Virgil E. Tompkins and Fletcher C. Waite, co-chairmen of the Bethlehem Lions Club Annual Light Bulb Sale, announce that light bulbs will again be offered on Saturday, Oct. 15, between 10 A.M. and 4 P.M.

Packages offered to the public will contain four 60-watt and four 100-watt bulbs and will sell for \$1.75. Proceeds of the sale will be used for the Club's sight conservation program and other community and welfare purposes.

## DELMAR FIRELADIES TO MEET TONIGHT

There will be a meeting of the Ladies Auxiliary of the Delmar Fire Department on Oct. 13 at 8 P.M. at the fire hall. This will be guest night. Miss Sally Ryan will preside and the feature of the evening will be a toy party. The refreshment committee will be chaired by Mrs. Joseph Furtado, Jr., with Mrs. Basil Evangelisti and Mrs. Vernon Winchester assisting. Mrs. Edgar Van Cott and Mrs. William Contento are in charge of entertainment.

## LEGION AUXILIARY TO MEET OCT. 18

Mrs. Esther Cooke, president of the Nathaniel Adams Blanchard American Legion Auxiliary unit, has announced that the regular meeting will be held on Tuesday, Oct. 18, at 8:00 P.M. at the Post Rooms.

Mrs. Burr Deitz will read the history of the previous year's activities.

# ST. THOMAS PARISH OPENS APPEAL FOR NEW, MORE COMMODIOUS CHURCH

BY THE WAY, SAYS ABBIE UTZ...

## CONGRATULATIONS AND HAPPY 100th BIRTHDAY, MRS. FLEAHMAN!

We'd never had the extreme good fortune nor the pleasure to really meet and visit with someone who is 100 years young. But just this past week this event occurred. The lady who deserves our best wishes is Josephine Fleahman, who celebrated her birthday yesterday,

on Columbus Day. On Oct. 11, the town officials, including Ruth Dickenson, Town Historian, entertained Mrs. Fleahman for luncheon at her home, The Center Inn, on route 9W. Here with her son, Arthur Fleahman, Sr., who assisted us with our

A building fund appeal for the proposed new church to be erected at the parish of St. Thomas, Delmar, was inaugurated recently. The Most Reverend William A. Scully, D.D., Bishop of the Roman Catholic Diocese of Albany, launched the campaign when he presided at the opening ceremonies and imparted his blessings upon the 200 men workers.

The new church will be located adjacent to the Parish House and will face Adams Place. It will provide a seating capacity for approximately 900 persons. Preliminary plans are being drawn by August Lux and Associates, Albany architects. Construction will begin this spring and is expected to be completed by early spring in 1962.

In announcing the plans, Monsignor Rooney, Pastor of St. Thomas Church, remarked, "The present church, which seats 365 persons, was built in 1924 and has served the parish well for many years. With the increased number of parishioners, it became necessary to use our school auditorium for three of the 9 masses which must be celebrated each Sunday. The rapid growth made the need for a new and more commodious church necessary."

Completion of the church will be one step further in the parish building program which has already provided a school and Parish House. Construction cost

Office Department which has been made available to Acting Postmaster Kenneth R. Smith.

Although subject to last minute revisions, the year's total has been estimated as 63.6 billion pieces of mail which includes about one billion pieces of parcel post. It was stated that this would mean an increase of nearly 25 per cent over the corresponding figures for 1953 when the annual volume was 50.9 billion pieces.

During the same period, it was pointed out, the revenue of the Department also has shown an impressive gain with an increase from \$2,091,714,000 in fiscal year 1953 to \$3,276,800,000 for fiscal year 1960.

Here in Delmar, receipts of the post office climbed from \$65,000 in 1953 to \$110,000 last year.

data, Josephine Fleahman has lived for the past 12 years. We know there was much reason to celebrate and the guest of honor received flowers and many messages of congratulations.

