DOES FREEDOM OF THE PRESS AND FOURTH ESTATE MEAN BETTER READING FOR YOU?

Over the hundreds of years of our independence, no one has enjoyed more freedom of purpose than the "fourth" estate, the press. This is still true today, even as we have adopted more restrictions on our personal life, the press still enjoys the widest of freedom. True, sometimes this freedom is not exercised to the fullest for the benefit of the most . . . but generally we do a fairly good job. The Spotlight is a member of this fourth estate, and as such, should warrant your support.

LUTHERAN VACATION SCHOOL TO OPEN

Bethlehem Lutheran Church of Delmar is again sponsoring a Vacation Bible School this summer. It will be held in the church and on the church grounds between 9:30 A.M. and 12:30 P.M., Monday through Friday, July 15-26. All children between the ages of 3 and those entering 6th grade may be enrolled.

The theme of this year's Vacation Bible School is "Walking with God." With the aid of illustrated workbooks, art projects, songs, and Bible games and the consecrated efforts of a staff of Christian teachers and assistants, the children will be taught the wonderful truths of the Christian faith.

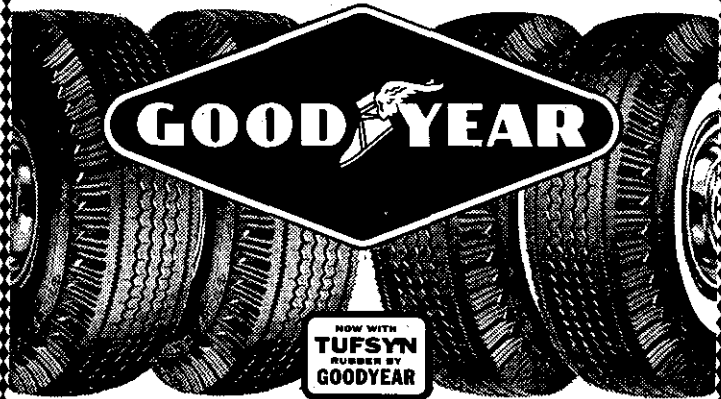

Registration may be made with Mrs. Walter Kinn, 116 Orchard St., Delmar. There will be no registration fee this year. A free will offering will be received in each morning's opening service to cover the cost of the program.

Church Starts Summer Schedule

Beginning Sunday, June 30, the Delmar Presbyterian Church went on a summer schedule with worship at 10:00 o'clock instead of 11:00. Church school classes for Kindergarten and Primary children are held at the same time as church from 10 to 11.

During July and August there will be an exchange of congregations between the Delmar Presbyterian and the New Scotland Presbyterian churches. The four Sundays of July 7, 14 and August 18, 25, the New Scotland congregation will worship in Delmar with the Rev. George Phelps preaching. The Sundays of July 21, 28, and August 4, 11, the congregation of the Delmar church will worship in New Scotland with the Rev. David Martin preaching.

LETTER

An Open Letter to the Residents of the Town of Bethlehem:

As permanent officers of the Class of 1963, and on behalf of our fellow graduates, we would like to thank everyone involved in organizing and carrying out the wonderful "After-Ball" activities.

It truly was an eye-opening and pleasing sight to walk into the Junior High dining room at 1:00 A.M. The decorations were outstanding and the food was delicious.

After the buffet, the time flew by. What with games in

the gym, bowling, swimming, dancing and games in the Canteen, and movies it was soon time for the delicious breakfast.

This truly was a "Wonderland by Night;" a "Night to Remember." We feel that the enjoyment of our fellow students was shown by the numerous comments of "Wonderful," "Tremendous," "Best Night Ever," and also by the record attendance of over 180 students.

All we can say is, "Thank you, EVERYONE . . . It truly was WONDERFUL!"

Sincerely,
 THE CLASS OF 1963
 Rudy Zwicklbauer, President
 Jerryanne Taber, Secretary

IS YOUR LAWN BEING MURDERED??

Will it last the long hot dry summer without becoming brown and lifeless? Is your lawn being choked to death by an accumulation of dead grass?

Have us renovate your lawn with skill. Our modern machine will bring life and vitality back to your lawn, to withstand the long hot dry weather.

We will renovate (pick up all dead grass) and aerate (gives better drainage to clay soil). We will add top dressing if necessary.

NEW BOOK ON SOIL OFFERED BY U.S. CONSERVATION

For the suburban dweller who has a soil problem in his garden, or the engineer looking for a building site, the latest publication by the U.S. Soil Conservation Service will come in mighty handy. It is called "KNOW YOUR SOIL" and explains how soil scientists of the Department of Agriculture are gradually mapping the soils of this country and what these maps mean to every citizen.

A copy may be obtained from the local SCS office at 337 Delaware Avenue, Delmar, N.Y., Frank Leavitt, Soil

Conservationist said. A soil is three-dimensional, according to the publication. "It is bounded on the top by the surface of the land, on the bottom by rock, and on the sides by other soils. The first job of the soil scientist is to distinguish between these separate soils. More than 70,000 different kinds are recognized now."

