BETHLEHEM GOP REVEALS PLANS FOR ELECTION - NOVEMBER 6

Otto de Heus, president of the Town of Bethlehem Republican Organization, recently revealed plans for the November elections. He said, "I received a letter from Governor Rockefeller Oct. 3, 1962, in which he wrote:

Dear Mr. de Heus:

Please convey my very cordial greetings to all members of the Town of Bethlehem Republican organization and my hearty appreciation of their zealous, effective and well directed work in behalf of our party.

It is most encouraging to recall that in 1958 Bethlehem turned out 85 per cent of the eligible voters with 7,413 votes for the Republican ticket as against 1,537 for the opposition. I am truly delighted to learn that your objective is to have at least 90 percent of the voters go to the polls in November.

More power to you.

Sincerely,
Nelson A. Rockefeller

"The letter certainly indicates that the G.O.P., even on a state level, has confidence that our town organization will produce the vote this fall. We have always had a fine voting record and I am confident that with the help of the 300 Block Captains we now have and the devoted committeemen, we set

a new record," said Mr. de Heus.

"It is planned that each and every voter will be personally contacted by one of our workers," Mr. de Heus said. "This election is part of our program started last year of maintaining communication between the people and the government. Our efforts are a 'one shot affair' but a continuous year-round job of keeping in contact with the people. We think that the voters in our town want constant communication with the government - not just a brief solicitation at election time. This he is entitled to and this he is going to get.

"Several weeks ago we offered our help to Ned Conway, County G.O.P. Chairman. We will be on call to help man the polls or perform any other job in Albany or anywhere else he sees fit. I might add that several of the other towns in Albany County are sending volunteer workers to Albany. We are in accord with Mr. Conway's election plans and feel assured that the forthcoming campaign will be successful."

UN Week Program

Sunday evening, October 28 will see over 300 of our Tri-Village Church youth gathering in the Fellowship Hall at Delmar Methodist Church to celebrate U.N. week and particularly to hear our 1962 Community Ambassador, Mrs. Audrey Paolini, teacher in the Glenmont Elementary School,

tell of her experience in Nigeria during the past summer.

The program will begin at 7 P.M. with a social period and will be followed with the program featuring Mrs. Paolini and the evening will conclude with refreshments and an explanation of our UNICEF plans. The youth choir of the Delmar Methodist Church will be in charge of presenting a special musical program.

RE-DEDICATION OF MEMORIAL PARK SUNDAY, NOV. 11

In the year 1942, just after Pearl Harbor, patriotic fervor was at its height. Young men and women in every walk of life were leaving homes to enter into the service of the United States Army, Navy, Air Corps and Marine Corps. Seventeen hundred young residents of the Town of Bethlehem entered into the service.

It was at that time that three men of the area were formed into a Veterans' Committee to consider the construction of a Memorial Park or some tribute to those people who had gone into active service. The Committee was composed of Dr. Thomas M. Holmes, Otto D. deHeus, and John M. Oliver.

This group approached Mr. Arthur M. Main, President of Main Bros. Oil Co., Inc., who owned some property at the junction of Delmar and Elsmere. He very graciously permitted the Committee to use this land at no cost to the Committee, wanting to do his part to pay tribute to these people who entered into service.

A park was designed and built under the supervision of the Committee; many shrubs and trees were planted; top soil brought in; and a Memorial Plaque was erected. The designer and builder of the Plaque was Walter J. Hotaling, who, as a patriotic citizen, built it at no charge.

Dr. Holmes and John M. Oliver have passed away. Dr. Holmes served in the British Army as a surgeon at the outbreak of the War, and transferred to the American Army when America entered the conflict in 1917. Mr. deHeus and Mr. Oliver also served in World War I, with the American Expeditionary Forces in France.

