

SHAKESPEARE PLAY AT HOLY NAMES SUNDAY

"The Course Of True Love Never Did Run Smooth" is a famous line from a famous play: Shakespeare's A Midsummer Night's Dream. This romantic frolic will be offered here by Players of Washington, D.C. under the sponsorship of the Academy of the Holy Names on Sunday, April 1, at 3 p.m. in the academy auditorium on New Scotland Road.

A Midsummer Night's Dream will be given a colorful and robustly humorous performance here by Players, the oldest national classical repertory company in the United States. Last spring the youthful troupe toured Europe for six weeks under the auspices of the Department of Defense.

The important date to remember is April Fools' Day. That's when Puck and Bottom, Titania and Oberon, all the entangled lovers and mischief-making sprites will light up the stage at the Academy of the Holy Names.

BROADWAY MUSICAL, "BRIGADOON," TO BE PRESENTED AT JUNIOR HIGH APRIL 6 AND 7

Hilchie and Gazzetta Enter Race for Committeemen

Alan Hilchie and Vincent Gazzetta will be candidates for Republican Committeemen in the 8th District in the 1962 Fall Primary in the Town of Bethlehem.

Both men will stand for the platform projected by the Lincolns rather than the policy of the incumbents.

Mr. Hilchie is proprietor of Hilchie's Hardware and president of the Bethlehem Chamber of Commerce, a member of Blanchard Post, American Legion and Bethlehem Masonic Lodge.

Mr. Gazzetta is Associate in Teacher Certification, New York State Department of Education and is presently enrolled in Doctoral Program in educational program at State University.

Mike Doyle as Jeff Douglas and Lolly Gerr as Meg Brockie in the forthcoming production of BRIGADOON at the Bethlehem Central Junior High School.

Bethlehem Central Junior High School proudly announces the presentation of the Broadway musical play BRIGADOON by Alan Jay Lerner and Frederick Loewe, creators of My Fair Lady and Camelot. Curtain call will be on Friday and Saturday, April 6 and 7, at 8:00 P.M. in the B.C.J.H.S. auditorium. Tickets are \$1.00 and may be obtained from any junior high school student.

BRIGADOON is an enchanting musical about two travelers in Scotland who suddenly find themselves involved in a mysterious town which appears from highland mist for one night each 100 years. Well-known songs from this production include "Almost Like Being in Love," "Come to Me, Bend to Me," "I'll Go Home with Bonnie Jean," "There But for You Go I," "Heather on the Hill," and "My Mother's Wedding Day."

BRIGADOON is directed and choreographed by Richard Feldman, English teacher and drama coach, and the musical direction is by Mrs. Magdalene York.

The cast and all hands behind the stage are students at B.C. J.H.S. Their talent is varied and truly amazing. Among them are Blanche Berkman, assistant director; in acting roles are Joel Richman, Dave Chenuault, Dennis Groves, Fred Lynk, Bonnie Hayes, Dave Milburn, Gerry Horman, Barbara Gordon, Mary Norton, Mike Doyle, Dana Berry, Becky Hartman, Lolly Geer, Mike Ruback, Dick Gibbs, Bill Renison, and Don York. Singers include Sandy Klett, Marcia Mac Harg, Karin Tripp, Dorian Rumsey, Kathy Moses, Suzi Flandreau, Debbie Adler, Cheryl Darrone, Pat Brunner, Dana Berry, Brenda Shepard, Donald Sypulski, Greg Foster, Andy Tolman, Bruce Alexander, Dave Boehm, Ralph Brooks, Dennis Neilson, Andy Palmer, Dick Seal, and Chuck Mayberry. Dance numbers will be performed by Pat Brunner, Andy Palmer, Julie Reichert, Bill Renison, Dick Gibbs, Bruce Alexander, Eileen Rasker, Dave Karp, Lyn Andrews, Dave Chenuault, Jill Roth and Francine Murphy.

The gentleman with the donkey's head is named Bottom. The airy lady who is in love with him is Titania. The amused spirit looking on is her husband, Oberon, who started the whole thing with a magic spell. It all happened in A MIDSUMMER NIGHT'S DREAM at the Academy of the Holy Names on Sunday, April 1.

To Bethlehem Residents:

Last weekend I read in an Albany newspaper about a resident of our town who was sent to jail for the theft of \$15.

