WHERE TO EAT...

In case you're wondering how the Unionville Reformed Church Youth Fellowship's baked ham dinner got to Clarksville, we put it there. Typographically, that is. Actually this delectable repast will be served in Unionville, where it rightfully belongs, at 5 P.M. on Feb. 25.

While we're eating crow — well, no, maybe that's *not* the happiest metaphor — we might as well admit that our price-fixing gremlin got loose the other week and tore up a line of type proof that was supposed to be in an ad.

We would like you to know that at the Elsmirian Restaurant, children under 10 can enjoy the delicious meals — especially that smorgasbord! — described in the ad for \$2.25. (The \$1.35 was the part we left out.) and was for the buffet luncheon on Wed.

CHILD'S HOSPITAL CAMPAIGN SEEKS AID FOR NEW, NEARBY BUILDING

A campaign to raise \$650,000 for completing the construction of the new Child's Hospital is under way. The hospital has served many Tri-Villagers in the past and the new hospital, on Hackett Blvd., will continue to do so from a much closer location.

Child's Hospital's purpose is to serve people without regard to race, creed or color. It is *not* primarily a hospital for children. Founded in 1874, it derived its name from the Sisters of the Holy Child Jesus, an Episcopal Church order which was associated with the hospital.

The hospital will continue to provide the same type of service as it did in the old Elk St. building which was recently razed. Facilities will be available principally for eye, ear, nose and throat surgery, but beds will

also be provided for care of long-term, chronic cases requiring compassionate nursing for which the hospital has been noted. (Many Tri-Villagers will never forget the tender, loving

DON'T PUT THAT SHOVEL AWAY, YET

Next time it snows (oh, of course, it will!) remember that people who have a fire hydrant in their front yard should uncover it. It is not just a matter of responsibility, but of self-interest. The minutes the firemen spend hunting for the hydrant can mean the difference between a small fire loss and a catastrophe.

REPORT FROM CHRISTMAS FESTIVAL COMMITTEE

The annual meeting of the Bethlehem Community Christmas Festival Central Committee and Board of Directors was held Feb. 5, at the home of Mr. and Mrs. Frank Phear in Delmar.

The treasurer reported total receipts from the 1960 festival of \$1,570.15 which is \$116.47 less than in 1959 and \$436.08 less than in 1958. A good share of the money is expended for food, clothing, toys, dolls, etc. at Christmas time for families in want. The remainder is used for medical services throughout the year and for overseas children through CARE and the American Friends Service Organization.

It is understandable that Tri-Village residents find it incredible that there are people "in (continued on next page)

want" in their community. It must be remembered that the committee's services extend to all of the Town of Bethlehem and the Bethlehem Central School District and that in several parts of the district there are many families in real need of medical services. These are families whose children, but for the White Christmas committee's help, would go without essential medical, dental and eye care. Worthy cases are reported to the committee by the school nurses who visit the homes. (It should be pointed out that the Lions Club shoulders part of the load with respect to eye care.)

Moreover, the needs this year have been found to be definitely greater than in recent years. An additional \$400 to \$500 is still needed, it was stated by James M. Flavin, co-chairman of the White Christmas committee. Interested individuals and organizations wishing to contribute to the committee's health and welfare fund for use for those in want in our own district may send donations to Mr. T. W. McWhinnie, treasurer, 13 Herber Avenue, Elsmere.

All boys who operate tractors are welcome even if they are not now 4-H Club members. Parents are also welcome to come and listen in. For further information call the 4-H Club office, HO 3-5581, extensions 235-36, or your local 4-H Club leader.

Hospital Care To Fit Human Need

The initials TLC stand for "Tender Loving Care." This has become a national hospital slogan, symbol of the ever increasing emphasis placed on the comfort and well being of the patient.

