

MRS. McHUGH HEADS 1962 COMMUNITY FESTIVAL

Judge Lomenzo to Speak At Dinner Tonight

Judge John P. Lomenzo will be the principal speaker at the Bethlehem Republican Committee's Annual Dinner at the Aurania Club in Albany on Thursday, December 6, it was announced today by Edward Rock, Dinner Chairman.

Judge Lomenzo was Monroe County Judge before resigning to be the Republican candidate for State Comptroller in this year's election. Prior to his service as County Judge, he had been Rochester City Court Judge for a number of years.

A native of Rochester, New York, Judge Lomenzo is a graduate of Niagara and Fordham Universities, was an active trial lawyer in the City of Rochester for some 20 years, and taught law at Niagara University and other educational institutions in Rochester. During World War II he served in the Judge Advocate General's Corps.

The dinner is the Third Annual since its inauguration in 1960. Other guests will include Ned Conway, Albany County Chairman; Palmer Harcourt, Colonie Chairman; and Joseph Frangella, Coeymans Chairman. Dancing to the music of Peter Emma and his orchestra will follow the dinner. Approximately 300 are expected to attend.

Progress Club to Honor New Members at Tea on Dec. 10

The Annual December Tea honoring new members of the Delmar Progress Club will be held in St. Stephen's Episcopal Church on Monday, December 10, from 2:00 to 4:00 p.m.

Mrs. Charles H. Trendell has announced the program will be given by the Musical Portraits Trio of Boston.

"HISTORY OF BOOKS" DISPLAY AT DELMAR LIBRARY INTERESTING & EDUCATIONAL

An exhibit, "History of Books," will be on display at the Delmar Public Library for the month of December. This includes many rare books loaned by New York State through the cooperation of the Librarian of Rare Books, Mrs. Mildred Ledden.

A replica of the Dead Sea Scrolls in reduced scale with its clay container is of great interest. These scrolls were written between the second century before the Christian era and the third century after Christ. An original leaf in Arabic from an early twelfth century Koran, written by an Egyptian calligrapher on egg-glazed paper that antedates by half a century any European-made paper is another interesting item.

Of particular interest is a vellum leaf done by hand in the fifteenth century. A book is included which is printed from wood cut blocks, a process used in the late fourteenth through the fifteenth century.

A visitor may see, also, a

Book of Miracles dated 1492 with colored initials and a book of Canon Law printed in black and red dated 1494. The latter is bound in old stamped leather and has metal clasps. There is a photographic reproduction of the title page of the first book printed in what became New York State. Only four copies of this book are known to exist, two of which are in the New York State Library. Of great interest is an exact facsimile of the first page of Genesis from the Gutenberg Bible, the first book printed in the Western world.

An early form of primer was the Horn book, used in New England but not known to have been locally produced. A History of the Horn book and three good examples of this type of book are included in the exhibit as well as two battledores made of folded paper or cardboard and varnished on the inside.

The exhibit is in the community room and is open to all.

CHAMBER OF COMMERCE WILL SPONSOR RESIDENTIAL LIGHTING CONTEST IN BETHLEHEM AGAIN THIS YEAR

Dick Benjamin, chairman of the Christmas Lighting Contest, Bethlehem Chamber of Commerce announces that a Residential Lighting Contest will be held again this Christmas Season for residents of the town of Bethlehem. This program is designed to encourage our neighbors to participate in the theme of Christmas through decorations outside their homes.

The Contest will be judged impartially by a panel selected from within the town of Bethlehem. The judges will be announced at a later date.

As in previous years the

winners will be awarded prizes as follows:

First Prize, \$25.00; Second Prize, \$15.00; and Third Prize, \$10.00.

In addition to the above the Chamber will award a prize for the best religious scene. This prize will go to the church designated by the winner in his name.

Judging will take place the evening of Sunday, December 23.

Christmas Shopping!**

"Oh, Hear the Bells of Christmas" 1962 Theme

The members of the Board of Directors of the Bethlehem Community White Christmas Festival have selected Mrs. Arthur C. McHugh for general chairman in charge of the twenty-first annual presentation.

