SLINGERLANDS PLAYERS TO PRESENT 3 ONE-ACT PLAYS FRI. & SAT.

An evening of the atrical variety is in store for audiences at the Slingerlands Community Players' first production of the 1961-62 season, Kaleidescope, Friday and Saturday, October 20 and 21, at 8:40 p.m. in the Bethlehem Central High School auditorium.

The production will consist of three one-act plays, each presenting a dramatic approach and outlook of its own. Together, the trio will provide an evening of humor, pathos and theatrical experiment.

Tad Mosel's "Impromptu" is a new direction in modern theater, in which four characters are called upon to "improvise" a play. Directed by Richard Feldman, the cast will present an arresting study in human motivations as they seek to answer, each in his own way, "How much truth and how much illusion does a person need to live a balanced life?"

In sharp contrast will be Sir James Barrie's "The Twelve-Pound Look," directed by Graham Zeh. This witty and sophisticated comedy, long a favorite vehicle for Ethel Barrymore, takes a sidelong glance at the intricacies of married life and comes up with some rather startling observations.

Still another dimension will be filled with the production of Richard Harrity's "Hope Is the Thing with Feathers," directed by Ralph Smith. This play provides vignettes of human emotions stirred by unexpected hope aroused in a group of hopeless hobos. Their goal is simple --- to catch a duck for "dinner" --- but each castaway has his own vanities and dignity.

With these three productions, the Slingerlands Players will not only usher in their 1961-62 season, but also will provide a highlight for their 10th Anniversary Year. This will be marked by a television drama and other events to be announced.

Other productions planned by the Slingerlands Players for this season are Tennessee Williams' "The Glass Menagerie," to be presented January 19 and 20, and "The Great Sebastians" by Howard Lindsay and Russel Crouse, to be produced May 25 and 26.

The plays are presented in the auditorium of the Bethlehem School, on Delaware Avenue southwest of Elm Street in Delmar.

Tickets may be obtained from any member of the Players or at the Delmar Library, Mullen's Pharmacy on Delaware Avenue in Elsmere, the Voorheesville Pharmacy, or at the office of Arthur Jackel, 104 North Pearl Street, Albany.

EVERYTHING'S FINALLY SET!

At the last minute, all things seemed to jell and another big Anniversary Sale is in progress at the Plaza.

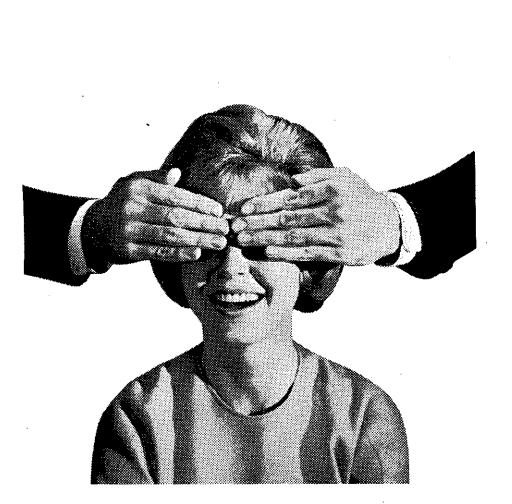

In the first (and most important place), the new paving on Delaware Avenue has almost reached Elsmere Avenue. This makes Delaware Avenue traveling a lot more pleasant.

Then the weather changed to golden October crispness, and everyone should feel more like getting out.

The Elsmerian Restaurant is open again.

AND, the merchants at Delaware Plaza have reduced prices and hundreds of quality items for the 6th Anniversary Celebration, today through Saturday.

There are 5 pages of Plaza bargains in this issue.

Surprise someone!

We all love surprises. Especially a Long Distance call from a loved one or a friend. So pick up the phone and call someone you're fond of tonight. They'll get a thrill from hearing your voice. And you'll get a thrill of satisfaction for remembering. And here's a pleasant surprise: bargain rates are in effect every weekday after 6 and all day Sunday.

LETTERS

Hilchie Thanks Kohinkel

Elsmere, New York October 12, 1961

To the Citizens of Bethlehem:

I would like to thank publicly the Old Guard's incumbent Supervisor for bestowing upon me an honor normally reserved for candidates for public office.

