

BANK SCHEDULES VILLAGE FOUR EXHIBIT

Richard Haverly, manager of National Commercial Bank's Delmar Office announced today that his office will hold an art exhibit in the new Community Room featuring the Village Four. Their work will be on display from November 1 to November 29.

An Open House will take place on Friday evening, November 1, in the Community Room from 7:00 P.M. to 9:00 P.M., at which time refreshments will be served. The exhibit will then be open for the next four weeks during the banking hours of 9:00 A.M. to 2:00 P.M., Monday through Friday and from 4:00 P.M. to 7:30 P.M. on Friday.

The Village Four is composed of Mrs. Clover E. Mikol and Messrs. Edwin W. Becker, Harold A. Laynor and Philip Smeltzer. The Village Four endeavors to encourage art in any way possible in the community.

Mrs. Mikol, Artist, Illuminator and Engrosser, studied locally with Betty Warren and Rudy Helmo and at the Art Student's League in New York. She has done research at the J. Pierpont Morgan Library and attended the classes of Emil Gruppe and John Chetcuti in New England.

Engrossing (hand lettering) and Illuminating (art work) manuscripts are her specialties.

Mr. Becker became associated with the Department of Civil Service as a staff artist in 1948 after experience elsewhere as a commercial artist. He has painted murals for the New York State Museum and the Shell Oil Company. His paintings have won numerous prizes and scores of them hang in the homes of purchasers. He has taught hundreds of students in evening classes during the past years at Russell Sage College and also at the Albany Institute of History and Art.

This year he won First Prize in Watercolor at the Artists of

Upper Hudson Show and the Niagara Mohawk Purchase Prize at the New York State Exposition in Syracuse.

Mr. Laynor received his B. A. and M. A. degrees from N. Y. U. and is a graduate of Parson School of Design and attended the Art Student's League and Pan-American Art School.

He is widely known for his lacquer and oil paintings. His works are in the collections of several museums and he has held the Parsons, Huntington, Hartford and Louis Comfort Tiffany Fellowships. Formerly he was Art Supervisor in Poughkeepsie and was an associate in Art Education with the New York State Department of Education.

Mr. Smeltzer studied Art at the Albright School of Fine Arts and the Buffalo Art Institute. He has exhibited widely from Buffalo to Miami, Florida and he has won many honors and held several one man shows.

Mr. Smeltzer is opening a new gallery and studio at 68 Chapel Street near the Schin-Ten Eyck Hotel in Albany on November 3, where he will conduct water color classes this fall and winter.

Tamburitzans at Maryrose

The internationally famed Duquesne University Tamburitzans will return to the stage of Maryrose Academy, 1075 New Scotland Road in Albany, on Sunday afternoon, November 3, at 4 o'clock.

Fresh from a successfully triumphant third tour throughout Europe, these youthful folk song and dance artists invade the American scene to bring you a magical two hours of the brightest and most brilliant splashes of color in authentic native costumes of the European people.

A constant source of amazement is the phenomenal versatility of the individual performers.

WORLD COMMUNITY DAY FRIDAY, NOVEMBER 1

The Tri-Village Church Women will celebrate the 20th anniversary observance of World Community Day at 9:30, November 1st at the Delmar Reformed Church.

A review of the booklet "Nation Building - A Channel to Peace" will be given by Mrs. Warren C. Kimmey of St. Stephen's Episcopal Church. Mrs. John Clark, Slingerlands Methodist Church will be soloist and Mrs. Donald Dewire, Delmar Reformed Church will be pianist.

The women are urged to bring boy's tee shirts and shorts, also cotton yardage which will be sent to undeveloped countries. A collection will be taken and used to assist women of other lands in training for leadership.

UNICEF COLLECTION SET FOR TODAY

This afternoon the "good" little witches and tonight the larger "good" witches will be collecting for UNICEF. Give, when your doorbell rings.

