Dear Sir:

What's wrong with this community of ours? Have people become so selfish and self-centered that they leave no room in their hearts for good will?

This year, Bethlehem Central High School has no American Field Service Exchange student. The reason for our lack of an A. F. S. student is that so few citizens are willing to open their homes to further a greater understanding between the United States and some other nation. I realize that there are many people who are not financially able to keep an exchange student, but there are many who are able. These are the people who should realize that because of their thoughtlessness or selfishness, or whatever the case may be, the students of Bethlehem Central are being deprived of having an A. F. S. student among us, and also, some B.C. student will be deprived of participating in the A. F. S. Summer Exchange Program.

Perhaps the lack of interest in the program is due to lack of information about the program. It is not necessary for a family interested in having an A. F. S. student to have children of their own. This has often been a misconception.

People should realize that by opening their hearts and homes to some foreign girl or boy, they do themselves a favor, as well as the students of Bethlehem Central. They have the opportunity of knowing a foreign student personally. They are able to become familiar with his way of life, his thoughts, and his reactions to our society. These are things that can't be learned in books. Only by personal contact with foreign people are we going to better understand the people who make up this complicated world we

live in today. We shall not have peace until people all over the world have a complete understanding of one another.

I ask the citizens of the Town of Bethlehem to do themselves and their country a favor. Get to know your neighbors by opening up your hearts and doors. As the late President John F. Kennedy said, "Ask not what your country can do for you, but what you can do for your country."

Yours truly,
A. B. C. Student

Dear Editor:

My friends saw these words and asked me to make a few copies.

They also insisted I send a copy to you for "Letters To The Editor."

A mighty nation screamed in silent helpless agony as its Chief was slain. The soul of a nation wept bitter tears and sought solace in the black funeral drums that beat in slow cadence to the soft sobs of our black, white and colored Nation.

Seven white horses led his coffin covered by his nations glory. Sandar, that magnificent Pakistani Courser came behind. That black, spirited charger with black saddle and

HUMOROUS MEXICAN FILM NEXT ON SAT. PROGRAM

A hilarious, all animated musical invasion of Mexico and South America will take place on Saturday, December 21, before the very eyes of local children who are in the right place at the right time. Walt Disney's all animated technicolor feature, "Three Caballeros," will be shown at the Clarksville School at 10:30 a.m. and at the Bethlehem Junior High School at 2 p.m. under the sponsorship of Tri-Village Nursery School.

The film, starring Donald Duck, Jose Carioca - the Brazilian parrot, and Panchito - the rugged rooster of Mexico, will run one hour and 15 minutes. Admission will be 35 cents for children and 50 cents for adults.

Next in the nursery school's daytime film series will be "Gulliver's Travels," Jonathan Swift's classic fantasy, scheduled for morning and afternoon showings on Friday, December 27. This full length cartoon feature, winner of the Parents Magazine Family Medal Award, will last 1 1/2 hours. The amazing adventures of Gulliver, from the storm-tossed shipwreck at sea to the spectacular battles between the armies of the Little People, will be depicted in color.

BLANCHARD POST PLANS CHILDREN'S PARTY

Blanchard Post of The American Legion, will have its annual Children's Christmas Party on Saturday, December 21 at 1:30 p.m. at the Post. All children are invited. The program, lasting about 2 1/2 or 3 hours, will consist of movies, games, and a visit from Santa Claus who has promised to take time out from his busy schedule for an appearance. Candy and refreshments will be served. Arrangements are under the direction of Vice-Commander Eugene Fitz Patrick.

Commander Richard P. Dalton of Blanchard Post No. 1040, American Legion, has announced that the December 21 dance will be preceded by an Eggnogg Party at 7:30 p.m. All members and their guests are cordially invited. Mr. and Mrs. Joseph Von Ronne are co-chairmen of the evening's activities. Dancing will begin at 10:00 p.m. with music furnished by The Downbeats.