Mrs. Fleahman was born Josephine Phillips down New York way and moved to Hudson upon being married to Herbert Fleahman, a cigar manufacturer. There were two children, but Arthur, Sr. is the only one living.

Just around noon during our visit with both Arthurs, senior and junior, Mrs. Fleahman joined us for her brunch. She knows all the personnel and reads the newspaper, watches TV some, and still mends, too. Naturally Arthur, Jr. was quite busy all this while with the luncheon crowd.

The evening of Oct. 12, Mrs. Fleahman's family entertained, with 5 generations represented. We know what an historic moment this was for all present. Again may we say Happy One

**"Your guest's nose knows!"**

One of the most neglected items in the household is the feather pillow. It stands to reason that no pillow can be slept on 165 nights a year without absorbing a subtle tell-tale odor from constant contact with perspiration, hair and skin oils.

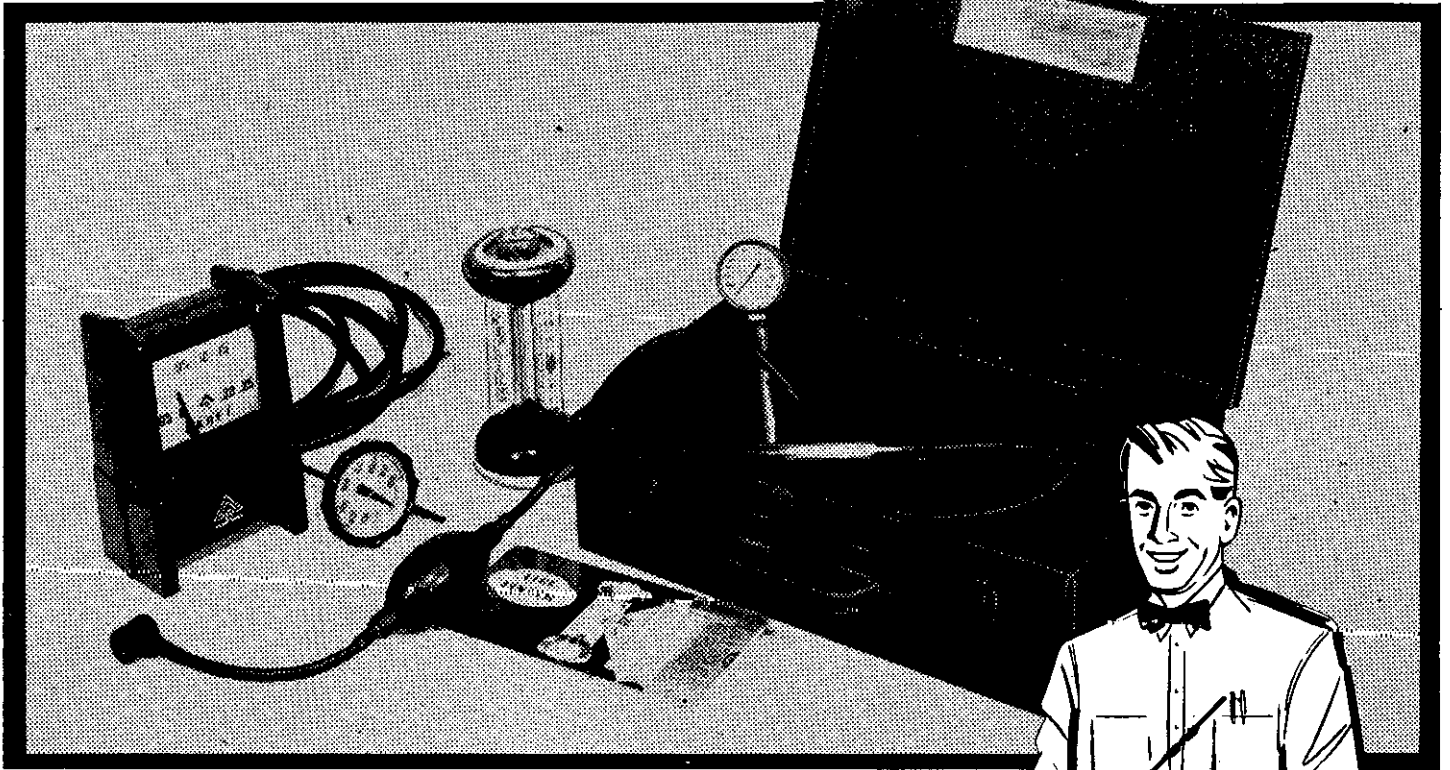

True, your sense of smell may have become inured to this condition, but it will hardly go unnoticed by visiting guests.

But that's not all - and we're going to let you in on a "trade secret" It may surprise you to know that from every pillow we sanitize on our modern scientific equipment (exclusive with Killip) - we usually vacuum out at least a cupful of broken quills, dust and foreign residues!

Pardon us for raising this touchy subject, but we thought you'd like to know You will also be glad to know that we can take a lifeless matted down old pillow, steam sanitize and dry every feather in warm air currents to restore natural curl, and return your old pillow absolutely hospital sterile and comfortably resilient for only \$1.95 per pillow.

# MAIN-CARE makes sure you get your money's worth!

Free Burner Efficiency Test guards against oil waste . . . cuts fuel bills.

The instruments shown above are used by our servicemen to test the efficiency of oil-burners belonging to MAIN-CARE customers. Experts in their field, these are the men who make sure that MAIN-CARE families get all the heat possible from the fuel they burn. You see, an oil-burner is similar to any other piece of mechanical or electrical equipment. Just because it runs is no indication that it is operating properly and efficiently. An improper adjustment of the carburetor of your automobile will result in poor mileage from the gasoline consumed. By the same token, a faulty adjustment of your oil-burner, not discernible by the usual inspection methods, will result in increased fuel consumption . . . less heat.

