Delmar Artists Well Represented In Upper Hudson Exhibit

Delmar is well represented in the Upper Hudson Regional Art Show which opened at the Albany Institute of History and Art last week. Two prize winners, Joseph Todak, 2nd prize in watercolors, and Edwin Becker, Honorable Mention in watercolor, were among 6 artists from the Delmar Area whose paintings now hang at the Institute.

From 608 entries in the Upper Hudson Regional Exhibit to eighty five paintings were chosen to represent the best of that group. Paintings came from as far north as Elizabethtown and from Vermont and Massachusetts as well as surrounding towns and cities within a hundred mile radius of Albany. Delmar came near to equaling Albany in its number of painters with pictures chosen. There were six to Albany's seven. Edward Cowley of Altamont with his "Altamont Landscape" added a seventh for the area.

Joseph Todak of Nathaniel Boulevard won his award with a watercolor of a fall Landscape. When asked about his uses of technique he said "watercolors are nearer to the realistic while my oils tend to move closer to the abstract." The second prize winning watercolor was in what would very generally be called "impressionistic" and gave a definite feeling of fall in its color and design.

Edwin Becker who also lives on Nathaniel Boulevard won his Honorable Mention with a larger water color entitled "Bridge of Dreams."

Among those whose pictures will hang in the Albany Institute until May 24 are Ethel M. Christenson of Kenwood Avenue whose entry is an oil entitled "The Bird," Ruth Funk also of Kenwood Avenue with "Yellow Village," an oil, Alice M. Sausbury of Mill Road whose watercolor is called "Mother-Spring," Philip Smeltzer, Kenwood Avenue

Bethlehem Chamber Schedules Annual Dinner Dance

Next major event for the Bethlehem Chamber of Commerce is the annual dinner and dance. To accommodate the growing organization, Dinner Chairman Ralph Butler and his Committee found it necessary to go outside the Town. The Aurania Club at 25 South Allen Street, Albany, has been chosen and the date is Thursday, May 14, with a reception commencing at 7 p. m.

Newest community service the Chamber is undertaking is the establishment of a Better Business Bureau program. The Executive Committee has approved action for joining the National Better Business Bureau. Membership in this nationwide group gives our Chamber the benefits of information of the Bureau alerts its members to improper business practices.

with a water color "We Who Die," and an oil "Farm Buildings" by Herman Rasker of Fernbank Avenue.

This year's Upper Hudson Show has more paintings in the "closer to realism" style in comparison to last year when abstract work seemed to dominate the field.

Also noted was the youth of the winners at the prize award ceremony. This trend of youth in the art of today has been written about throughout the country and it is interesting to note it in this show as well.

It must have been a gargantuan task to view 608 entries and weed them down to 85 paintings and 12 pieces of sculpture. The judges who attacked this job were Philip Elliot, director of the Albright School of Art in Buffalo, Robert G. McIntyre, retired director of the McBeth Galleries in New York, and Donald Mochon, professor of Architecture at R.P.I.

Rev. Harold H. Scheibert

New Minister To Be Installed

The Rev. Harold H. Scheibert is to be installed as Pastor of the Bethlehem Lutheran Church at a special service to be held at 7 p. m. Sunday May 3rd. The Rite of Installation will be the Rev. Ernest J. Kunsch, pastor of St. Mathew's Lutheran Church, Albany, N. Y. and the Visitor of the Albany Circuit for the Atlantic District, Lutheran Church, Missouri Synod. He will be assisted by other clergy from this area.

The Sermon will be delivered by the Rev. Martin Dienst, pastor of Immanuel Lutheran Church, Kingston, N. Y. A reception will follow the service.

Pastor Scheibert was born May 1, 1930 in Detroit, Michigan of the Rev. and Mrs. Ernest J. Scheibert who is a Lutheran Missionary to the deaf presently serving in Chicago, Ill. He is a graduate of the Concordia Junior College, Milwaukee, Wis. and the Concordia Seminary, St. Louis, Missouri.

After graduation from the Seminary he was an instructor (1954-56) of Homiletics and Liturgics in the Department of Practical Theology. He acted as a summer supply for the Atlantic District at Hamden, Conn. and True Light, Chinese Lutheran Church, New York City. From 1956 to 1959 he was pastor of Elim Lutheran Church, Berkeley, Mo. His Academic Degrees from Concordia Seminary, St. Louis include B. A., B. D., and S. T. M.

