

## LETTERS

Dear Editor:

For several weeks I have advertised the loss of a white altered male cat in the vicinity of Delmar. I am inclined to believe that some kind person offered this pet a home. I feel that somewhere, someplace, this lovely little animal is being taken care of; if so, they may keep the pet as their own but ask that I be notified by calling HE 8-1654 - this plea is to simply put my mind at ease that the pet lost is sheltered and cared for.

Gratefully,  
Mrs. Chas A. Tremmel

To the Editor:

I would like to take this means to offer my thanks and sincere appreciation to those men who left their party in answer to a call for an ambulance on New Year's Eve at 2 o'clock in the morning. The call was from near Clarksville where they picked up a sick man and took him to Memorial Hospital. Neighbors could not start their cars in the 10 degree below zero weather.

It was an act beyond the call of duty and probably saved my life.

I am home again now convalescing after an operation.

We of the Tri-Village area are indeed fortunate to have such a fine group of young men who stand ready to help us whether it be ambulance, fire or flood. They are our modern minute men and we rest safe under their protection.

**NEW KITCHEN KIBITZER** - Time was when the family used to gather around the kitchen stove. Now "kitchen kibitzing" can happen at the refrigerator. GE's new Americana refrigerator, being introduced in the Capital District area this week, is called the first real change in refrigerators since 1948. Top section is the refrigerator while the base, which pulls open like a drawer, is the freezer portion. The breakfront design in the center is an ample, illuminated counter where food can be prepared or snacks served.

# Commercial Bank CHECK-CREDIT

lets you borrow money for any purpose  
again and again and again...  
with one loan application

MONEY to buy things

MONEY to pay bills

MONEY for emergencies

With Commercial Bank CHECK-CREDIT, you borrow money by simply writing a check. Once your application is approved, you have continuous CHECK-CREDIT in an amount up to twelve times the amount you can comfortably repay in a month. This credit reserve costs you nothing until you use it. Then, the charge, including life insurance protection, is only 1% a month on the amount of credit you are using. As you pay back what you borrow in monthly installments, you rebuild your credit for use over and over again. Your monthly payments remain the same no matter how many times you borrow. Apply for CHECK-CREDIT at our nearest office.
