PUTTING THE FINISHING TOUCHES ON SOME OF THE LARGER TOYS repaired by the Bethlehem Senior Citizens are Walter Wright and Thomas Ryan. In the lower photo, Eleanora Salisbury and Daisy Feldman are shown with samples of the dolls, teddy bears and games prepared for Christmas morning by the ladies.

Altogether, over 1,000 toys — sleds, skis, bicycles, tricycles, games, dolls, animals and smaller toys — were contributed by the people of the Bethlehem area for refurbishing by the careful, loving hands of the Senior Citizens. These better-than-new toys will be distributed to some genuinely needy children in our community by the White Christmas Committee of the Bethlehem Community Christmas Festival.

A few weeks ago, we ran an advertisement of Ford's Restaurant, recently opened in Albany by F. Ford Dodge of Slingerlands. One of our type-eating gremlins escaped and before we could cram him back in his cage, he devoured the "1" from Ford's Central Ave. address, making it read "28" instead of the correct "128." We are very sorry.

Have a MERRY CHRISTMAS

. . . and a SAFE one, too!

Many times, in years past, what has started out to be a gay and festive holiday season has been turned, in a matter of minutes, to tragedy. The reason — carelessness in caring for the many electrical wires used in lighting up the homes, the electrical toys and the dried-out Christmas tree. The fires that result from such carelessness can be averted if just a little recognition is given to the dangers and an effort is made to correct them.

Take a moment to check out your home against this check list. We know, if you do, yours will be a Merry Christmas.

They are as follows:

1. Turn off all Christmas tree lights before retiring.
2. Be sure tree gets sufficient water to keep from drying.
3. Check all light wires to be sure they are not frayed. If they are frayed — repair with approved friction tape or discard if they are badly damaged or worn.
4. If a fuse blows due to overloaded circuit — be sure to replace with fuse of proper size.
5. Be sure that only approved and well-made Christmas tree light bulbs and decorations are used.

A special note of caution:

Do not use the Japanese-made large bulbs with the sparkle coating. They are highly flammable.

6. Disconnect toy transformers and other electrical equipment when not in use.

We would like to congratulate all the individuals who participated in the nineteenth annual Community Christmas Festival. To all the committees who have composed of representatives from the High School and seven churches of the Tri-Village area. Our thanks for the spirit expressed again in

this year's festival "Unto us in Bethlehem." Incidentally the crowds at the Sunday dress rehearsal were tremendous. Standing room only until nearly 3:30 p.m.

Peace on earth,
good will to all

"Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a heavenly host praising God and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'" Across the years echo the words of the Christmas story, an inspiration, a promise and a blessing to all mankind. At this holy, joyous season, we wish to all our friends and customers a holiday rich in the spiritual re-

wards of Christmas, and a full portion of all the good things that a happy Yuletide holds.

Wonder if anybody will have to resort to the latest means of travel from New York City of recent. It seems an advertising man wouldn't be stopped by the terrific snow storm of past week,

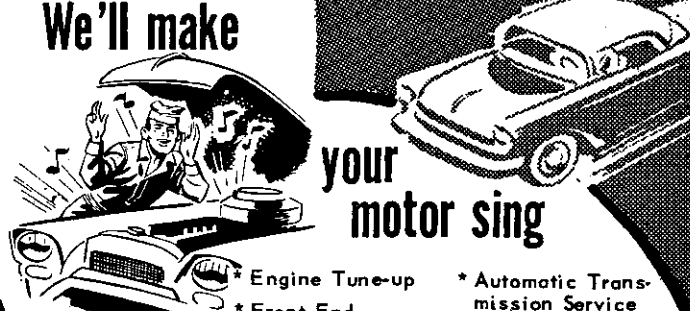

he simply hired a sleigh and horse and rode to the Stork Club with his guests of Sacramento, California. — The rental was costing him \$100 per hour . . . Still like our compact.

SENIOR AND JUNIOR HIGHS

Well, we're right in the middle of Christmas vacation and for this weekend there are no organized school activities. There are a host of parties that the teens will be attending and there is plenty of work to do for school such as studying the cases of the Supreme Court and radio plays for English, etc.

The reason for the short column this week is due to this same Christmas vacation — in other words, lack of news items.

We were glad to welcome Beth Kier back to school last Thursday, after her long illness. We missed you, Beth, and we're all happy to have you back.

Also, Mr. Eddington, English

Supervisor and Mr. Camp were out all last week and although their substitutes (Mrs. Edding-

ton and Mrs. Fairbank) did an excellent job nothing can replace the regular teacher. We

Not a school activity, but still newsworthy . . . "Moonlight and Holly" is the theme for sorority Sigma Theta Epsilon's Christmas formal "Sleigh Bells Swing." This annual dance is to be held in the DeWitt Clinton on Dec. 27, from 8 to 12. Music will be provided by the Crescendoes and tickets may be purchased from any sorority sister.

This same sorority also elected Sally Brunner as secretary, to replace Gail Du Hamel who moved away.

party. Mrs. Pock's "205" had a real nice one. She informed us that the boys had planned it as a treat for the girls. (Yes, that's what the lady said!) Mr. Preston, 219, and Miss Fleming combined their rooms for their party. [*Knocked out the wall? —Editor.*] Mr. Silver in 213 had an "informal" party where all different kinds of music was played. Mr. Gregonis of 125 had a pizza party.

Some of the teachers — Mr. Feldman, for instance — gave homeroom pictures to the students. We are sorry to hear that some of the seventh grade classes couldn't have parties.

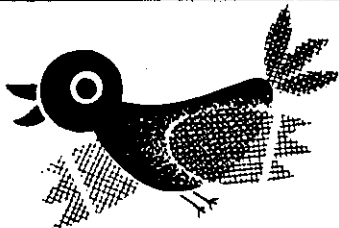

Wish we could tell you a little about the upcoming ninth grade party, but the whole thing is being kept very hush-hush by Mr. Gregonis, the class advisor. As soon as we find something out, we'll let you know.

It's too bad Tom Arthur had to get the measles the last week of school. Hope he's all better by now.

There won't be a column for the next two weeks, since there won't be any school and no issue of *The Spotlight* the week of Dec. 26. Everybody have yourself a wonderful Christmas and New Year, okay?