Following the custom of recent years, Hallowe'en will be given over by many of our Tri-Village children and teen-age youth to providing help for the underprivileged across these seas. This afternoon children from first through sixth grades will be out collecting with the familiar Orange and Black Trick or Treat Carton in their neighborhoods. All children of the Tri-Villages may participate with Slingerlands Children going to the Community Methodist Church after 3:30 P.M. for their containers, while Elsmere and Delmar children may receive cartons at the Delmar Methodist Church from 3:15 to 4:30. A party will be held at 6:30 P.M., for this group at the Methodist Church at which time Andrew Tweedie will present a program of magic.

Junior High Young People will begin at 6:30 P.M. from the Delmar Reformed Church with Senior High Youth going out from the Presbyterian Church at the 6:30 hour.

Because of the nature of UNICEF, this program includes all ages of youth. Last year, in the Tri-Villages, they raised a sum of \$732.33. This year's committee hopes that we can top this figure by better coverage of all areas in the villages.

Village Wonders' Just That

Thirty Years Ago Represented D&H On the Diamond

By EDGAR S. VAN OLINDA

BACK in the days when there were few automobiles, radio was a part of a ship's equipment and there were no Victory Gardens to tend, the smaller communities vied with one another to produce the best baseball team in the county.

This morning we show what the civic-minded people of Slingerlands supported so loyally 30 years ago. They were known far and wide in the D&H circuit as the "Village

The famous amateur baseball team of Slingerlands, known as the "Village Wonders," locally noted for their diamond successes from 1908 to 1912.

Wonders" and when one takes a look at the record, the nickname was a gross understatement.

The American and National league games were simply something to follow after the Slingerlandians had looked at the local box scores of their home team. Mr. Loree, presi-

dent of the D and H railroad, recognized the athletic worth of the "Village Wonders" and saw to it that when they went on the road—to Cobleskill, Worcester, Altamont, Delanson, Troy, Watervliet or their near neighbor—albeit, a fighting one—Voorheesville, they were comfortably escensed in a private train. This was run onto a sid-

ing during the game, with steam up to take the victorious (which they generally were) team back to the home grounds, or perhaps to the Home Lawn hotel, for a post mortem.

ding and embryo "big leaguers"? Starting from left to right in the picture, we find "Bug" Whitman, the manager; Frank Edelman, 3rd base; John Oliver, 1st base; Al Sager, left field; Eddie Burke, pitcher; Clarence Earl, 2nd base; Howard Sager, center field; Bob Boutelle, right field; Artie Callan, catcher; Ross Oliver, catcher; George Dixon, shortstop, and Clarence Houck, president.

Many of the boys in the picture have gone to a Higher League; some to foreign fields of endeavor, while, a small, but powerful minority, may still be seen around the Albany Area, a little grayer about the temples, perhaps, and a little more of the upholstery of good living about the waist-line, but still young in spirit when it comes to a demonstration of mind over matter.

Sager Boys

For instance, there are the Sager brothers, Al and Howard. They must have been brought out on the diamond by their parents on satin pillows. Al got into the automobile game, when it was a game, and probably sold more cars around this neck of the woods than anyone we can recall, off hand. Al is now personnel director up at the Adirondack Steel company in Watervliet.

Howard teamed up with Conrad Spuck and opened up a mill supply business which now is one of the busiest places anywhere along Broadway. John Oliver went into politics and now answers to the salutation of "Supervisor"—of the Town of Bethlehem.

And the "Village Wonders" boasts an alumni, some of whom, from other communities, played with the local team. There comes to mind Ed Fowler, Altamont, the barrister who commutes between that village and his Albany office every day; Jim Braman, one of the big shots across the river in Huyck's mills, and Ira Pier, associated with the Williams Press and still a resident of the village he so ably represented on the baseball diamond.

No wise-craeks, please, if you should happen to run across any of these boys in your daily luncheon periods. Remember, that was over 30 years ago.

Admission will be 35¢ for children and 50¢ for adults.

Daytime showings of films for children were initiated by the nursery school last winter. Area response to these films was so gratifying, according to Mrs. Jean Golden, the nursery school's executive committee chairman, that plans were immediately made to repeat the project this year.

