. First, let's go upstairs. It's eleven-thirty in the morning and from the kitchen come the first tentative whiffs of the vegetable beef soup that soon will be filling empty tummies.

The volunteers are here ahead of us, hard at work setting tables and helping Cook prepare the lunch. You'll know some of them, I'm sure, for more than forty women from the Tri-Village alone volunteer for service at Clinton Square. Sure enough, her comes Betty Cornelius, in charge of volunteers, making certain that things are ready for the sixty youngsters from 5 to 12 years of age who will be trooping in shortly for lunch, from the school next door.

The food they will consume is the special province of Marge Spuck. Every week, Marge parlayes \$17.00 into 300 filling lunches designed to form the basis of a balanced diet for kids who know little of such things save for the fact that they are hungry. You can only stretch \$17.00 so far by depending on friends, the Bakeries for day-old bread, the

Ice Cream Companies for specials left over on holidays, a friendly Butcher for a gift of soup bones or a special price, the Federal Government for certain basic surplus commodities, and the Church women for gifts of meat and special treats of cupcakes or a bushel of apples.

Everything is under control up here, so let's take a quick tour of the rest of the building. It is a curiously charming turn of fate that what was once the Third Precinct Police Station is now the center of community life for the families that live around it. The "tank room" is now a gym; the cell block is used for ceramics; there is a woodworking shop, a room with a juke box for teen-age activities, and a Jack and Jill room where the thirty odd Kindergarteners work and play.

Neighborhood House is one of the 32 Red Feather Agencies, but I'm sure you are already aware of that. Let's go on and meet the wonderful staff that

works under the direction of Mr. Norman Clarke. You will like them, for each of them are devoted to the dream of making the neighborhood around 224 No. Pearl Street a better place in which to live, not only for the youngsters but for their parents.

Neighborhood House has only been in its new quarters for a short time and its needs are many. Over the Christmas holidays, the ceramic kiln was accidentally plugged in by one of the youngsters and the unit burned out. This puts a cramp in the program, as does the scarcity of materials for the woodworking shop. In the teen room, the six foot windows are still covered with paper because the budget won't stretch to include drapes. But as people learn about the work being done 'down on North Pearl, surely ways will be found to solve these problems.

The women who serve as volunteers at Neighborhood House are seeking at least a part of the answer by forming a Women's Auxiliary. On Friday, February 13, at two o'clock in the afternoon, the doors of Neighborhood house will be thrown open to all interested women in the area. Come in and have a cup of tea, meet your friends, and see for yourself what Clinton Square Neighborhood House is and what it does!

**Minstrel Show Needs Workers**

A minstrel show is in the making in Glenmont. The committee is seeking talent. Last year a minstrel show was produced by only about two dozen people and one able director, Dick Schoch of the Glenmont PTA. The faculty chorus line was a knock-out - so described by those who attended. Everyone in the show enjoyed doing it so much, that this year the Glenmont PTA is making the show its one big money making project for the year. Mr. Dick Schoch has again volunteered to direct. Mr. Carl Kundel is General Chairman. They invite anyone in the community who would like to join the chorus, dance, furnish music, paint scenery or sew costumes to come to the first meeting February 16 at the Glenmont School at 7:30 p. m.

It can't be, but tis - February! Named after Februlia, the Roman festival of purification, this month is a step-child in the family of months. Why? Because the Roman senate robbed it of two days to help make up a month to be named August, after Augustus Caesar - who declined to take second billing to his Uncle Julius after who July (a thirty-one day month) had been named. Therefore, as compensation for its neglect by these calendar reformers, February, throughout the ages seems to have been the favored birth-month of those destined to achieve fame. Look at the list:

Victor Herbert born in 1859, Fritz Kreisler 1875, Mendelssohn 1809, Josiah Quincy 1772, Charles Lindbergh 1902, Aaron Burr 1956, Charles Dickens 1812, Sir Thomas Moore 1478, Jules Verne 1828 (Around the World in Eighty Days,) Thomas Edison 1847, Emma Willard 1787, Longfellow 1907, Dan'l Boone 1735, and score of others famous or otherwise.

