NEW BCHS DRAMA GROUP TO PRESENT 'INHERIT THE WIND'

At 8 P.M. on Saturday, June 4, the stage of BCHS auditorium will be transformed into a small Southern town, in whose courthouse a pitched battle will shortly begin between two of America's greatest lawyers.

It is Sock and Saffron Dramatic Society's presentation of *Inherit the Wind*, a recent Broadway hit based on the Scopes "Monkey Trials" of the early 20's and the epic struggle between Clarence Darrow and William Jennings Bryan over the right of a young Tennessee teacher to reveal Darwin's theory of evolution to his students.

The play is entirely student-produced, cast and directed. The new drama group says membership "affords opportunity for experience in all phases of amateur theatre to the aspiring thespian." Mrs. Helen Adler is faculty advisor.

Bob Kurzon is directing *Inherit the Wind* and John Lyons

is in charge of scenery. The cast includes Roger Tauss, Dick Arnaud, Ron Denham, Kindra (continued on page 2)

(continued on page 2)

Commander Alvin W. Greenwood conducted two meetings, recently, at Nathaniel Adams Blanchard Post #1040, American Legion, Delmar, concerning the Delmar By-Pass Project. About 30 representatives of civic, fraternal, and veterans' organizations in the Town of Bethlehem were present. The meetings stemmed from the fear that the By-Pass Project of the New York State Department of Public Works had been shelved, and were intended to urge the DPW to act on construction of the proposed road this year.

The By-Pass would extend from a point on Route 9-W near Corning Hill in the Town of Bethlehem to a point at or near the intersection of Routes 85 and 85A in the Town of New Scotland.

The Blanchard Post submitted a broad resolution to the Department of Public Works in 1957 with various steps recommended to solve the traffic problem in this fast-growing area. Since then, the road has been widened to three lanes at Elsmere and Delaware Aves., and now Delaware Ave. will be widened from the Normanskill Bridge to Elsmere Avenue or beyond. Both of these improvements were recommended by the Blanchard Post, along with construction of the By-Pass.

The desperate need for a more modern route to our suburbs was quite evident recently when a large fire occurred on Delaware Ave. near the Plaza Shopping Center on a Sunday. Traffic was halted for two hours. If this had occurred during a peak traffic period, the traffic jam would be the worst in the history of this area, simply because there is only one direct route in this direction [to Del-

 mar] from the City of Albany.
 At the meetings, support for the proposed By-Pass was unanimous. It was felt that a definite program of action should be undertaken to call attention to our plight or another delay of years might be in store for us.
 A letter was drafted requesting immediate consideration of the By-Pass and suggesting another public hearing if the Superintendent of Public Works thought it necessary. The letter was signed by representatives of the Blanchard Post American Legion, Veterans of Foreign Wars, Lions Club, Kiwanis Club,

and Business and Professional Women's Club. It is known that the Chamber of Commerce, Rotary Club, and Home Builders Association favor the By-Pass, but their representatives were unable to sign the letter for their membership at the time of the second meeting.
 A public hearing was held last year by the Department, but opponents of the road outnumbered its proponents. The Department then assumed that public interest in the matter had waned. However, the two recent meetings seem to indicate that the new road is favored by a majority of our citizens.

Repair 'em?

We've got enough parts to build 'em!

There are 5,008 parts in a Volkswagen sedan and we have them all in stock or on tap. You don't wait to get a Volkswagen serviced. (Even vintage VWs are repaired as quickly as new ones; their heart and face have remained the same.) Volkswagen parts are inexpensive. A new front fender is \$21.75. * A cylinder head, \$19.95. * VW service is fast (an engine can be removed and replaced in 90 minutes.) VW spare parts are taken from regular production; identical with the car itself, and so just as good. The intriguing thing is, they're seldom needed. If you'd like to see how beautifully 5,008 parts can behave, come in and try a VW. We have a new one on hand. All assembled, ready to drive.

June 12th at Thacher Park.

Senior Girl Scout Troop #176 of Delmar took off for a pre-holiday trip to New York City, leaving Albany by Greyhound early last Friday morning. Accompanying the girls were Ginny Jernigan, troop leader and Mary Beecher, Troop Consultant for Tri-Village. Among the

travelers were: Judy Jernigan, Laurie Parker, Judy Trobridge, Ginny Lynch, Mary Ann Beecher, Cathy Jorgenson, Nancy Jo McFarland, Kitten Goold, and Louise Labrum.