SEWER DISTRICT TAXES ARE GOING DOWN FOR 1960

Because Bethlehem was the first town to avail itself of Federal Aid to Sewer Districts, the taxpayers will benefit by a reduction in the 1960 tax.

The Delmar-Elsmere Sewer Commission has announced that through the use of Federal and State Aid in the construction of the new Disposal Plant, the retirement of a 1938 and 1939 Bond Issue, and the final partial payment of the 30% Grant from the Federal Government, This saving will be passed on to the taxpayer as a saving to offset some of the 1960 Sewer Taxes.

The new, much needed Sewer Disposal Plant is now complete at a cost of \$300,000.00. This represents the first major improvement to the Sewerage System since 1938. **DESPITE THIS EXPENDITURE THERE WILL BE NO INCREASE IN THE TAX RATE.** This is brought about by the retirement of two BOND ISSUES; one of 1938 and one of 1939 which matured this year.

The following chart shows exactly what is happening:

Cost of enlargement of Disposal Plant	\$300,000.00
Federal and State Aid	70,660.95
Final Partial Payment by Federal Govt. April 1, 1959	8,960.00
Budget Raised by Taxes	108,258.43
Ad Valorem Rate Tax on \$1,000.00 Assessed Valuation	6.8702

Elsmere Evening Unit Meeting

The Elsmere Evening Unit of the Home Demonstration Department will meet Wednesday, May 6, at 8 p. m. in the Elsmere Elementary School cafeteria. Election of officers will be held. Projects for next year will be selected. Mrs. Mary Linnie will show colored slides of her European trip.

Telephone Company Plans Expansion Program Here

The New York Telephone Company recently outlined a \$9 million expansion, improvement and replacement program for this area that will bring a new type of telephone service to Delmar and South Bethlehem.

One step in the program is the introduction of expanded toll-

free calling which will eliminate the charges on three out of every four toll calls now made. This feature - highly popular in other large urban centers throughout the country - will give Delmar and South Bethlehem toll-free service to Albany, Schenectady, Troy and other communities.

Telephone Expansion (Continued)

The savings in toll call charges will, in many cases, more than offset the increase of three cents or less a day in basic monthly rates for service, according to C.D. Hubbard, division manager. Another step in the program, he said, is the introduction of Direct Distance Dialing which will enable customers here to dial their station-to-station calls to most telephones in the United States.

The program will bring a new convenience to telephone service, he added.

"We are certain," Mr. Hubbard said, "that this expanded calling feature will meet most of the telephone needs of people here, and we are ready to invest the money to provide it. If our customers want it - and we believe they do - and the Public Service Commission approves it, we are prepared to introduce toll-free service throughout the area in late 1961. Facilities for Direct Distance Dialing will go into operation the following year."

He pointed out that "the continued growth of this area and the increased community of interest among the cities and villages reflect a definite need for expanded toll-free calling."

Under the local plan, Delmar and South Bethlehem telephone users will be able to call toll-free to at least 275,000 telephones - more than twice the number they can now reach. This will happen because Delmar's present local calling area, which includes Albany, Altamont, Castleton, Clarksville, Colonie, Delmar, East Greenbush, Rensselaer, South Bethlehem, and Voorheesville, will be enlarged under the plan to include also Schenectady and

South Bethlehem's present local calling area, which includes Albany, Clarksville, Delmar, East Greenbush, Rensselaer and South Bethlehem, will be enlarged to include Schenectady, Troy, Castleton, Cohoes, Colonie, Scotia, Waterford and Watervliet.

Company officials estimate that this will eliminate the charges on three out of every four toll calls now made. For this large area with its three central cities and 24 suburban communities, tolls will no longer apply on six-and-quarter million calls a year.

It is expected, however, that the introduction of expanded toll-free calling will increase by several times the number of calls now made between area communities. This, according to the company, has been the experience wherever the toll-free plan has been introduced, indicating that people do want to make more calls over a wider area.