Back to our busy Tri-Village, we've noted this past week much of interest: Dr. Leonore Sportsman, director of the Albany Child Guidance Center was the speaker for the Women's Society of Christian Service of the Community Methodist Church in Slingerlands. At this same program members of the Youth Fellowship performed special folk dances. We know this was a splendid evening.

While in Delmar, on February 1 at 6:45 p.m. members of the First Methodist Youth Fellowship entertained their parents at a Coffee hour. There also was a guest speaker from the Albany Medical Center and a worship service in the Sanctuary which concluded the program. Guy Yaple, Jr. is president of the group. And on February 8 at 7:30 p.m. in the Choir Room, members of the Jr, High group will be hosts to their parents.

Spring Fashion Features from Paris, a normal silhouette! The fashion pendulum has swung back this month and is so normal that it hardly looks like high fashion. And with that spring-like thought, the Tri-Village Little League comes to mind with their dinner-dance which was held January 31 at the Center Inn. Dancing of course, followed and loads of shop-talk was swapped during the long evening. Here's to a successful season at McGee Field!

We would like to remind you that Mrs. Harold White of Forest Road, Delmar would be happy for your contributions of useful clothing for the Y.W.C.A. Bargain and Budget Shop. The Budget shop operates the year 'round and serves an important purpose "Operation Christian Fellowship" throughout a cross-section of the Albany area. . . Better drop in and take a good look for yourself. We intend to do just that at the Annual Board meeting and press luncheon, thanks to Mrs. Everett Parry's hospitality,

Well, Normanside Women have really been busy this winter. Thanks to Esther Brown's generous nature and teaching ability, many have learned bridge can be fun too. And that's saying a lot when most of these women would rather play golf . . . The idea has developed into two duplicate bridge groups meeting alternate Fridays. Grace Shultes and Mary Snyder managing one week while Esther runs the opposite day. And just this past Sunday evening a mixed duplicate group met and was highly successful. Some eight and a half tables, to begin with, is great!

Speaking of Mixed groups, we understand the Albany Curling rink allows members to curl at special hours . . . Seen there just recently were Martha and John McClintock of Slingerlands, their guests - the John Gainors of Elsmere and Betty and Ey Parry of Albany. All true Scotsmen, of course! Bonspiel . . .

Seen at Stone Ends for Mid-Week Dinner were Mrs. Clem Varney of Delmar and her guests: Mesdames Lincoln Peterson, Ralph Atwood, Floyd Arkley, Perle Kezer, Benjamin Evans, Helen Averell. From there the party moved to Margaret's for bridge and lots of good visiting -

Home too from their long weekend in the big city are Margaret and Stuart Engle of Forest Road Delmar. Good for everybody the more the merrier. . . And home, this past week between semesters, was Monty Shultes of So. Helderberg Parkway. Monty is in his second year at Harvard studying to be in the actuarial field of business.

Newcomers Club of the Tri-Village have joined with the Albany group and will give an informal dance, February 6 at the Aurania Club from 9 to 1 o'clock. Keith Witter's orchestra will supply the background music and proceeds are to be used toward the Retarded Children's Fund. We wish you well in this first combined venture with orchids to your grand president Dotty Evans of Jordan Boulevard, Delmar and her dance chairman, Nancy Ellsworth of Kenaware Avenue; Barb Jones, decorating, and Avis Howells, also of Kenaware Avenue, in charge of ticket reservations. By the way, all old Newcomers may join the Newcomers in this worthwhile program. . . call Avis, now. Understand the Charles Rullmans of Park Place, Elsmere will be hosts at dinner prior to the ball.