They stayed at The King Edward Hotel and their itinerary included a trip around Manhattan via boat, Museum of Natural History, Planetarium, Cathedral of St. John the Divine, the theatre on Saturday evening, etc., etc.

So thanks to all the helpful residents of the Tri-Village who

man, with several lovely gifts, and an original poem by Charlotte McLaughlin of Elsmere. A grand time apparently was really enjoyed by all who attended this final day — seven tables in all, and assisting Sue next year will be Mrs. Henry Kiernan, who recently moved into the Kenaware Homes section. Congratulations, Eileen, we're glad to hear of this.

The Key Club of BCHS held their second annual Tennis Ball this past weekend on the Junior High Tennis Courts at 8 o'clock. This was a record hop directed by Dick Cease and Fritz Kass. Those in charge were George Meyers, general chairman; decorations, John Stevens and Bob Johnson; refreshments, Tom Norton; and chaperones, Ron

Denham and Dave Utz.

This year's new Lilac Ball Queen was Mrs. Charles Loftus of Park Place, Elsmere. We congratulate Harriet again and understand that the evening was quite a lovely success for all Normanside Club members and guests. This affair was sponsored by the Women's Organization of the country club . . . Mrs. William Glass, chairman of the Ball.

Our appreciation to Mr. Robert Lambert, teacher of English at BCHS regarding three of his 11th year students who entered the impressive contest sponsored by The Atlantic Magazine. This is the 39th Creative Writing Contest, which is nationwide in scope and Kindy Muntz of Darroch Rd., Delmar received an Honorable Mention Certificate, followed by Bob Kurzon, Delmar, and Peter Laurie of Slingerlands, both winning Certificates of Merit also in the

short story category. Since this is really a stiff contest, we're thrilled that three of our Juniors did so well. Congratulations!

By the way we're looking forward, with a great deal of enthusiasm, to the special piano concert at 8:30 P.M. on June 3 at the Senior High School. This will be given by Ana Berr of Santiago, Chile. We were delighted to meet her, as well as her sister "Ketty" at an Open House which the Evan McChesney's had for them at their home in Elsmere. What a tremendous privilege the Tri-Village area will have tomorrow evening. The Experiment in International Living stands high in the hearts of many of us out here. Our thanks to Ana for her gesture of international friendship and appreciation shown to her sister and the other Chilean students who lived among us for just one month several years ago . . .

We hope that Don Brossman of Sunset Dr., Elsmere who is reportedly confined at the V.A. Hospital, Albany won't be off

BETHLEHEM LUTHERAN CHURCH ANNOUNCES PLANS FOR NURSERY SCHOOL ANNIVERSARY CELEBRATION

Bethlehem Lutheran Church is planning to open a Christian Nursery School in the fall of this year. The church's board of education has been giving careful attention to various possibilities in developing a weekday program of Christian education. The program most in demand at this time, it was felt, is a program of pre-school nursery education.

The nursery school is being set up to meet all state requirements for nursery schools in New York State. Only children

three and four years old will be eligible. A trained and qualified teacher will be in charge of the program with an assistant each day. The school's educational and (continued on next page)

The facilities at Bethlehem Lutheran Church are excellent for such a program. The rooms inside the building designated for this purpose and the outdoor area to be set aside as a play area can be adapted to this purpose beautifully. The Church is located at Elm and Murray Avenues in Delmar.

Further information may be obtained by calling HE 9-4328 or HE 9-2885.

On this coming Sunday — Pentecost Sunday — Bethlehem Lutheran Church of Delmar will celebrate the fifth anniversary of its founding.

The church had its beginning on Pentecost Sunday of 1955, when the Rev. Lawrence Heuchert, first pastor of the church, conducted a Lutheran service in the Delmar Public Library. The congregation used the facilities of the library until November 11, 1956, when it dedicated its beautiful chapel at the corner of Elm and Murray in Delmar. Pastor of the church for the past year has been the Rev. Harold W. Scheibert. The congregation now numbers approximately 300 baptized members.

The speaker at the special 3 P.M. anniversary service on June 5 will be the Rev. Robert Albohm of Schenectady. The celebration will also include a brief program on the church grounds at 5:15 P.M., a supper served outdoors immediately following, and entertainment by the church's Luther League in the church basement at 7:15 P.M.

The public is invited to participate in these anniversary observances.
