REPUBLICANS WIN AS LINCOLNS GARNER OVER 3,000 VOTES IN FIRST TRY - DEMS FADE BY 1/2

The entire Republican slate in the Town of Bethlehem was returned to office in Tuesday's election. Supervisor Bertram E. Kohinke led his party as a vote-getter, where all three parties had candidates, with 5,281, while Edward ("Brud") J. Adams led the Lincolns with 3,513 and Katherine Herrick was high for the Democrats with 1,249.

It was the first time in memory that a second political party has received the backing given the Lincolns.

Two conclusions might be drawn from this year's election:

1. The majority of the voters are satisfied with the government as provided by the Republicans and
2. The Lincolns proved that their candidates and workers are vote-getters.

More than 9,500 votes were cast, which is a record in a

non-presidential election year. In 1960, 10,482 votes were recorded, 8,057 for Mr. Kohinke for Supervisor and 2,425 for the Democrat candidate.

Another interesting sidelight: In rolling up their 3,000-plus votes, the Lincolns cut the Democrat vote in half, which would lead to the conclusion that 50% of the Democrats have moved out of the township, or, some 1,200 votes recorded as Democrat in 1960 were really Republicans voting against their party.

An analysis of the chart below will show that the Republicans held their strength in the older parts of the township while the Lincolns showed their greatest inroads in the newer sections.

Brud Adams won over his opponents in the 8th and 11th Districts, the only Lincoln candidate to carry a district. The Democrats carried none.

HAWAIIAN HOLIDAY BAZAAR AT SLINGERLANDS CHURCH

'Twas the month before Christmas, and all thru our village
Were ladies intent on some devious pillage;
Ransacking attics both near and afar,
To ferret out goodies to stock their bazaar.
The knitters were knitting, like mad, so they say,
To finish their projects before the big day.
The sewers were sewing, their fingers just flew,
As they stitched all the glamorous aprons for you!
The children were nestled all snug in their beds,
While popcorn and fishponds danced on thru their heads.
So before settling down for your long winter's nap,
Put on your kerchief and pick up your cap,
Hop in your sleigh, on the dates shown below,
And pay us a visit, you'll love it, we know!

The Community Methodist Church of Slingerlands will welcome visitors on November 10 and 11 to the Hawaiian Holiday Bazaar. The activities will begin at 2 P.M. on Friday and continue until 9 P.M. and again on Saturday from 11 A.M. to 7 P.M.

A highlight of the event will be a dinner featuring a half broiler. Serving time is from 5 P.M. to 7 P.M. on Friday night. A snack bar will be open at all times except during dinner hours.

Many bright colored booths, decorated with a Hawaiian touch, will offer a variety of items for sale. The used clothing closet has a good supply of clothing for all the family. The Couples Club is stocking

up with lots of homemade candy and imported cheese. And that delicious aroma just has to be coming from the bake booth where you will have your choice of fresh baked pies, cakes and cookies. Christmas shoppers will have come to the right place when they see the plentiful supply of toys, collected and repaired by the Men's Club, and the lovely dolls and stuffed toys that will thrill the little ones. And to make your Christmas even more merry, there will be wreaths, miniature decorated trees and sprays to brighten your home. Gifts galore can be found in the gift shop and merchants' booth. For those of you with "green thumbs," we will have a variety of healthy plants and other greenery for sale. You will find just the right thing for that mantle or empty wall among the "white

elephants." The books and records shop is one place you will want to stop and browse around in for awhile.

Tomb of the Unknown Soldier

The majestic sun has spread her rays,
The moon her silver glare,
Over the unknown soldiers tomb
Who sleeps there unaware.

But many others just like him -
Great men, courageous, brave-
And heroes with their faces grim,
Are resting in their graves.

A south breeze touches with gentle grace,
Though rain and snow storms sweep
All through this solemn resting place
Where mothers kneel and weep.

