LONG-RANGE COMMUNITY PLANNING NEEDED HERE, SAYS PRIZE ESSAY

To The Spotlight:

It is extremely gratifying to be living in a community where our police force is so efficient, cooperative and sympathetic.

My daughter's bicycle was stolen last Friday. This caused her no end of grief. However, through the splendid efforts of the Bethlehem Police Department, it was recovered on Monday.

I want to thank personally Officer Jack Van Asdel and all others who helped in the search.

First prize in an essay contest sponsored by the Bethlehem Chamber of Commerce was won by Susan Zimmerman, Slingerlands, a junior at BCHS. Miss Zimmerman's essay is reprinted below.

"The need of the Town of Bethlehem for parks is becoming more and more evident. A park provides a place for rest and recreation and adds beauty and dignity to a community. The difficulty is that such projects as parks must be undertaken to serve future, not present, needs. When the need for parks becomes acute, the community is already built up and the tremendous expense of pre-empting buildings prohibits the construction of large parks within the community. Therefore, unoccupied land must be reserved for parks in an area which is expected to be developed in the future. There is no doubt that the Town of Bethlehem is growing and changing rapidly. It is alarming to see such topsy-turvy growth with so little provision being made for future needs. The building of a park should be part of a badly-needed, long-range community planning program.

"Because Bethlehem has no large tract of land available near the center of town it needs several parks, one large one as near the center of town as land is available, and other smaller ones within the area already built up wherever space can be found. Small parks would add beauty and grace to the harshness of the business district and provide places for people to rest and relax.

"At the same time, we should have a large park with woods, streams and flowers. It should be a haven for birds and other

provided for. While it may seem unnecessary to have a park in a community which is surrounded by open country, as the community expands, this open country will be farther and farther away from the center of town. Even now, it must be remembered that most of the land surrounding the town is posted and that private owners cannot be expected to permit the use of their land as a public park. Although

at first such a large park would be at the edge of town, eventually the town would grow until it surrounded the park.

"Although it may not be essential that a park be developed immediately, it is imperative that land be purchased as soon as possible and that a long-range plan be prepared for future improvements."

The children were: Clayton Albright, Mary Leslie Austin, Deborah Wolfe, Barbara Ford, Janet Ford, Linda Gates, Cynthia Greeley, Susan Reagan, Sheila Sagor, and John Sigsby.

Understand Tom Turner of Forest Rd., Delmar did a splendid job as master of ceremonies at the Senior Banquet for BCHS held in the Junior High Dining Room. Quite an occasion too. The junior girls waited table, and all the guests were delighted . . .

Two Delmar students, recent June graduates of the State University, have accepted teaching positions in Long Island school systems. Ben Castle, son of Mr. and Mrs. Milton F. Prue of Wellington Road, Delmar, will teach junior high school science at Islip. He will also act as assistant coach of soccer and track. Ben graduated in 1955 from BCHS, and was co-captain of the soccer team at the College of Education at Oneonta. Most of our readers know his father, who teaches science at BCHS.

The other Oneonta graduate is Lucy Chesney of Paxwood Rd., Delmar. Lucy, the elder daughter of Marg and Dukehart Chesney, will be teaching kindergarten at Sands Point, Port Washington. This has certainly been a busy time at the Chesney's, beginning in May with a trip to California, combined business and pleasure, and two graduations, including Sue's from BCHS! Happy summer and relaxing . . .

Gale B. Walter became a June Bride recently at St. Stephen's Episcopal Church, Elsmere. Gale married Robert Conklin, son of the Harold Conklins of Slingerlands. She is the daughter of Mr. and Mrs. Clinton Walter of Delmar. After their wedding trip north, they will reside at McCormack Rd., Slingerlands. Congratulations . . .

Married at the First Reformed Church of Bethlehem were Hope Madeline Carpenter, daughter of Mr. and Mrs. George Carpenter, Jr. and Kenneth F. Drobner, son of Mr. and Mrs. Drobner of Selkirk. Following a wedding trip they will reside in Ravena.

