LIBRARY WEEK

by Peggy O'Brien

The Delmar Public Library, founded 46 years ago, joins in the Nation wide observance of Library Week.

Displays, a tea and the opening of a new service will highlight activities in the Library next week.

The writings of the 5 local winners of the Hudson-Champlain Writing Contest of Albany County will be on display through that period, and material which was used as research also will be in prominence. New books have a special spot in the Library that week and phonograph records ready for circulation will make their first appearance to inaugurate a new service.

On April 19th a tea for all area residents will culminate the activities.

As Libraries throughout the country pause to recognize the Libraries of the Nation and to take stock of their own advancement through the past year, The Delmar Public Library can point with pride to its own achievements: 3,200 volumes added this past year, 11% increase in circulation over 1957, 10% increase in registered borrowers. It is a growing expanding Library with advancing ideas and awareness of its part in the culture of the community.

It was in 1913 that a row of books in the basement of the Methodist Church proclaimed the beginners of the Delmar Free Library Association. From there the books (always increasing) moved to the old Delmar Grade School, and manned by volunteers, were available to the public and school children alike.

On July 8th 1916 a gift from the estate of George C. Adams gave the association the land where the present library stands. A contribution from Mrs. Rachel A. Sullivan of \$500 toward the building and \$1200 toward the furnishings came through that same year and a library build-

ing was on its way, Mr. Pember, architect, donated his services and the first building was erected that fall.

Through this period of the Delmar Free Public Library Association shouldered the job of its running and development entirely with volunteer workers. Every bit of work performed in the buying of books, distributing them, cataloging them all the many other details were handled by the tremendous energy of volunteers and volunteers alone.

In 1931 it had grown to such an extent that a full time person was essential to carry on its functions. And on July 31, 1931 it was decided to offer the deed to the Central School District for \$1 lawful money of the United States. This was accepted by the residents of the District and they appointed the first Board of Trustees who from then on were elected by the residents as terms expired. The Library operates as an entity in its own right having no connection with the schools except that their budget is voted on at the same time the school budget comes up for a vote.

From then on, with a full

Delmar Public Library Contest for naming of the new Bookmobile has been postponed until the fall.

time librarian, it developed continually over the years and in 1955 the constant growth demanded more space. Under the active eye of the Board of Trustees the new wings were added to establish it as it is today and on August 15, 1955 it opened its

new doors.

Headed by Barbara Rau, who combines capability with imagination, there are today 7 full time and 7 part time staff members who are taking care of the multiplying needs of a multiplying community.

21,290 books are available, 123,000 is the '58 circulation figure and already the first three months of '59 show an increase of 4,400 more books than were loaned in the same period last year.

Libraries are the "memory of the human race" and like many other libraries ours in Delmar long ago recognized that this "memory" should be augmented in the recognition of our culture with others services than that of books alone.

For two years the community room has held Art Exhibits of area artists both professional and amateur. These shows have been arranged by the Library with the untiring assistance of Clover Mikol. Evelyn Sandvige has been the guiding light in the Art and Crafts exhibits which have been in the lounge of the Library over a similar period of time.

This month's opening of the Record Library shows another of the many services which a library can offer to the culture of its community.

The Delmar Public Library salutes National Library Week, we salute the Delmar Public Library.

The Delmar unit of the League of Women Voters of Albany County will meet at 10 a.m. Thursday, April 16, at the home of Mrs. Ralph Cohen, 58 Murray Avenue, Delmar.

We are justly proud of our completely natural-looking CHLORINATED Pool, because swimming plays such an important part in the routine of our Campers. Second, and no less important, it is our objective to give EVERY Camper at Sunny Acres INDIVIDUAL ATTENTION, to observe and recognize his or her reaction to all camp activities. In so doing and knowing each child well, enables us to offer that from which the child, the individual, derives the greatest amount of happiness.

In order to fully explain our policy . . . and what we are aiming to do at our camp, call us and we'll be happy to give you COMPLETE INFORMATION and also send you one of our camp brochures which explains the facilities of our camp and the people who will guide your child.

Although Easter Vacation was in progress, lots seems to be happening in or around the school area. . .

Boys sports at BCSH, mainly Track under Coach Lephart are tied into a pattern. Dean Allen, grid quarter-back has deserted golf, which he starred for two years, will try out for the pole vault. Vince Rebbit, undefeated in last two seasons of dual meet wrestling, may even do better as a vaulter. Don Camp, Jr., could be the team's best miler. Tom Willard, football and bas-

ketball star, city high jump champion in his sophomore year, ought to do better in the area in his specialty. Swimmers, Art Taber, Bill Jones, a football star, might be the sprinter to replace graduated Dick Llope. Weightmen Bob Rivenburg and Mike Gainor will be missing, but they will be saved by Bob Lundden and Pat Dorsey; letter winners back are Fred Kirchner in the broad jump-hurdles, and Dave Smith sprinter, and Dave Fordham distance runner.

Their schedule runs: May 5 Albany High; 8 triangular, Columbia and Guilderland at Bethlehem; 13, Shaker; 19-20, city

3 BIG REASONS (✓)

for heating your home with oil

(✓) IT'S SAFE

(✓) IT'S CHEAP

(✓) IT'S SURE

When you heat your home with oil, you enjoy advantages provided by no other form of fuel.

First, you have the peace-of-mind that comes with the knowledge that your heating unit is safe. Second, oil costs so little. Third, you are assured a steady, reliable level of heat no matter how low the temperature drops!

Call us for Atlantic's famous triple-refined heating oil. It now has a new additive that helps prevent formation of sludge.

Isn't it just wonderful what that Mr. and Mrs. James Alger of Selkirk are donating a month's stay at their Country Day Camp - Sunny Acres, to a boy and a girl from Albany sixth grade. This all ties in with a special Arbor Day program on April 24. And so the Albany Kiwanis Club will also give special awards for the best photographs taken in the program to the three photography-minded sixth graders. The essay contest is offered to Albany's Sixth graders. . . so sorry Tri-Villagers who attend school in the village.

"I never realized what a big bargain it really is"

"When I drove to California with some friends, my wife asked me to phone her on the way out. A retired policeman sure isn't made of money, but I promised to do it anyway. So in the evening I called home. I told her about the trip and where I was, and she brought me up to date on things at home. When I got back from the trip, I added up the six phone calls I made. Those calls - from places in Virginia, Tennessee, New Mexico, Arizona and California-cost only \$10.25. We still can't get over how little we paid for so much enjoyment and peace of mind."