Oh, Arlington, we hear you speak
The Language of the dead,
Where hallowed silence hovers round,
Humanity bows its head.

From a String of Pearls,

"Proof of the Pudding" on View at Delmar Library

A definite "proof of the pudding" is now on view at the Delmar Public Library. In an exhibition of art work of the children enrolled in the Helderberg Workshop, a three week Adventure in Learning of which Mrs. Robert Pauley was chairman, the results of the art instructions given are vivid scenes and charcoal drawings, which speak well for the idea behind this summer program. In an attempt at informal education for children in fields to which they are not normally exposed in their classrooms, the Workshop was organized by an independent group of parents who received permission of the Voorheesville school administration and board to use school facilities. Children from all schools in the area were welcomed, the first requisite being the interest of the child enrolled in the course taken.

Organized with the intention of helping children to find the joys of learning and to help them develop their potential abilities and talent, the Workshop offered opportunities for exploring in science, French, art, and geology with elementary and junior-senior high school groups of seventy-five children participating.

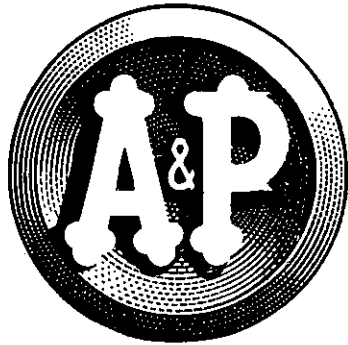

With Mrs. Pauley on the committee were Mrs. Frank Barthell, Mrs. Frank Burke, and Mrs. Fred Trinkous.

Plans for the second workshop next summer are now in the making.

ADVENT CALENDARS ARE AVAILABLE IN DELMAR

Once again the Tri-City Epilepsy League offers to the public the very lovely "Little Christmas Town" Advent calendar. These calendars are the only means of fund raising for the League and the funds raised are used in providing the necessary materials toward a better public understanding of this much misunderstood disorder. It is through public education that the league hopes to encourage the use of the "seizure control Center" at the Albany Medical Center Hospital, "where the combined medical facilities may provide for better diagnosis and treatment.

You can help to brighten the future of every epileptic as you open every numbered door or window of the Advent calendar. These calendars may be obtained through the Tri-City Epilepsy League, 209 Kenwood Ave., Delmar, or the Walther League of the Bethlehem Lutheran Church, Delmar.

LETTERS

Dear Sir:

If its of any community interest to you:

The Whiting Family of Center Lane, Glenmont, off Kenwood Avenue across from McGee Ball Park - is building a fallout shelter. It is down 3 feet already. We work on it every night for about 1 hour and will work all day Sunday. The shelter will house 3 families..

I am writing this, because maybe if one person starts, more people will follow and do something to at least ease the fear that grips the young people. I saw it the other day when the fire alarm began to blow. My little son was playing - immediately he ran for the house, and so did every other child.

He was terror stricken - "Mommy, where will we go?" Right then I decided now is the time. We started that night.

I hate to see this kind of fear in a seven year old.

Thank you,
Mrs. Raymond Whiting

IT'S A WOMAN'S WORLD

IF YOU WANT A JOB DONE

In America, as nowhere else in the world, women band together to offer their services freely for the betterment of their communities. The New York State Commerce Woman's Program says that more than 45 million women are serving as volunteers in one or more organizations throughout the nation. Their projects cover a wide range.

At the annual Woman's Day Community Service Awards luncheon during the New York State Fair this year, a multitude of community achievements was described. An Endicott Club sponsored a baby sitting course, complete with manual, for students. A Brooklyn group issued a directory of organizations in their area. A library was furnished at the Onondaga County Penitentiary and volunteer clerical assistance was provided in the Corning Health Clinic by Women's Clubs of the two areas. In Rochester, funds were raised to provide scholarships for deaf children. In Buffalo, braille books for visually handicapped children made possible their attendance in public school classrooms. Several groups made recreational facilities available to their community's Senior Citizens. Several offered programs to counsel women who wished to return to work. Local garden clubs in a number of towns turned their efforts to cleaning up their communities - painting rundown railroad stations and placing flowers and shrubbery in business sections.

