

FINAL PLANS for the 3rd Annual Steak Roast sponsored by the Republican Committee of the Town of Bethlehem are being discussed by, front, left to right: Charles Redmond, Contest Committee; Robert W. McWilliams, Ticket Sales; rear: Edgar L. Potter, General Chairman; and Edward Park, Chairman Reception Committee. The Roast will be held at Murray-Jennix Park on Wednesday, August 22.

EUCLID AVENUE RESIDENTS TAKE POSITIVE POSITION AND STATE OBJECTIONS TO PROPOSED CAR WASH

The Euclid Avenue Area Home-Owners are spearheading the drive to oppose the erection of a Car Wash at Delaware and Euclid Avenues. The Committee members are: Martin L. Barr, Mrs. Richard Davis; Secretary, Dr. Elbert K. Fretwell, Jr., Carlton C. Gordon; Treasurer, Harold W. Manroe; Asst. Treasurer, Brig. Gen. Frank McLaughlin (Retired), Mrs. Wilhelm Moe, Harry T. O'Brien; Chairman, Frank Odell, Lawrence Pauly, Arthur Robinson, Mrs. Donald Ross, Mr. and Mrs. Donald M. Slinger-

land, Alexander Rihm.

This Committee's position is: the Committee is not anti-business; it is not objecting to a Car Wash; but it is objecting to the location of a Car Wash in a residential area. Its greatest concern is the fact that this Car Wash exit faces Euclid Avenue and that cars will be discharged into Euclid Avenue, a double A zoned residential street. This is what has spurred the Euclid Avenue residents to opposition.

Petitions against the Car Wash have been circulated throughout the whole Tri-Village Area. The Committee is gratified with the support it is receiving from residents far removed from Euclid Avenue. All the signers of the petition are in agreement with the Committee's stand that as property owners they have a moral obligation to resist commercial encroachments in residential areas.

Auxiliary Meeting

RUMMAGE SALE BARGAINS!**

MERCHANTS PLAN RUMMAGE SALE FOR SATURDAY, AUG. 18

Famous is the Rummage Sale as a fund raiser for organizations all over this country - but never with the twist given it by the Delaware Plaza merchants. These merchants are bringing the old-fashioned Rummage Sale up to date!

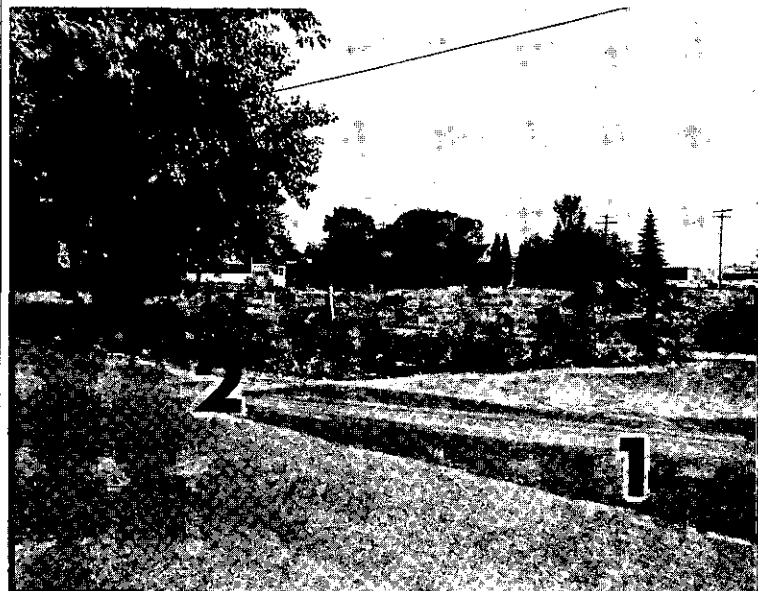

The Plaza sidewalk which runs all the way from the White Eagle Bakery to the Grand Union, will be loaded with NEW merchandise at the average Rummage Sale prices. All new merchandise with the prices reduced so low that Herman Rasker of Town and Tweed said, "You may not want everything you see, but you're sure to see something you want, at a price you can't afford to pass up."