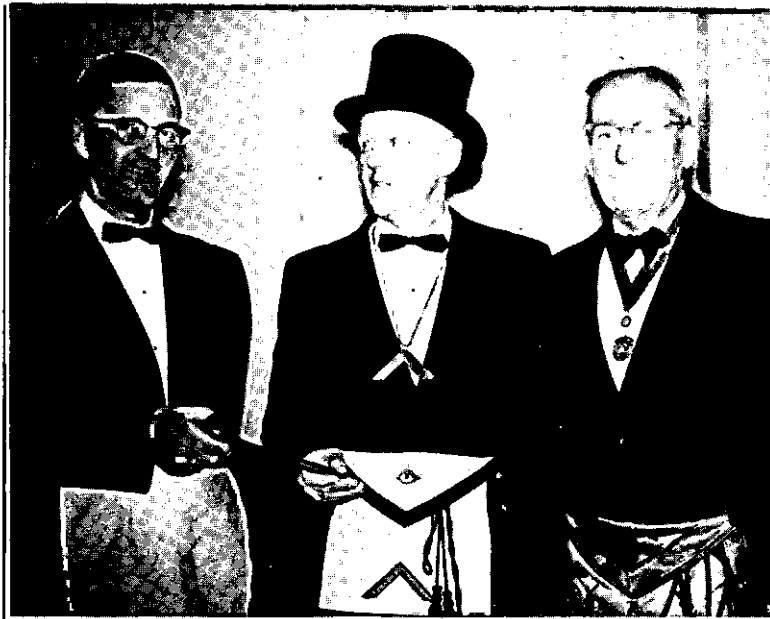

Therapy for the disabled enables them to adjust physically and mentally to a normal life. Long hours of supervised exercise, utilizing special equipment such as the Hubbard tank, helps restore wasted limbs to use. Psychiatric and occupational rehabilitation encourage a hopeful attitude toward a new way of life. Patients are often taught new hobbies and even new vocations.

Little children may suffer acutely from fear of new surroundings when they are hospitalized. Many hospitals provide facilities for mothers to stay with children around the clock. If this is impossible, the mother's absences are filled in by visits from staff members and volunteers who talk and play with the children; provide them with the reassurance they need.

Complete patient care is the goal of the modern hospital. Instilling confidence and overcoming fear are recognized as essential to the best treatment. Studies show the less anxiety the patient feels, the quicker the recovery will be. Anxiety about money is no exception. The patient himself may guard against this by making sure he is always protected by Blue Cross, the prepayment plan that pays the hospital directly for all the services he needs.

Happy Day after George Washington's birthday!

Greetings too from Florida . . . not from us, that's for sure, but from a neighbor. Thanks to Mrs. Ed Jackson of Partridge Rd., we've had a bit of the south and good reports from that beautiful land, including points of interest around Ft. Lauderdale. Both she and Mrs. Alec Herron drove down from here together in early January . . .

Meanwhile back in the Tri-Village, spring is promised. However the senior high Ski Club took off last Monday, no-schooling it, and went off for a wonderful day-long holiday. Everything was just great, including the homecoming trip and impromptu selections of early TV days . . .

The recent Mixed Duplicate met at Normanside Country Club on Sunday last, at 7 o'clock. The winners were as follows: First: Mr. and Mrs. George Alford, Second: William Linnan, Third: Dr. and Mrs. Jack Morgan.

Then the following Tuesday was member-guest duplicate with a special valentine luncheon. Winners included 1. North-South: Mrs. Davis Shultes and Mrs. Kenneth Gallien. 2. North-South: Mrs. John Lawlor and Mrs. Charles Redmond, East-West. 1. Mrs. Howard Snyder and Mrs. Don G. Cockroft. East-West 2: Mrs. Hoyt Carpenter and Mrs. John Joyce.

Chairman Mrs. Charles Redmond and Co-chairman Mrs. Gerrald Potts announce the list of models selected for the March 7th Dessert-Card Party and Fashion Show of the Tawasentha Chapter of DAR. This will be taking place at Normanside Country Club at 7:30 P.M.

"Bye now" . . . This writer has been told that he shouldn't write "bye now" at the end of his column. How about his writing it at the beginning of the column? [No — Ed.] If this is not satisfactory, suggestions will be welcomed (by feelings of indifference).

