

CLYNE ANNOUNCES CANDIDACY FOR SCHOOL BOARD

John H. Clyne, Sr. of 16 Burhans Place, Elsmere has announced his candidacy as a member of the School Board of the Bethlehem Central School District.

Mr. Clyne has resided on Burhans Place for the past 23 years. For 23 years he has been the Manager in Upstate New York for the Phoenix Mutual Life Insurance Company, and he is now the Consulting Manager for that firm.

During all his years in Elsmere, Mr. Clyne, has been interested in the schools and

John H. Clyne, Sr.

school activities. He has been a member of the PTA of the Elsmere School and has served many years on the Advisory Committees of the Bethlehem School System. He was originally on the Planning Committee for the expansion of the system, and the building of the new High School. At that time he was on the panel that presented the plans for the new school to the various PTA's in the community. Later Mr. Clyne served on the Public Relations committee, and also on the Finance Committee as both a member and Chairman.

Mr. Clyne has three children, all of whom graduated from the Bethlehem School System, two of whom reside in Delmar. Regarding his continuing interest in the Bethlehem School System, Mr. Clyne

At the opening, left to right: S. Scott Jackson, President of the Chamber of Commerce; Bertram E. Kohinke, Supervisor; Mrs. Arthur Main and Chester Hawley, Pres., Main Bros.

said - "There is currently one Clyne in the Bethlehem Junior High School, and nine more still to be graduated."

Mr. Clyne has always been interested in School athletics, and has served as President of the Bethlehem Central Men's Association. He is a past President of the Delmar Kiwanis Club; member of the Normanside Country Club; and for over 20 years has been a member of Blanchard Post of the American Legion. He is a communicant of St. Thomas Church, and is currently serving as President of the Holy Name Society of that Church. He is also a Vice-President of the Greater Albany Chamber of Commerce.

Mr. Clyne was a member of the original Recreation Commission of the Town. He also served as Chairman of the Commission. The present youth program of the town, including

AIR FORCE BAND TO BE AT BCHS FRIDAY, APRIL 24

One of the world's most popular and talented musical organizations will be featured on Friday, April 24, at the Bethlehem Senior High School. For this performance, the United States Air Force Band with the Singing Sergeants will bring their outstanding musical style to the students of the Bethlehem School district.

The Parents' Steering Committee and the Parent-Faculty Advisory Committee aimed high in their choice of programs for the schools and chose this internationally famous United States Air Force Band, one of the finest musical groups in the country, to give the students a top musical experience.

Packed houses have greeted these bandmen wherever they have gone. A line three blocks long had to be turned away at London's Royal Albert Hall, while in Glasgow, the largest cinema house in Europe could not accommodate all those who wanted to attend.

The musicians in the Air Force Band were chosen from twenty different symphony orchestras and sixteen "name" dance bands, and constitute an organization capable of performing any given type of music with the highest professional standard. It is the opinion of Colonel George S. Howard, its conductor, that a musical organization does not have to be either "long hair" or "jazz."

Study Group to Meet

The Antique Study Club of the Delmar Day Unit of Home Demonstration will meet at the home of Mrs. Elmer Reynolds, 102 Elm Ave., Delmar, on April 29, at 1:30 P.M.

Mrs. Crosby Ruttenber will speak on and show her collection of antique buttons.

CLYNE CANDIDACY (Cont'd.)
 the Youth Canteen, is the result of the ground work done by this original Commission.

In addition, Mr. Clyne has served as Kiwanis Club Advisor to the Key Club of the Bethlehem Central Senior High School. The Key Club is the youth service group of the High School.

For the past five years, Mr. Clyne, has been Chairman of the Life Insurance Industry Advanced Education Committee for Upstate New York. This committee sponsors educational courses on the professional level, leading to the designation of Chartered Life Underwriter. In addition, he has several years been a teacher of these courses.

Before moving to Elsmere, Mr. Clyne, served for seven years as a member of the Board of Education in Hamden, Connecticut. During that period he served as Chairman of

the Building Committee which built two new schools.

Asked regarding his candidacy, Mr. Clyne said - "I am running as an independent, with the backing of no individual or group. As a matter of fact, I don't know whether or not I will be able to get the necessary number of names for the nominating petition."

About his platform, Mr. Clyne said - "Very simple.
 1. An outstanding school system; 2. Excellent teachers; 3. Economy.

1. "The reputation of the Bethlehem School System for achievement is known throughout the State. This fine school system has served as a magnet to attract to Delmar the wonderful new people who have come to our community. Our superior schools should continue to attract additional fine citizens. And I am sure that everyone in our community

wants the schools to continue to grow with the times.