Charles Grover of Grover's Stationery said, "There's never been anything like this! We'll all have a lot of fun!" Charlie was referring to the counters that will be moved out onto the sidewalk on Saturday morning at 10 and loaded with items including girdles and even a Confederate hat.

It will be a one-day-only Rummage Sale and will close at 5:30 Saturday afternoon.

Jane Simon of Toy Fair added, "And don't forget, in addition to the thousands of items priced 'way below cost, there'll be free pony rides for all children under 10."

One of the most enthusiastic of the Plaza merchants is Bob Warsh of Little Folks Shop: "This is just about the biggest thing we have offered our customers yet. Everyone will have all the fun of attending a Bazaar - all the friendliness of a neighborhood Rummage Sale - all of the money savings of a tremendous Plaza Bargain Day - and, even though it sounds corny, a summer Sell-abration."

MUCH DISCUSSION has been going on about this location on Euclid Avenue near Delaware. This is the site of a proposed Car Wash. No. 1 in the picture is the present Euclid Avenue entrance and exit to the Shell Gas Station; No. 2 is the reported exit of the car wash. The residents on Euclid Avenue claim that such an exit would endanger the lives of the children on the street.

HAMAGRAEL PLAYGROUND WILL BE THE SCENE OF CIRCUS-FIELD DAY THIS AFTERNOON AND EVENING

Today, August 16th, from 3 to 8 P.M. the Bethlehem Recreation Program will sponsor a circus field-day on the Hamagrael Playground in Delmar. There will be contests including a 30 and 50 yard dash, a basket toss, and a wheelbarrow race, giving the children a chance to earn points for their playground. Just before supper, there will be an ice cube toss, a new and chilly way to earn extra points.

From 5:30 to 6:15 everyone will eat the lunches they packed for the day. Free soda will be distributed. At 6:15 there will be a special demonstration on weight-lifting by Ed Brown. Later on the boys will be given a chance to demonstrate their own weight-lifting ability. From 6:45 to 7:45 the midway will be open and each child will have a chance to earn more points for his playground by playing the games in the booths on the midway. Each of the booths will have been constructed by the child-

ren on their playground during the previous week.

There will be two special physical fitness booths, one for the boys and one for the girls. Ed Brown will rate the boys on their weight-lifting skill, not how heavy the weights are, but on how well they are lifted. The girls will throw horse shoes and points will be given for ringers, leaners, and shoe-length throws. Each booth will award points to winners, and these will be added to the points from the day's contests.

At 7:45 the midway will close and the results of the day will be announced. Also to be announced are the results of the weekly town-wide shows. Ever since the last town-wide show on August 3rd, the totals have been kept secret. We are sure that all the children of the area will want to attend the field-day, to earn points, to find out the results of the town-wide shows, and above all, to have a good time.

REPUBLICAN STEAK ROAST IN FINAL PLANNING STAGE

An attempt to achieve a political improbability will be made August 22 at the third annual outing and steak roast of the Town of Bethlehem Republican Committee at Murray-Jennex Sunset Park.

The entire GOP slate of officers, and Republican leaders from each town in the county, will be on hand for the affair - and not one will be permitted to make a talk.

"It will be a pleasure, if we can make it stick," said John DeMallie, co-chairman of the event with Raymond Brownell, Jr., "to have all our party leaders on hand and not have to listen, just this once, to any formal speeches. This is to be a fun-fest and if there's any political talk, it will be entirely informal and not through the public address system."

Among the guests from whom acceptances have been received are GOP County Chairman Edward S. Conway; Supreme Court Justices Kenneth S. McAffer and Ellis V. Staley; County Committee Secretary Donald Goldstein, and Republican supervisors and town chairmen from various towns.