Specially trained MAIN-CARE servicemen carefully test and adjust the oil-burners of our customers after every cleaning, more often if necessary. And this extra MAIN-CARE service is performed *free of charge*. MAIN-CARE families know that their heating system is at the peak of operating effectiveness and that they're getting all the heat they're paying for. Why don't you take advantage of extra MAIN-CARE service, too? It just makes good sense to be sure you get your money's worth.

**it isn't so**

That winding key you've been seeing on some VWs is not standard equipment.

It's put there by proud Volkswagen owners, who go around telling their friends they get 40 miles on one winding.

That isn't quite true.

The correct figure is about 32 miles (regular driving), and it requires one gallon of gas.

Otherwise, the winder gives you a pretty good idea of how economical it is to own and operate a Volkswagen.

The VW engine in the rear is air-cooled. No water to boil over or

freeze. No anti-freeze. No radiator expenses. No radiator.

Engine friction is so low that top speed and cruising speed are one and the same. A Volkswagen can run wide-open all day long without running up a repair bill. And it uses practically no oil between changes.

A VW costs \$1,565\* including heater. Leatherette upholstery is optional, and so are white walls, side view mirror and radio. Outside of that, we can't think of anything else you might want.

Except possibly that winding key.

Welcome to Phyllis and Henry Dorr formerly of Albany who are new neighbors on Lyons Ave., Delmar. With them will be Tom and Jack and Bill, a junior at Bucknell.

Guess what the boys and girls of the Massachusetts 4-H Clubs will introduce . . . a new product, *cranberry table syrup*. Just made its debut! This will help support the State 4-H work. It is brilliant red, the natural fruit color, and may be used on pancakes, waffles, grapefruit or other fruit, ice cream, cake or other desserts. Looks will make it delicious . . .

Another good Open House crowd at First Methodist Church, we're informed . . . Senior Class play tryouts and those selected will be out soon . . . for The Bells Are Ringing! Ding Dong. Seniors taking Regent Scholarship Tests like mad this past week (xx) for good luck.

THE SPOTLIGHT

but they're fighting for all they're worth.

