Mrs. Dickinson Calls Meeting; Spotlight Taking Flag Orders

Mrs. Paul Dickinson has announced that there will be a general meeting of all organizations at 8 p.m. at the Town Hall to co-relate activities during the Hudson-Champlain Celebration on Monday night, the sixteenth of March.

Send Your Order for Hudson-Champlain Flag to Us

The Chamber of Commerce is making a concerted effort to have all members display the Hudson Champlain flag during the celebration. The flag, a replica of the one that flies from our Town Hall measures 3 by 5 and sells for \$5. If you are desirous of owning such a flag, just fill out this coupon, enclosing five dollars. Spotlight is contributing its services to the Celebration committee in handling these orders. The committee must have the money before they order the flags. Let's all climb on the celebration band-wagon. Make Bethlehem the most 100 year conscious community in Albany County! How are those beards doing, boys? Mike Norton of Delmar Lumber had a good start last Thursday. . . and it is all in keeping with their remarkable display of antiques. . . . Although they are valuable to own and most interesting to look at, it is with a vast feeling of relief one realizes we live in 1959 and our tools are not quite so primitive.

Enclosed is our \$5.00 for our flag.

JUNIOR HIGH STUDENTS TO VISIT STATE SENATE

Sixty Bethlehem Junior High school students will witness firsthand the inner workings of State government March 16 when they attend the Monday Night session of the State Senate.

Senator Ernest I. Hatfield of Poughkeepsie and Chairman of New York's Year of History Observance is sponsoring the group which will be headed by Mr. John Granito, citizenship education teacher in the Bethlehem Central School District.

Senator Hatfield said he considered it a high honor to be host to a group which is actively participating in his Commission's Year of History program. He is chairman of the State Commission on Historic Observances which recently announced special State-wide programs for students and teachers with the top awards including trips to Europe via KLM Royal Dutch Airlines.

Commending Mr. Granito for his interest in promoting special field trips for his students, Senator Hatfield said there has been a tremendous response by both students and teachers to the Commission's essay writing contest and teacher participation in developing classroom projects with historic themes.

St. Patrick's Party

The lilt of Irish laughter will be heard at the Blanchard Post American Legion Hall, March 14, to mark St. Patrick's Day. Commander Lenseith named Mike Norton Erin Chieftain for the evening. The chief promises happy Irish hours of music, merriment and refreshments. You don't have to be Irish to attend.

The Ladies' Auxiliary Selkirk #2 of Glenmont will hold their meeting Tuesday, March 10, 8 p.m. at the firehall.

Over the years, it has been proven over and over again that experience and length of service are paramount in the choice of a new chief of the tribe. Yet, the highest government in this country has seen fit to handle many appointments as political plums, rather than choose by written examination. Postmasters have fallen into this category in many instances. Appointments have been made entirely outside the working personnel.

Tying in with the Year of History, the Spotlight will feature next week the first in a series of two articles by Samuel L. Munson, III, concerning the land and lore of Font Grove, a part of Bethlehem. Here is memorabilia dear to those who would like a trip down memory lane featuring "Font Grove Re-Visited."

Meetings

The regular meeting Ladies' Auxiliary of the Elsmere Fire Co. will be held March 12, at 8 p.m. at the Fire Hall. Mrs. Laurence Gifford will preside.

Miss Marion Anderson from the New York Telephone Co, will provide the entertainment with a talk and movie on "Women in History."

The Ladies' Auxiliary of the Delmar Fire Company will hold their monthly meeting March 12 at the fire hall. Mrs. Leland Wright the president will preside.

Delmar Postal employees balked this week at the thought of an appointment which might bring in an outsider as Postmaster. Over the past 25 years many of the older men have witnessed Republican and Democrat receive the same 'breaks.' They have seen Republican boys chosen from the Civil Service rolls and they have approved the 'no politics' policy which has been followed.

This week these men, regardless of political affiliation, banded together to request that a successor to Postmaster Arthur I. Ryan (retiring April 1) be chosen from within the present personnel. They asked that service and experience be put ahead of patronage; they felt that theirs was a sincere request for the good of the Post Office.

