

Children line up for tickets to Film Festival of Community Ambassador Project.

AMBASSADOR PROJECT EXTENDS DEADLINE

You are not too late!! The deadline has been extended to March 1st for applicants who wish to spend the summer abroad as Bethlehem's Community Ambassador. If you work in or are a resident of the Bethlehem School District phone Mrs. Jessie Rezzemini, HE 9-1385, or pick up your application at the Yarn and Thistle Shop, Grovers Stationery or the Delmar Library. Complete your application and submit it to Mrs. Rezzemini by March 1st. You or one of the six applicants that have already filed will go to Yugoslavia, West Pakistan, Turkey or Finland.

Funds for this worthy and exciting adventure are contributed by community organizations and raised by the Project which sponsors the Children's Film Festival held each Friday night.

The Children's Film Festival, planned at the Project's first fall meeting, was initiated Friday evening, February 1. The acceptance of these carefully selected, thrilling but non-violent films has been overwhelming.

At the first film presentation Mrs. Negley Norton, chairman of the festival, was forced to announce "standing room only" fifteen minutes before the show started. Supervised by interested adults and representatives of organizations cooperating with the Project the children squealed with delight with the

circus excitement of Toby Tyler. On February 8 the adventures of Gulliver thrilled the young audience as they travelled into the land of the big and little people. These films will continue each Friday evening through April except for February 22.

Due to the overwhelming acceptance of the festival it was necessary to schedule all future shows at the Junior High School so that traffic would not be tied up on Delaware Avenue and all the children would be able to be seated.

In addition to continuing its Children's Film Festival next fall, the project has also made plans to offer an Adult Foreign Film Festival which will bring the most outstanding of films to Bethlehem.

Church Women Plan Retreat

The Tri-Village Council of Church Women will sponsor a retreat in preparation for World Day of Prayer. All women of the community are invited to attend the retreat which will be held in the Parish House at St. Stephen's Episcopal Church, Elsmere, February 25, at 11:00 A.M.

Mrs. Clement Munger, Sr., Delmar Methodist Church, will lead the program. All who wish to stay for the fellowship hour which follows are asked to bring a sandwich. Dessert and beverage will be furnished.

ASSOCIATION INVITES EVERYONE INTERESTED TO JOIN FOR BETTER COMMUNITY PLANNING

The Delaware Avenue Area Association, comprised primarily of homeowners in the area interested in working toward carefully planned growth and development of the community, is moving ahead rapidly with plans for expansion of the group to include all interested residents.

At a meeting held at the home of acting organization Chairman Robert J. Biggane, 34 Euclid Avenue, last Wednesday, the Committee laid plans for an opening meeting to be held at the Elsmere Elementary School at 8:00 p.m. on Wednesday, March 13th. The meeting will provide a forum for discussion on the Association's objectives, among which are offering its assistance, through investigation, study and consultation with recognized specialists, to those concerned with planning, zoning and orderly community growth.

A spokesman for the Committee observed that "Although we are extremely interested in the controversies which have grown out of proposals for installation of an automatic car wash and a drive-in hamburger stand at Delaware and Euclid Avenues, these are only specific segments of the overall problem - the need for long range positive planning to preserve the residential-professional-business atmosphere of our growing community."

Although comprised primarily of homeowners, the Association has indicated a strong desire to include area business people within its ranks and emphasizes its positive interest in strengthening the growth of old and new businesses in the area. Particular interest was expressed by group members in the fact that the Town's Planning Board has directed a study, currently underway by a professional planner, of the Town's present Zoning Ordinance.

4-H CLUB TRACTOR MAINTENANCE PROGRAM STARTS AT HANSEN'S EQUIPMENT IN CLARKSVILLE

The 4-H Club Tractor Maintenance Program started on February 19 at Hansen's Equipment in Clarksville.

Included in this program of maintenance is safety procedures, lubrication and oils, ignition, carburetor, power transmissions, tire care, valves and timing plus other adjustments that are necessary for an efficient operating machine. Boys who have completed the first and second years will study the operation and adjustment of harvesting machines, plows, harrows, seed planters and other machines.

Any boy who drives or works around a tractor is invited to join the group, whether he is

a 4-H member or not. However, he will need to have access to a tractor in order to complete the work.

Safety of operations will be stressed in all phases of the program.

The instructors will be John Yarmchuk, Steven Komjathy, and Maver Becker.

There are three more meetings scheduled, March 5, March 12, and March 19. Those completing the work will be eligible to take part in the Operators Contest at the Altamont Eastern Regional Exposition next summer, where two will be selected to represent the county in the State event.

WHAT HAVE YOU GOT TO LOSE?

You'd be surprised how much you own that could be taken away from you.

There's your home, your business, your job, your personal possessions, your car, your bank account.

All these things are insurable interests that should be properly protected.

Even your HEALTH is on this list of insurables. Of course you carry insurance, but the important thing is to see that your program is properly balanced and without dangerous gaps.

