

DELMAR POSTMASTER WILL RETIRE ON APRIL 1

AN OPEN LETTER TO THE DELMAR POSTMASTER

Mr. Arthur Ryan
 Postmaster, Delmar, N.Y.

Dear Art:

After so many years at your present post, I am sure it is with fear and trepidation that many of your friends and business associates look forward to your imminent retirement. I feel that I speak for thousands in the Delmar Post Office area.

In your post you have done so many kindnesses and fostered the growth of so many businesses that they cannot be enumerated here. For the record, you have gone far beyond the line of duty in helping anyone with a problem which came under your jurisdiction. You have never in all your years as Postmaster been known to give anyone a "short" answer. No matter how busy you were, you always had time for the individual who needed your help.

You have witnessed such growth and expansion of our postal facilities locally as few villages have had. Your office has been one of continual seeking of extra funds and more help to handle the ever-growing volume of mail. And through the years you have maintained urban mail service in our suburban area.

I know I speak for many, many people in wishing the very best of everything in your retirement. And I hope that you realize to what extent you will be missed.

Sincerely,

LeVere L. Fuller
 LeVere L. Fuller

THIS WAS the new Delmar Post Office which was opened officially on April 1, 1939, with Arthur I. Ryan as Postmaster.

A SERIOUS moment as Postmaster Ryan reflects on the responsibilities of assuming charge of the new building.

IN THE mid-40's: He shares a laugh with Carrier Tom Dare somewhere in an ever-growing Delmar and an ever-growing Post Office.

On April 1, Arthur I. Ryan, Delmar Postmaster, will retire and move to Florida. A simple statement to some, perhaps, but not to those who have been the recipients of Art's kindness and friendship. His has been a full life and his retirement will be a distinct loss to our community.

Twenty-five years ago, on May 23, 1934, Art took over the Delmar Post Office from retiring Frank Patterson. At that time it was located on the ground floor of Mr. Patterson's home at 389 Delaware Avenue. Delmar, at that time, was a thriving community, but the volume of mail required only one clerk to assist the Postmaster and the revenue was approximately \$8,000.00 for that year.

Art has worked closely with the Post Office Department and the Town of Bethlehem to make our Post Office the smooth-running business it is today.

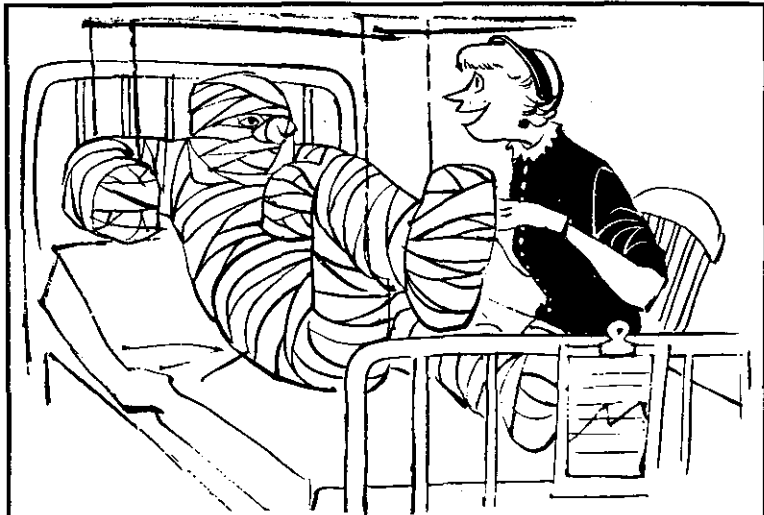

On April 1, 1939, he officially opened the present Post Office. Between that date and this he has seen the revenue grow to \$85,000.00 a year and the payroll has jumped to 26 full time employees.

Art is a graduate of Albany High School, Class of 1913; he saw overseas service in World War I; he was a demon salesman of Cadillacs and Packards during the Roaring 20's. His favorite past-time is driving to New Rochelle with his wife, Georgeanna, to visit their daughter, Joyce, a physiotherapist, and their two grand-daughters. To those who know him well, he is a devoted and loyal friend.

It is a tribute to Art's ability that he was appointed under a Democratic administration and has retained his post.

