

SLINGERLANDS PLAYERS CHOOSE 2nd PLAY CAST

The cast of Slingerlands Players' second production of the season, "The Philadelphia Story" by Phillip Barry, to play Friday and Saturday, January 24-25 at Bethlehem Central High School, has been announced by Director Harlan Wilbert.

This sophisticated comedy of the horsey set of the Philadelphia Main Line was a very successful Broadway hit which later starred Katharine Hepburn, James Stewart and Cary Grant in a famous Hollywood version. Most recently it was adapted as a musical film called "High Society," and starred Frank Sinatra and Gene Kelly.

The play originally scheduled for this second production, "Pygmalion," was regrettably cancelled when it presented unforeseeable difficulties.

Playing The Philadelphia Story lead role of Tracy Lord, the young society girl on the eve of her wedding, is Slingerlands' bright comedy star Betty Taylor. Two males engage her attention in one way or another at this critical moment - Mike Connor (Richard Weeks), and C. K. Dexter Haven (Ralph Smith). For some reason neither of these characters is the bridegroom, George Kithedge, played by Dick Sanderson. Toby Thayer plays Tracy's smart, still-young mother, Margaret Lord, William Heenehan her not-so-avuncular Uncle Willie, and Skip Koch is older brother Sandy. The teenage Dinah is done by teenage alumna Corinne Weeks.

The classy lady reporter from the picture mag is Mary Nugent, as "Liz" Imbrie. Father Seth Lord is fatherly Douglas Marone (last seen as a giddy princeling). Aply plugging the supporting parts are Tom Varley as Thomas; Patricia Smith as Elsie May, and John Guntner as Mac, the Night Watchman,

Parent Faculty Advisory to Have Program Based on Community Recreation

Mr. and Mrs. Alexander F. Rothschild, co-chairmen of the Parent Faculty Advisory Committee of the Bethlehem Central Senior High School, have announced that the next public presentation of that committee will take place at 8:00 p. m., Wednesday, January 22, in the dining room of the Senior High School.

The program will focus attention on Community Recreation, with particular emphasis on the Youth Center and its function in the community. Four officers of the Bethlehem Citizens Advisory Commission for Recreation will conduct a panel discussion on the topic. Panel participants and their commission roles include: Harold Willard, President; Mrs. Everett Watson, Vice-president; Samuel Hutchinson, Treasurer; and William Fuller, Secretary. Mr. Fuller is widely known locally as the Town Recreation Director.

who turns out not to be a disc jockey.

Harlan Wilbert has built an impressive reputation in the theater of this region. He directed Slingerlands' first play this year, "The Lark," praised as an outstandingly sensitive and mature production; and last year won critical applause for "Look Homeward Angel."

Tickets for the performance are \$2.00 (students \$1.35 at the box office). Tickets are on advance sale at Toll Gate Restaurant in Slingerlands; Douglas Marone, Optician (Delaware Plaza); Ravida's Market in Slingerlands; Grover's Stationery at the Plaza; the Delmar Library; L. J. Mullen's Pharmacy, Delaware Avenue; John Mistletoe Bookshop, 238 Washington Avenue in Albany; and the Voorheesville Pharmacy.

"How Christian Science Destroys Fear" to be Topic of Public Lecture Tuesday

The power of scientific prayer to overcome fear and other everyday problems will be discussed in a free public lecture in Delmar next Tuesday, January 21, by Otto G. Ziegenhagen, a Christian Science lecturer from Chicago.

Christian Science Society, Delmar, is sponsoring the lecture, to be delivered in The First Methodist Church, 428

Otto G. Ziegenhagen

Kenwood Avenue, at 8 P.M. The subject of the lecture will be "How Christian Science Destroys Fear."

Mr. Ziegenhagen, an authorized teacher and practitioner of Christian Science, is on nationwide tour as a member of The Christian Science Board of Lectureship.

A native of Chicago, he is a former actor. In addition to his stage and radio work, he taught platform art and literary interpretation. Mr. Ziegenhagen withdrew from these activities in 1942 to enter the fulltime practice of Christian Science. He served from 1944 to 1946 as a Christian Science Wartime Minister. He became a Christian Science teacher in 1955.

MRS. SORRENTINO JOINS NURSERY SCHOOL STAFF

Mrs. Jeanette Smith Sorrentino will join the staff of Tri-Village Nursery School on February 10 when the school's third quarter begins. Replacing Mrs. Jane Bowen, whose resignation is effective the end of the second quarter, she is to teach a class of four-year-olds.

Mrs. Sorrentino holds a B.S. degree in Early Childhood Education with a minor in music from Queens College, and a M.S. degree in Early Childhood Education from Hunter College. She has taught first grade, kindergarten and nursery school in New York City, where she made her home before coming to Albany last year. The mother of three children, Mrs. Sorrentino is a member of the National Association for Nursery Education.