Since there are about as many Republicans as Democrats employed at the present time, it would not mean that a man from the opposition party would have to be chosen.

To bolster their request, the employees of the Delmar Post Office are seeking signers to a petition which seeks the appointment of someone from within the present ranks. The job is not easy, because the requests for signatures must be done on 'time off.'

This is the first time the Delmar men have asked public aid.

New Delmar Library Bookmobile Will Be Named by Winner of Local Contest

Contest will give all area residents a chance to find a name for the new Delmar Public Library Bookmobile which goes into operation this spring.

National Library Week (April 12-18) will find the new blue Bookmobile on display at the Library. The contest for finding its name will be based on a literary allusion (preferably from a book borrowed from the Delmar

Public Library.) Everyone in the area is eligible to enter a name at the Library. Entries will close April 16th and the winner will be announced at a tea April 18th from 2-6 to which the Public is invited. The prize will be a book to be determined by the interests of the winner.

"Moby Dick" is the name of the old bookmobile which has served the community for so many years. This name was given it because of its color, size and general appearance.

Mrs. Pearl G. Carman, who has battled many a snow drift with "Moby Dick," will continue at the wheel of the new Bookmobile when it begins its journeys through the area ready to stop at all places where books are desired. The as yet unnamed library on wheels, which can carry over twice as many books (2800 to be exact) as its predecessor, is painted blue with a white top, has louvers along the roof for ventilation and has a heater which Mrs. Carman is sure will make things more comfortable for driver and book borrower alike.

**CAST ANNOUNCED FOR
"DEATH OF A SALESMAN"**

The Slingerlands Community Players have announced the cast of their final play of the season, "Death of a Salesman," Arthur Miller's world-wide success and winner of the Pulitzer Prize and Critics Circle Award.

The part of the salesman Willy Loman, whose tragedy was that his dreams far surpassed his abilities, will be played by Arthur Ploetz. Zaida Johnson will portray Willy's troubled but courageous, Linda. Mr. Ploetz and Mrs. Johnson are well remembered for their fine performances as Mama and Papa in the Players' Fall production, Years Ago. Willy's son Biff, who flowered so early and then failed to live up to his father's dreams will be played by William Heenahan, who delighted the January 24 audience with his portrayal of The Boor.

Others in the cast are John Clark, Robert Tacey, Jean Couture, William Dulany, Sue Kibbe, Russell Field, Craig Smith, Betty Roth.

"Death of a Salesman" will be given April 3 and 4 in the comfortable auditorium of Bethlehem Central Senior High School on Delaware Avenue, Delmar. Those who have seen the other Players production will surely not miss this play which has been described by the New York Times as "one of the finest dramas in the whole range of the American Theatre." If you have not had the opportunity of seeing the Slingerlands Players perform, be sure to attend this play. We think you will be very happily surprised at the caliber of dramatic entertainment offered by our own community theatre group.

OLDEST RESIDENT RACE

Mrs. Anna Craft . . . a 98 year old wonder . . . would seem to be in the lead of our search

for the oldest resident of the Town of Bethlehem. Mrs. Craft, although born in Albany, on the 21st of August, 1860, has spent most of her life in our area. At

the present time, she makes her home with her great niece, Mrs. Fred Smultz, in Glenmont, New York. Mrs. Smultz says her aunt's eyesight is falling but that she gets

around her home fairly well and enjoys three good meals a day. Congratulations, Mrs. Craft - do we have any contenders? - or any runner-ups?

Whose day's work begins first?

At 8:03, Joe Green finished his coffee, kissed his wife, picked up his brief case and opened the door. His day's work was still 27 minutes away.

As the door closed, Joe's wife Martha gave Junior his cereal, then turned to the phone. First, Martha called the grocer and gave him the day's order. Next a quick call to the drycleaner to come pick up Joe's blue suit.

Junior was finishing his breakfast when Martha phoned a neighbor to remind her of the PTA meeting.