The incumbent Town Supervisor attacked me in a political speech at the Womens Republican Club card party at the Hamagrael School. There were a number of Lady Lincoln Republicans there. They thought it was to be strictly a card party and fashion show, as advertised, without any political speeches. Some of them got their bidding mixed up due to the distractions caused by all the speech-making.

In any event, the incumbent Supervisor is reported to have said he impressed and surprised me as to the quality and training of the police force.

What really happened was I went to Town Hall to ask why we did not have a full-time police chief like other police departments do the world over. The Supervisor then launched into a speech about how well the police were trained. I was already aware of that.

He never did tell me what training he had to be a police chief. I don't think he has had any. He never gave any valid reason why we didn't have a police chief. He said the police were going to take civil service examinations. I guess he never heard of provisional or temporary appointments. The United States of America, the State of New York, and other towns make such appointments. The Old Guard should look into it.

As for the incumbent Supervisor receiving two salaries, I never said he did. I did tell him he should point out that he didn't, and he has been talking about it ever since.

In his speech I understand the incumbent Supervisor implied he did me some sort of a favor in telling me all these things. I always thought every citizen had the right to know---even in Bethlehem.

Friends:

I have been reading with interest the various publicity releases of both Republican parties of the Town of Bethlehem and I am sure you have noticed that all the reforms proposed are those advocated for many years by the Democratic Party of the Town of Bethlehem.

The Democratic Party of the Town has never made any personal attack on any member of either of the opposing slates of candidates or party leaders and does not propose to do so now. We have not attempted to influence school elections and we do not intend to do so in the future.

The citizens of the Town have always prided themselves upon their intelligence and fair nor intelligent approach to the matter.

BLUEPRINT FOR GROWTH

In some towns where no responsible eye has been kept on the future, growth has followed a weed-patch pattern.

Much of the charm of our Town lies in the result of good planning, and careful guardianship of the interests of all of our citizens.

This Republican Town administration has used its experience and sound judgment to "preserve the attractiveness of our town," and has kept a careful balance between zoning laws, growth needs and a prudent tax structure . . . It's another example of a sound record of performance.

To mention one of the wellqualified members of the full slate of Democratic candidates nominated this year, let me point out that C. Emory Lochner, a former President of the Albany County Bar Association, member for many years of one of the largest legal firms in the City of Albany and an ac-

not now, deter the Democratic Party from opposing the Republican party's wrong theories of government in our Town. I am sure that you have noted that the proposed 1962 budget has been again increased requiring another tax increase and that the cost of maintaining Town highways, including the nearly-impassable portion of Kenwood Avenue, has once again increased now reaching \$458,000.00 per year or \$32.00 per person.

DEMOS' RECEPTION SET

The annual reception for the Democratic candidates of the Town of Bethlehem sponsored by the Democrats of Bethlehem, has been scheduled for Thursday, October 19th at Center Inn in Glenmont at eight o'clock, it has been announced by C. Emory Lochner, Pres.

John J. Clyne, the Democratic candidate for Supervisor, will set forth plans for the administration of the Town of Bethlehem by an entire slate of Democratic candidates after the November election. He is expected to point out that the Republican Party is badly split and the dissident members are citing the need for the same reforms in Bethlehem town government which the Democratic party has advocated for years.

He is further expected to urge that all of the Democratic voters point out to the people in their district that any reform of government must come from a change to Democratic officers, since the mere substitution of one group of power happy Republicans for another will not help the majority of the citizens in the Town.

It is anticipated the Town Candidates, as well as the County Candidates will be present, and will urge the election of a full slate of Democratic Town officers.

Why Do Bethlehem Residents Thinks It's Time for A Change?

BY DOUGLAS P. BRIDGE Lincolns Candidate for Councilman

The reason the Lincolns have such great and growing support is not due to anyone scheming. It is because many thoughtful community leaders, who are also Republicans, have come to realize we are in a rut and sinking deeper every day that the Old Guard holds the reins. This realization brought members of The Lincolns Steering Committee (including William J. Schoonmaker and Alan Hilchie) to the support of the candidates.