Mr. Leavitt says there are about 75 different soils in Albany County with the average farm having about 10 different types.

Students Given Reception

The Delmar Presbyterian Church held a reception for students from Kenya, Africa, Tuesday evening at 8 P.M. in the Fellowship Hall on Delaware Ave. These students are residing in the Albany area and gaining government experience through working in various offices of the State. Host families for the reception were the Elders and Deacons of the Church. The State Department employers of the students were invited. Bethlehem students Carol Stone, Sue and Ann Winn provided musical entertainment.

Rev. George Phellps stated that by providing hospitality for these and other visiting foreign groups, the Church is continuing its program of helping to spread international understanding and world peace.

Van Auken in Caravan

Ronald Van Auken, a 1963 BCHS graduate, left Tuesday, June 25, for New Concord, Ohio, to participate in a Caravan program.

A 9-day training session is held at Muskingum College after which training teams of four Caravaners each will spread over the country from New York to Denver, Colorado. They will serve two weeks in a United Presbyterian Church and two weeks in a Reformed Church.

After four weeks of field work, Caravaners, of which there are 48, will return to the Muskingum Campus for a week-end of Round-up before returning to their homes.

Film Awarded First Place

"One Step Ahead," a sound-color film produced by Niagara Mohawk Power Corporation has won first prize in a national contest sponsored by the Public Utilities Advertising Association.

The film, produced by Jack L. Mowers, System supervisor of photography for Niagara Mohawk, was among entries from utilities in the U.S., Canada, and Mexico. Placing second in the movie contest was Consolidated Edison Company, Inc. of New York City. Third was Pacific Gas & Electric Company of San Francisco, Calif.

Mr. Mowers, widely-known for his excellence in photo-

graphy and moving picture work, produced the 25-minute "One Step Ahead" last year. It deals with the many projects of Niagara Mohawk in the company's 22,000-square mile franchise area, including Niagara Mohawk's research and development in the field of atomic power.

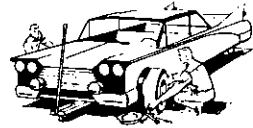

Copies of the prize-winning movie are being made available to civic and fraternal organizations in the Niagara Mohawk service territory.

In a PUAA contest covering publications distributed to utility customers, Niagara Mohawk's new booklet, "Ready, Willing and Able" was awarded third place. The awards were announced at the annual PUAA conference at Tampa, Fla.

THE SPOTLIGHT is published every Thursday by Spotlight, Inc., 154 Delaware Avenue, Delmar, N.Y., Robert G. King, publisher. Deadline for news is Thursday afternoon, one week preceding publication; deadline for display advertisements is Friday afternoon.

New Exhibit at City & County

A Saratoga Racing Centennial Exhibit sponsored by the National Museum of Racing, Saratoga Springs, is being shown in the Community Exhibit Room of City and County Savings Bank. Frederick W. Stolz, bank president, announced the presentation.

Featuring THE THOROUGH-BRED WORLD, the dramatic story of thoroughbred racing portrayed in giant colored photographs by Walter D. Osborne, the exhibit includes scenes from stud farms, yearling sales, early morning workouts and "The Moment of Truth."

The colorful shirts and caps termed racing silks, and silver trophies of the memorable past, supplement this display commemorating one hundred years of thoroughbred racing in our historic area.

Also shown is a Saratoga Racing Centennial pictorial panel of old and modern racing scenes.

The public is cordially invited to visit the exhibit at the bank's Downtown Office at 100 State Street, Albany, weekdays from 9:00 a. m. to 3:00 p. m. and, in addition, Thursdays until 8:00 p. m., through July 25.

Vince is Here - Joe Goes - But Art Goes on Forever!!

That new face at the Delmar Albany Public Market these days, that man who looks for all the world as if he'd just left matinee-idol-dom, that man is Vincent Montforte who has taken genial, smilin' Joe Mottolese's place as manager. All this week the market is holding an "Open House" for you and everyone else to meet Vince and "Open Season" in all departments with lower-than-ever prices.

And speaking of smilin' Joe - he's also taking a step up the ladder as he becomes manager

of the new Albany Public which will open soon in Latham.

Albany Public Markets is to be congratulated on its choice of really young men who are given the responsibility of running its super stores.

P.S. - while you're visiting Delmar Albany Public this week, take time to find assistant manager Arthur Sgroi - he's that handsome young man who can generally be found baking pies? And, please, don't mistake handsome Roy Fuller (baking pies!) for Art Sgroi - Art is the young man with the (distinguished) grey hair at the temples!

Exhibition Baseball Game

Blanchard Post, which is currently leading the Southern Division of the Albany County American Legion Baseball League, will play an exhibition game on Friday, July 5. The opponent will be Brooklawn Memorial Post No. 72 of Brooklawn, New Jersey. Brooklawn is playing July 4, at Keene, New Hampshire, and will stop off at Delmar on the way home.