The marriage of Margaret Sullivan, daughter of Mr. and Mrs. John E. Sullivan of Pinedale Avenue, Delmar to T/Sgt. Eugene J. Sippel, son of Mr. and Mrs. Edwin Sippel of St. Cloud, Wisconsin, was solemnized recently in St. Thomas Church in Delmar. Dick Sullivan, and Daniel Moriarty were altar boys. After a reception for relatives and close friends at Normanside Country Club, the couple left for a trip south. They will make their home in Lake Charles, La, where Eugene is serving with the Air Force. Margaret is a graduate of Bethlehem Central High School and Green Mountain Junior College. The bridegroom attended Milwaukee School of Engineering before entering the Air Force. (May we wish you happy landings).

Last weekend our skiers were busy at Alpine Meadows . . . All went well until the last minute and down came the last group of enthusiasts! - plus the well-known tobaggan with a passenger. Jeff Forbes hasn't felt just the least bit like moving, let alone skiing since then. Well now hurry up and get back in training, Jeff, for the Academy and swimming team need you. Understand Susan Heidel liked North Creek and her weekend at Glens Falls too. . . Next week it's Mt. Snow or else.

The "Woodchoppers Ball," given by the Senior Class at Bethlehem Central this past week was an all-out effort on its part to earn money for graduation. It was a girl ask boy routine and music was furnished by the "Young Moderns."

General chairman was Judy Gallager, assisted by Jackie Berge refreshments; Joan Lipschiz, publicity; Sandie Polhman, decorating; Bob Pullen, music and clean-up; Ed Hale, tickets and Bonnie Stanley, chaperons.

Four lucky Juniors at BCHS were nominated as candidates for the American Field Service Summer Program. They were Lucy Clough, Butch Flierl, Betsy Jones and Judy Thomas.

The AFS sponsors both a school and summer program each year throughout the country. This year Jackie Berge, is the foreign exchange student.

The purpose of this program is to further international understanding by giving American teenagers the chance to become acquainted with life and people abroad.

This service is only eight years old and this is BCHS first year to participate. The money to finance the school program will be raised by the Student Body, plus some outside assistance from community organizations.

Our students at BCHS have supported the American Field Service Program because they feel it is the one way in which they can further a better understanding between the United States and foreign countries.

The four candidates will apply by January 31 to A.F.S. who will then make the final selection. Miss Helen Hobbie, head of the program at school said the basic cost of the program set at \$525 will be paid by the lo-

Hamagrael and Elsmere Pre-School and PTA Assns. held their annual joint meeting this past week at Elsmere School. Their guest speaker was Dr. Paul Patterson, professor and chairman of the pediatrics department at the Albany Medical College and pediatrician-in-chief for the Albany Hospital. His topic was "Psychological and Emotional Preparation of the Pre-School Child."

\* \* \*

May we note that the Hudson Champlain Celebration Committee for the Town of Bethlehem will award special prizes to both junior and senior high school students who participate in the essay contest being conducted by the Albany County. Mrs. Ruth Dickinson, chairman, said prizes will go to town pupils who submit the best essays, with S. Vint Van Derzee as the Chairman of the Judging Committee.

Interesting paragraph taken from the Wall Street Journal this week and we quote Welfare Secretary Flemming in this; as follows: The Government plans to set up schools "shortly" for some of the children whose schools have been closed by state laws to avert integration. The first classes, he added, would be opened at Norfolk, Va., for children living at the Naval base there. A Federal district court has ordered public schools in Norfolk to reopen.

\* \* \*

Guess we're really very fortunate out here . . . our schools are open to the public and to all children.

**3 BIG REASONS (✓)**

for heating your home with oil

- (✓) IT'S SAFE
- (✓) IT'S CHEAP
- (✓) IT'S SURE

When you heat your home with oil, you enjoy advantages provided by no other form of fuel.

First, you have the peace-of-mind that comes with the knowledge that your heating unit is safe. Second, oil costs so little. Third, you are assured a steady, reliable level of heat no matter how low the temperature drops!

Call us for Atlantic's famous triple-refined heating oil. It now has a new additive that helps prevent formation of sludge.