I was quite surprised, in a way, but not really, considering I know a little of the boy's life in the past few years.

He was born in Normansville, and while growing up, he had little or no supervision and roamed the streets. When he was in school at Bethlehem Central he was slow in learning and did not progress rapidly. Consequently, when in Senior High, the lack of interest in school and the shortage of money at home, made it more feasible for the boy to quit school and go to work.

Basically this boy is intelligent, but not from reading books, because up to this day this boy cannot read or write and as one thing will lead to another, the boy could not find any decent job. So as a result he had to resign himself to working at low pay menial jobs.

What chance had this boy for a profitable future, not only for himself, but for the community around him?

Allegedly, in this theft, the boy used no violence, no guns, nor did he threaten anyone's life. He simply walked in the front door (using the key that the owner gave him because he was employed there) and took the money.

I am not deeming this boy innocent, but I do say this-- when and if that boy serves his term: one to five years in jail - he and the community to which he returns will be worse off than they are now.

It is reported that the owner stated that the boy stole \$300 over a period of a few weeks. Then why didn't the owner do something before now? The owner allegedly stated that he wasn't sure it was the boy. We can only say that since no force was used to enter, it could only have been someone with a key? Does this owner have a multitude of keys to his front door floating around? Why didn't he sit down with the boy and talk the thing out rather than have him arrested? Or is business so bad he must have a pound of flesh?

In a progressive community that we have here in the Tri-

Village I think we can all find the understanding that this boy needs. I think that this case should be one that justice is tempered with mercy.

LETTERS

Spotlight Editor and Readers:

Note the similarity between the letter of "A Republican" in the March 15 Spotlight and the Old Guard campaign literature last fall -- purely a list of things claimed done; but no discussion of the many recommendations by The Lincolns on things undone or only partly done. They have been consistent in this -- mentioning only part-truths, part-accomplishments by a part-time supervisor-part-time police chief-part-time Albany businessman. But Bethlehem residents deserve the whole truth.

Over 3,500 voters demonstrated their agreement with The Lincolns, so I cannot be sure which one is "A Lincoln," who wrote to the Spotlight earlier listing the things that still need doing in our town. However, he was not talking with tongue in cheek as "A Republican" would have us believe. The Old Guard cannot deny (and has never denied) that the items he listed are proposals whose adoption would benefit every resident. They need not

be listed here, for The Lincolns have thoroughly noted them before; but a few of the hints of "A Republican" need to be explored.

To the word "lethargy," describing incumbent town officials, I would add "lack of interest in the residents." Both terms apply to government or party leadership which . . .

. . . pays so little attention to cost of government.

. . . lets itself lag so far behind the thinking of the people.

. . . hides its legal notices in a paper with minor circulation in the town.

. . . inserts itself where it has no business (fire and school district elections).

. . . has a supervisor whose Town Hall day begins at 1 p. m.

. . . ignores suggestions from those outside their clique.

. . . refuses to make use of the terrific talents and experience of our residents by establishing non-paid advisory committees on matters worthy of investigation.

Mr. "A Republican" closes his letter by implying that the four Lincolns candidates were simply ambitious seekers of power. You overstepped your bounds on that one, Mr. "A Republican"! All 3,500 Lincolns voters cannot be wrong! The movement started by the four candidates (all of us Republicans) represented the first time in many years that a group of residents carefully analyzed our town and its government, realized how much was lack-

ing, and were willing to sacrifice long and tiring hours in an earnest and honest effort to improve Bethlehem and our Republican Party.

And, believe me, in spite of a long illness contracted as a result of those long hours, I have received tremendous satisfaction from seeing the townspeople (and even the Old Guard!) recognize the worth of several of our recommendations; from seeing the adoption of the Primary for selecting party nominees; from seeing so many changes in Republican Party committeemen (although I cannot say that the secretive method used, or the results obtained, are particularly to be commended). It has been gratifying, too, to see the Planning Board finally taking some action on industrial zoning. And the Bethlehem Chamber of Commerce has redoubled its long-standing efforts started many years ago for attracting industry.

Yes, Mr. "A Republican", we have struck a spark in the Town of Bethlehem! It is still small, but your Old Guard's continued refusal to discuss the many other Lincolns' recommendations will not douse that spark. A strong, vigilant Lincoln Republican Club will continue the tireless efforts we

started for the improvement and advancement of the town. Someday that little spark will become a fire which will sweep the town and bring the improvements its citizens could so easily have now.