2. "The heart of a school system is people. The Bethlehem School System has excellent teachers, supervisors and administrators. Those who are now with us should be encouraged to stay in the system. This should be done by compensating them commensurate with their ability and growth; and by providing the facilities necessary so they can continue to do the superior work they have been doing. New teachers added each year should be the very best available.

3. "Economy. Full value for every dollar spent. This does not mean penny-pinching. That is not economy - that is too often waste. Economy comes from good, prudent management, with wise investment of money now to save higher costs in the future. This

I advocate in our School system.

"I am completely familiar with the problems of retired persons who live on limited and fixed incomes. For many years it has been my privilege to be the professional advisor to hundreds of such folks. I know their problems.

Mr. Clyne stated that he is anxious to speak before any group in the school district to explain his views and to answer questions. He said he would be willing to appear individually, or on the same program with any other candidate.

GARRY STEVENS TO PLAY FOR REPUBLICAN DANCE

The Republican Club of the Town of Bethlehem has signed a contract with Garry Stevens and his orchestra to furnish music for dancing at the 2nd Annual Spring Dance, Satur-

Garry Stevens

day, April 25. Mr. Stevens and his orchestra, who were featured nightly over WRGB for many years, said, "I am most pleased to be selected to provide the music for this occasion once again."

Joe Von Ronne, ticket chairman for the event, reported

that many groups of people have made ticket reservations and several people are giving pre-dance cocktail parties at their homes. The Legion hall will be decorated under the supervision of Vincent Herzog, President of the club.

Tickets to the Spring Dance, one of two social affairs sponsored by the Club each year (the other being the family picnic) are available from any of the Republican committeemen. It was suggested by the ticket committee that there are limitations as to the number of people who can be accommodated and those planning to attend should purchase tickets as soon as possible.

Doubles Club Meeting

The Doubles Club of the Delmar Reformed Church will hold a meeting on Friday, April 17, at 6:30 P.M.

A chicken dinner will be served followed by the regular business meeting.

Junior College of Albany Will Have New Dean September 1

Dr. Jerome A. Fallon, associate dean of Ball State Teachers College, Muncie, Indiana, has been named dean of Junior College of Albany, the two-year, co-educational division of Russell Sage College, 140 New Scotland Avenue, Albany. The appointment is effective September 1. Dr. Fallon is also director of instructional services at the Indiana college.

He earned his doctorate at the University of Michigan where he was also a Carnegie Fellow in Higher Education under Dr. Algo Henderson, former New York State associate commissioner for higher education. His undergraduate

degrees are from Michigan State University. Dr. Fallon has also acted as assistant professor and director of broadcasting at Notre Dame University. He served in the United States Army in the Pacific area 1943-1946. Dr. Fallon is a native of Tupper Lake, New York, where he graduated from high school. He is married and has a son and a daughter, three and eleven respectively.

Dr. George J. Spears has been serving as acting dean at the Junior College for the current academic year. After September 1 he will give his full attention to the evening division of Russell Sage of which he is dean, and as director of the summer session.

Symphony Concert Set

Mrs. Henry M. Carr, Jr. of Delmar will be in charge of the Dress Rehearsal concert of the Albany Symphony Orchestra, Sunday, April 26 at 2:00 p.m. in Philip Livingston Jr. High School in Albany. As usual this rehearsal is open, free of charge, to all area school children of primary, elementary, junior and senior high schools.

Mrs. Carr, a member of Vanguard, the Women's Auxiliary of the Symphony, urges all educators and parents to take advantage of this opportunity by encouraging their children to attend.

Special program notes in the vocabulary of young people were written for the dress rehearsal by Mrs. Brooks R. Barvoets. Members of Vanguard will be there to supervise and be helpful. The orchestra will be rehearsing Three Nocturnes of Debussy: Nuages, Fetes and Sirenes (assisted by The

Emma Willard Choir) and Symphony No. 6 of Beethoven.

The guest artist will be the young American pianist Bela Szilagi who will perform Schumann's Concerto in A Minor for Piano and Orchestra. Mr. Szilagi was born in New York City of Hungarian parents. At nine he began study of piano, making his first public appearance when he was twelve. After receiving a scholarship from the Juilliard School of Music where he studied with Jane Carlson and Sascha Gorodnitzki, Mr. Szilagi went on to win many top prizes in competitions. As a recipient of the Jugg Award in 1960, he was presented in his Town Hall debut in March, 1961. He was twice finalist in the Leventritt Competition in 1960 and 1962. He has performed as soloist with many symphony orchestras - 3 times in one season with the Detroit Orchestra. After performing with the Boston Pops last summer, he was re-engaged this season.

The fourth and final concert of the Albany Symphony will be April 29, 8:15 p.m. at Philip Livingston Jr. High. The acoustical shell which Vanguard presented to the Symphony opening night of this season will be in place for the dress rehearsal as well as the evening of the concert. Tickets for the April 29 concert may be obtained from the Van Curler Music Co., The Ten Eyck Record Shop, the Elsmere Pharmacy or at the door the night of the concert. Regular admission is \$2.75 and student admission is \$1.00.