Tomorrow night Mohanzen High School comes to BC in an attempt to "beat" the Eagles. We know they won't, and we'll expect to see everyone there to help cheer the team to victory. (It has been suggested that both schools' defenses and offenses would be significantly strengthened if all spectators used clubs after the game instead of fists. Seriously, we hope that spectators won't let their emotions run too wild at this last game of the season and maybe we can end the season in a sportsmanlike way.)

"Club 61", with music by the well-known "Red Jackets", this year's Sophomore dance should be quite an affair. The time is Saturday night from 8 to 12. To be held in the dining room, the dance will cost \$1.25 a couple and 65c stag. Sophomores with class cards may attend free of charge. All are invited to attend and because "Club 61" is in honor of the seniors we'll expect a large senior turnout. "We" were asked to mention that good clothes are to be worn and we interpret this to mean suits for the boys and (?) for the girls. (This writer is stupid; he knows nothing of girls' fashions, but then, who does?)

In an effort to please our critical readers "we" shall sign off this way . . .

We bid you all adieu, until the time when the sun shall have risen and set seven times.

Ron Denham

In our last basketball game BC beat Colonie 39-29. The team's record is now 5-5.

We have been having aptitude tests. They aren't too bad. So far, we've had Verbal Reasoning, Language Skills, Mechanical Reasoning (or something like that), and Space Relations. The latter was impossible — for us it was PITIFUL. [Mrs. Typist's note: if Verbal Reasoning means arguing, this cussed reporter takes the cake, whatever his test results may show!]

We hope Mrs. Pock won't mind if we tell you about her recent trip to New York. She went to four Broadway shows,

Camelot, The Music Man, The Best Man and a special benefit performance of Critic's Choice. There she met Noel Coward and Jane Fonda, who gave her an autograph "to the students of BCJHS". She went to two museums (The Guggenheim, the Museum of Modern Art). Then she saw the special show honoring Leonard Bernstein at Carnegie Hall, from a box seat. Sounds like fun, doesn't it? Well, we guess she deserves it for putting up with us kiddies 5 days a week. (In case there is anyone who doesn't know, Mrs. Pock is an English teacher here.)

Gerry Herman informs us that the Dramatics Clubs are reading "Fiorello", working on skits for parents' night, and planning to change and improve the Club. Improve? Doesn't seem as though they could improve! They're very good right now.

On Feb. 16, the swimming team beat Shaker with a fantastic 72-14 score. Records were broken by Pete Crandall, two by Bob Spuck, and the relay

team of Bill Blanchard, Bob Stephany, Bob Phillips and Lenny Deitz. Our team has won 5 meets and lost none! Their last meet will be against Albany Academy, with whom they are very close in scores.

Next week we'll tell you all about the 9th grade party (umm) and the Canteen Show.

How to save money before you get it

It's easy to spend money when it's in your pocket. And often you spend it for things you don't need. But thousands of Americans have found a way to save money before they get it: U. S. Savings Bonds, on the Payroll Savings Plan. All you do is ask your company to set aside a specific amount from each paycheck. From that moment on it's automatic, and you get the Bonds as they're paid for. There's no easier way to save for the things you want. Why not join the Payroll Savings Plan today?

Some more advantages you might think about

You now get 3 3/4% interest, to maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier than before — in just 7 years, 9 months. Bonds bought before June 1, 1959 earn more, too — an extra 1/2% from then to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready cash reserve, although it pays to keep them.

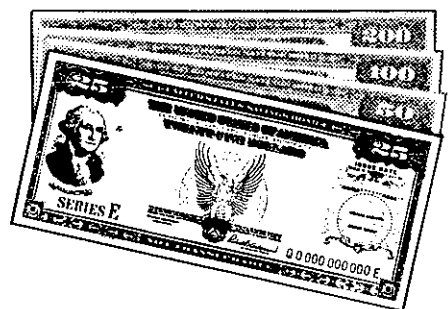

Your money is guaranteed by the U. S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bond will not drop — it can only grow.

Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace. Every Bond you buy helps keep our Nation and our Nation's economy strong.

Here's how you can reach your savings goal with U. S. Savings Bonds in just 7 years, 9 months

If you want about	\$2,500	\$5,000	\$10,000
each week save	\$5.45	\$10.85	\$21.70