Tri-Village Nursery School, temporarily housed since September in a building next to Delmar Methodist Church, expects to be settled by February 10 in the nearly completed education wing of the church. Three places in the four-year-old class enrollment will be available at that time, and will be assigned on a first-come, first-serve basis. Interested residents of Bethlehem Central School District should request application forms from Mrs. Jean Golden of Slingerlands or Mrs. Elaine Kirchner of Delmar.

Director of the cooperative nursery school is Mrs. Carol Flick of Slingerlands. Mrs. Linda Hoyt of Schenectady and Mrs. Virginia Nuzzo of Delmar complete the staff.

Doubles Club Meeting

The Doubles Club of the Delmar Reformed Church will hold a meeting at the church on January 17. A Texas Chicken Dinner will be served at 6:30 p. m., followed by a business meeting.

LETTER

To the Editor:

The Board of Fire Commissioners of the Elsmere Fire District and the Officers of the Elsmere Fire Company would like to ask the cooperation of the residents of the Tri-Village area in maintaining open fire lanes in the vicinity of the Elsmere Fire Station. Recently, Poplar Drive in Elsmere has been designated a fire lane and parking on it near the Elsmere Fire Station from Elsmere Avenue to Ridge Road has been prohibited. In spite of this on several occasions Poplar Drive has been so clogged with parked automobiles (now illegally parked) that it would have been impossible for the fire vehicles to emerge from the station and proceed in any direction. Similarly, the parking lot at the fire station, which is barely adequate for firemen to park their cars when responding to a call, was completely full so that there would

have been no place for the volunteers to leave their cars. On one recent occasion, Saturday, December 21, 1963, we must say that when this condition was called to the attention of the town police and to the Officers of the nearby American Legion and their guests, all concerned were extremely cooperative in moving and removing cars to remedy the situation. This was possible when no emergency was present and when there were no cars of the responding volunteers trying to get through to the fire station. Under emergency conditions there might have been chaos, accidents or possible disastrous results.

The Elsmere Fire Commissioners are very proud of the well-trained Officers and men of the Elsmere Fire Company and are very appreciative that the taxpayers of the Fire District have seen fit to allow us to equip our Fire Company with the best and most up-to-date fire equipment possible and to provide a fire station second to none in the area. unless our men are able to get to the fire station expeditiously and can proceed with the equipment to the scene of the fire without any delay we would not be meeting our obligation to protect the life and property of the district.

We are sure that the situation results only because of momentary thoughtlessness and not a willful disregard of the possible consequences. Therefore, we ask persons who find it necessary to park in the vicinity of the Elsmere Fire Station to park their automobiles so that access to and from the fire station will not be impeded

and whenever possible to refrain from using the parking lot at the fire station. Please do not let the Elsmere Fire Company face the possibility of having a disastrous fire or losing a life because they were unable to get their equipment out of the fire station and to the fire.

Very truly yours,
Board of Fire Commissioners

Hauf's Opens Remodeled Store

During the week of January 14, thousands of men, women and children will be invited to view the remodeled John B. Hauf Furniture Store at 175 Central Avenue in Albany. From a modest beginning in 1897, Hauf's occupied a small store at 245 Central Avenue. Six years later, a new building was erected at 261-263 Central

Avenue by the founder, the late John B. Hauf.

Today, the present John B. Hauf Furniture Store is probably the most physically unusual store of it's kind in the north-eastern section of the United States, both from without and within. In addition to the imposing facade-entrance on Central Avenue, and additional supplementary entrance at the rear of the store on Sherman

Street has also been completed, allowing customers to park quickly directly behind the store, in Hauf's private parking area. With the new "rear entrance," customers will enter the store at a point where the attention of expert Hauf Sales Personnel is immediately available.

Hauf's is famous for an unusual 5-day a week Operating Basis, Tuesday through Saturdays for nine months of the year and Mondays through Fridays during June, July and August. Thus, patrons are assured the availability of all members of Hauf's Staff including Interior Decorators, regardless of the day requested.

John B. Hauf Furniture is known far and wide as the store providing a genuinely friendly atmosphere among Sales Staff, Decorators, Executives and Office Personnel . . . from Receptionist to Delivery and installation Departments. The object of course, is to make every Hauf Customer feel like an "honored guest." Hauf's policy of maximum customer satisfaction and the firm's slogan of "The House Of Quality" remains as originally established in 1897 . . . to deliver the finest possible quality of workmanship, the greatest amount

of value per dollar and the ultimate in "cheerful service."

All the same "foundation stones" laid by John B. Hauf when he began his modest business venture on Central Avenue in 1897. Officers of the firm are: John R. Hauf, President and Treasurer; Harry P. Gade, Vice President; Charles M. Loftus, Secretary; Harriet Hauf Hartman, Assistant Secretary.

Everyone is cordially invited to see and view the remodeled John B. Hauf Furniture Store at 175 Central Avenue in Albany during the entire week of January 14th (except Monday, January 13) when "OpenHouse" will be celebrated by one of the finest, oldest and best known Furniture Organizations in America.

taken Monday thru Thursday in the Science Building, Troy campus, from 6 p.m. to 8 p.m. Registration closes February 1 in both cities.

