BISHOP WICKE TO SHARE IN CONSECRATION OF NEW SLINGERLANDS CHURCH WING

Bishop Lloyd C. Wicke

Bishop Lloyd C. Wicke, Bishop of the New York Area of the Methodist Church, will be at Slingerlands Community Methodist Church on Sunday, Oct. 23, to share in the consecration of the educational wing and renovated sanctuary and to bring the message of the morning.

Members and friends of the church have planned a weekend of celebration under direction of Mrs. John Delaney, general chairman of the Consecration Committee. A church-family dinner will be held in Fellowship Hall on Saturday, the 22nd, at 6:00 o'clock, with Mrs. Donald Arthur, Mrs. Albert Shutter, and Mrs. Alfred Jeffers in charge.

Following the dinner, Dr. Roy Gillett will present highlights of the church history he has been compiling and a drama of reminiscence will be presented under the guidance of Howard Clayton. Guests of honor will be past ministers and their wives and Dr. Walter C. Kessler, Albany District Superintendent. Special recognition will be given to the three members who have been part of the church for the longest period of time.

The group will be led in the singing of old-fashioned hymns by Mrs. Doris Clark, assisted by Miss Jeanette McNab at the piano.

On Consecration Sunday, Bishop Wicke will also speak at 10:30 A.M. to an assembly of the entire church school and staff from both morning sessions. Later at the 11:00 o'clock worship service he will receive new members into the fellowship of the church and will assist at the dedication of memorials.

it isn't so

That winding key you've been seeing on some VWs is not standard equipment.

It's put there by proud Volkswagen owners, who go around telling their friends they get 40 miles on one winding.

That isn't quite true. The correct figure is about 32 miles (regular driving), and it requires one gallon of gas.

Otherwise, the winder gives you a pretty good idea of how economical it is to own and operate a Volkswagen.

The VW engine in the rear is air-cooled. No water to boil over or

freeze. No anti-freeze. No radiator expenses. No radiator.

Engine friction is so low that top speed and cruising speed are one and the same. A Volkswagen can run wide-open all day long without running up a repair bill. And it uses practically no oil between changes.

A VW costs \$1,565* including heater. Leatherette upholstery is optional, and so are white walls, side view mirror and radio. Outside of that, we can't think of anything else you might want.

Except possibly that winding key.

STATE BANK ADS WIN NATIONAL AWARD FOR EXCELLENCE

State Bank of Albany has received a National Advertising Award. The Socrates Honorable Award Certificate was presented by Bank-Ad Views, for consistent excellence in newspaper advertising during the past 12 months, in competition with several hundred banking institutions.

Hollis E. Harrington, president of the bank, stated that he is particularly pleased with the award, because it has shown that a financial institution can advertise retail services effectively and still maintain the position of prestige with which a bank is associated.

The advertising program was produced under the direction of James L. McHale, assistant vice-president of the bank, and Douglas C. Warner, consultant designer, using local talent in the graphic arts. [Including Albany's Composition Corporation where *The Spotlight* is set in type.]

the Players' rooms to the stage of the Bethlehem Central High School auditorium where it was assembled for this week's dress rehearsals. About the time their charlie horses have disappeared, the Players will reverse the procedure and take the set down so that BCHS students can see a special production. Then — you guessed it — up it goes again! *Ars gratia artis.*

In charge of this operation is Genevieve Zeh, production coordinator. Albert Wilber designed and William Kraus decorated the set which depicts the interior of a Dublin tenement of the 1920's. Other committee heads are: Joanne Bauckman, stage properties; Katherine DePorte, hand properties; Sally Harris, make-up; Chrysteen DiNucci, costumes; Bud Coffey, lighting; Doris Green, stage manager; Connie Moore, assistant stage manager; and Joanne Kimmey, house.

"Juno," Sean O'Casey's wonderful tragi-comedy will be presented on Friday and Saturday, October 28 and 29 at 8:30 P.M. Tickets are now on sale at Mullen's Pharmacy and the Delmar Library.

FLUFFY DUCK says:

*"Dry clothes fluffier
with no weather worries . . .
in an **AUTOMATIC DRYER!**"*

ALL year 'round—and especially in the wintertime—you'll be thankful for an automatic dryer. No more lugging heavy wet clothes into the freezing cold. No stringing clotheslines in a cramped, dusty cellar. Just toss the wash into your dryer, press the button, and your wash dries automatically.

An automatic dryer will make your towels fluffier than our Fluffy Duck. Do cotton knits, corduroys and flannels without any ironing. Damp-dry clothes are ready for ironing. Wash day (and it may be three or four days a week in your house) will be a brighter day. You'll have time for the hundred and one things that need doing—more time for your family, too.

Take your husband to your appliance dealer and find out how easy it is to own a hand-saving, work-saving automatic dryer. Your dealer will arrange easy time payments to fit your budget.

**WIN A FREE DRYER
or Combination WASHER-DRYER**

You can be one of the lucky winners of a dryer or combination washer-dryer! It's easy to enter—just fill out the official entry blank available now at most appliance dealers. Nothing to buy. No statements to write, no jingles to complete. See the official rules on entry blanks.