Then, remembering the faucet that dripped, dripped, she reached for the phone again. At that very moment, Joe Green arrived at work.

When you get home tonight, ask your wife what she did this morning while you were "getting to work." You'll discover two things. First, that you married a genius. Second, you'll see what we mean when we say that "few things serve so well, yet cost so little" as your telephone. Its price has gone up far less than most other things you buy.

YOUR FAMILY'S COMFORT IS OUR BUSINESS

Notes from —

DELMAR PUBLIC LIBRARY

We believe that books can provide new adventures into the pathways of life whether they be fiction or non-fiction, humorous or tragic, who-dunit or how to do it, stay at home or travel to here and there and so on through the entire category of author's subjects and purposes. And so in keeping with this philosophy we add to our shelves those which seem to fill the bill. Four of our newest additions are reviewed below.

THE DEVIL BEHIND THEM by John Bentley, a man unusually well qualified write it, is a story of sports car drivers and their cars. This man has been a leading writer for magazines and newspapers in this field for many years and he speaks with special authority since he has done his share of the driving.

In this book, he writes of nine outstanding sports car drivers - men who are gifted far above most of us who indulge in a little heavy pedal work when the road is clear and the cops aren't around. Bentley tells us vividly and succinctly why they can do things with their cars that we never heard of or if we have, shouldn't even think of trying.

This is an open invitation to those readers who enjoy the thrill of skids and sharp turns; the even hum of a high power motor delivering its best; of listening to the siren song of tires spinning on hard pavements; and arriving at the head of the pack; but from the comfortable seat of an armchair where it is safer.

THE REACH OF FEAR by D. L. Mathews is a first novel by a new writer - a who-dun-it with a different twist but without fancy gimmicks to create suspense. The author has exercised consummate skill in weaving personalities through chains of emotions until, at last, the police latch onto the real culprit who is smart enough to realize that his trail of shenanigans is open enough to convict him so he tells all much to the surprise of the reader. Only 215 pages - easily read in one evening.

League of Women Voters Schedules Four Workshops

Four Spring workshop sessions on topics of crucial importance in foreign policy have been scheduled by the League of Women Voters of Albany County. The first, to discuss science, technology, armament, and disarmament, will be held at 10 a.m. Thursday, March 12, at the home of Mrs. Hugh Flick, 15 North Helderberg Parkway, Slingerlands.

On March 26, at 10 a.m., a second workshop will be held at the home of Mrs. John Muntz, 27 Darroch Road, Delmar.

The two final workshops of the series will be held April 16 and May 1. Mrs. Donald Axelrod is chairman of the project, assisted by Mrs. Muntz.

ward Shuttlesworth is a book written by the mother of two young children and she obviously knows what she is doing. She was for many years associated with the American Museum of Natural History in New York City as founder and editor of the Junior Natural History Magazine published by that world renowned organization. The book is designed for those parents who are looking for a new approach to getting closer to their children or desiring to expand an old one in the grand field of living in the out of doors. She tells her readers how to name the trees, the insects, the wild-flowers, and the meaning of the stars and planets. It is an informative book, written in an easy free flowing style, devoid of heavy scientific phrases and notations.

Watch for the NAUTILUS 90 North by Commander W.R. Anderson U.S. Navy. It is the dramatic account of the history making underwater voyage of the atomic powered submarine Nautilus across the top of the earth. Anderson, the skipper of the sub, tells his story and there is plenty to it, in a thrilling and humble manner.

This book is good tonic for any boat enthusiast and for those who enjoy reading adventure stories be they fact or fiction. There isn't a dull sentence here.

LETTER

Dear Sirs:

Enclosed is a pass issued by the Albany & Susquehanna R.R. in 1865 to John Bradt for use between Adamsville (now Delmar) and Albany. It might be of interest to some of the older residents of the Tri-Village area if you could show it in the Spotlight.

In the middle 1880's it seems that some of the inhabitants of Adamsville desired to have the name of their hamlet changed and the story goes that some

timetables of British Railroads were looked over. The name Delmar appealed to them and so a change was made.

