

NEW GROUP FORMED TO INVESTIGATE TOWN PLANNING, ETC.

A group of homeowners residing in the Delaware Avenue area decided last week to form an association whose objectives would be to investigate the status of planning in the Town, provide representation for homeowners in Delaware Avenue zoning matters, improve the appearance of Delaware Avenue, minimize traffic congestion, and increase support for local business.

The group, which has already requested the Town's Planning Board to recommend zoning amendments which would establish protective regulations for residential side streets, will give particular attention to the proposed revision of the Town's Zoning Ordinance now under study by a professional planner.

An open meeting of all residents interested in the stated objectives will be held at an early date. The committee in charge of arranging the open meeting consists of John R. Atwater of Burhans Place, Robert J. Biggane of Euclid Avenue, Price Chenault of Bartlett Lane, Emil T. Hinkle Jr., of Bedell Avenue, James O. Hoppe of Herrick Avenue, Lawrence V. Kavanaugh of Groesbeck Place, Dr. Frederick K. Kirchner of Rural Place, William E. Seymour of Brookman Avenue, Alex W. Snow of Herrick Avenue, Reuben Warrell of Salisbury Road and John A. Willison of Brookman Avenue, with Mr. Biggane acting as Chairman.

Brownies Make Place Mats

Brownie Troop #108 has been busy making place mats and name tags for the Rosary's covered dish supper to be held at St. Thomas', February 20.

SUPERVISOR BERTRAM E. KOHINKE was made an honorary member of our local Kiwanis Club recently. Taking part in the ceremony, left to right, are: Charles B. Fritts, President; Mr. Kohinke; Earl J. Robinson, Lt. Governor, Capitol Division.

PAIRED SCHOOLS OPPOSITION GROWS

Opposition to "paired schools" in Delmar continues to grow, according to a statement this week by H. W. Tomlinson, chairman of "Citizens Opposed to Paired Schools in the Tri-Villages."

"It is becoming more and more evident," said Tomlinson, "that an increasing number of Delmar residents are against changing the present "neighborhood school" for the "paired school."

The paired school arrangement would not affect the kindergartens, but would channel primary children from Delmar, Elsmere and Slingerlands schools into either 1-3 or 4-6 schools.

Covered Dish Supper

The women of St. Thomas' Alter-Rosary Society will have their second annual covered dish supper in the school auditorium on Wednesday, February 20. A member's covered dish is her ticket of admission.

Serving, under the direction of Mrs. Frank Mack and Mrs. Thomas Preston, will begin at 6:30.

"MEET THE AUTHOR" WILL BE PROGRESS CLUB THEME

A luncheon sponsored by the Literature Group of the Delmar Progress Club, will take place at St. Stephen's Episcopal Church on Tuesday, February 19 at 12:30.

Mrs. William Herrick, chairman, invites all members of the Club "To Meet The Author," Mrs. Marian Champagne of Loudonville, who will be guest speaker.

The Literature Group Committee is Mesdames Wendell Sears, Gerard Terry, Clarence Wilcox, Bradford Kimball, and Theodore Hubbard.

Father-Son Night at Legion

Father and Son Night will be held at the Blanchard Post #1040, American Legion, Delmar, on Monday, February 18, at 8:30 P.M.

The feature of the program will be a special film showing of the 1962 World Series baseball games. No business will be transacted at this meeting, and refreshments will be served immediately after the film.

Meeting Chairman Fred Stahlhut is making arrangements for this occasion.

PUBLIC HEARING ON DRIVE-IN MARCH 20

A Public Hearing will be held by the Bethlehem Board of Appeals on March 20, at the Town Hall, to consider the Appeal by a group of Plymouth Avenue residents from the granting of a building permit to construct a "Carroll's Drive-In in Elsmere.

Formal Notice of Appeal was recently filed by the residents and the date of the Public Hearing was set by the Board at its February 6 meeting.

The residents claim that the establishment to be erected by Carrolls is not a restaurant as that term is used in the zoning ordinances. They claim that the building inspector should not have granted the permit. The petitioners also claim in their Appeal that the public health, safety, and general welfare of the area will be seriously affected if construction is allowed.