The Lincolns have already demonstrated that the cost of government per person in Bethlehem is over twice as much as it is in Colonie and almost twice as much as in Guilderland. The vagueness of the Bethlehem budget makes it impossible for anyone to demonstrate exactly where the waste or extravagance occurs, but it is there. And it is stunting the growth of the Town. One of the best illustrations of the failure of the Town government to retain Bethlehem's former attractiveness is illustrated by the fact that the population of Guilderland grew from 7,284 in 1950 to 16,710 in 1960,

while during this same period Bethlehem grew only from 13,065 to 18,936.

Furthermore, The Lincolns have pointed out repeatedly that Albany County pays the City of Albany for the taxes the City doesn't bother to collect. The County Board of Supervisors (including our Bethlehem Supervisor) has made no collection effort either. The total backlog of uncollected taxes is almost \$9,000,000 or more than an entire year's County Budget. Remember, too that Bethlehem taxpayers pay about 1/7 of the County taxes. This means that Bethlehem's share of the monies paid by the County for still uncollected taxes is about \$1,272,000. Enforcement of tax collections by the Supervisors could have saved Bethlehem taxpayers from this terrible drain on our resources,

It is obvious to everyone that the town is loaded with "For Sale" signs. People are having difficulty in selling their homes. The real estate market in Bethlehem is dead.

NEW SALEM GARAGE Route 85 - New Salem Phone RO 5-2702 Open 7 A.M. to 7 P.M. Except Sunday

One of the principal industries and main sources of income to Bethlehem residents and business has traditionally been the construction of new homes. That business is faltering badly. It has been the foundation on which the duties of the building department, the water district and the sewer district rest. The construction industry costs the taxpayers of the Town of Bethlehem little compared with the income derived from it, since the builders are now required to build the streets in their development except for the finishing surface.

Now construction in Bethlehem is drastically reduced. In an announcement in Albany papers August 28, the Town said that building permits for new construction in Bethlehem for about the first 8 months of 1961 totaled \$985,000, a reduction of \$519,000 from 1960. This is a 34 1/2% drop in new construction.

According to the reported Old Guard budget for 1962 (Notice the hearing is scheduled for the day after election) there is an anticipated decrease in

revenue from mortgage taxes of \$13,332, a drop of nearly 37%. The mortgage tax is 50¢ per \$100. This means the Old Guard itself expects there will be a decrease of \$2,666,400 in new mortgages in Bethlehem in 1962 and new mortgages are connected with new construction.

Bethlehem has slipped, and slipped a long way. The most distressing part of this entire picture is that in its 1962 budget the Old Guard provides for no relief in taxes -- on the contrary, an increase is proposed. The Lincolns do not oppose salary increases to deserving employees. But the Lincolns do propose a complete re-evaluation of those unitemized entries in the budget (one as much as \$244,000 in 1961) with a view to making the tax load in Bethlehem commensurate with the ability of the residents to pay.

DON'T BE FOOLED ABOUT TAXES!

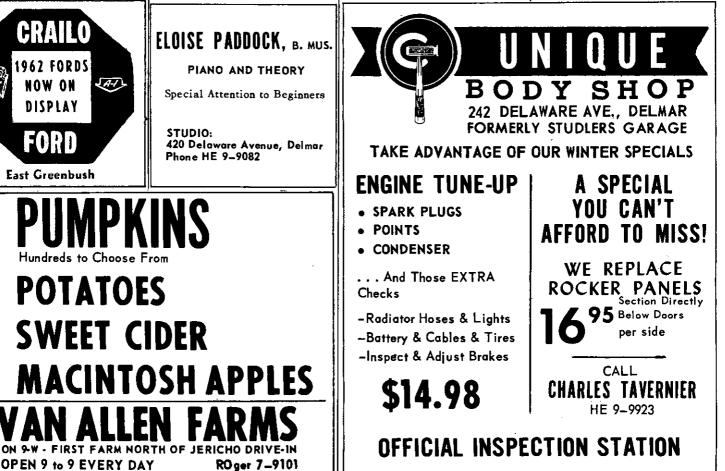

When someone tells you that the per-person costs for town and highway expenses in Bethlehem are higher than any other community in Albany County, tell him to check his figures. Here are the facts:

> Town taxes are not levied on a per-head basis, as you may have been led to think, and should not be figured that way.