Basic monthly telephone rates, Mr. Hubbard pointed out, will be the same throughout the area. At present levels, new rates, ex-

**Fellowship Day to be Held at
Community Methodist Church**

May Fellowship Day for the Tri-Village Churchwomen will be observed in the Slingerlands Community Church at 2 p.m. on Friday May 1st, under the leadership of Mrs. Kenneth Foss of the Delmar Reformed Church. The topic, "How Much Is Enough," chosen for world-wide discussion this year, will be developed by an experienced social worker, Miss Hilda Smith from the State Adult Education Bureau; she will cover the aspects of help both for home communities and abroad. Mrs. Leo Gustafson will lead the worship service, assisted by Mrs. Raymond Dechene, Mrs. Milton Hamilton, Mrs. John McColl, and Mrs. Charles Withers.

The Literature Group of the Delmar Progress Club will give readings from a play dealing in an unusually beautiful way with the human love and pain resulting from the invasion by civilization of a primitive people in Africa. Tea will be served at the conclusion of the program by the hostess church, and nursery care will be provided for small children.

PROPOSED PLANETARIUM

by Peggy O'Brien

The Space age and the past meet in the stars.

In honoring the explorer of yesterday the Hudson-Champlain Celebration Committee is paving the way for tomorrow's explorer in the proposed Henry Hudson Planetarium.

The Planetarium is dedicated to the man who, guided by the stars, discovered the Hudson River. It offers study opportunities to those who will be our sky explorers of the future.

The Planetarium is a projector, a combination of optical, mechanical and electrical equipment which forms for all intents and purposes a time-and-space machine. It shows the stars on a man made sky and carries audiences through hours, days, months, years and centuries in a matter of seconds. It is as essential to the teaching of science as a physics laboratory or a chemistry laboratory.

The Henry Hudson Planetarium

estimated at \$90,000 will be linked with the Dudley Observatory which through 107 years has served the community and made its contribution in research astronomy.

In 1852 the Dudley Observatory, located not far from the Philip Livingston Junior High School, was erected by public subscription. In 1873 it became associated with Union University which now comprises Union College, The Albany Medical School, The Albany Law School, The Albany College of Pharmacy and the Dudley Observatory. In 1893, again through public subscription, the Observatory moved to its present site on Lake Avenue. The move was made because the increasing number of trains on the nearby railroad tracks shook the building and made accurate measurements impossible.

The largest job done by the Observatory was completed by Dr. Benjamin Boss and his father

who were the directors from 1876 - 1956. This was the Boss general catalogue of stars which is now used as a basic frame of reference for determining missile paths at Cape Canaveral.

At the present time Dr. Curtis L. Hemenway, director, is engaged in the study of Micro-meteorites, more familiarly

known as shooting stars. From collecting stations throughout the world, particles are gathered from boats, from gadgets attached to jet planes, and the hope of the future is to gather them from interspace ships when a way is found to retrieve the data. Their study, through the electron microscope, is important to a better understanding of space environment.

Beside the research which contributes to the knowledge of astronomers throughout the world the Dudley Observatory offers the community valuable opportunities in education as well. Every Tuesday night, weather permitting, the public is welcome to view the stars through its telescopes. There are lectures, films and exhibits which are of constant interest to those who are finding our future in the stars, and the Observatory gives encouragement and space to serious amateurs through the Astronomy Club.

In adding the Planetarium to this heritage of the Dudley Observatory Albany would indeed

MOTHS
don't like it
in here!

WILL MOTHS INVADE your closets or attic this summer?

And ruin winter suits, dresses, overcoats and other woolen apparel? Not if you store them in Killip's modern on-the-premises POLARIZED STORAGE VAULTS. Air is kept constantly dehumidified at low temperature and vault is fumigated periodically. Moths, you know, shun that kind of climate. Let us send you a big KILLIP HANDI-HAMPER. Fill it with ALL your woolens. We'll

unpack immediately and dry clean and hang each garment. In the fall they will be delivered to your home - every garment shaped and freshly pressed. And how you'll welcome the added closet space! Storage of all apparel costs only \$5.95. Dry cleaning charged at regular rates. Call 5-3311 in Albany. Free pickup and delivery in the Tri-Village area, too!

New Advertising Manager
 Zane D. LeVan, Waterford, on Monday assumed the duties of advertising manager of the Empire Division of the Grand Union Company.