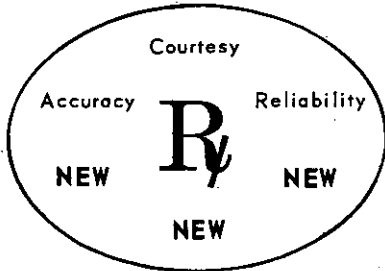

Mrs. McHugh is assisted by the following vice-chairmen: Mr. and Mrs. Roy Gillett, Mrs. G. Perry Dunn, and Mrs. Robert Kellum. Mrs. Emmet O'Brien is secretary and Mr. Thurlow McWhimmie is continuing his service as treasurer.

"Oh, Hear the Bells of Christmas" is to be the theme for this year and the program will include living pictures of children enjoying Christmas customs in America and in other lands, as well as a dramatic presentation of historical local significance. "Inn of Bethlehem" will be set in Town of Bethlehem Inn - now the Town Hall of Bethlehem - at the turn of the century.

Mr. Rolland Truitt will direct all the musical groups, as he has so ably done each year. The chorale, consisting of folks who like to effect the background music, will be with us again - and two new groups, the Truitts and the Madrigal singers will appear.

Ten committees, representing a cross-section of the talent and devotion of the community, are presently engaged in planning a program to portray the traditional expression of 'good will' which is affectionately called Bethlehem White Christmas.

Dates for the Festival are Sunday afternoon, December 16 at 2:30 p.m., Thursday and Friday evenings, December 20 and 21 at 8:00 p.m.

Christmas Dolls Now On Display at Public Library

A selection of dolls from the 1,394 dressed for the Salvation Army will be on display in the Delmar Library through December 15. These dolls have been dressed by ladies from the Delmar Methodist Church, New Salem and Unionville Reformed Church Guild and employees of the New York State Thruway Authority. A total of 15 groups have dressed the dolls representing various departments of the State and also the Telephone Company. All of these dolls will be given away to little girls this Christmas who might not receive a doll, but for the Salvation Army and its many friends.

More than 600 dollars will be taken to the Veteran's Hospital and given to the patients for their daughters and granddaughters. Several hundred dolls will be distributed through the Salvation Army Toy Shop, 22 Clinton Avenue, Albany. The mothers coming to the toy shop will be able to select a doll for their girls and a new toy for the boys in their family.

Mrs. Marshall Hallman is Chairman, and Mrs. Bertram Kohinke, Co-chairman, of the Doll Display at the National Savings Bank December 3 through 10. Mrs. Hollis Harrington has made arrangements with Mrs. Barbara Rowe for the display at the Library, to which the public is invited. Mrs. W. Kenneth Howarth is responsible for the entire doll dressing project.

All this Christmas cheer is made possible through the contributions in the red kettles placed in various spots throughout the city.

PTA Christmas Program

The Delmar Elementary School will offer its annual Christmas program to parents and friends at a meeting of the P.T.A. on Tuesday, December 11, at 7:30 P.M. in the school auditorium.

The theme is "Telstar Caroling." The fourth grade pupils, under the co-chairmanship of Mrs. Dorothy Hosey and Mrs. Joanne Oliver, and the sixty-voice school choir, under the direction of Mrs. Martha Upright, will perform.

Mr. Stanley Reich is in charge of decorations and Mrs. Sally McNitt will assist at the piano. All parents and friends are invited to attend.

Meeting Scheduled

The Ladies' Auxiliary of the Selkirk Fire Company #2 will hold its regular monthly meeting at the Glenmont Firehouse with a Christmas party, on December 11 at 8:00.

Civil Defense Forum

The Women's Auxiliary of the Albany County Medical Society is sponsoring a Home Preparedness Civil Defense forum to be held at Chancellor's Hall, December 10, at 7:30 p.m.

An invitation is extended to the members of any civic or professional organizations to attend this important meeting. The need for women in Albany County to become knowledgeable of vital civil defense programs is of the utmost importance, particularly their role in preparations for survival.

The program will be conducted by Miss Florence A. Louth, State Director of Women's Activities, New York State Civil Defense Commission. Stress will be given to the Home Preparedness "20 point" requisite program based on what we should do not to prepare our homes in the event of a national emergency.