HAPPY PAINTINGS, MRS. DIKE

Mrs. Myra W. Dike, 323 Delaware Avenue, Delmar, has graduated from the Famous Artists Schools of Westport, Connecticut. Mrs. Dike specialized in fine arts painting during her three years course with this home study school.

SENIOR AND JUNIOR HIGHS

Hello again! This Saturday the Eagles tangle with Guilderland on home ground — so we'll expect to see most of you out for this game. There was an excellent turnout for the Colonie Home Game, on the 8th, which we won.

However we noticed that although our attractive and energetic cheerleaders did a commendable job, they received very little, if any, support from the spectators. So let's all aid the cheerleaders (under the leadership of Elaine Denin), and back the team and push it to victory.

The second event on the agenda occurs next Tuesday. The long-talked-about Players Incorporated comes to the school as the first of a three part program of (enjoyable!) culture. Started through the efforts of the steering committee this group comes highly recommended and as Abbie (Utz, that is) said a few weeks ago — they are really good! They are going to present *The Merchant of Venice* by one William Shakespeare.

There was a good response to the ticket sale for this program, but we feel that those who didn't purchase tickets are really missing something worthwhile.

We too would like to ask for any contributions of events pertaining to the Senior High. Thanks until next week.

— Ron Denham

Thursday, October 6, our Frosh football team gained its first victory of the season by beating Schalmont — at Schalmont — in the last minute of play! The score — 6-0. Our rec-

ord stands at 1-1-0. The score came as Schalmont punted with a fourth down and 25 yards to go. Jim Romano picked the ball up on his own 35, and "flew" 65 yards for the score. Key blocks on the run were made by Captain Sal Pipito, Charley Smith and Rich Lang. (Thanks to Dave Reynolds for his good report.)

Eighth graders and freshmen — don't forget to get your parents out to Parents' Night tonight (Thursday, the 20th). They'll meet the teachers, be able to ask questions, and hear ALL!

Keep me informed of your athletic, social, and club business. The editor is breathing down my neck. (Ugh, cigars!)

EASTERN STAR DINNER

The Past Patrons Club of Onesquethaw Chapter, Order of the Eastern Star, recently entertained the Past Matrons Club with a dinner at the summer home of Mr. and Mrs. William Bullion, Helderberg Lake.

After the dinner the annual meeting was conducted, with the following officers for the ensuing year being elected and installed: President: Richard Bennett; Vice-President: Peter Engle; Quill Pusher: William VanZandt (secretary); Keeper of the Pail: Chester Hawley (treasurer); Great Bull Tossler: Ivan Hayne (publicity); Chief Match Maker: William Epple (social committee); Grand Old Patriarch: Herbert Davis (ex-president); Great Bull in Waiting: Kenneth Sipperley (new member).

SAD STORY

Last week, a Charming Young Voice called up and said, "I know it's after your deadline, but could you possibly squeeze in this item about our Club's card party because we just realized it'll be too late next week?"

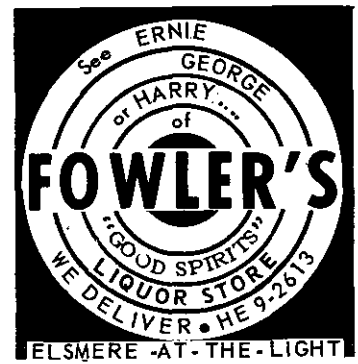

THE SPOTLIGHT

We said, yeah, yeah, and planned to make room somewhere, somehow. But came time to send the paper to the printer and there was a lot less room than we'd figured. We had to leave out a couple of ads, even . . . and *that* really hurts in the bread and butter department.

So now we're waiting for an Angry Young Voice to call, but honest, Lady, our intentions were very good.

DELMAR PTA

The Parent Teacher Association of the Delmar Elementary School opened the 1960-61 season with a Dessert Hour and Open House on Tuesday, Oct. 18, at the school. Mrs. Harold Garinger, chairman of grade mothers, was in charge of the program.

Show Biz

by

Little Mitzi Gaynor, who is best known for her singing and dancing roles, will play a straight comedy role in "Surprise Package," in which she stars with Yul Brynner and Noel Coward . . . One of my favorite actresses, Rosalind Russell, who was great as "Auntie Mame," will return to the screen to star with Alec Guinness in "A Majority of One" . . . "The Colonel's Lady," an original story

about a Broadway star who marries an Army colonel, has been acquired by Universal-International for Lana Turner . . . Best L.P. Album of the week is on the Epic label. It's "High Society" with Lester Lanin and his orchestra. This disc is strictly for the rolling up the carpet and dancing set. Mr. Lanin mixes show tunes from "Gypsy," "Sound of Music" and more, that makes this come out to be a very good album . . . Dear Mrs. W.: As of this writing Betty Grable is not returning to the

movies, and has no intention of doing so. She is very busy playing the night club circuits with her husband Harry James. Miss Grable will also appear frequently this winter as guest star

on television. Thank you for your card. Write any questions you want answered to Jonny Borne, in care of *The Spotlight*, Delmar . . . Until next week, that's Show Biz . . .