HOW FAR HAVE WE COME?

In 1948 women were given the right to own property. By 1958 they owned more than half the property in the nation. Yet there's much women have not yet achieved. New York State Assemblywoman, Dorothy Bell Lawrence, says it's time to weigh accomplishments. Speaking on Woman's Day surviving the recent State Fair in Syracuse, she asked why are there only 4 women in the Legislature's 208 seats? Why are women of other countries, where their opportunities are less, accomplishing more than American women?

Dr. Ethel Alpenfels, an anthropologist and professor at New York University, noted that in India and Japan, women whose fathers and grandfathers were uncivilized natives, are now assuming active roles in their government and in industry. Mrs. Lawrence suggested the problem is two-fold -- that women of this country do not make their participation meaningful enough and that our nation does not include woman power in its growth potential. The State Commerce Woman's Program advises women's clubs to assume leadership in their communities, working for the safety, health and cultural improvement of the people.

PORTRAITS BY YARON IN NEW EXHIBIT AT BANK

Internationally known for his classical portraiture, and his murals and paintings of a religious nature, Alexander Yaron will bring to the capital district - through the medium of the Community Exhibit Room in City and County Savings Bank - a collection of PORTRAITS.

Announcement of the exhibit has been made by Frederick W. Stolz, Executive Vice-President of the bank.

Yaron, an American of Russo-German parentage, first showed promise in the field of art at the age of 14 while in Shanghai, China, with his father. He began his formal art training at 17 and had as professors several masters of the Imperial Academy of Art of Moscow, themselves exiles from the Bolshevik Revolution.

His pictorial renditions of Chinese Genre and initial efforts in religious art found equal acclaim with his portraits work. During the next 20 years, the name Alexander Yaron became well known in the Far East.

Residing in China, where both his children were born, until 1949, he and his family were evacuated to the Philippines shortly before the Communist occupation. From thence began an odyssey which took the family to Australia, Italy, Spain, Portugal, South and Central America.

Alexander Yaron is an idealist. He sincerely believes that inspired art can play an important part in combatting Materialism and Communism.

PORTRAITS, to which the public is invited, will include those of the late Dag Hammarskjold and of Krishna Menon. The exhibit can be seen at the bank's Downtown Office at 100 State Street, Albany, through November 9, weekdays from 9:00 a.m. to 3:00 p.m. and, in addition, Thursdays until 8:00 p.m.

A Place of Beauty for Over Half a Century

Fluffy Duck Says:
**"VOTE FOR
 WASHDAY
 FREEDOM!"**

Fluffy Duck's campaigning to free the gals from washday bonds during the long cold months ahead. Silly? Not at all!

Washday freedom, says Fluffy Duck, is just around the corner. Just put an automatic dryer in every household. No more lugging heavy loads of wet wash up the cellar stairs. No more panic when a sudden storm sends you scurrying out to rescue your almost-dry wash. With an automatic dryer or washer-dryer, you just set it and forget it. Your clothes come out sweet-smelling and Fluffy Duck dry every time. See your appliance dealer soon. He can arrange easy time payments.

**FREE AUTOMATIC BLANKET
 WITH PURCHASE OF AUTOMATIC DRYER**

Look for Fluffy Duck in the window of your nearby appliance dealer. If you buy an automatic dryer now for installation on Niagara Mohawk lines, you will receive FREE of charge an attractive double-size, single control, fully-guaranteed automatic blanket. Your dealer will notify us when you purchase an automatic dryer or washer-dryer, and Niagara Mohawk will deliver your free blanket directly to your home. Don't delay. This special offer expires November 30, 1961.