Rumors — it has been rumored that the junior class is having their card party tomorrow night . . . Men's Association meeting Tuesday, the 18th.

There isn't much going on this weekend so maybe we'll review some events of the past couple of weeks . . .

We lost our first football game to Shaker — it was a "slaughter." We don't believe in superstitions, but they had trouble lighting the bonfire at the Pep Rally the night before and who knows? Might it have been an omen? We estimate that there was at least two-thirds of the enrollment of both the junior and senior highs there.

The Sophomores got together on Sept. 30 and from what we are able to tell, they had a real blast.

There was a tremendous turnout for the "Daisy Mae Drag," Oct. 1. We guess they all wanted to find out who was going to be "Daisy Mae, Lil Abner, Moonbeam, and Tiny Yokum."

Some were surprised, but many were happy when the winners entered the dining room — Linda Moak, Bruce Secor, Sandy Rogers, and Mike Mosher — respectively.

B.C. won its second football game on Oct. 1. It was a tight game all the way, but the Eagles pulled ahead to win 2-1.

The date on the Canteen Council roller skating party has been changed from October 14 to October 15. By the way, don't forget to get your Canteen Card! They're really worthwhile. You get an awful lot of enjoyment from their benefits. Ask your Canteen Council representative about Saturday morning bowling at Sporthaven.

Just a little word of thanks to the teachers who had the World Series piped into their homerooms. We don't know the final score, but we hope . . . no, we must be impartial!

Remember — this is your column, Junior High students! Nobody seems to be giving us

anything to write. We searched high and low this week, but nobody had anything for us. We must have news; we can't base the whole column on our personal opinions. Any teachers, club sponsors, club members — please tell us all about your organization and its activities!

Help! If you want this column to survive. — David DePorte [Editor's note: If he doesn't learn to spell "column" soon, it won't survive.]

TUBELESS \$46.95 PLUS TAX (Black Side 670 X 15 or 750 X 14 Walls)

You get an extra wheel when you buy two Redi-Grip Snow Tires.

We mount and balance one Redi-Grip on your new wheel, the other on your spare, without charge.

WITH TWO WINTER TIRES MOUNTED AT ALL TIMES

1. Tires are permanently mounted,
2. . . permanently balanced
3. . . and if you want to change the tires yourself, you save a third garage charge — putting on the wheels.
4. No waiting in that long "first-snow line-up" at your garage.
5. Because the tires are not mounted and remounted many times, there is no danger of a damaged "bead" which usually results in tire failure blowouts.

**BETHLEHEM LUTHERAN CHURCH RALLY DAY**

The Sunday School of Bethlehem Lutheran Church held its annual Rally Day exercises Oct. 2nd. This Sunday School holds classes every Sunday throughout the year, and this day is special because it is the day that the children move up in their classes, and participate as a body in the church worship service. There are 16 teachers and a total of 106 enrolled children, ranging from nursery class age through the young teens.

This year the Sunday School is again under the supervision of Alton G. Marshall, assisted by John Gardiner. Also members of the staff are: Mrs. Frank Markus, Mrs. Arthur Dill, Mrs. Henry Finger, Mrs. Erich Krugman, Mrs. Nelson Williams, Mrs. Elmer Becker, Mrs. Charles Herrick, Mrs. Walter Wright, Mrs. Ernest Gall, Mrs. William Bailey, Mrs. Darwin Hinsdale, Mrs. Alton Marshall, Jacob Henkens, Jerry Jonas, Mrs. Robert Korns, Mrs. Wilbur Sperling, Walter Kinn, Frank Markus, Jr., and Mrs. Charles Filkins.

Pastor Scheibert instructs an Adult Bible Class.

AN AUTHORIZED AUTOGAS DEALER

The electricity an automatic electric washer uses in five months costs about 60¢ . . . enough to buy a couple of diapers.

The cost of other items in your budget may have doubled in the last 20 years. But not Niagara Mohawk electricity. It's the biggest bargain you can buy!
