## American Legion Offers Flag For Sale

The Blanchard Post #1040, American Legion, has a supply of 50-star American Flags. The kit consists of a 5' x 3' Flag, mast, lanyard, and bracket, and can be purchased for \$4.40. The Flag can be attached to window sill or porch railing and is of fine quality. Many calls from community residents have been received asking that the Post maintain a supply of flags, and it is intended to stock them as long as a demand exists. Lawn kits and other styles can be obtained on order.

It is our earnest belief that everyone in our community should display the Flag of our country on the appropriate occasions, such as May 30th, Memorial Day; June 14th, Flag Day; July 4th, Independence Day; August 15th, VJ Day Anniversary; and many others.

Our Flag is the shining symbol of liberty throughout the world. It is important that we

respect it and teach our children to look up to it and care for it. No one should be ashamed of their patriotism. It keeps America strong and preserves our freedom in a sometimes shaky world!!

To order your flag, call Blanchard Post.

### Bethlehem Central Grads to Have June Dance

The newly-formed Bethlehem Central Alumni Association has stepped up its activity calendar since its formation last summer. The association's first event was a coffee hour after the Thanksgiving Alumni Games; and under the direction of President William Schoonmaker plans for an All-Class Reunion were made at a meeting in February. At this time it was decided by the group that the Reunion and Dance would be held in June, and Maxine Adams and Phyllis Piazza were chosen as co-chairmen of the affair.

With the help of Mr. Bernard Skaskiw, Bethlehem Central Junior High School Industrial Arts Instructor, freshmen boys undertook the project of printing the tickets. Michael Pastori and Robert Appleby did the work as one of their printing projects in the new Junior High shop. Over 1700 tickets were then mailed to all alumni whose addresses had been compiled by the association's members earlier in the fall. Un-

fortunately, the addresses of all alumni are not known so there may be still many alumni in the area who have not received tickets or information.

The gala event with Roger DiNucci's music will take place in the Fort Orange Suite of the Ten Eyck Hotel on Friday, June 9 from 9 P.M. until 1 A.M. It is hoped that this dance will reunite old classmates and bring the classes together in order for them to have a closer contact with our community, and other classes, through an active organization and its alma mater. The alumni hope it will also create an interest in Bethlehem Central and its activities and goals for the future.

The annual meeting and election of officers for 1961-62 will be held at the Senior High on June 19 at 8 P.M. for all alumni.

**TELEPHONE COMPANY HAS NEW TOLL PLAN**

The Capital District Metroplan - A New York Telephone Company proposal to eliminate toll charges and put telephone calling on a local basis between Albany, Schenectady, Troy and neighboring communities - was presented to the Public Service Commission today.

At the same time the toll charges are dropped, telephone rates throughout the metropolitan area will be raised to the level now in effect in the Col- onie exchange. General Manager Russell W. Scofield said that revenue from the new rates would fall somewhat short of the amount lost by eliminating toll charges.

The Metroplan is the major portion of the multi-million dollar telephone expansion,

improvement and replacement program announced by the company two years ago, according to Mr. Scofield.

"The move will increase the value of telephone service to users throughout the Tri-City area," he noted. "Communities are growing closer to each other and residents are making more telephone calls between Capital District communities. The Metroplan will bring the telephone system abreast of these changes. Businessmen as well as residence customers will benefit. Businessmen will find that the Metroplan expands greatly the number of prospective customers who call them."

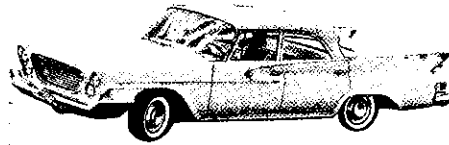

Metroplan service will begin late this year subject to acceptance by the Public Service Commission. Still further enlargements of local calling areas for some suburban exchanges will be made over the next few years, Mr. Scofield added.