The series will begin on Monday, November 11, with "Beaver Valley" plus cartoon shorts. Look for further details in subsequent issues of the Spotlight immediately preceding each film showing.

ACCIDENTAL BURNS ----
By
Dr. George H. Lowrey
University of Michigan Medical
Center

Ann Arbor, Michigan
A child's first five years are the most dangerous for receiving accidental burns.

Perhaps the two most common reasons are that the child cannot realize the dangers of hot or inflammable objects, and secondly, parents aren't always alert to the everyday burn dangers.

Because a child loves to explore and investigate things he is more apt to be susceptible to burns.

The most frequent household pitfall for children is hot liquid -- usually on the stove and often boiling. The youngster tugs curiously at the handle and suddenly becomes a candidate for the burn ward.

Dangling cords from coffee pots or other heated cooking utensils also provide dangerous temptations for children.

Parents should not leave a small child unsupervised in a bathtub, especially if the hot water is running. These children are seldom capable of turning the faucets off, and pain-

ful burns and scalds often result. A burn can change a person's entire way of life. Burned hands can't make a living if the injury is severe enough.

Psychologically, the individual is crippled if face burns disfigure him. Biting electrical cords, although not generally fatal, frequently disfigures the youngster around the mouth.

Many parents do more harm than good with contaminated home-remedies and incorrectly applied first aid treatment. They court infection and the worst thing for a burn is to become infected.

Here are a few suggestions for the prevention of burns:

- Keeping pan handles on front stove burners turned toward the back
- Storing matches and inflammable agents out of reach of children
- Detaching electrical cords promptly
- Supervising a small child the entire time he is in a bathtub

In general, if parents keep constantly alert to the dangers of fire and hot objects, and supervise their children closely, burn accidents among children will greatly decrease.

**Bethlehem Supervisor Still Speaks With Humility As He Places
Himself and His Record Before the Voters for the 3rd Time**

I have enjoyed the wonderful privilege of serving our residents as supervisor during these past four years. In all my countless contacts with our residents I have always found them to be friendly, courteous and neighborly - this certainly makes a public servant's job easier.

The residents of our town are thinking people who want good government in a town that's good for them - and that is promising to future generations too.

That is one of the reasons why I am sure that they endorse the line of reasoning taken by an American statesman many years ago, when he said, "the very essence of Free Government consists of considering offices as public trusts - bestowed for the good of the people and not for the benefit of an individual or a party."

For many years our Republican Party has been entrusted with the government of the Town of Bethlehem. We have been charged with providing good administration, efficient operation and with sound planning, to cope with the future.

As Town Supervisor I am very proud of the way in which we have discharged our responsibilities to the residents of our town.

I confidently feel that we have had a most important role in the expansion of our town's population of nearly

100% in the past twenty years; and we have been meeting this expansion in a very orderly way - paralleling in our growth with well-planned and well-executed extensions of service to our people.

The leadership of our town must be responsible and mature - our promises must be rational and practical - they must be soberly pledged and faithfully undertaken. We pledge this leadership and support to all the residents of our town.

We have a real program for the future - a real call to service - and with our pledge of leadership we will go forward together - as town residents and town employees - to greater and more decisive Republican victories. And we will continue to give the kind of good government and service to our town residents - the kind they are used to and entitled to.

Our Republican Party has never delayed getting into action - we have always been in action - and we will continue to be in action. We will continue with our same Republican formula for success - which is - be fair - be just - and be honest.

Mrs. Harold White to Speak

Mrs. Harold White will speak on Early American Decorating at the November meeting of the Delmar Evening Unit, Home Demonstration, to be held on Tuesday evening, November 5, at 8 p.m. The meeting will be held in the cafeteria of the Bethlehem Central Senior High School.

Mrs. Joseph Parser will speak briefly on the project care of flowering plants in the home.