> Only 34% of the Bethlehem Town and Highway budget is paid for by home owners. In contrast, home owners pay 66% of the budget in Guilderland, 54% in Colonie.

> In any other county suburb but Colonie, your house would cost you more in taxes for Town government. In Colonie, whose population is more than 50,000, it would cost you only about 20 cents less per \$1,000 of assessed valuation.

Finnish Paintings at Library

The private collection of Finnish paintings belonging to Dr. and Mrs. Charles A. Hall of Delmar, will be on exhibit at the Delmar Public Library starting October 14th, commemorating the arrival in this country of the President of Finland, Dr. Urho Kekkonen, who will be the guest of President Kennedy on October 16th and a visitor to the United Nations in New York City on October 18th through the 21st.

Besides the paintings by Tapio Kinnunen, collected by Dr. and Mrs. Hall during their year in Finland, there will be paintings by Tuija Orsa, who is sponsored by the Finnish government, and sketches by Tuhka on loan by the Finnish National Travel Office.

Dr. Hall, holding a Fulbright lectureship, was accompanied by his wife and three children during his stay in Finland. He lectured on medicine at the University of Turku in Turku, Finland while Mrs. Hall taught English.

The Halls, who have been interested in collecting the work of young artists here at home, continued this interest abroad. Wishing to share their collection with their many friends, the arrival of President Kekkonen in this country seemed a fitting occasion to show their appreciation to the Finnish people of a memorable year by a public exhibit of three outstanding artists.

Handicrafts of the Finnish people will also be displayed.

The Capitol City Rescue Mission will bring Jack Wyrtzen to Albany, Sunday, October 22, at 3 P.M., in an area-wide Gospel Rally at the First Methodist Church, Corner Hudson Ave. and Phillip Sts.

Dr. Ralph Chapman, chairman and president of the Mission said: "Jack Wyrtzen, International Youth Leader and Director of the Word of Life activities which embrace a teenage youth camp on an island in Schroon Lake, N.Y., a western ranch for children at Pottersville, N.Y. and an Inn for adults also on Schroon Lake, has just returned from Europe where he conducted Gospel meetings in a number of the Iron Curtain countries. We are truly blessed to have Mr. Wyrtzen conduct this Rally since his recent experiences in Russia. Poland, and East Berlin are fresh in his memory and we will get a first hand account of how Christians live under Godless leaders. Mr. Wyrtzen has long felt that the answer to the threat of Communism lies in the return to Bible-centered faith that once was the glory of the nation and the foundation of true patriotism and wholesome citizenship, "

Text: Bertram Kohinke Speech | Republican Club Card Party |

It is a privilege to be with you tonight. The candidates introduced to you tonight are your regular Republican candidates, up for election on November 7th, and we are the only candidates that will appear on the Republican ballot.

We Republicans together have every reason to be proud of our record of accomplishments, and I would like the pleasure of just mentioning a few of them.

For a good many years, our Republican party has been entrusted with the Government of the Town of Bethlehem, and we have been charged with providing good administration, efficient operation, and a sound planning to cope with the future. As Town Supervisor, I am proud of the way in which we have discharged our responsibilities to the residents of our town.

Our town has nearly doubled itself in the past twenty years, and we have been meeting this expansion in an orderly way, with well planned, and well executed extensions of our services to the residents.

One major accomplishment is our excellent water supply. We don't have any restrictions on the use of water. We have plenty of pure and palatable water. We have enough for a three-year supply right now, and the planned water development is engineered to supply the needs for normal growth of our town for the next twentyfive years. The water district will be extended to service other areas as quickly as population requirements warrant,

We have had a very orderly expansion of our Delmar-Elsmere sewer district. It has kept pace with our needs, and plans are being formulated to extend this service to Slingerlands, Hamagrael, Glenmont and Selkirk.