The Appeal was filed by Attorney Edward J. Grogan of Delmar, who represents the Plymouth Avenue residents in the Appeal.

Carroll's Drive-In plans to build on Delaware Avenue between Plymouth Avenue and the Delaware Plaza. It is in the same general area as the proposed car wash. The Carrolls firm already has four establishments in the area. One on Broadway, in Menands, Albany-Schenectady Road, Western Avenue, and Route 7 in Latham.

Holmgren Says "Paired Schools" Tabled for Investigation

Ralph Holmgren, President of the Bethlehem Central School Board, said yesterday that the Board would not reach a decision on the "paired school" proposal for the district until it had investigated all elements involved in the suggestion.

At a meeting of the Board in the Bethlehem Senior High School on Wednesday night, a committee of school principals answered questions and explained their evaluation of the plan. They had submitted a report to the Board on their study of "paired schools" in several other communities in New York State.

"We now have a better understanding of the educational pros and cons of the proposal," Mr. Holmgren said. "Before we reach a final determination, we want to look more closely into the financial elements involved in the plan, and we want to give parent groups an opportunity to present their considered views. We will welcome any constructive comments from any segment of our school community."

At the Board Meeting on Wednesday night, representatives from the schools in the Tri-Village area attended as observers and were given an opportunity to question members of the Board, school administrators, and the principals on the educational elements of the plan.

Many members of the Delmar Elementary School PTA are presently having a ball making plans for "An Evening in Paris," a fund-raising dance to be held on March 1 at the school.

The dance promises to be a real ball, too, with every committee coming up with lots of ideas to highlight the romantic theme. Those working on entertainment, with Mrs. Negley Norton and Mrs. Lee Campion as co-chairmen, have signed up a can-can line - with an unusual twist about which they're not telling!

Also to be included in the entertainment will be readings of some original beatnik poetry. Who says you have to go to the Left Bank for that?

Decorations, under the chairmanship of Mrs. Melvin Baker and Mrs. Alton Marshall, will feature projected pictures of Paris scenes, some posters being made by Mrs. Dudley Bierau, and plenty of authentic-looking wine bottles with candles.

Not to be outdone, Mrs. Robert Showalter and Mrs. Robert Johnson are directing their refreshments committee in preparations for providing some tasty French treats.

Mrs. Peter Shrope and Mrs. Harry Miller are general chairmen of the dance, and other chairmen include: Mr. and Mrs.

George Marsanskis and Mr. and Mrs. Fred Muchelot, tickets; Mrs. Philip Thompson, door prizes; Mrs. Charles Bryant and Mrs. Edward Jenik, house committee; and Mrs. Alfred Schermerhorn, publicity.

This is the first time the Delmar PTA has held a dance as its sole fund-raising event of the year. Music will be provided by Don Day and his Orkets, who recently performed in the Guard Room of the Thruway Motel.

Dancing will be from 9 to 12, so the whole party will be packed into three short hours. (This should reassure some of those hesitant husbands who insist on pretending they don't know how to dance.)

All proceeds will go to the PTA treasury, and usually the group spends most of it on a major gift to the school.

Many pre-dance dinner and cocktail parties are also being planned, and we'll have more information about them later. In the meantime, circle that date on the calendar and plan to help usher in the month of March like a social lion.

Representatives of the Tawasentha Chapter of the DAR attended the swearing-in of about 90 new citizens in Naturalization Court on Tuesday. The Americanism Council of the three Albany chapters went as a group to witness the ceremony.

After the official proceedings, the three DAR chapters served a luncheon for the new citizens at the YWCA. Mayor Coming

and Judge Bookstein both spoke briefly, welcoming the newly-recognized Americans. The Rev. Norman Thomas, minister of the First Reformed Church in Albany, was the main speaker.

Acting as hostesses for the Tawasentha Chapter were Mrs. Reynold Doerer, regent; Mrs. Max J. Schnurr, Mrs. Owen S. Jones, Mrs. James S. Shattuck, Mrs. Wallace D. MacBride, Mrs. Burgess Condit, Mrs. Albert Frederickson, Mrs. Winthrop P. Robinson, and Mrs. Frank W. Sterrett Jr.