Brooklawn has won the New Jersey state championship four times since 1953 and were runnersup two other times. In 1962 they were beaten in the state finals by Patterson. At the present time they are undefeated in Legion Competition. Two of their players made all state in high school this spring. One player, Bob Daciemo, third base, turned down a bonus in order to play Legion ball this summer.

This game should be interesting because Blanchard Post features two pretty fair chuckers in Don Boone and Dick Broom, plus a good defense and capable batting attack led by Arnie Skogstrand and Dave Spence. Game time is 6:30 P.M. at the Bethlehem Senior High School.

Officers Elected

At the June meeting of the Altar-Rosary Society of St. Thomas' Church, the following officers were elected for next season beginning in September: president, Mrs. Paul L. Leffey; vice-president, Mrs. Edward Atkinson; recording secretary, Mrs. John Murtoth; corresponding secretary, Mrs. Robert D. Hennigan; treasurer, Mrs. William P. McKeough.

Bible School

The New Scotland Presbyterian Church is having Vacation Bible School on July 29 through August 2 from 9:30 to 11:30 a.m. for children from 4 to 11 years. There will be recreation and refreshments in addition to the regular study program. Anyone interested may call Mrs. Robert Bush. Registration fee is 50¢.

ful recognition of the Brandt's 20 years of service in this pastorate.

The Brandt's left New York on April 21, and returned on May 21. They landed in Cairo, Egypt, where they joined a traveling party of 18 persons with whom they spent the first half of their tour.

One of the highlights of their stay in Cairo was having dinner with Dr. John Badeau, the United States Ambassador there, who is an old friend of both Dr. and Mrs. Brandt. Mrs. Brandt knew him when they were children growing up in Schenectady, and he was a classmate of Dr. Brandt's at Rutgers University.

While in Egypt, they also made a special trip to Luxor, to see the Valley of Kings and the famous Kamak Temple. Dr. Brandt believes that Nasser has done a great deal for the people of Egypt, but the country still has a long way to go to achieve a decent standard of living.

"We saw abject poverty there that is difficult to imagine," Dr. Brandt told me. He compared it to the filthy, underprivileged conditions the Pueblo Indians once suffered here in America.

From Egypt, the Brandt's flew

to Beirut, Lebanon, where they visited the American University. Then they spent some time in Damascus, the city where St. Paul lived and taught.

They went by bus to Jordan, where they made a point of seeing many Holy Land sites of great historical importance, including Amman, Jericho, the Dead Sea, Bethlehem, Betheny and Jerusalem.

Other stops in their itinerary were Nazareth, Cana, Haifi, and Tel-Aviv.

In Athens, Greece, Dr. and Mrs. Brandt visited many of the famous museums, then went on to the Acropolis and to Corinth.

Next they visited Rome, and St. Peter's Basilica. Monsignor Rooney of St. Thomas' Parish,

had attempted to arrange a private audience with Pope John for them, but the proper contacts were not made.

At the public audience they attended, Pope John appeared seated in his throne and "looked very pale and drawn," according to Dr. Brandt.

Leaving the escorted tour, the Brandt's flew to Nice, France, where they enjoyed spending some time with a cousin of Dr. Brandt's who is a sculptor there. They took a bus tour through the French Alps, and then did some sight-seeing in Geneva, Switzerland, where the church of John Calvin is located.

The last two cities they visited were Paris and London, where "we visited the usual

tourist attractions," Dr. Brandt said.

The Brandt's felt fortunate to be touring Europe between seasons, so that they weren't caught up in huge tourist crowds.

Only in Rome was there an abundance of foreign visitors.

Asked for his most vivid impressions of the tour, Dr. Brandt cited three. The first was the striking difference between Jor-

dan and Israel. "The ground is the same in both countries," he said, "but in Israel great progress is being made, while the land in Jordan is, for the most part, scrubbed and desolate."

Israel reminded him, he said, of the Bible verse which goes: "The desert shall blossom like a rose . . ." He attributes Israel's "blossoming" to the Zionist Movement, and the dedication of the people who have settled there.

A second vivid memory of Dr. Brandt's is of a "kibbutz" they visited while in Israel. A kibbutz is a communal society, where socialistic ideas are put into practice. All children, for example, are

brought up in a group rather than by their own parents.

Dr. Brandt couldn't approve of this method of child-rearing. "The experience of the family unit is entirely lacking," he said. The children are brought for brief visits with their parents each evening, but the parents are never faced with handling sickness or discipline problems. "Nor do they gain the profound benefits of family life," Dr. Brandt pointed out.

The third impression he mentioned was the terrific amount of building going on throughout the countries they visited. And the cities he liked best - especially for their cleanliness and friendly inhabitants - were Geneva, Switzerland; Athens, Greece; and Beirut, Lebanon.