The roadways of our Town have been well maintained. Our residents are proud of our good roads, and proud of our snow removal services. The highway services of our town are better than any other town in the area.

NO WATER SHORTAGE HERE!

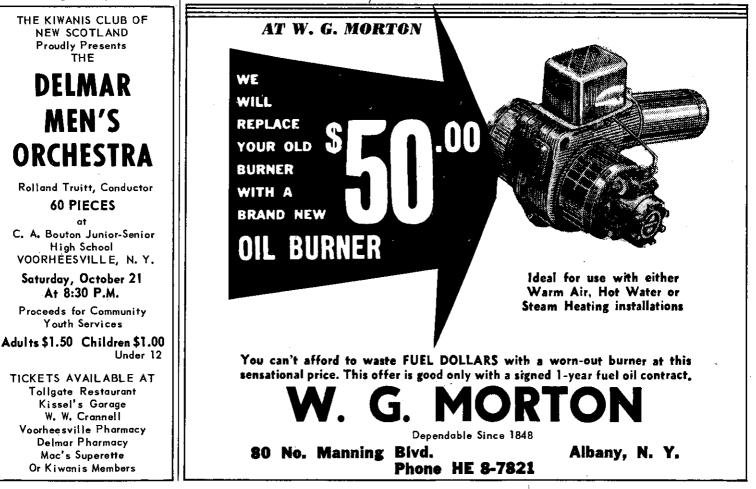

Thanks to the careful and far-sighted planning of your Republican Town Administration, Bethlehem's water supply is the envy of many of our neighbors . . . and it is designed for future as well as present needs.

By taking advantage of State construction on Delaware Avenue, new mains with double capacity were installed --at minimum cost to you.

This is another example of the efficient Town government we have been getting from our Republican administration where public office is a public trust.

Hilchie, one of the members of the third party Steering Committee, visited me twice at my office in the Town Hall last summer and talked to me about our Police Dept, He wanted information about its operation. I explained everything in detail to him, and he was not only surprised but he was amazed at the growth of our department, and of the training the men had already received, and of the plan for the future of our Police Department, so much so, that about a week later he came back and told me that he felt we had a good police department. Further, he told me

that he had checked with some of the officers of the department and they told him that they were better trained now than they had ever been, and better qualified to serve the residents to our Town, and furthermore, that their future was better now than it had ever been. That is exactly what Mr. Hilchie said to me. Another thing, he knows that I don't receive any salary for serving as Chief -- because I told him so -- yet he feels that he can further the third party's cause by such rumors. It's ridiculous on the face of it. There is no finer police department in any town, and it will continue to be developed in an orderly fashion.

The third party printed in its story that I am a part-time supervisor. I want you to know that I am available at any time. I arrive at the Town Hall at noon, and remain until the work is done -- which includes many nights, We are all working for the residents of this Town, and want to contribute our share to its growth and continued success.

spread around by the third party candidate, Mr. Bridge, is that I did not support the residents of Slingerlands on the by-pass question. Nothing could be farther from the truth, I have supported the people of Slingerlands on this matter every foot of the way, and Mr. Bridge knows I have, and I am

going to continue to support them every foot of the way -and Mr. Bridge knows that too. He also knows that the officials of the Department of Public Works will present the plan for connecting this by-pass to the Town Board before they make a final decision, so that this plan can be brought to the attention of everyone. He knows that, because the officials of the Department of Public Works told him that too.

These two men I mentioned are part of the third party which you should know is the result of undisguised scheming of one man in our town. I don't have to tell you who he is, but I will. First let me give you some of the background. Unfortunately, this man who formerly worked hard for the party has let some personal ambition creep into his effort for us. He

тне ѕротцібнт

wanted to be County Chairman of the County Republican Party. He got nowhere. Then he turned on his own party, the G.O.P., by heading up this splinter group. The man I refer to is William Schoonmaker.

One of the best ways that Bill Schoonmaker could serve his party here in the Town of Bethlehem, and strengthen it in the County of Albany, would be to return to the regular Republican Party, and bring all of his people with him to join in the fight against the Democrats. In so doing, he could help retain the fine town government that we enjoy here, and we could start on the road to new strength for the County Republican Party.

