

MRS. ARNOLD TO SPEAK TO CLUB

Mrs. Philip D. LeFevre, President of the Delmar Progress Club, announces that on Monday, March 12, 1962, the Club will present Mrs. Dexter O. Arnold, First Vice President of the General Federation of Women's Clubs, at an open meeting at the Hamagrael Elementary School, Delmar, at 8 P.M.

Mrs. Arnold, whose home is in Concord, N.H., is widely known as an author, lecturer and world traveler. A graduate of Syracuse University, she has served as Director of Speech and Dramatics in the schools of Syracuse, and as interviewer and producer of a radio network. A champion of voluntary effort she has served on countless civic and welfare organization boards both in Concord and throughout the State of New Hampshire. This meeting is opened to the public!

Debate Tournament Set

On March 10, 1962, the Bethlehem Central Debate Club will sponsor a high school debate tournament. Twenty-nine schools will attend with fifty-three teams. These schools come from areas as remote as Buffalo and Boston. The teams will compete for four trophies donated by the BCHS Key Club.

Richard Braum and George Cole are co-chairman; Dianne Strobel, tournament secretary; John Lyons, lunch and financial chairman; and Mary Susan Taus, hotel committee chairman.

Many members of our community have consented to serve as judges for the debates. The Debate Club would like to take this opportunity to invite citizens of the community to observe these debates. Debating will begin at 9:30 A.M. at the Senior High School.

The Debate Club would appreciate the opportunity to present programs to area organizations. Contact Richard Braum, at the high school.

Robert P. Terko, left, Assistant Vice President, presents gift on behalf of officers and employees of Mechanics Exchange Savings Bank to Clifford G. Davenport, President, upon the occasion of his 50th anniversary with the bank.

OPPORTUNITIES FOR GROWTH, INC., UNVEILS NEW BOOK DESIGNED TO ATTRACT NEW BUSINESS AND INDUSTRY

An organizational meeting of the Bethlehem Chamber of Commerce, Opportunities for Growth, Inc. was held recently at the Senior High School in Delmar. The purpose of the new corporation as explained by Richard L. Barzin, General Chairman of the local Chamber's Industrial Development Committee, is "To encourage the location and expansion of industry, to create new and improved job opportunities and the betterment of individual and community prosperity."

Mr. Barzin explained the background and history of the new corporation to about thirty town citizens representing leading local businesses, banks, utilities, the local town government and various civic and service organizations. He also presented, for the first time publicly, a handsome binder on industrial growth opportunities within the Town of Bethlehem. This binder, which took one year to prepare, offers detailed information on what the Town can offer new industry such as local government services, transportation facilities, labor market, a fine

school system and recreational facilities, industrial sites and a well planned residential area.

William J. Schoonmaker, Counsel for the Bethlehem Chamber of Commerce explained the nature of the corporation and discussed the by-laws.

Mr. Barzin said the success of the new organization depends "solely on the support that is received from the people in the Town." He went on to say "members of the new industrial development group will contact people of the community on March 23rd for the purpose of selling memberships so that all could share in the future of the Town of Bethlehem."

Joint PTA Meeting

A joint meeting of Elsmere and Hamagrael Elementary Schools PTA will be held Tuesday, March 13 at 8 o'clock in the Elsmere School auditorium.

Guest speaker will be Dr. George H. Grover of the New York State Department of Education. His subject will be "Physical Fitness."

MEN'S SOFTBALL TEAM PLANNED

The field is being built in Albany through donations, and all work is being done by the ballplayers of this league. There are 6 teams in this league and a 25 game schedule.

The Delmar Merchants is being managed by Dick Harrington and Dick Leonardo. This team will have try-outs in April and publications for the dates of the tryouts will appear in the Spotlight. The league's first game is May 19 and the Delmar Merchants have the honor of playing in the opening game.