Refreshments will be in charge of Mesdames Douglas J. McMillan, Alfred D. Basch, Francis Layden, Gilbert O. Drake and John R. Hawkins.

by Ann Treadway

This being a town election year - and with the day for voting fast approaching - the women of our community are doing all they can to see that their neighbors are well-informed about issues and candidates.

Under sponsorship of the Town of Bethlehem Women's Republican Club, a number of informal get-togethers are being held, at which guests are introduced to some of the local candidates and encouraged to ask questions about our town government.

Mrs. William Johnston, Jr., president of the club and an originator of the informal campaign entertainment idea, told me the coffee hours are definitely not just for Republicans.

"In fact," she said, "many of the people attending these little parties are newcomers to the community and aren't even eligible to vote this year." The main purpose of them is

to let people meet some of the candidates, and give them a good opportunity to find out what they want to know about the area in which they live.

Mrs. Joseph VonRonne of Gardner Terrace Ext. was hostess for a morning coffee hour on October 18, and Mrs. Hildreth Bailey of 544 Huron Rd., Delmar, served coffee and political chat-chat on the morning of October 22 in her home.

Last Thursday, October 24, Mrs. Vincent Herzog of 11 La-Grange Rd. and Mrs. Harold Williams of Selkirk both held coffee hours. Mrs. Herzog's was a morning get-together, and Mrs. Williams held hers in the evening so it could be a mixed group.

Mrs. Raymond Brownell of 7 Darroch Rd., whose husband is active in local politics, held a morning coffee hour at her home last Friday, a particularly lively session from all reports.

On Sunday Mr. and Mrs. Robert W. Marshlow of 215

Oakwood Rd., Elsmere

Westchester Dr. S. in Delmar invited about 75 friends and neighbors to an openhouse from 3 to 5 p.m. All the local candidates were present at this most enjoyable party.

Mrs. Carl J. Freudenreich of 7 Morningside Dr. in Elsmere and Mrs. Betty Atkins of Selkirk hosted coffee hours this past Tuesday, Mrs. Freudenreich's in the morning and Mrs. Atkins' in the evening.

Scheduled for tomorrow are two more get-togethers, one in the morning at the Rowland Avenue home of Mrs. Dexter Tilroe and one in the afternoon with Mrs. Warren Wilson of Westchester Dr. N. as hostess.

Similar hosting plans have been made by other area women, but details had not been made final as this was being written.

I'm sure all who attended any of these informal parties must have had a wonderful time and come away with a better understanding of local politics. Huge rallies and campaign speeches may appeal to some people, but most of us get much more pleasure out of

meeting together in small groups and taking part in interesting discussions.

Much credit is due the Women's Republican Club for coming up with such a worthwhile and workable idea - aimed at giving us a better-informed community.

The annual Achievement Night program for 4-H club members in the Delmar area was held last Friday night, at the Elsmere Grade School. Special awards were presented by Mr. Paul Thayer, Albany County 4-H Club agent.

Recipients of award pins for outstanding achievement during the past year were: General Home Economics, Sue Goddard and Jean Olson; all-around achievement, Paulette Zitko and Sue Goddard; agriculture, James Dabravalskas; safety, Donald Slingerlands; foods and nutrition, Linda Williams and Anne Winne; poultry, Donald Miller; dairy, Tom Newell, Donald Stanton and Donald Slingerland; tractor maintenance, Franklin Ziehm, John Riley, James Slingerland and William Miller.

Cited for outstanding Dress Revue activities were Linda Williams, Paulette Zitko, Joan Wrzenski, Jean Olson, Alice Hanson, Arlene Pauly, Janet Lawrence, Sue Goddard and Pamela Mulligan.

Clubs honored for their programs during the past year were Hoofbeats and Clatter, Delmar Stitch and Chatter, the Albany County Dairy Club, Jolly Homemakers, Wee Women and the Whipper Snippers.

The committee in charge of the Achievement Night program was Mrs. Kenneth Williams, chairman; Mrs. Milton Olson and Mrs. George Stricos.