We have over 500 dedicated Republicans working on this campaign. We're going to win. And we welcome everybody in this victorious effort.

There's still a bit more of the very special brand of October's bright blue weather. Best time of the fall -- have the small fry puppies out for a gamble-on-the-green. Needless to say, we don't need to be encouraged to be outside in this seventy degree plus sunshine.

This week found the Albany Panhellenic Council meeting at 10 a.m. for its second meeting, at the home of Betty Barthell's in New Salem. Also evening bridge has been resumed for the fall session as of October 2nd, for The Tri-Village Newcomers Club at St. Stephen's - 8 P.M. Chairman.

Mrs. John P. Ryan of Feura Bush Rd., called to tell us of the following first winners: Mimi Netter, Yvonne Kruze, Sue Redmond, Marion Love and Phyllis Ryan. Congratulations.

Whilst, Marty Reinhart, chairman of the Wednesday afternoon Tri-Village Bridge Group, which meets at St. Stephen's at 12 noon, began play October 11th. Their winners were: Pat Randles, Nancy Dumas, Jane Truscott, and Dorothy Leslie. Congratulations.

Busy, busy; never saw a larger local group than the five hundred strong at the recent successful Women's Republican Card Party - Fashion Show held at Hamagrael Grade School, Monday, October 9. John G. Myers supplied the fashions and Mrs. Came did the commentating.

BY THE WAY (Cont'd) Recently over to visit Brown University and to see son Peter Laurie, a freshman, were Betty Laurie Burlingame and Vicki Adler all of Delmar. Peter, according to the news from his mother, has become ever so involved in numerous activities, has a job on the grounds committee and plays the piano one night a week publicly. We wish him well, understand he has a scholarship too. That's great...

From Mrs. George W. Parker of Roweland Ave., Delmar, who is chairman of the Drama group of Delmar Progress Club, along with Mrs. Alfred E. Davies, hospitality chairman, we learn of the Monday luncheon, scheduled by the group on October 23, at the Tom Sawyer Motel at 12:30 p.m. Comedy sketches will be presented by Arlene Lavin and Art Ploetz of

the Slingerlands Community Players. Mrs. Lavin is a talented newcomer to the local theatre group. She will make her initial appearance with Players in the leading role in The Twelve Pound Look, one of the three one-act plays to be presented in the opening production of the Player's 10th Season. Mrs. Lavin has had a wealth of experience in theatre. having acted with the Barrington Players in Rhode Island, the Greenville Little Theatre in South Carolina and the Milford Little Theatre and Fairfield Players in Connecticut.

Of course, Mr. Ploatz needs no introduction to a local audience, having appeared in most of the Player's productions since joining the group in 1956. He will play the leading male role in the forthcoming production of The Twelve Pound Look.

Since moving back east as the wife of Dr, Gerald Winn of Delmar, also the mother of two small children, Ginny has been quite purposeful in her ministry in music. Soloist with Delmar Men's Orchestra at Bethlehem Central High School; teacher of Delmar-Albany Women's Bible Study and a teenage Bible Study for Girls; other engagements have included programs at The University Club, Rotary, Albany Exchange, Kiwanis, Albany Country Club, St. Paul's Episcopal and Westminister Presbyterian Churches in Albany, and also Women's Group of The Reformed Church of Delmar. They provided music for Spring Week-end Conference Faith At Work at First Methodist Church of Delmar. Her accompanist is Dorothy Master Green, a most accomplished pianist in her own right. Together they have presented other programs including the Home for Incurables; Ironton, Ohio weekend conference, Presbyterian Church in Scarsdale, and Faith at Work conference in Springfield, New Jersey at First Methodist Church. where Ginny's father, Dr. B.W. Gilbert is the pastor.

Active in Women's Groups, such as the Delmar Rotary Club, as well as soloist at Loudonville Community Church, Sunday School Teacher and Circle Leader, these activities continue to keep Mrs. Winn steadfast in her commitment: "He keeps me singing." By the way, this rally is Sunday, October 22nd....