Arrangements have been made for a cocktail hour starting at 7 P.M. to be followed by a buffet supper at 8 P.M. Music for dancing until 1 A.M. by Bernie Collins and his orchestra. Mrs. Richard Barzin, Chairman, will be assisted by Mrs. Robert Marshall, Mrs. Julian Rivo and Mrs. William Prosser.

COUNT YOUR BLESSINGS

It's a tough life, perhaps, but we in this country have a lot to be thankful for.

Take inventory. You have a house, a business or a job, a car, a good watch, a camera, golf or fishing equipment, a television set.

Maybe your wife has a fur coat, some fine silver and china, an Oriental rug.

All these things add up to something it would be difficult and costly to replace.

Be careful to insure the good things you own. And that includes your life. We can make it all safe and sound.

OPEN LETTER

To: The Communities of Onesquethaw and Clarksville:

When President Kennedy declared the month of March as Red Cross month; he stated more people should be interested in First Aid and Home Nursing.

The Red Cross is very willing to conduct the courses but need interested parties. Last year my fund workers asked who were interested in one or both. Seven responded. This is not enough to conduct a class.

Sometime during March a worker will call and ask you to join Red Cross; also if you are interested in either or both courses.

We have not made our quota of \$300.00 for two years. Let's all share and go over the top.

The workers are the Mesdames: Wm. Earl Zeh, Eugene Plante, Kenneth Schultz, Homer Johnston, Irwin Houck, Howard Marsh, Walter Kreidler, Quentin Turner, Alvin Lange, John Riley, Orville Rarick, Barend Geel 3rd, Daryl Bradt, Victor Schultz, Robert Barney, Michael Kawczak.

Signed,
Mrs. Chris W. Hansen

Auxiliary Special Program

The Auxiliary to the Nathaniel Adams Blanchard American Legion Post #1040, Elsmere, has invited all Legion members to attend its next meeting on March 20, at 8:30 p.m. at the Post Rooms, corner of Elsmere Avenue and Poplar Drive, according to Mrs. Harold Barkhuff, president.

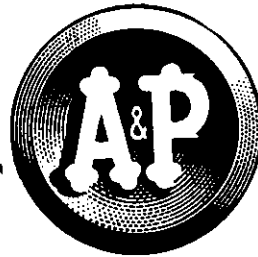

Mrs. Ruth Prior, Community Service Chairman for the Auxiliary, has arranged for Bethlehem's Community Ambassador, Mr. John Malthouse, to speak of his experiences in Brazil last summer.

Mrs. Barkhuff reported that the Auxiliary planned this joint meeting to help celebrate the forty-third anniversary of the founding of The American Legion. "Completion of 43 years of patriotic service is an event to be celebrated, we believe," said Mrs. Barkhuff. "The American Legion has served for community, state and nation during peace and war. The largest organization of war veterans in world history, it has done much to help maintain in time of peace the human freedom for which its members fought in three wars."

Mrs. Robert Hurley will be in charge of the social hour following Mr. Malthouse's presentation, assisted by Mrs. Dalton, Mrs. Herbert Hafley, Mrs. Esther Cooke, Mrs. Otto deHeus, Mrs. Arnold Mosmen, Mrs. Mary Conner and Mrs. Arthur Quinn.

Expensive—but worth it!

A new little citizen costs the people of the State of New York a lot of money—for 12 or more years of public schooling. But there is no finer investment. Schools are built and operated with tax dollars—yours and ours. Last year, New York Telephone paid \$125 million in taxes to the state and to its local communities. If used for schools alone, that would build more than 100. ■ In taxes, payrolls, new construction and purchases your telephone company expended over a billion dollars last year—dollars that help to keep New York State's economy healthy and growing.

By the way, when last seen, the Robert Prentices of Hinsdale, Illinois wished to be remembered to all their friends and neighbors around Woodridge Rd. in Elsmere. And so did the Wayne Tylers of Naperville and that included Dick.