Christmas Gift Auction

Mrs. Ethel Woods, President of the Bethlehem Business Women's Club, has announced that auction of Christmas gift items will be the feature of the meeting of the Club to be held at 6:30 p.m., Wednesday, December 12, at Normanside Country Club in Elsmere.

Proceeds from the auction will be used for the Club's scholarship fund which provides a college scholarship award for a girl graduate of Bethlehem Central Senior High School who is furthering her education in the teaching field. Mrs. Robert Hoolihan will be the auctioneer. The affair is open to members of the Club and their guests.

Christmas Greens Show

The Christmas Greens Show opening December 6, 1962 at the Albany Institute of History and Art, will unveil "The Couriers From Heaven" tree decorated by members of the Delmar Progress Club. The festive Rotunda will radiantly express the good cheer of the season. A bright white tree will proclaim Christmas night. The warm rose color hue of pom-pom bows and the "Couriers from Heaven," bluebirds will carry garlands of matching ribbon around the tree adding a spiritual quality.

A white starched lace wreath at the door, with its simple message, "Noel" carries out the color scheme of rose and light blue.

IF YOU SELECT A METAL CHRISTMAS TREE, remember that while they are nonflammable, they do conduct electricity. Use indirect lighting, says the National Fire Protection Association, rather than string lights on them.

Plastic and metalized plastic trees will burn, use only those clearly marked as made of slow-burning material. Those with built-in electrical systems should carry the Underwriters' Laboratories label, to show they have been tested for electrical safety.

What's A Ladder, Huh??

Webster defines a ladder as "an appliance consisting of two long sidepieces, usually parallel, joined at intervals by cross-pieces on which a person may step in ascending or descending."

This description, you'll note,

does not include windowsills, radiators, benches, stools, boxes-on-chairs, chairs-on-boxes, boxes-on-tables, stools-on-boxes, or any other ingenious (and lethal) combinations. So--why use any of the latter in place of the ladder?

Conway Announces Meeting

Edward S. Conway, Albany County Republican Chairman, announced the initial meeting of the newly constituted Campaign Advisory Committee for 1963 and 1964.

"In order for the Republican Party to capitalize on the gains made during the recent election," Mr. Conway said, "we feel that early planning and organization is imperative."

The committee has been subdivided with specific duties aimed at strengthening the party structure, especially in the cities of Albany County.

"Recruitment of additional men and women to supplement the organization in the areas where we are weak is of the utmost importance," Mr. Conway added.

The twelve committees formed are: Secretariat; party personnel; fund raising; training and education; candidate selection; a Republican Party newspaper; Republican clubs; research; civic affairs; publicity; city councils of the cities of Albany, Cohoes and Water-vliet; County Board of Supervisors.

The 46 Advisory Committee members present will be supplemented by other interested citizens at the January 8 meeting of the committee. Subcommittee meeting reports will be presented at that time.

New Telephone System Put In At National Comm. Bank

Frank Wells McCabe, President of the National Commercial Bank and Trust Company, has announced the Bank has switched over its telephone system at the Main Office to "Direct Inward Dialing" to become the first bank in north-eastern New York to adopt this streamlined method of tele-

phone communications.

The new system makes it possible to dial directly any Main Office officer, department or unit without going through the bank's main switch-board.