Get A Social Security Card for Christmas Vacation Work

"If you intend to work during the Christmas holidays, do you have a social security account number? If not, you may lose valuable social security credits," Richard F. Kirchner, District Office, said today.

Wages cannot be credited to your earnings record unless you have a social security card to show your employer. Lack of one or two quarters of coverage could mean the loss of thousands of dollars in benefits to you or your family later.

Mr. Kirchner urged that all part-time workers who have never had a social security card or have lost it apply for a number. The District Office in Albany is located at 16 Park Street. The telephone number is: HOBart 3-5581.

Many Thanks . . .

Your patronage for this last year has been most appreciated. May I take this opportunity to wish you all a Merry Christmas and a Healthy and Prosperous New Year.

reversed boots. That ancient homage to a Fallen Prince.

Our fifty nations WERE united as he was buried with all the awesome terrible grief torn splendor of the solemn funeral rites reserved for an Anglo Saxon King, the like of which the world had never seen. It was well our people said, but it was not enough our people felt.

Universal guilt spread softly over the world. With stunned horror we knew a Leader Of Men had again been crucified for us.

In life we honored him with lip service, in reality we ignored his teachings, to our everlasting shame. His heart and words called to every one of us to express love and show respect to all people of all colors or lack of color.

Surely this man was a prophet, we ignored him in life, but in death he has pierced our hardened hearts. Can we even think that God did not allow him to be offered up as a sacrificial death, because we are too cruel to be reached in any other way.

A century ago Father Abraham addressed himself to our forefathers at Gettysburg and they hardened their hearts and offered him up, a terrible bloody sacrifice.

Must we again allow our hearts to harden, as callous hateful devils try to separate us from this fresh precious blood?

In truth, our nation is bloody minded and blind and we have been weighed in the balances and found wanting. A little more time, a little more warning ignored and we will keep a horrible date with destiny.

Apocalyptic horses of death, colored white, red, black and pale were seen in the spirit by John, as restless as the black courser. Their task, God givin, is to destroy the nations that have hardened their hearts unto the last day. They will trample out deferred

justice and render judgment in blood, and will not be late to keep their date.

These words were during the days of our tragedy, written through the never ending tears. My heart questions God. Did it have to be this way? I thank God we were spared the incomparable Jacqueline. She was splendid, she walked with God in majesty. Her heart was broken but she gave honor to a dishonored nation. All hail. Nations paid her homage.

A Man is gone from us and we are heavy hearted. Another man has arrived may we not fail each other. Let us live the words and prayer of the man whom I believe God inspired to utter them.

America, America, God shed His grace on thee and crown thy good with BROTHERHOOD from sea to shining sea. Amen.

almost 6,800 students for the NCTE citation.

In announcing the winners, James R. Squire, Executive Secretary of National Council of Teachers of English, said that the Council recommends these students for college scholarships in 1964. In previous years, 99% of the Award winners entered the college of their choice. Approximately 80% of those applying for scholarships received financial aid.

The NCTE sends to all winners and runners-up scrolls of recognition and also sends the names of these students to their respective congressmen and governors. It honors their high school departments with certificates of merit. This certificate reads: The National Council of Teachers of English commends The Department of English of Bethlehem Central High School for evidence of excellence in its instructional program, as revealed by its apparent contribution to the high quality of writing and the literary awareness of its one or more students honored with the 1963 NCTE Achievements Award.

Mr. Robert Lambert and Mrs. Sally Kraft have been David's English instructors at Bethlehem Central High School. David's parents are Mr. and Mrs. David DePorte of 17 Maple Avenue, Slingerlands, New York.

Operation Goodwill

Operation Goodwill has launched its fourth year of recording, packaging and mailing taped holiday greetings from residents of upstate New York to members of the Armed Forces away from home.

Last year a record-breaking 3,500 messages were sent by Operation Goodwill and the sponsors of this yuletide program hope to break that record again in 1963.