Republican candidates who will pass somewhat silently in review during the afternoon, and the office they seek in the fall elections include Wolfgang J. Riemer, Congress; Edward J. Grogan III, State Senate; Frederick R. Edmunds, Assembly; Harry D'Agostino, County Judge; Bruce R. Sullivan, District Attorney; James G. Killough, County Treasurer; George Schnell and Arthur S. Hughes, Coroner, and John Haith, Albany City Treasurer.

In Rensselaerville Series**

The Rensselaerville Library Concert Committee will present Miss Dorothy Maynor, the widely acclaimed, internationally famous soprano, in the second concert of their eighth annual series on August 18, 8:30 p.m. at Conkling Hall in Rensselaerville.

Miss Maynor has had a long and highly successful career. She has captivated audiences all over the world with the vocal beauty, interpretive power, and warmth of her voice.

"The world must hear her" proclaimed the late Serge Koussevitzky, conductor of the Boston Symphony Orchestra, when he first heard her sing. And since then most of the world has - the United States, Canada, Central and South America, the Caribbean Islands, Europe, Australia, and the Hawaiian Islands.

As a member of the celebrated Hampton Choir, Miss Maynor toured the USA and Europe. Later she accepted a

scholarship for three years of advanced study at the Westminster Choir School in Princeton, New Jersey, where she studied under Dr. John Finley Williamson. Subsequently she trained in New York City for 3 years.

The young artist's New York debut in Town Hall was a brilliant triumph received with such acclaim that she was then engaged to perform as soloist with the New York Philharmonic, the Chicago, Philadelphia, and Cleveland Orchestras. She has since appeared with nearly all the major symphony orchestras in the United States. She sang at the Library of Congress to celebrate the 75th anniversary of passage of the 13th Amendment to the Constitution, was the first woman to sing in Washington Cathedral in our nation's capital, at the 50th anniversary of the YWCA, was accorded the honor of soloist when a statue of the great negro educator Booker T. Washington was placed in New York University's Hall of Fame, and was given the signal honor of singing the national anthem at President Eisenhower's inauguration. This concert like the others is held for the benefit of the Rensselaerville Library.

first year is the child's resistance to coercion in bowel and bladder training.

We are just beginning to convince parents that it is no phy- sical or social stigma for a child to soil and wet himself in his second year. We still have to convince many parents that the normal method of teaching control is to get the child to associate the sensation of an impending bowel move- ment with the toilet seat. Not until the beginning of neuro- muscular control, which is said usually to occur between 12 and 18 months of age, does the baby recognize this sensation. Elim- ination is almost always an un- conscious act up to a year and may be so up to the age of 30 months.

Taking the child from his play during this period and confining him to an uncom- fortable and insecure toilet seat can have no meaning to him except to create a feeling of unjustified interference with his

normal activities. When in time he learns to sense an im- pending bowel movement, he reacts negatively to the impulse and holds back until he has been taken from the seat.

It is this holding back that deadens the normal reflex to peristalsis, the muscular con- tractions and dilations of the lower bowel. The feces is thus retained in the lower bowel where it rapidly loses its fluid content, causing constipation and the problems accompan- ying it.

Anxious parents of constipa- ted children should seek the guidance of their physician to alleviate their fears. Parents who clearly understand the normal limits and variations of the process of elimination are often better able to handle their

child's toilet training. Often this is the only treatment necessary.

Constipation of dietary origin is less common in childhood than in infancy. By the age of one year, the child has usually made an adjustment between intake and elimination. If constipation does occur and regulation of the diet becomes necessary, the advice of a physician should be sought. The physician may recommend dietary changes and may suggest the use of a malt soup extract. Available as a syrup or powder, malt soup extract is a valuable product in treating constipation throughout infancy and childhood. One teaspoon, gradually increased as necessary, can be added to the child's formula or to fruit or cereal.

REDDY SAYS: "It's more fun living in an all-electric Gold Medallion Home!"