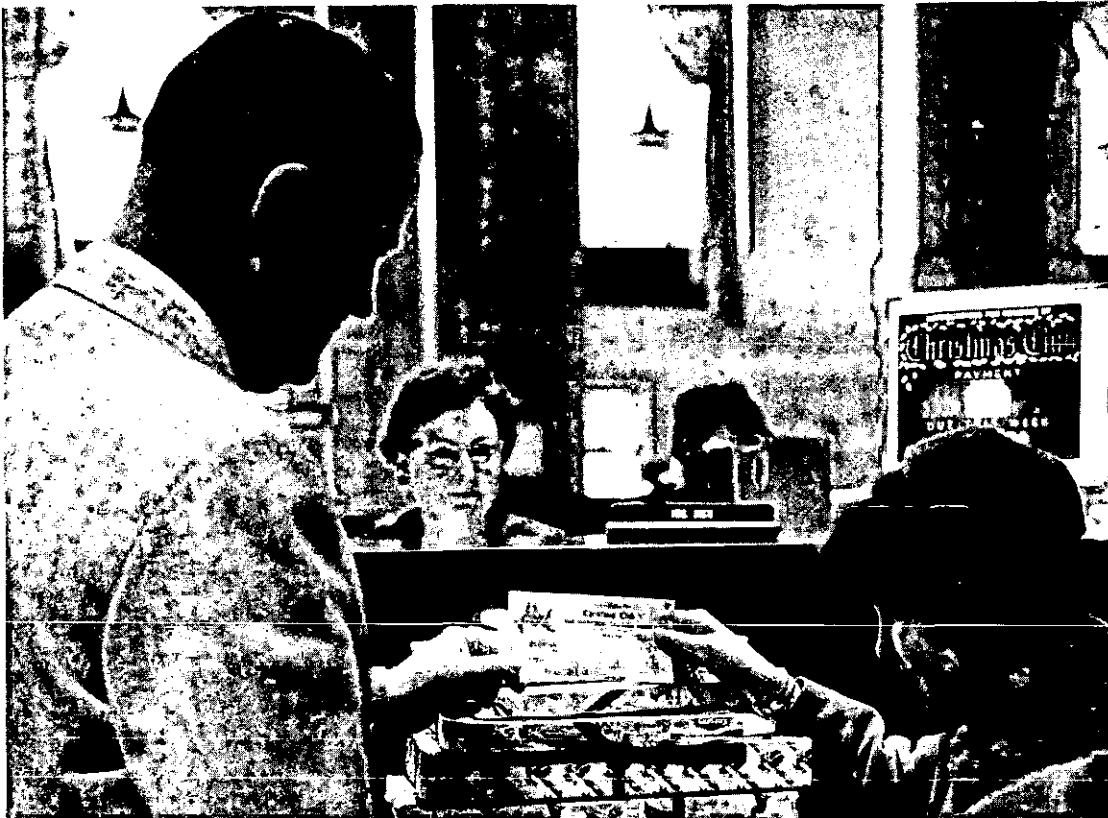

The new corporate telephone number is 474-8888. Operators are on hand to give callers the number of the person or department they are calling for use in future direct dialing.

"D.I.D." represents a revolutionary advancement in telephone service but presents a major problem - how to inform customers and friends of the bank of the new direct dialing number of the individual officers of the bank. To solve this, thousands of specially designed cards, bearing the new numbers assigned to officers, departments and units, have been mailed to customers hav-

ing frequent telephone contact with the bank.

Copies of a bank telephone directory, showing the new phone numbers of senior officers in all of the various departments of the bank at the Main Office, are available in the Main Office and Albany area offices for pick-up by anyone who would like to have one.

Mr. McCabe stated, "Installation of this new streamlined telephone system is one more example of Commercial Bank's use of the very latest in equipment and procedures to make banking simpler and more convenient."

As you can see, Melissa has already bought her Christmas presents . . . (she's paid for them, too, through her 1962 N.S.B. Christmas Club!) But we asked her to pose with William Segur, Assistant Treasurer at N.S.B., who is holding a sample Christmas Club Check to give you the idea of how nice it is to have money right in hand to pay cash for Christmas gifts. Of course, Melissa's going to open a 1963 Christmas Club. Why don't you?

Save Each Week:	\$ 1.00	\$ 2.00	\$ 3.00	\$ 5.00	\$ 10.00	\$ 20.00
Have Next November:	\$50.00	\$100.00	\$150.00	\$250.00	\$500.00	\$1000.00

**Peters Appointed Chairman
Of Community Chest**

Fred F. Peters, President of the National Savings Bank, has been appointed Chairman of the 1964 Community Chest-Red Cross Joint Appeal, which will be held in the fall of 1963. The announcement was made by Frank Wells McCabe, President of the Albany Community Chest and by S. Vint Vanderzee, Chairman of the Albany County Chapter of the American Red Cross, at a final meeting of this year's Joint Appeal leaders.