If you would like to send a recorded message to a friend or relative in the Armed Forces, it will cost you no more than the price of a phone call. Give the operator your name and the complete mailing address of the serviceman. Then you have about three minutes

for the text of your message.

When you finish your message, give your name, address and telephone number so that you may be located to receive a return message.

Your message will then be spliced with an introduction of season's greetings from the area church and civic leaders, packaged and mailed to the serviceman. Included in the package will be an invitation to record a message to you on the same tape and send it back.

Operation Goodwill was created in 1960 by Dave Marks who is better known to ham radio operators throughout the world as Uncle Dave, W2APF. In December of each year since then, he has converted his office at 904 Broadway into Operation Goodwill headquarters. As messages are recorded there, he attempts to notify the recipient via his amateur rig that

Tales

BY THE TATTLER

Williamsburg Virginia and Glenmont, in the town of Bethlehem, will celebrate the beauty and joy of the Christmas season in like manner this year. To venture back some 200 years in American life, visit Colonial Acres in Glenmont this Christmas time! Residents of this colonial settlement are keeping Christmas by placing a single candle in each window of the homes there and on

the doors there will be no extravaganzas of lights . . . merely simple wreaths of green. By doing so, these homeowners feel that they are expressing the true spirit of this holy season and capturing its mood in the greatest sense of beauty and simplicity.

"How does it happen," I asked Jim Michaels, owner of Hayfield in Glenmont on which Colonial Acres is built, "that all the residents of this community decided to have uniform decor for the holidays?"

"It's an outgrowth of one of the recent meetings of the Colonial Acres Association," he said. Further discussion revealed that in this community there is great dedication and community spirit. When the Michaels bought Hayfield from George Stone in 1955, the estate was a gentleman's farm. George Stone had been with the State Education Department. He was interested in raising thoroughbred cattle, and also

Thus, the land had been well cared for and seemed a perfect place for the development of homes in the early American mood. The Michaels, therefore, deeded some 42 acres to the Glenmont Development Corporation, and Jim Michaels, together with Jerome and Joseph Rosen began building homes based on the colonial style of the Hayfield home-stead. Homes designed by three outstanding New England architects and varied to the owners' individual tastes were and are being built. Today, there are 32 families whose homes have been built during the 2 1/2 years since Hayfield became Colonial Acres. The

AVIS EXECUTIVE LEASE PLAN

Avis, the world's fastest growing car rental and leasing firm, has an exciting new leasing program designed for you. Under this new Avis Executive Lease Plan, you can have the car of your choice for a modest monthly charge and with no initial cash outlay. You will be billed monthly.

You don't have to tie up capital in a new car... you don't have to pay for the car in advance, but only as you use it... and you have complete records of your costs for tax purposes.

Best of all, Avis' quantity buying and selling lets us buy cars at lowest prices and savings are passed on to you.

You select any make or model of car and choose your own color and accessories. The car is delivered to you with the exact equipment you specify. Cars are registered in Avis' name. You pay for plates and maintenance. Extended new car warranties up to 5 years and 50,000 miles no longer make it necessary for you to pay extra for maintenance to which you are already entitled. There are no mileage charges. Insurance is optional. You may make your own arrangements for proper coverage or we will be happy to handle it for you.

Your lease is usually for a 2 year period. However, replacements can be made earlier if desired.

It makes good business sense to take advantage of this new way to have the car you've always wanted with no capital investment. You have accurate records for tax purposes and complete confidence in the dependability of the company you lease from.

homeowners work together to make good community living. Twelve directors are on the Board and officers rotate their duties. They help in responsibility for the swimming pool, the skating rink, and activities such as planning Christmas in its Merriest sense.

A community seems to be growing within a community. The lights, as one drives down Rt. 32 in Glenmont, shine out with a community spirit that is typical of the way of life in

Drive into Colonial Acres during the holiday (you'll see green lights in those ship's lanterns on the entrance posts) . . . and say hello to your neighbors, who, this year light their candles in the window.