An Oldtimer's Banquet will be given by the Delmar P.O. Clerks and Carriers on March 28. Invited guests will be Art Ryan, Romeo Gagner, retired clerk, and John Carriere, retired carrier.

IN THE late 40's, there was still a great deal of work to do other than just be a 'boss.' Here, the Postmaster pitches in to help with the out-going mail.

Well we've talked with lots of people this past week, and learned that Lake Placid lured the Prentice Carnells, Ruth's sister and our near neighbor, Elinor Shaw, and the latter's three children, plus the E. deL. Palmers. While Mt. Snow charmed two busloads, plus the wonderful Drydens, and Mr. John Byron - the honorable chaperons, all the result of the CYO group planning from St. Thomas. Of course everybody had a wonderfully exhausting day. This long holiday weekend finds many such ski-parties enroute - one group of senior high boys, will have a tres gay time at Whiteface. They were just so lucky to even get reservations and so happy to go someplace different for a change! Honestly this sport is not only exciting, but you end up well-traveled as well. Providing you don't end up a casualty . . . and we're noted for our optimism.

Incidentally John earned his Bachelor of Science degree in three and one-half years. Marge, may we thank you again for sharing this with all of us. Doubles Club of the Delmar Reformed Church had a patriotic mood, this past Friday at 6:30 p.m. at the church, with slides of the Southwestern United States, shown by Paul Clagett. Ed Jantschie leads the group singing with Mr. and Mrs. Duane Cooper, dinner chairmen, assisted by the Howard Johnsons, Arthur Bruces, Garnder Parks, and the William Dissers. Our

other active group is the Couples Club of Clarksville Community Church who will meet tonight at the "lower location" at 6:30 p.m. This is a covered dish supper, with the Rev. Louis Chisman, Executive Director of Camp Fowler as the guest speaker. Mrs. Roland Latta extends a warm welcome to all adults in the area. While the Couples Club at the First Methodist Church will have their dinner meeting on February 27 at 6:30 p.m. Marj and Leland Williams, Helen and Charles Trendell, Edith and Harold Blackett, Ida May Miller

The Mothers March brought in some \$1,914; coinboxes, \$139; school collections \$392 and mail collections \$429.50. Thanks to Mrs. Alvin P. Lierheimer, treasurer; Mrs. John Bourke and Mrs.

Also much gratitude goes to district chairmen for the Mothers March who were: Mrs. Walter Hardy and Mrs. Lawrence Brown, Delmar; Mrs. Frank O'Dell, Elsmere; Mrs. R. C. Guess you all know that Albany County Unit for American Cancer Society is busy putting into effect suggestions made during

Who are your children's three baby sitters?

First and foremost, there's *you!*

Second, there's the sitter who takes over when you treat yourself to an evening on the town.

Third sitter in your children's lives is the telephone. The assistant that helps you handle the hectic routine of a typical day and keep an eye on the kids at the same time. That helps you line up someone to take over when you go out, and keeps you in touch with her while you're away. That stands guard, day and night, over your whole family. And does so much, in so many ways, to make your lives easier and more pleasant.

It'd be hard to imagine running a household, raising a family, or just "getting by" today without the help of the telephone. When you think about it, your phone is one of the biggest bargains in the family budget. Its price has gone up far less than most other things you buy.

An important announcement comes from Carl Simmonds, president of Elsmere P.T.A. concerning the combined meeting with the Hamagrael Grade School. This meeting is scheduled for March 4, at 8 o'clock and will be held at Elsmere Elementary School. The guest speaker is Dr. William D. From Hamagrael:

There seemed to be some confusion on the ballroom dancing program which was started on February 9. Dancing is held for grades 5 and 6 on Mondays during the lunch recess. It is a P.T.A. sponsored project and not a part of the school program.

From BCSH:

Interesting program to be discussed at Bethlehem Central School District Department of Health, Physical Education and Recreation at senior high school. The program will be on Russia's physical education

Thoughts at random -

Why not hold a Youth Forum? a sort of Parent-youth conference affair. For a suggested topic, No Homework, good or bad? yet in Cocksackie-Athens School district this rather startling resolution has been passed by the board of education. This only applies in Grades 4, 5, and 6, except when a parent requests it, or if a child is out ill for a long time. Interesting. . .