Free transportation to and from concert is provided. An L.C. Smith bus leaves at 7:45 p.m. from the Plaza at the D & H Building via State, Washington, Western and over Lake to Livingston with stops en route.

Memorial Plans Advance

"Proceeding on schedule" is the report Chairman William Johnston, Jr. makes for the Bethlehem Memorial Committee.

Committee Treasurer Chester L. Hawley finds the campaign to finance the project is within 25% of the \$3,000.00 goal initially set. "Of course," says Mr. Hawley, "whatever additional money is received will be used to make the memorial site even more attractive."

In his report, the Chairman states that the granite monument has been ordered.

An added feature to the project will be the placing of a cornerstone in which will be set a metal box containing mementoes of the dedication ceremony. The "memento box" will be about 10" long by 11" wide and 20" deep. The items to be put in the box will include a list of names of men and women who were residents of the Town of Bethlehem at the time they entered the Armed Services; a file of news clippings from Delmar's Spot-

light and Albany's newspapers, Times Union and the Knickerbocker News, a copy of the current issue of the Tri-Village Area Directory; a 50-star United States Flag; and a list of the contributors to the Bethlehem Memorial.

Foundation work and the Heldeberg bluestone on which the granite memorial will rest is being contributed by the town's construction and building leaders who have pledged their services and materials to Fred Weber.

The cornerstone laying will be made part of the dedication ceremony to take place at the close of the annual Memorial Day Parade on the morning of May 30. The Bethlehem Memorial Committee is co-ordinating its program with that of the parade chairman, Robert E. Mulligan of Delmar.

Burlingame Promoted

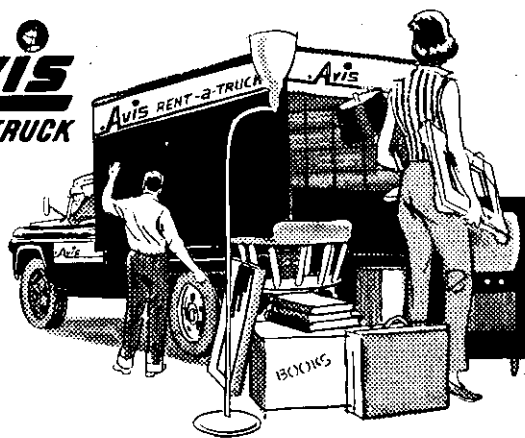

Rufus W. Burlingame of 244 Murray Avenue, Delmar, has been appointed transportation superintendent of the Eastern Division of Niagara Mohawk Power Corporation, it was announced by R. H. Stratton, administrative vice-president.

He succeeds John H. DeWitt, of Clinton Heights, who recently retired.

Mr. Burlingame joined the power company in 1949 as an engineer at Albany. He served in that capacity until 1962 when he was named a staff engineer.

A native of Albany, Mr. Burlingame was educated at Albany Academy for Boys and earned a degree in electrical engineering from Union.

Herzog Elected President

The Bethlehem Men's Republican Club will be headed for another year by Vincent P. Herzog, it was announced today following the club's annual elections. Robert W. McWilliams was re-elected vice-president; Edward P. Rook, secretary. Joseph Von Ronne was named treasurer.

Two directors who were active in the formation of the club and had served as directors since that time, were re-named to the board of directors. They are Raymond Brownell Jr., and Charles H. Redmond.

Mr. Herzog announced that plans are progressing for the second annual club Spring dinner-dance to take place April 25. William Murphy is chairman of the dance committee.

NIAGARA MOHAWK PLANS \$5-MILLION EXPANSION

Niagara Mohawk Power Corporation will spend about \$5 million in its Albany District this year for expansion and improvement of its natural gas and electric facilities.

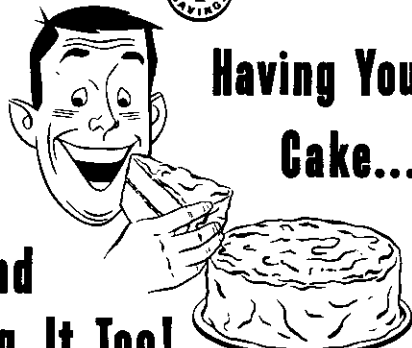

R. H. Stratton, administrative vice president, said the allocation is part of \$18.5 million the power firm will spend in 1964 on construction throughout its Eastern Division, roughly bordered by Hudson to the south, Port Henry to the north and St. Johnsville on the west.

Mr. Stratton said that the major project in the Albany area will add to the capacity of the 115,000 volt transmission system supplying the Capital District. The project includes

Having Your Cake....