The first passenger train on the Albany & Susquehanna R.R. (now the Delaware & Hudson) passed through Adamsville in September, 1863. However the road was not completed to Binghamton until several years later and an excursion train was run from Albany to Binghamton on January 12th, 1869, to celebrate the event.

Respectfully yours,
E. R. Van Wormer

EDITORIAL . . .

Although we, in the Tri-Village area, are most fortunate to have 4 immaculately efficient drugstores, it was of interest to read that the Pharmaceutical Society of New York has sponsored a bill in the State Senate that is designed to protect both the public and the pharmacists. The bill, introduced by Senator Earl W. Brydges, will tighten up the regulations on the sale and labelling of medicines, restrict sales of non-drug outlets, and put the responsibilities on the pharmacist of telling the customer if a given drug is potentially habit forming.

A good pharmacist is a trained technician. He is a graduate of Pharmacy College, with years of apprentice training. He is usually a good citizen because he helps to respect and enforce the law. If his business is drugs, he does not want his store to be a glorified 5 & 10 with the soda fountain his main income. However, he needs protection. Only qualified persons such as pharmacists should be allowed to dispense drugs that are potentially dangerous. Such drugs must, under the law, be labelled. And on the pharmacists would lie the responsibility of explaining to a customer exactly what the label involved and implied.

A good pharmacist does not want to replace a physician. However, they can make a wonderful team. He does not want to make sundaes or sell comics. He is a professional. He deserves the protection and the responsibility that the sponsorship of this bill intends.

Bring this ad to Gateway Motors - it's worth FIVE DOLLARS toward any service work you have done - parts, labor, etc.

You can't get a better deal than at Gateway, your downtown Albany Ford dealer.

the GATEWAY WAY

Gateway Motors pays no more for Fords than the biggest Ford dealers in the world.

Cars traded-in at Gateway Motors have greater trade-in value because they are known suburban driven cars.

Therefore, Capitol District car owners get as good a deal - or BETTER - than from other dealers in the area.

Add to this the convenient, guaranteed quality service and "hometown" attention - and you'll find "The Gateway Way" is the best way for Capitol District car owners to go Ford.

Parking Pre-Caution

It has come to our personal attention that we citizens of the Tri-Village area, and environs, are taking great parking privileges with the fire-lane parking at the Delaware Plaza. It would be an impossibility to bring in any fire equipment within the 100 yard radius of the fire hydrants, due to the solid line-up of cars parked in the fire-line. Now come on let's level off and use the allotted parking spaces. We should stay clear of this emergency lane, at all times! Our Fire Chief, Paul Hopkins, and his First Lt. Bill Wright are really steamed up about this constant curb-parking, and would like our cooperation immediately. It's for our safety, mostly yours.

From "These Twelve" by Charles R. Brown, we quote:

"Judas, was a gamble, a venture in faith on the part of Masters who chose him as one of the Twelve. (The man who might have been. . .)

"It would all depend upon the personal response which each man should make to the offer of divine help brought within his reach."

SPIEL**

Bethlehem's last game against first place and undefeated Columbia was undoubtedly the most thrilling all season. The Eagles upset the Blue Devils of Columbia 61 to 60. Don Crysler made the winning foul shot for Bethlehem. Jim Montrose had 29 points for the victors. Thirteen field goals were included in these 29. Caldwell and Mahlstead canned 13 points each for Columbia. Two years ago the Bethlehem squad was in Columbia's same predicament. We were undefeated with a game against Columbia left. They upset us, too.

Generally, Bethlehem is noted for its lack of school spirit. In this game with Columbia however it showed like never before. Coach Farrell and the team were pleased and the Columbia rooters were shocked. The gym was deluged with a capacity plus crowd causing standing room only. This proves that Bethlehem students can, if they want to, support their team enthusiastically. Here's hoping that this representation continues indefinitely.

Final standings of the Suburban Council Teams, varsity and junior varsity, are as follows:

	Varsity	Won	Lost
Columbia	13	1	
Bethlehem	11	3