"The Metroplan brings to the entire Capital District the benefits of the same type of service that people in the Colonie exchange area have enjoyed for several years," the general manager continued. "Since 1952, these customers have been able to reach Albany, Schenectady and Troy without Please turn the Page

paying toll charges. The Metroplan will give all Capital District customers a local calling area larger than Colonie's local calling area will be expanded. "

Callers served by the Albany, Colonie, Schenectady and Troy exchanges will be able to dial any other phone in the Metroplan area as a local call.

The other exchanges involved in the Metroplan are Altamont, Averill Park, Ballston Spa, Castleton, Clarksville, Delanson, Galway, Jonesville, Maria-ville, Mechanicville, Pittstown, Ravena, Round Lake, South Bethlehem, Valley Falls and Voorheesville. Ravena is served by the State Telephone Company, which expects to file comparable rate schedules with the Public Service Commission.

a local basis to the Albany, Colonie, Schenectady and Troy exchanges and to Metroplan exchanges adjacent to their own. In addition, certain non-adjacent Metroplan points will be added to calling areas of some exchanges next year. In times, these exchanges will also have local service to adjacent New York company exchanges beyond the metropolitan area.

Explaining the Metroplan rates, Mr. Scofield pointed out that telephone rates throughout the state are based upon the number of telephones that may be reached in a local calling area. "Colonie telephone users are already paying the higher rates because more telephones can be called on a local basis from Colonie than from any other Capital District exchange."

The amount of the increase in rates for each community will vary, depending upon the charges paid for present calling areas. Individual line residence customers now paying Albany or Schenectady rates, for example, will pay 50 cents a month more for their basic Metroplan service. Those now paying Troy rates will pay 75 cents a month more. Party line users will pay a smaller increase in each exchange than individual line customers.

Two thirds of business users will pay less than \$2 a month additional.

"The average customer's bill, however, will be reduced because of the elimination of toll charges," according to Mr. Scofield. "At the same time, all customers will have the advantage of calling over a wider area with the ease and speed of a local call."

The new Metroplan rates, exclusive of tax, would be as follows:

Residence Customers: Individual line - \$6.00; two party line - \$4.70; four and multi-party line - \$4.00.

Business Customers: Individual line (message rate; providing a monthly allowance of 75 outgoing calls and any number of incoming calls) - \$8.00; Individual line (flat rate) - \$17.00; multi-party line (flat rate) - \$6.20.

Teacher Recognition Day, May 16, was an opportunity for all parents to meet the staff and join them for tea. This was held in the Senior high school dining room, just after school with a good turnout of parents. The social hour was most enjoyable with delicious refreshments of sandwiches and cookies furnished by the senior class mothers. The teachers were presented corsages and boutonnières. The lovely tea table was presided over by Mesdames V.A. Van Volkenburgh, Virgil Tompkins, Elmer Mathews and Everett Watson. Four of

the girls from Home Economics Department assisted the Steering Committee with the serving. They were Kristin Baker, Linda Gmelch, Janet Monroe and Bonnie Wise.

Most important this weekend is the Key Club's annual Tennis Ball. To be held on the Junior High Tennis Courts Saturday night, this dance should be quite an affair. The cost is \$1.00 per couple and 50¢ stag and it will occur from 8 until 12. Junior High as well as Senior High students are welcome to attend and sport clothes are to be worn. See y'all there?

Congratulations to the cheerleaders on a fine dance last weekend.

Happy Birthday to a "senior

girl" who is 18 today. Also Happy Birthday to Ed Klink who turned 18 last week.

Two weeks left before we bid farewell to our teachers for this year. They'll rest this summer and will return next fall all set to wear out, tire, bore, scare and vanquish different students.

A Roast Beef Dinner will be served by Bethlehem Memorial Post #3185, V. F. W., at 404 Delaware Avenue on Saturday, May 27.

Servings will be from 5:30 to 8:30 p.m.