Sincerely for a better Bethlehem,
Douglas P. Bridge

6,000 STUDENTS TO PARTICIPATE IN NEW FORM OF TEACHING WHICH WILL INCLUDE TWO-WAY RADIO

In addition to programmed instruction, large group instruction, team teaching, use of teacher aides and educational television, member schools of the Suburban Scholastic Conference, a group of schools located in the suburbs of Albany and Schenectady, New York, are experimenting with still a different method of instruction. This method goes beyond the walls of one building, it involves the students of all eight member schools simultaneously. This, in a true sense, is large group instruction since there will be approximately 6000 students participating. This will be made possible through the medium of the Two-Way F.M. Radio Conference.

This will be the second conference of this nature conducted by these schools. The first took place two years ago when Lt. Governor Malcolm Wilson spoke on the "Problems and Issues of the 1960 Legislative Season." Serving as a speaker for the coming conference on April 12 at 1 P.M. will be Mr. George Marotta of the Division of University Relations of the Peace Corps. His topic will be "Current Activities and Problems of the Peace Corps."

It is possible that a new dimension may be introduced to this conference by adding the video feature through the facilities of WHMT, the Mohawk Hudson Educational Television station located in Schenectady, New York. Whether or not this will be possible will depend upon the completion of the installation of this station's facilities. More definite information regarding this aspect of the conference will be forth coming by April 1.

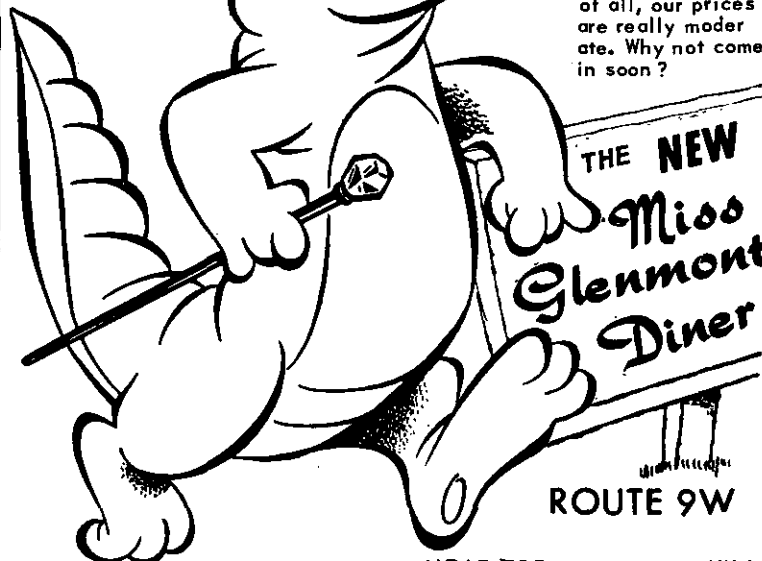

Through the means of the Two-Way F.M. Radio Conference, students will be able to carry on two way communications with the speaker. As it is now planned, the speaker will make a twenty to twenty-five minute presentation. Following, this, schools will be called on in alphabetical order for questions. In most instances, these questions will be asked by a small panel of stu-

dents in each school through whom questions will be channeled from the student bodies. Mr. Marotta will be located either in the studio of F.M. station WMAC or Television station WHMT.

Dr. Virgil E. Tompkins, Co-ordinator of the Conference for the Suburban Council and also Principal of Bethlehem Central Senior High School, will serve as Moderator.

Although such conferences have been carried on for the past four or five years in Post-Graduate Medical Education by the Albany Medical College, this will be only the second time that this technique will have been used in public schools. Lending considerable assistance and guidance in conducting this conference will be Dr. Frank M. Woolsey, Jr., Associate Dean and Director of Post-Graduate Medical Education at Albany Medical College who pioneered in this type of instruction and Mr. AlFredette, Station Manager for WAMC.

CLEAN

Natural Gas burns completely; no smoke, no soot, no oily film. Curtains, drapes and carpets stay clean longer. A gas heating unit also requires less space; less maintenance is needed because it has fewer moving parts to wear out, overall costs are reduced.