Mr. Peters was vice-chairman of the Joint Appeal held this fall. He has served as a member of the Board of Directors of the Albany Community Chest, and was Special Gifts Chairman of the 1957 Campaign and a director and treasurer of the Albany Traveler's Aid Society. He is a member of the Personnel Committee of the Hudson Valley Council, Girl Scouts, and a member of the Executive Board and Finance Chairman of the Fort Orange Council, Boy Scouts; both member agencies of the Chest.

Mr. Peters, who has resided in Delmar for the past thirty-five years, was elected President of the National Savings Bank on June 8, 1959 and has been a member of the Board of Trustees since 1951. He is a member of the Finance Committee and a director of the

**MAIN-CARE...
is a way of Life**

A wonderfully convenient way to save money and pay for your heating comfort at the same time . . . that's the MAIN-CARE Budget Payment Plan. Your entire seasons fuel bills are divided into small equal monthly payments, thus avoiding the heavy bills which usually come in the cold winter months. No interest or carrying charges, either.

But that's not all! Budget Account customers, the same as all MAIN-CARE customers, share in our Discount Plan that rewards them with substantial savings, and it's really surprising how these savings add up.

Take advantage of these MAIN-Care "extras" today.

Safety! Is His Business!!

We recently heard about a man who is undoubtedly a number one safety shoe salesman.

Feeling especially ambitious

one morning, he started mowing his lawn before leaving for work. His foot came in contact with the power mower's blades; but he was wearing safety shoes, and the metal toe-cap did its work.

While at work on that same day, the same man dropped upon the same foot a 75-pound metal assembly. Again-- no injury.

We wouldn't be a bit surprised to learn that this man

now wears safety shoes all of the time except bedtime!

**Christmas Suggestions Galore
in the
Spotlight Classified Pages!**

It's For You! It's Christmas! A Merry Christmas to all—all through the year with telephone gifts for your whole family. For Dad, a wall phone so perfect for his workshop. For Mom, a Bell Chime to herald all calls in sprightly musical tones. For your teen-age princess, a Princess phone all her own to help with homework problems. Why not make this Christmas a telephone Christmas? It's so easy to do. Just call your Telephone Business Office or ask your telephone man.

Guild Lists Activities

The Villa Mary Immaculate Guild held its regular meeting on Thursday, November 15, 1962, at the Villa Mary Immaculate, 321 South Manning

Blvd., Albany. A Birthday Party for the patients, under the direction of Mrs. Patrick Burke, assisted by Mrs. Richard Edwards and Mrs. Reginald Becker, was provided on Monday, November 19.

Plans for activities in December for the Guild include Hanging of the Christmas Greens on Tuesday, December 18, under the supervision of Miss Pat Spanbauer; and a party for the patients on Wednesday,

December 19, under the direction of Mrs. Edward Davis. Plans for the next year include a Membership Tea, under the direction of Miss Harriet Shagnessy; a Home Baked Goods Sale to be held in the lobby of the Villa on Saturday, January, 19.

Mrs. Donald Roznowski and Mrs. Patrick Ryan will be co-chairmen of a Rummage Sale to be held sometime in February. Arrangements will be announced at a later date.

A check was presented to Mother Miriam Regina, O.S.F., representing results of the recently conducted Rummage Sale, and Pre-Christmas Sale. Funds raised by the Guild will be used in furnishing a room, in the new additional wing which will be added to the Villa sometime in the near future. Other funds collected by the Guild have been used to provide wheel chairs and other comforts for the patients.

The Guild is a group of volunteers who offer their services to do aide work, and visit with the patients. Anyone interested in joining should contact Mrs. Becker, at the Villa, telephone number IV 2-3363.

ALL ABOUT BABIES

A Public Service of the National Baby Care Council

GIVE THANKS FOR BABY
By William Kitay
Member, National Association of Science Writers
Editor, All About Babies