This year Sage will accept evening class registration in courses which can lead to associate degrees in nursery education and retailing. In both cases the professional courses such as practice work, must be completed in the day classes eventually.

A master's degree is offered in education and bachelor's degrees in liberal arts, business, accounting and teacher training. A nursing degree for those holding the R.N. designation may be started in the evening programs. Associate (two-year) degree programs authorized by New York State are given in public service, American studies and business.

New York State offers tuition grants to teachers of the retarded who are enrolled in Sage's Monday evening program for special licensing in that field.

Dean George J. Spears of the evening division of Sage

commented that 1808 men and women had registered in the fall term ending January 25. The College has also noted an increase in retired persons attending classes evenings, especially those who resent the paternal approach to the "senior citizens." "Many are going thru first-year retirement jitters," Dean Spears commented.

At this dance, the Canteen Councils also received a second place plaque for their recent participation in a School Spirit Contest sponsored by Radio Station WABY.

Old Timers' to Meet

The mid-monthly meeting of Blanchard Post #1040, American Legion, January 20, 1964, has been designated as "Old Timers Night" by Commander Richard P. Dalton. The program will start at 8:30 p.m. The Honorable Edward Scheiberling, former National Commander of the American Legion, will be on hand to address the meeting. It is expected that the World War I veterans will make their usual good effort to attend this annual get-together for an evening of reminiscence and fellowship. Past Commander Ralph Butler of Elsmere will preside.

Complete Banking Services through 34 offices in Northeastern New York State

licity preparations.

Instructed by a professional PR practitioner, the course is especially appealing to college students, business executives, office personnel and officers of clubs and organizations.

The class limited in enrollment, is held each Monday evening from 6 to 9 p.m. Those interested can obtain further information by contacting Albany Business College.

The Farm Produce Outlook

Poultrymen are expected to increase their egg production slightly during the first half of the new year. This is the prediction made by Prof Jonathan S. Tobey at a county agricultural agent's outlook conference held at Cornell University recently.

Prof. Tobey and Leonard M. Palmer, associate county agricultural agent, reasoned

that egg production during the second half of the year hinges on the January-June hatch of new chicks. If egg prices are lower during the first six months of 1964, the early hatch would be less than the figure for 1963.

Anticipating no great change in egg consumption, the specialist and agent foresee slightly weaker overall egg prices than the U.S. price of 34.1 cents a dozen received during 1963.

Turning to the turkey outlook they forecast a larger turkey crop in 1964. This is based on favorable returns from this year's flocks. With the expected increase in total population, the demand for turkeys should be strengthened during the coming year, they added.

Geyer Opens Office

Howard W. Geyer has announced the opening of an office for the practice of architecture at 340 Delaware Avenue in Delmar, New York. Mr. Geyer is a graduate of St. Lawrence University and Rensselaer Polytechnic Institute, with a Bachelor of Science and Bachelor of Architecture degree. He has been a licensed architect since 1958.

From 1950 through 1961, Mr. Geyer was associated with Sargent, Webster, Crenshaw &

Howard W. Geyer

Folley of Syracuse and Watertown, an architectural firm which ranks among the top in the United States in volume of school design. Since 1961, Mr. Geyer has been an Associate in the firm of Donald J. Stephens, Associates-Architects, of Loudonville, N.Y.

He is a member of the Eastern New York Chapter of the American Institute of Architects, a member and director of the Delmar Rotary Club, and a director of the Opportunity for Growth Corporation of the Town of Bethlehem. He resides at 117 Adams Place, Delmar, with his wife and two children.

Panel Discussion

The Delmar Elementary School P.T.A. will have a panel discussion January 21 at 8 p.m. in the school cafeteria.

The topic will be "1,000-mile check-up once a year." The testing our children undergo during the school year has long been of interest to parents. This is an opportunity to have a better understanding of why we test and how we test - to have many of our questions answered.

Dr. Harold Bookbinder will be moderator. Mrs. Florence Allen, 1st Grade teacher will cover Kindergarten and 1st Grade; Mrs. Dorothy Hosey, 4th Grade teacher, will discuss achievement testing and Mr. James Cronin, 6th Grade teacher, will explain IQ testing.

March of Dimes Benefit

Reverend Paul J. Bondi, director of junior activities at

St. Thomas', has arranged for the "March of Dimes" to benefit from the proceeds collected at an exhibition basketball game in the BCJHS gym on January 16, featuring St. Thomas' Jr. CYO versus the BCHS 8th Grade All-Stars.

Also on the agenda for Jr. CYOers is a "Food Sale" on January 16 in the vestibule of St. Thomas' School after all the Masses. Proceeds help to defray transportation expenses for Jr. CYO activities.

New Arrival

Mr. and Mrs. George E. Kirk Jr., wish to announce the birth of their third daughter, Cynthia, on Monday, December 30th, 1963. Cynthia's sisters are Susan and Alison.

Auxiliary Meeting

The Ladies Auxiliary of the Slingerlands Fire Company will hold a meeting Wednesday, January 22, at 7:30 p.m. in the Slingerlands Fire Hall.