Levan joined Grand Union in February of 1956. He worked in the Waterford warehouse for three months, in the sign shop for the same period and spent the next year and a half in the chain's advertising department. In June of 1958 he was advanced to assistant advertising manager.

Shell's "Certified Comfort" Heating Oil Service gives you sunshine's warmth around the clock

Shouldn't you find out how this heating service gives you double dependability-

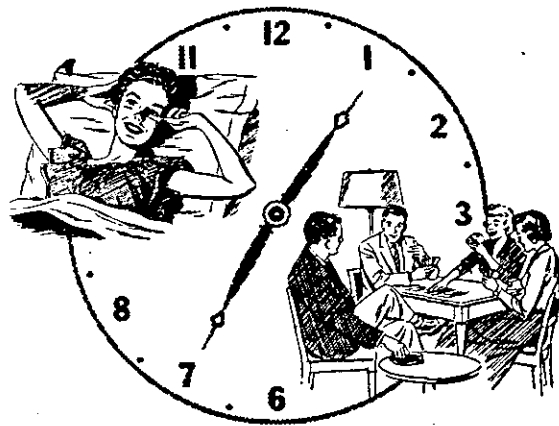

1. Shell certifies you get premium grade, better burning heating oil

Shell Research men spent many years developing this finer oil. Highly refined, it gives you more efficient heat - even cleans your fuel filter as it burns. *Yet it costs no more than ordinary heating oils.*

2. We certify you get Service you can count on...

We value your business - and our service proves it. We refill your tank *automatically* and protect it from internal corrosion with free SONITOR® applications. Courteous drivers leave a metered receipt showing every gallon delivered. You are comfortable - *and care-free* - when we serve you. Our service and premium grade oil give you *modern* heating at its very best.

The annual Spring Clean-up campaign has been observed these past three weeks in the Tri-Village area and we continue to be grateful for this worthwhile community service. Cleaning up not only improves the appearance of homes and grounds but also assists residents to get rid of accident and fire hazards, such as papers, magazines, boxes and cartons fallen tree limbs and the rest of the accumulated debris from the winter months.

Now everybody has lots to do with the gardening and yard-care so long delayed by the winter frosts. . .

Arthur McWhorter - Finance; Mrs. Wilhelm Moe, Canvasser; Mr. James A. McClure with Bea Potter's assistance, Coin Cans; Team Coordination, Harold H. Hastings, and Transportation, Mr. Claude A. Buchanan, who solicited the service clubs and churches for willing drivers; and to Fritz Kass, who with The Key Club from BCHS organized the Mobile Loudspeaker Unit and canvassed the areas

during the dinner hours as a special reminder of the Crusade. Results will be announced later, but we do know we went over last year's total, which was around \$3,900. Hurrah! Lastly, but so very gratefully may we thank the one-hundred and fifty-four students from both junior and senior high school who did the actual canvassing. . . You're terrific workers!

3 BIG REASONS (✓)

for heating your home with oil

(✓) **IT'S SAFE**

(✓) **IT'S CHEAP**

(✓) **IT'S SURE**

When you heat your home with oil, you enjoy advantages provided by no other form of fuel.

First, you have the peace-of-mind that comes with the knowledge that your heating unit is *safe*. Second, oil *costs* so little. Third, you are assured a *steady, reliable* level of heat no matter how low the temperature drops!

Call us for Atlantic's famous *triple-refined* heating oil. It now has a new additive that helps prevent formation of sludge.

BY THE WAY

(Continued from Page 17) the Medallion Award, highest merit conferred by the association, for Mr. Sutliff's service to education. Congratulations. . .
* * *

We note that Mrs. Phil Cowan of Slingerlands, is chairman of the Albany, Capitol District Panhellenic Association Luncheon for May 23rd, to be given at The University Club.
* * *

Also Mrs. Prentiss Carnell, Jr. of Slingerlands with Mrs. Ed

Trudeau, with Whitney's staging the show, will co-chairman St. Agnes Fashion Show, May 15th.
* * *

The Spring Luncheon for the ladies of Normanside Country Club proved to be a huge lovely affair. Kay Williams, and Pris Deveo of Elsmere, certainly did themselves proud. Joan Endress, from Fashion Arts, proved a delightful commentator for the unique show which entertained the large group present.

See you next week with some lovely May baskets. . .