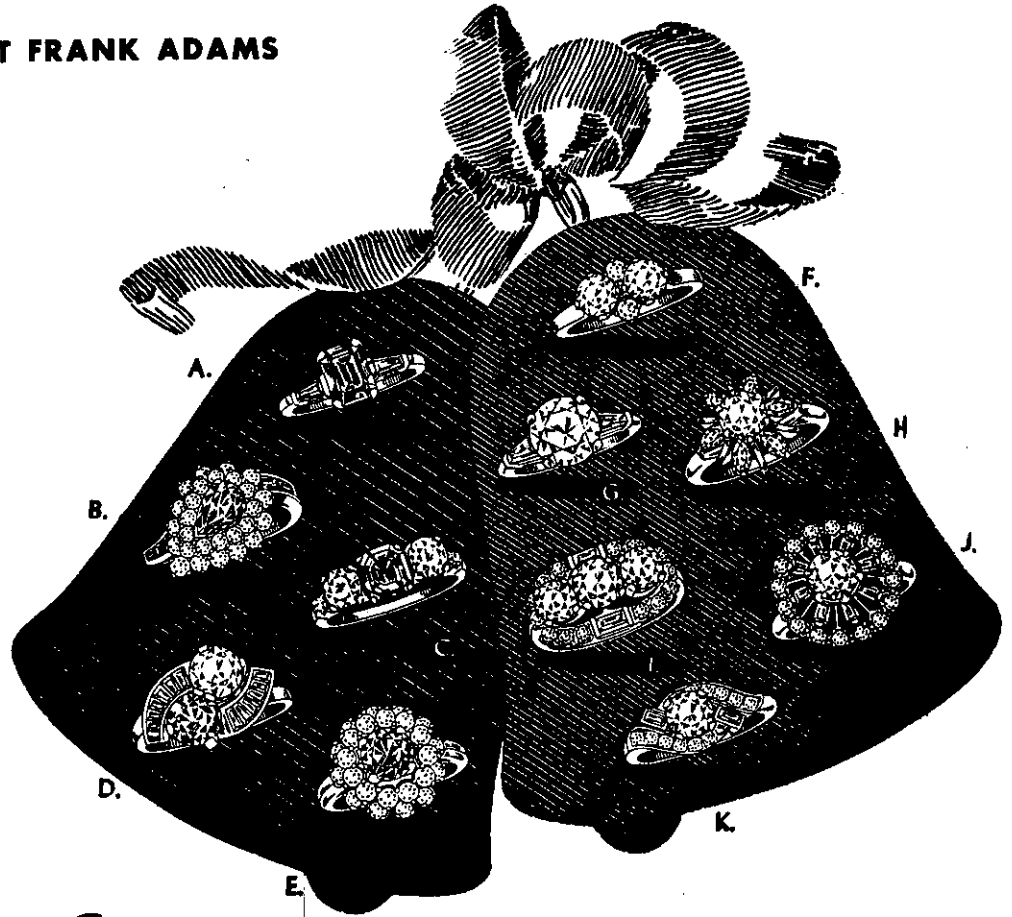

This Thanksgiving Day had special meaning in many homes. For in these homes, there's a new baby---a first child.

Thanksgiving Day is an American holiday. And just as American is the feeling that having a baby is an achievement.

The arrival of the first child is proof that the marriage vows have been fulfilled. It is an expression of hope that the new baby will bring happiness into the home and bind the marriage even more closely together.

To the new parents, the first baby is an image of perfection. The love that is in their eyes does not permit them to see the baby for what he truly is

---a new individual, one who is rich in potential and desirous of responding to his environment.

And while the new baby is being "oohed" and "ahed" and his features are being discussed --- "he's got your chin, dear" --- the proud parents fail to see the unique individual the baby someday will be. He may resemble the father or the mother or the grandparents, but he doesn't look like any of these fine people. He looks like himself.

To many parents the new baby is a repository of the ideals and the hopes that they themselves had not realized. The baby provides the parents with the opportunity to relive their own lives. This is especially true with a first child. "He'll be the doctor I've always wanted to be." "She'll have a chance to learn to play the piano, the chance I never got."

With thoughts such as these, many well-meaning parents set out to mold the new baby into a carbon copy of themselves. They deliberately interfere with the child's own personality and

they wonder why the course they have plotted is proving such a difficult one.

The wise parents will encourage the development of the baby's own personality. They will encourage it along lines that are consistent with the child's own capabilities and goals.

It takes patience to know your own child, to understand the many variations in his behavior, in his rate of growth and development. It takes patience, time and understanding to readjust your expectations with reality and to experience the satisfactions and joys of being a parent.