The start of a New Year is a good time to take inventory.

Petition on Paired Schools

A petition by Delmar residents containing 832 names was presented to members of the Bethlehem School Board and other interested parties over the weekend by the Citizens Opposed to Paired Schools in the Tri-Villages.

In addition, according to H. W. Tomlinson, committee chairman, a 21-page critique of the proposed paired schools concept, and a four-page memorandum in support of retaining the present Kindergarten-Grade 6 system, was also presented.

Conclusions reached in the critique of the proposed paired school concept include:

1. A great many of the "advantages" stated for the "paired" school are present in the existing "neighborhood" school.

2. Most of the "advantages" stated for the "paired" school could be instituted in the existing "neighborhood" school through supervisory attention, changes in procedures and the expenditure of substantially less money than would be required to establish "paired" schools.

3. The advantages of CHANGING to the "paired" school plan have not been supported by conclusive facts.

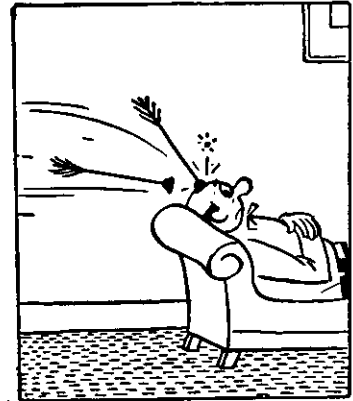

4. An incomplete and unacceptable statement of additional costs has been submitted. It seems inexcusable, for example, that the physical cost of remodeling has not been estimated since the publication of the first report.

5. Certain of the conclusions, listed as advantages, are contrary to the facts submitted.

6. An evaluation of the values of the present "neighborhood" system has been completely ignored.

7. Desires of parents or taxpayers have never been evaluated.

Heart Sunday Feb. 24

The Albany County Heart Association will conduct its annual Fund Raising drive in the Tri-Village area this weekend. Bertram E. Kohinke, Town Supervisor, has proclaimed Feb-24th as Heart Sunday. It is hoped that all area residents will welcome the mothers and high school volunteers who will be making the collections.

The Chairman of each town's drive, Mrs. Franklyn Ashby, Delmar; Mrs. Russell Freeman, Elsmere; and Mrs. David De-Porte in Slingerlands has grouped volunteer mothers to contact their neighbors and friends. In some areas local high school boys and girls will aid in the canvass. Most of the people involved have aided the Association with dedication year

BASKETBALL GAMES

On Saturday, March 9, two basketball games, sponsored by Bethlehem Recreation and the High School Canteen Council will be played at the Senior High School.

The East and West Bidy All-Stars will start the evening, playing each other at 7:00 P.M. These two fine squads are made up of 30 outstanding boys who participate in the Saturday morning Recreation Bidy Basketball program.

At 8:00 P.M. the Faculty All-Stars will play the touring Canadian Harlem Diplomats. The Diplomats have played exhibitions throughout the United States and spent this summer touring Europe. The Faculty

All-Stars have played locally for years and include the Physical Education and Recreation personnel of the school district.

Additional information will be listed next week.

Mrs. Robert Kellam, acting in her capacity as president of the Delmar Progress Club, last week mailed in the club's entry in a contest sponsored annually by the Shell Oil Company.

This company awards a total of \$50,000 in prizes every year to the women's clubs in every state which have outstanding educational programs. All members of the General Federation of Women's Clubs are eligible.

If the Delmar Progress Club's

educational efforts are adjudged best in the state - in its size category - the group will receive a prize of \$500.

What are this local club's qualifications for such an award? Here are some of the projects Mrs. Kellum listed on the entry form:

A \$200 scholarship is given by the club each year to a deserving girl high school graduate; an amount is contributed each year to the Ada Y. Franklin Scholarship; (sponsored by

the District Federation of Women's Clubs) \$50 is given each year to a graduating high school pupil who couldn't attend graduation functions without some financial help (this recipient is always unknown to club members).

The Progress Club also contributes to the White Christmas Fund and Community Ambassador Project.

Another educational achievement the club can proudly claim is its part in giving our community a library system. A few members of the club, which was organized in 1901, started what is now the Delmar Public Library in a room in one of our schools.

And what will they do with the prize money, should they happen to win? Put it right into the educational projects kitty, of course.

The Everett Parry's and their four children, Kathy, Joan, Susan and David, recently moved into their new home on the corner of New Scotland Ave. and Mayfair Dr.

About 15 women in the neighborhood got together at Mrs. Berry's to meet and greet Mrs. Parry, and to enjoy some informal chatting over coffee.

It sounds to me like a wonderfully friendly gesture, one that other newcomers to the area would greatly appreciate.

Why not think about doing the same for that family that just moved into your neighborhood?

reception, including Mr. Lunsford's parents from Cincinnati, his sister and her husband, his daughter Nancy, and his two sons, Carlton who lives in Boston, and Tommy, who is a grade school pupil.