FULL HOUSEPOWER . . . a feature of every Gold Medallion home . . . means plenty of electrical outlets to take care of your present *and* future electrical needs. You can build an electric workshop and know you have the proper wiring for it. You can add electric servants without fear of overloading circuits. Full housepower means planning ahead . . . electrically!

ELECTRIC HEAT keeps your Gold Medallion home so clean it practically makes the dust cloth obsolete. Your home can have this safe, quiet modern system today. Room-by-room temperature control lets you keep bathrooms toasty warm while the bedrooms remain cool for sleeping.

AN ELECTRIC KITCHEN is the heart of every Gold Medallion home. Cooking is a joy with fast, clean, cool electric ranges. An electric dishwasher is a welcome helpmate in easing the work of that unwelcome chore. An electric refrigerator, washer and dryer complete your list of electric servants.

LIGHT FOR LIVING Modern lighting glamorizes rooms, brings out the best in colors and provides contrasts for highlighting your favorite furniture. Your Gold Medallion home takes on a new beauty after dark.

Look for the Gold Medallion before you buy a home, or contact Niagara Mohawk for help in laying out your plans for an ALL ELECTRIC Home.

Two Concerts Scheduled

Two lively concerts will be presented by the U.S. Army Field Band, of Washington, D.C., in Albany. The first concert will be indoors on Wednesday, August 22, at 8 p.m., at the Washington Avenue Armory. There will also be a special outdoor concert on Thursday, August 23, at 2 p.m., on the grounds of the Veteran's Hospital. The announcement was made by Captain Harold P. Goodrich, commanding officer of the Albany U.S. Army Recruiting Main Station.

No admission is charged for concerts by the U.S. Army Field Band, and the public is invited.

Local arrangements are being co-ordinated by the Albany Army Recruiting Service in conjunction with the Chief of Information, Dept. of the Army.

The 100-piece U.S. Army Field Band has appeared in the inaugural parades of Presidents Truman, Eisenhower and Kennedy and has given concerts in all 50 states and 15 countries of Europe and has presented 35 concerts in the Orient.

The band's repertoire includes popular, military and semi-classical music. The "Soldier's Chorus," an integral part of the band, including a number of its instrumentalists, usually

sings several all-time Broadway favorites.

The motto of the band is "We Are the Kings of the Highway," which is in keeping with the old Infantry song, "Kings of the Highway," which the band uses as its signature song. The band is also completely mobile, with its own transportation, so that it can fulfill its prime mission of visiting troops in the field and in presenting concerts in the grassroots communities of the nation, according to Major Robert L. Bierly, the band's director.

HON. JUSTICE POTTER STEWART, U. S. Supreme Court**

"N. Y. school board provided that pupils may briefly pray acknowledging God. The Supreme Court decides this has violated the Constitution. To deny the wish is to deny them the opportunity of sharing in the spiritual heritage of our Nation. From Washington to Kennedy upon assuming office each has asked protection and help of God. Third stanza of Star Spangled Banner became our National Anthem by Act of Congress in 1931. Since 1865 'In God We Trust' impressed on coins. I dissent (with the decision) of this Court."

New Display at City & County

The INDIAN COLLECTION OF DAVID W. BARTHOLOMEW is currently featured in the Community Exhibit Room of City and County Savings Bank. Announcement of the presentation was made by Frederick W. Stolz, President.

Mr. Bartholomew - adopted by the Mohawks at Hogsburg, near the St. Lawrence, as a Blood Brother - named by them Warhiake (Man of Deeds) - has one of the largest private collections in the state. It is primarily that of the Iroquois, whose language he speaks, and includes Indian masks, beadwork, headpieces, carvings,

basketwork, jewelry, paintings, tomahawks, clubs, wampum, and various Indian crafts.

The exhibit can be seen through September 6 at the bank's Downtown Office at 100 State Street, Albany, weekdays from 9:00 a.m. to 3:00 p.m. and, in addition, Thursdays until 8:00 p.m. The public is invited.