Miss Linda Williams was meeting chairman, and Mr. Richard Haverle, branch manager of the Delmar National Commercial Bank and Trust Co, presented the achievement pins. Refreshments were served by the Roll'n Pin girls.

Conflicting Dates Discussed

Forty people turned out representing their various organizations in response to an invitation from Ravena-Coeymans-Selkirk Supervising Principal Virgil Tompkins to meet in the library of the junior-senior high school on October 17th. The purpose of the meeting was twofold: to discuss the problem of conflicting dates of community activities, and to consider the possibility of providing greater cultural opportunities to the residents of the Ravena-Coeymans-Selkirk Central School District area.

A "clearing house" idea was suggested, but ran into the complexities of such considerations as how general it should be and how inclusive. It was decided that the local newspapers are considered to be adequately serving the purpose of informing people about events, and that greater use should be made of them.

It was decided that a directory of organizations in the area would be set up in the form of a card file in the high school library. Each representative was asked to register his organization and its president.

Discussion then followed concerning the responsibility of sponsoring community cultural projects.

Mr. Andrew Koonz, Sr. recalled the former organization known as the "Community Council" which brought about several improvements in the northern end of the district when it was active 10 years ago. After some discussion of this former organization it was decided to investigate the possibility of reactivating it on a district-wide basis for the primary purpose of cultural improvement.

The committee selected by nominations from the representatives present, for the purpose of this investigation, includes Mr. Andrew Koonz, Sr., Chairman, Mr. Orville Hannay, Mrs. Victor Baumes, Rev. James Gebhart, Mrs. Carl Diehl, Mrs. Bert June, and Rev. S. B. Sutton. The committee is to set up recommendations for a set of bylaws and a course of action.

After the regular meeting was adjourned the newly formed committee remained to formulate preliminary plans.

To the Editor,

The Beta Gamma Rho Sorority, of high school girls, wishes to extend to the residents of our community, sincere thanks for their cooperation in our work-day.

On Saturday, October 19, 1963, each girl sought odd jobs from the families of Delmar, Elsmere and Slingerlands, in order to earn money for the Association of the Blind. The Sorority was successful in earning over \$60.00, for this cause.

We thank each and every family for its kindness.

The Sorority also supports an orphan child from Korea and finds time to care for the children at the Neighborhood House on Clinton Avenue in Albany. The girls also assist the needy at Christmas and Thanksgiving time.

Soon, again, the girls from Beta Gamma Rho, will be dressed as Easter Bunnies, in hopes of collecting a large sum for the Crippled Children. We extend a sincere plea to the community to be as generous at this time as they were for our work-day.

We thank you.

Sincerely,
Sue Loudis, President
Beta Gamma Rho Sorority

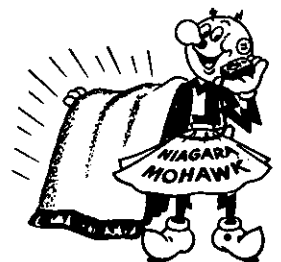

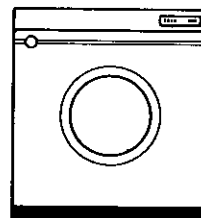

To the Editor:

Once again the residents of Delmar have responded wholeheartedly to the call of the Red Cross, the Red Feather and the Red Shield. They have donated their fair share to the 1964 Albany County Joint Appeal in the amount of \$5653.57, exceeding the quota originally assigned to this area.

The success of such a fund raising campaign is equally dependent upon the generosity of the giver and the dedication of the worker. To the band of devoted campaigners, 125 busy men and women of our community who gave countless numbers of hours, is due great credit. Whatever your role in the drive just concluded - be it donor, captain, or solicitor - you can take pride in a job well done. Be assured of the sincere appreciation of the undersigned. But of far greater importance is the knowledge that a destitute mother, a hospitalized veteran, an orphaned child, thanks you!

Gratefully,
Mrs. Hollis Harrington
Mrs. John Pike
Mrs. David Schwartz
