

AREA SUMMER PLAYGROUNDS TO OPEN MONDAY, JUNE 26

Richard H. Miller, Recreation Director for the Bethlehem Central School District and the Town of Bethlehem, announced this week that the eight-week summer playground season will open Monday, June 26. Each playground will be open for one half day, five days per week for eight weeks. The following is the morning and afternoon playground schedule:

MORNING PLAYGROUNDS
9 a. m. to 12 noon
Elsmere, Clarksville and Glenmont

AFTERNOON PLAYGROUNDS
1 p. m. to 4 p. m.
Delmar, Hamagrael and Slingerlands

All of the above playgrounds are run on the respective play area of the elementary school.

To actively supervise these playgrounds, the summer playground advisory commission hired the following people; Joan Alexander, storytelling and nature specialist; Bernard Harvith, arts and crafts instructor; Kenneth Nodell, Jane Armstrong and Judith Paige, playground supervisors; Walter Tool, Sue Ann Brown and Martin Heilman, playground leaders.

All children who will have completed kindergarten this year through sixth grade and reside in the Bethlehem School District or Town of Bethlehem will be eligible to participate in this program. Registration blanks have been distributed to the school children this past week through their individual elementary schools. They should be filled out and brought back on registration day, Monday, June 26. If a child did not receive a registration blank, at school, they will be available at the play areas on opening day.

A well supervised and diver-

sified program is being planned for this summer with different special events scheduled for each week. Midway through the summer season, an "All Town Civil War Field Day" will be held for all Bethlehem Playgrounds at the Hamagrael Play Area. The last day of the playground season an "All Town Pirate Field Day" will be held combined with an evening picnic for the whole family.

In conjunction with the regular playground season, four free out-door movies are tentatively scheduled at the following dates, times and areas:

June 29 - Elsmere Playground - 8:30 p. m.

July 12 - Clarksville Playground - 8:30 p. m.

July 26 - Hamagrael Playground - 8:30 p. m.

August 9 - Glenmont Playground - 8:30 p. m.

The whole family is especially invited to attend the evening outdoor movies. Just bring your own lawn chairs and enjoy a family evening together.

WHAT'S WAITING FOR YOU AROUND THE CORNER

Let's hope it's a piece of good fortune.

But it might be a traffic accident, a fall, a fire loss or a damage suit or a trip to the hospital.

We're living in a world of ever-increasing risks. Fortunately, we can insure against most of the hazards of business and personal life.

Start with a good insurance program. Play safe and you will feel more like playing.

Graduates Offered Checking Accounts By Local Bank

The National Commercial Bank and Trust Company is again offering its unique Graduation Gift to all of this year's High School Graduates. Harry S. Keelan, assistant Vice-President, of the bank's Delmar and Elsmere Offices announced this week that free checking account service for one year will be given to each graduate who wishes to open an account.

The free checking service to graduates was first inaugurated by National Commercial in 1960 and proved to be very successful.

Mr. Keelan said that today's young people are more finance minded than a generation ago and that the bank is very happy to be able to offer this service and during the ensuing years become better acquainted with the leaders of tomorrow.

The gift includes three check books (60 checks) and one year free of bank service charges.

This represents a value of \$10.00, a gift which most young people should be eager to receive.

The Tri-Village Little League underwent an abbreviated week of baseball, with few games played and many rained out. In the Major League there were three games played and five cancelled because of rain. In the games played, Blenwell defeated Tougher, 5 to 4; Patterson shaded Mullen, 7 to 6; and Main thrashed Hilchie, 15 to 6. Jack Colonna of Main hit safely 3 out of 4 times at bat. John Rolando of Blenwell blasted the run-winning hit. Tom Kelly and Richie Tuzzolo provided the double-threat by each getting two hits in the Patterson win over Mullen. In the

Junior College of Albany, co-educational division of Russell Sage College, has just completed its first year of classes at its new campus at 140 New Scotland Avenue. The Junior College opened its doors in 1957 to 49 students, and at

that time held classes at the Russell Sage College Evening Division building at 258 State Street. Dr. Edward J. Sabol, Dean of the College, reports that he expects an enrollment of at least 300 students this Fall.

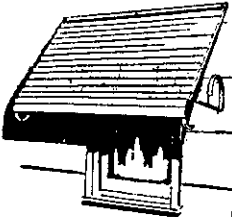

Work on the College's 15-acre, seven-building site has continued since the move was made from downtown last August. During the past year, two buildings have been used-the renovated Administration Building and the Science Building which was rebuilt and equipped at a cost of \$150,000. The Science Building accommodates biology, physics and chemistry laboratories as well as several classrooms and offices. The building is used by the Evening

started in forty-nine with one idea in mind - to make ice cream as good as Mom made forty years ago in the old hand-turned ice and salt freezer. Mom made the "mix," Pop turned the freezer and we hung around, anxiously waiting to lick the beater after it was removed from the freezer. Nothing in this wide world ever tasted so good as Mom's Ice Cream! And it's that hauntingly delicious memory that keeps us trying to make our Toll Gate Ice Cream measure up to Mom's.

Two additional buildings will be ready for use this September. One is the completely renovated library which will have facilities to house more than 20,000 volumes in its four floors. The other building is the Student Center which will include a snack-bar, lounge, and the College Bookstore.

Outside work is going on, too. New roads are presently being developed, the 300-car parking lot is being improved, and the inner quadrangle is being landscaped.

The Junior College offers four programs, two of which are designed for those men and women who plan to transfer their credits to a four-year college.

ABC ANNOUNCES EXPANSION PROGRAM

Albany Business College, one of the oldest business schools in the country, is presently gearing up to meet a record enrollment of some 600 students for its fall term, which starts September 11, Prentiss Carnell, president, has announced.

An unprecedented number of applications this spring for its regular one and two-year dip-

loma courses was received by the 104-year old registered private business school.

The influx of applicants this year is a record high, with the exception of those years immediately following World War II. At that time, the Albany school ran on a double shift basis to accommodate the large number of war veterans desiring a business education.

In an effort to meet the present demand for the type of education offered at ABC and to better serve the needs of the area business community, the school is again expanding.

A new \$150,000 building project, held up by the construction workers strike, is expected to be completed in time for the fall term. Four new modern classrooms, a parking area, library and faculty lounge are all included in the project.

In addition, Mr. Carnell said that three other classrooms, located in the building adjacent to the main structure on Washington Avenue, will be renovated.

Three new teachers have been added to the present faculty. They are Henry Binzer of Schenectady, Mrs. Joan K. Macholl, Palmyra, N. Y. and Miss Sonja Eimmarsson, Menands. All three are graduates of the State College of Education at Albany.