....and
Eating It Too!

You are being advised on all sides to spend your increased "take-home" pay resulting from the lower tax rates now in force "in order to help the economy."

When you put money in a savings bank it does not lie idle in the vault. It is put to work for you by the Bank in the form of loans for many worthwhile purposes. For instance, in the last ten years, the New York State savings banks have made mortgage loans on some 150 schools, 140 hospitals, 590 houses of worship, 65 urban renewal projects, 1,800 shopping centers and stores, 2,260 industrial and 510 office structures — all inside the state. At the same time these banks have maintained their leadership in providing loans for home financing.

Putting money in this Bank is like "having your cake and eating it too." You are saving money for yourself, collecting your interest, strengthening your own economic security and at the same time helping the growth of the general economy.

construction of a 230,000 volt transmission line from the company's New Scotland Station to the Reynolds Road station in North Greenbush. There, a 200,000 kilowatt transformer will be installed to reduce the voltage to supply four 115,000 volt lines serving the district. The new line will help provide for the growing demand for electric service in the Capital District, Mr. Stratton said.

Other Albany electric work includes installation of 34,500 volt underground transmission lines to supply a state-owned substation to be built beneath the South Mall platform, as well as removal of present power company gas and electric lines from the Mall area. A new 5,000 kilowatt substation is to be built on Seminole Street off Western Avenue to meet the growing power requirements in that section of the

city.

Mr. Stratton noted that another major project scheduled this year is the construction of a 26-mile natural gas pipeline to supply the increased demand in the Saratoga-Glens Falls areas. The gas will be supplied from an interconnection in Rotterdam, through three miles of 20-inch line and 23 miles of 16-inch pipe to a junction with the present gas line between Saratoga and Glens Falls. The job is scheduled for completion by next December.

New street lighting is tentatively planned for sections of Western and Washington Avenues, Lark Street and Delaware Avenue and at Albany Airport.

Natural gas line extensions are scheduled in several Colonie housing developments, on Elm Avenue in Glenmont and North Main Street in Voorheesville. Replacement of distribution

You can...

mumble,
mutter,
grunt,
complain,
roar
and groan
about
high heat bills...

or switch to low cost gas heat

You can actually save from 10% to 15% on your annual heating bills if you switch to gas heat. And gas heat keeps every room in your home comfortable, including the basement. Your heating contractor, in most cases, can convert your present heating system to gas in a few hours. And Niagara Mohawk will spread your heating bills over the entire year, so you pay about the same amount every month.

FREE GAS SERVICE INSTALLATION. Install natural gas in your home now and we will install free, up to 100 feet of gas line from the main to your home. Call us for details.

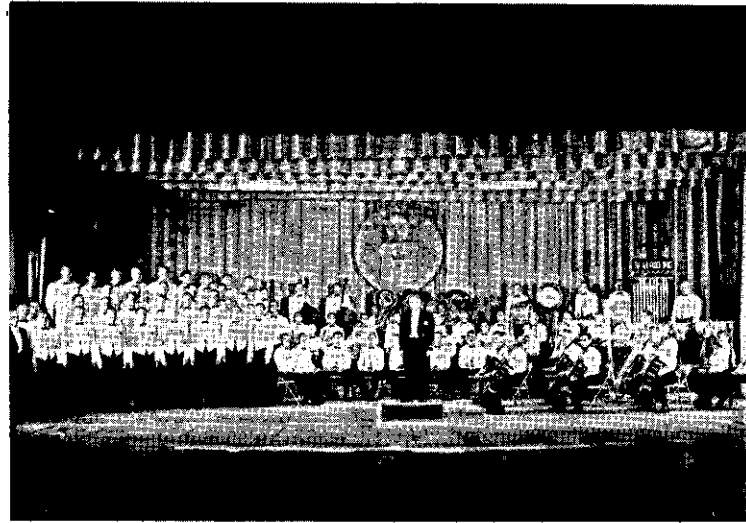

main is set for Morton Avenue, between Delaware Avenue and Grand Street, in Albany.

Mr. Stratton also pointed out that Niagara Mohawk will go forward in 1964 with its atomic power program, completing plans for a 500,000 kilowatt atomic power plant scheduled to go into operation near Oswego in 1968. Preliminary construction will begin early in 1965.

Another major system project will be installation of extensive

switching equipment near Syracuse and Utica to provide additional connections with the 345,000 volt transmission system that spans the state. These will enlarge and expand the capacity of the "gateways" through which large amounts of power can be delivered to Niagara Mohawk's system.

Mr. Stratton noted that Niagara Mohawk, one of the state's largest taxpayers, last year paid \$2,100,000 in city and county taxes in Albany County.

The United States Air Force Band will appear at BCHS on Friday, April 24.