**THE SPOTLIGHT
HOW TO WIN FRIENDS**

Every time you tell one of our advertisers, "Saw your ad in *The Spotlight!*", a little magic bell rings in our office and we think you're wonderful. You see, that's the world's best way to let people know this is a good place to advertise products and services. (It doesn't count, though, unless you really were helped by the ad . . . no fair saying it just to be nice.)

DEADLINES, ANYONE?

Please remember that all copy must be received at *The Spotlight* office on Thursday, one full week before publication. In other words, if you'd like something to appear on the 8th of the month, we must have it no later than the 1st.

No sir, no ma'am, this isn't just a whim of ours. We have to get all our copy prepared on Thursday night so the linotypers can set it in type on Friday. They don't work on weekends, but we do. While all you lucky people are lolling in the sun, we're slaving over our hot drawing boards readying what's called a "paste-up" — a page-by-page montage of ads, news, pictures, etc. for the offset printer's cameras on Tuesday. Obviously, if we were to accept copy later than Thursday, we'd never get anywhere.

(This "copy" we keep talking about is the graphic arts and communications industries' word for anything that's to be printed or broadcast. For instance, "advertising copy" is simply the text of an ad.)

*P.S. — from the
Advtg. Dept!
NEWS must be
in on Thursday,
but ADS can COME
in up to Friday P.M.
because they aren't
linotyped!*

[This week's **SPOTLIGHT ORCHID** goes to Jonny Borne on the first anniversary of his joining us on *The Spotlight* through his popular weekly column that reflects his truly encyclopedic knowledge of the entertainment world! Our thanks to this hard-working newspaperman for giving us so much of his time. — Editor]

Sigrid Maier, a West German cutie has been imported for a lead opposite Elvis Presley in *G.I. Blues* . . . It may be a little early but I would like to predict a sure Oscar nominee for best supporting actress. It's Jo VanFleet in *"The Woman and the Wild River."* She stole the picture . . . Dean Stockwell's excellent performance in *"Sons and Lovers,"* has won him a top role in the *"Return to Peyton Place"* . . . Congratulations to Edward Everett Horton on celebrating his 50th year in show business . . . Three Warner Brothers films are shooting on the East Coast this month. They are: Elia Kazan's *"Splendor in the Grass,"* starring Natalie Wood and Warren Beatty, shooting in New York; *"Parrish,"* with an all-star cast headed by Troy Donahue and Claudette Colbert, shooting in Connecticut; and closest to the Tri-Village area; Vincent Donahue is directing *"Sunrise at Campo-*

bello" with Ralph Bellamy and Greer Garson, which is shooting down in Hyde Park . . . Don't miss the *"Adventures of Huckleberry Finn"* at the Palace theatre this week. Little Eddie Hodges will steal your heart away. It's an excellent film for every member of the family . . . Best L.P. Album of the week is on the R.C.A. Victor label. It's *"At the Desert Inn"* with Tony Martin. This is an on-the-spot recording from the elaborate night spot in Las Vegas. Mr. Martin can still belt out a tune with a solid wallop. Some of his numbers from the past are: *"There's No Tomorrow," "Fire Down Below," "Around the World," "I Love Paris"* and more. This disc is sure to hit the top ten in a very short time . . . Dear Mrs. C. H. and your nameless neighbor: You are both wrong. Ross Martin, who plays Andamo on the *"Mr. Lucky"* television show, is neither Spanish nor Italian. He

is Jewish, and his real last name is Rosenblatt. Thank you for your letter. Write any questions

you want answered to Jonny Borne in care of *The Spotlight*, Delmar.

"How our phone saved a little girl's life"

"Our year-old granddaughter had come to spend Sunday with us, when suddenly she became ill and her temperature shot to 104. The three doctors I knew were all away. Frantically I called the long distance operator. In no time she came up with a list of nearby doctors and succeeded in reaching one, a pediatrician. It turned out her prompt and resourceful action prevented a tragedy. Because the doctor found our little girl had acute tonsilitis and could have smothered from the rapid swelling of her throat." *Mrs. David H. Davis, Mexico, N. Y.*

* * *

There are so many ways your telephone can be a "lifesaver." By ordering a forgotten item from the store. By keeping you in touch with the children's whereabouts. By making or canceling appointments. And it can be a life brightener, too. A phone call makes it so easy to visit family and friends, no matter how far away.