Conscious of the mortality of man, Mr. Main now plans to deed this property to the Town for perpetual use as a Memorial Park. Plans are under way for a re-dedication of this Memorial Park on Sunday, November 11, 1962, at 2:00 P.M. This is the old Armistice Day, which is now called Veterans' Day. The American Legion of Albany County, headed by Roger Fryor, Commander of Blanchard Post,

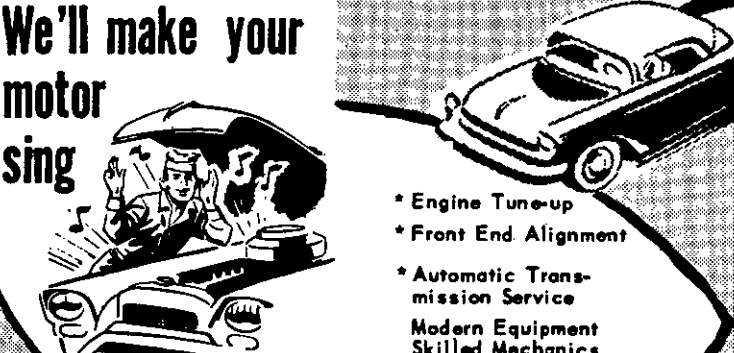

will participate in this event. The Veterans of Foreign Wars will also take part. They will have their Firing Squad and Color Guard and a fitting tribute will be paid to those who made the supreme sacrifice during the wars in which America participated.

UNICEF TO AGAIN HELP CHILDREN AROUND THE WORLD

by Carl G. Clark

A treat for all the children in the world who do not have enough to eat? A treat for all those who need medical care and cannot get it? This certainly seems to be a large order - too large, perhaps, for us here in the Tri-Village area to give it our realistic consideration. Three out of four

children, a staggering total of 750 million boys and girls, live in areas where a glass of milk is a luxury and where a minor disease can lead to death for lack of care. What can we do about it?

Of course it is at present impossible to reach all the sick and hungry youngsters who need aid, nevertheless hundreds of thousands and even millions of them can benefit from our concern - and this is just what will happen when our own children join about three million other UNICEF Trick or Treaters throughout the United States on Hallowe'en.

The warmhearted generosity of our local youth will be channeled into constructive activity under the auspices of The Tri-Village Minister's Association. Their traditional fun of one evening will translate itself into a gift of health and hope for less privileged children overseas. The milk and medicine UNICEF will forward to more than 100 developing countries will dramatically convey the spirit in which they have de-

cided to share rather than scare. This is a program which belongs to the youth of America. It was started by them. The only "trick" is to "treat" the needy children of the world.

A UNICEF Hallowe'en is traditional with spooks, witches and goblins; it retains all the fun of ringing doorbells, parties, apple-bobbing and the collection of treats. The big difference is that UNICEF spooks and witches are really angels in disguise. The coins they collect become life-saving penicillin, protective vaccine and health-giving milk and vitamins for children who are ill or malnourished. Here in OUR

TOWN, and in about 11,000 other American communities, UNICEF's young good-will ambassadors will share because they care.

Extra benefits will be reaped right here at home - a day which was often a problem in many communities will become a festival of selfless, enthusiastic participation in the vital work of the United Nations Children's Fund. Adult supervision will ensure safe and responsible activities; everyone will gain by uniting in this expression of American generosity.

Last year UNICEF performed the gigantic task of assisting

107 developing countries in their fight against the dread diseases which affect millions of children, in their struggle to provide adequate nutrition for their growing youngsters, and in their efforts to replace superstition and ignorance with sound maternal and child health practices. This was selfhelp, for the aided governments more than matched every dollar of UNICEF aid, and the programs were, as always, designed to become a lasting and permanent part of the aided countries' economies. In our community we raised \$776.80 for the UNICEF Program - a commendable amount which we hope to exceed in 1962.

The local committee is planning their program now which will include three distribution and collection centers. Parents are being asked to bring the small children - grades 1-6 to the Delmar Methodist Church at 3:30 P.M. where they may receive UNICEF containers and identification tags for each child. They should return at 7 P.M. for their Halloween Party. There will also be Children's Programs in Slingerlands Community Methodist Church and at the Glenmont Community Church (Reformed).

Young people of Junior High age will use the Delmar Reformed Church as their center of meeting at 6:45 P.M. to receive their materials and re-

FEURA BUSH SCHOOL NEWS

Feura Bush school observed Fire Prevention Week, October 7-13 in a variety of ways.

