CANTEEN'S "CHA-CHA-CHA" ON BCHS STAGE THIS SATURDAY AT 8 P.M.

Saturday night, Feb. 18, is the night everybody has been waiting for (says our correspondent). At 8 P.M. the house lights will go down and the spotlight will come up on Emcees "Pat and Mike," your hosts at the Bethlehem Youth Canteen's 1961 annual canteen show, "Cha-Cha-Cha" on the Senior High stage. Pat Crocetta and Mike Mancuso will handle the reins with the funniest bit of emceeing in the Tri-Village in a long time. Many unusual and

clever acts will be featured.

The directors are Mary Ann Dorsey and Brian Warner, both of whom appear in the show. They have leaked the following scoop to *The Spotlight*: some members of the faculty will participate in this year's show in two separate skits directed by Mr. Henderson and Mr. Feldman! Tickets may be purchased at the door and are \$1 for adults, 75¢ for students, and 35¢ for children.

TRI-VILLAGE WOMEN TO OBSERVE WORLD DAY OF PRAYER, FEB. 17

A Retreat in preparation for the World Day of Prayer was held on Feb. 10 in the small chapel of the new wing of the Delmar Reformed Church with a large number of Tri-Village women attending. Mrs. William Vogel, Jr. had charge of the devotionals and the ladies of the Delmar Reformed Church acted as hostesses.

The universally celebrated World Day of Prayer is being held on Feb. 17 at 2:00 P.M. at the Delmar Reformed Church, sponsored by the Tri-Village Church Women. The following are participating: Mrs. John D. Brown is general chairman; Mrs. Donald S. Dewire, organist, and the Mesdames Carl J. Freuden-

The proposed change in the routes of the so-called Slingerlands and Delmar bypasses — with a possible intersection right smack in the middle of Slingerlands — has the whole Town buzzing.

According to residents' gloomy speculation, such a move might wipe out much of the community life of the hamlets (they are not actually villages) of Slingerlands and Delmar.

Hundreds of town residents gathered at the Senior High School last week to voice their near-unanimous opposition to the departure from the original routes which would have skirted Slingerlands and met near the intersection of New Scotland Road and the Voorheesville Road.

Mr. N. F. Ronan, speaking for the State Department of Public Works, confirmed the change from the original plan but added, reassuringly, that variations of 1000 feet or so in either direction were still possible.

A spokesman for the Town pointed out the need for arterial highways to facilitate traffic to and from Albany for the benefit of the entire Town, and expressed the hope that such highways would be built at a minimum of loss and inconvenience to the residents of the Town.

He added, "The action and decisions of the Town Board are always directed to furthering and, as far as possible, anticipating the desires as well as the needs of the townspeople."

Speaking from the platform, Supervisor Bertram E. Kohinck said that the entire issue would be brought before the Town Board at its next meeting, on Feb. 15.

Near the close of the meet-

ing, a petition prepared by a group of residents was read. It objected to the new routes on the ground that they would "disrupt, dislocate and change the residential character of the community" and endanger the lives of the "many young children living therein." The petition asked for a return to the original road locations. It was given wide circulation after the meeting, signed by hundreds of residents and sent to Governor Rockefeller.

Said one of its authors: "I don't think any of us are against the construction of bypasses. We need them. We're simply asking for a return to the original plans."

Said another: "Whatever your personal sentiments may be, the most effective way to (continued on page 3)

bers with the group philanthropy project — providing additional films for the library for the Children's Wing of the Albany Hospital . . .

Hostesses are: Mrs. Ralph Sutliff of Adams St., Mrs. Victor Cahalane, of Fernbank Ave., Delmar. Mrs. Raymond Brunner of Groesbeck Pl., Elsmere and Mrs. Louis Dempf, Jr. Mrs. Robert Haungs of Delmar and Mrs. Ralph Reed. The latter two hostesses combined forces and along with Mrs. Howard Miller, all of Kenaware gave a bridge in Mrs. Haungs' home. Guest of honor was Mrs. Roscoe Martin, Panhellenic advisor of Syracuse University, and houseguest of Peg Miller. Local members in attendance were Mmes. Robert Jackson, Alan Hilchie, Virgil Thompkins, William Sivers, Frank Lane, Melvin Baker, Gerald Love, Mason Aunders, Arthur Bresford, and Ernest Bird.

There are more local hostesses and more news will be coming on their various bridge groups . . .

The very first party of 1961 will be given at Normanside Country Club for club members and friends, the more the merrier. They've called it "Poverty Party," designed to fit the budget — music by the "Uncalled 4's," dress — something old! The price is right, but it's not sponsored by Bill Cullen . . . have fun tho'.

SENIOR AND JUNIOR HIGHS

Tomorrow night the Colonie basketball team comes to our gym to try to defeat the Eagles. We know they won't, but just for added insurance, we hope that everyone will turn out to support the B.C. team.

Saturday night is the biggest night this winter — the 1961 Canteen "Cha-Cha-Cha" show! [See front page story.]

The 1960-1961 Key Club Student Directory is due to come out this week. It will sell for a nickel and will contain the

THE SPOTLIGHT

names, addresses and phone numbers of all senior high students. These are printed mainly for the students, but those wanting a copy may order one by calling Tom Norton.

Also, save the night of March 10. That's the date of the second annual Broadcast Record Prom presented by the Key Club and WOKO. More about it later, but this year's dance is going to be something no one will want to miss.

Dennis Lang's mother, Mrs. George Lang, spent a half day with the office skills and typing classes, giving them tips on hair-styling, makeup, walking and general good grooming. The students liked Mrs. Lang's program so well that by 8th period there was standing room only, in Room 19!

Mrs. Lang works with Mildred Elley, ABC, State College, Whitney's, etc. for a fee. I am sure she visited BCHS and gave her time to the boys and girls only because Dennis is at our school. We owe her a vote of thanks!

Wednesday we take the day off in observance of George Washington's birthday. Just what we need — a vacation!

Don't forget to go to the

Ninth Grade Party — *La Soiree*. It's Friday, Feb. 17, from 7:30 to 10:30 P.M. It costs 75¢ stag, and a dollar per couple. You can still buy tickets from your homeroom representative. The next night is the Canteen Show. Guess you've heard enough about this from here, and from Ron. In two weeks we'll tell you all about them, okay?

Coming up March 17th is the S. A. Dance. The information is not yet out, so more about that later.

Too bad B.C. lost last week's basketball game, but the guys played a good game anyway. The high scorers so far have been Jock Walsh and Russ Bates. The team's been playing good basketball all year.

Everybody around here is all excited about this road they plan to build. As a matter of fact, it's the Big Topic of conversation among Jr. and Sr. High kids. The opinions all seem to run the same way. We're trying to figure out whose house it *isn't* going to go through.

Things are awfully dull around here most of the time. Remember the good old days when "The Dump" (Delmar Theatre) was around? We saw a picture of the New Strand Theatre last week, and it looked beautiful. All these fancy new

theatres in Albany, but nothing out here! Wouldn't it be nice if they could convert some unused Delmar building to one... with a roller rink floor maybe? Well, we guess there aren't any people with that much money, but we can dream, can't we?