All the grades saw the film entitled "Little Smokey" and the 3rd and 4th grades saw "Men, Women and Children" as well. These films are on Fire Prevention from State Conservation Department.

If you visited the rooms, the bulletin boards would give you a vivid picture of all the facts the children have learned about "Fire Prevention" and would

show the contributions they have brought to teach others about it.

In the Fourth grade, they studied about Smokey's rules on their bulletin board. They became interested in joining the Junior Forest Rangers so are busily writing letters asking for their identification cards.

All the grades are trying to improve the fire drills so that safety may be practiced the whole year.

Americans help assure their future in two ways when they save and strengthen America with U.S. Savings Bonds.

S O S
to all homemakers

THE GOAL of every homemaker is to have her house in shape for the Thanksgiving holiday. That's where Killip can play a most helpful role.

We're not worried about conventional laundering and dry cleaning assignments. These we can usually take in stride and meet normal delivery requirements.

But when it comes to those finer appointments and accessories which have to be processed BY HAND we do have to send out an urgent S.O.S. Certain fine curtains, draperies, comforters, fancy table linens, etc. involve skilled hand operations. It is the kind of work that can never be hurried - and we refuse to sacrifice the quality of workmanship even though we are forced to disappoint some of our friends in the matter of delivery.

Each passing season finds more and more families seeking the services of our experienced women hand operators. No matter how proficient, however, they can process only a limited number of these finer pieces between now and Thanksgiving. May we, therefore, urge you to call us at HO 5-3311 and let us pick up any pieces you can spare NOW. We want to get started on them right away. If you will permit us to call for them NOW you will be doing us, as well as yourself, a great favor.

Thanks so much for your cooperation.

Volunteers for Rockefeller Open Headquarters

Volunteers for Rockefeller in Bethlehem, sponsored by The Lincoln Republican Club will open their headquarters at 388 Kenwood Avenue, Delmar on Thursday, October 25. Refreshments will be served from 7 to 9 in the evening. The headquarters will be open Thursdays and Saturdays from 1 to 5 in the afternoon and on Thursdays from 7 to 9 in the evening.

The purpose of "Volunteers" is to acquaint voters with the Governor's accomplishments, and particularly to en-

list supporters to campaign for the votes of those who have not already made up their minds and who do not regularly vote Republican as a matter of course. Alice Boutelle and Arthur P. Fisher are co-chairmen of "volunteers." They point out that the 1958 Republican vote in Bethlehem for Governor Rockefeller fell off over 12% from the 1956 vote for President Eisenhower. They also note there was an active Citizens headquarters in Bethlehem in 1956 but none in 1958. "Volunteers" felt that all supporters of the Governor

should have an opportunity to pitch in and work for his reelection.

Everyone is welcome to stop in and visit the headquarters. For those who are willing to work assignments are available to make telephone calls, address envelopes, hold coffee klatches and otherwise work for a big vote for the Governor.

Edna Dyer, Eleanor Bolduc and Mary Lou Schonher are in charge of refreshments and decorations. Campaign literature and buttons will be available at the headquarters.

Ambassador Meeting Tonight

The Bethlehem Community Ambassador Project will have its first meeting of the year on Thursday, October 25 at 8:00 P.M. in the Library of the Senior High School.

The Project is composed of volunteers from the community at large and representatives of the Bethlehem service clubs and organizations. For the last eight years they have assumed the responsibility of financing the expenses of an alert young citizen of this town whom they have chosen to live abroad for

a summer with a foreign family in a community similar to ours. He acts as Bethlehem's personal ambassador of international understanding - a most important function in these troubled times.

Mrs. Audrey Paolini, the 1962 Ambassador will be present to discuss her experiences in Nigeria and to relate her feelings of the importance of this unique experience, how it differs from a "tour," how she feels she has contributed to world peace and understanding and how she feels we can better understand the peoples of Nigeria.

Mrs. Paolini will present Mrs. Barbara Rowe, Librarian, of the Delmar Public Library several authentic examples of Nigerian art, handicraft and literature.
