

## 97.7 PERCENT VOTE OPPOSITION TO BY-PASS LOCATION

Opposition to a proposed by-pass connector through Slingerlands is nearly unanimous among Bethlehem residents polled by the Bethlehem-New Scotland Roads Association during its May 13 information meeting.

Frederick C. Stimmel, president of the association, today released figures showing some 97.7 percent of the voters objected to the Department of Public Works plan to link the Delmar and Slingerlands by-passes with a four-lane divided highway through the heart of Slingerlands.

Predictably, the bulk of the opposition came from Slingerlands residents. But, Stimmel pointed out, about 17 percent of the tallies opposing the DPW plan came from residents of Delmar, Elsmere, Glenmont, New Scotland, Voorheesville, Feura Bush, and Albany.

A total of 477 votes were cast, Stimmel said. Of the 466 who opposed the route, 341 were Slingerlands residents, 82 were outside Slingerlands. And 43 votes were unidentified geographically. Eleven voters favored the DPW proposal.

A majority of the voters making comments wanted a return to the 1958 DPW route, which called for the two by-passes to join west of Slingerlands at routes 85 and 85A, Stimmel said.

In polling attendees of the meeting, the Association had invited comments. Examples cited by Stimmel included these:

"Although residents of western Delmar, we consider the beauty and grace of Slingerlands an asset to the entire Albany area."

"The 1958 proposal still seems adequate. Why was it not carried out?" - Delmar resident.

"It seems unlikely, in view of tonight's presentation that the DPW will be able to justify the present proposed link even on engineering or traffic-flow grounds. But even if it can, the desire of the citizens to preserve the character of their community must govern." - Delmar resident.

Bertram E. Kohinke, Bethlehem Supervisor, and Mrs. Desiree Jenkins, Mrs. America of 1964, cut the ribbon at ceremonies opening the Editor's Choice home at Colonial Acres on May 16. The house is open for general public inspection six days a week through June 13.

## VETERANS MEMORIAL TO BE UNVEILED SATURDAY

The new Bethlehem Memorial to Veterans in Delmar is to be unveiled May 30 by Mrs. Ama

"After looking at the map on the screen, it seems to me that the bulk of Delmar-Elsmere traffic heading for the State Campus in the morning would still proceed across Kenwood Avenue just as it does now, so that the bypass in the proposed location would not relieve that area of Delmar and Slingerlands appreciably more than one farther out would. It wouldn't help the intolerable weekend traffic to Thacher Park on New Scotland Road at all." - Elsmere resident.

"We of the Town of Bethlehem, are supposed to live in a democracy where the consent of the people involved should be considered. When the voices of the people and their desires no longer carry weight, do we still have democratic administration and processes?" - Delmar resident.

M. de Heus, widow of the late Otto D. de Heus.

A leading citizen in his community, Mr. de Heus, a World War I veteran and active in veterans organizations, had a major share in the establishment and preservation of the Bethlehem Memorial Park.

A report to the Committee by Mr. Johnston shows that in addition to the cash contributions of nearly \$3,000.00, a goal set by the committee, shrubbery and landscaping work valued about \$1,500.00 have been donated by florists and landscapers of the community. A considerable contribution in materials and labor has also been made by builders in the vicinity.

The new granite monument is replacing the wooden board that had been in Memorial Park on Delaware Avenue. Unveiling of the new memorial takes place at the close of the Town of Bethlehem's annual Memorial Day Parade. The dedication ceremony is set for eleven o'clock.

## KINDERGARTEN SCHOOL TO HOLD OPEN HOUSE

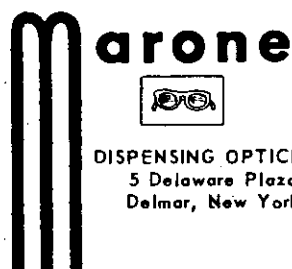

An Open House will be held at the Bethlehem Center Kindergarten School in Glenmont on June 3 between the hours of 7:00 and 9:00 P.M. Parents of next year's kindergarteners from Delmar, Hamagrael and Glenmont who will attend classes at Bethlehem Center are invited to view the classrooms and grounds, and to meet the teachers.

The building is located at the corner of Rt. 32 and 9W. During the past summer it was completely renovated and during this year has housed 108 kindergarteners from Glenmont and Delmar. The Bethlehem Center School was built in 1925 and has the air of a country day school with spacious play area, fine play facilities, and lovely old trees. The building has housed many boys and girls from the area ranging from kindergarten age to eighth grade at one time during its years of use.

During 1956-57, it was used to accommodate first and second graders of the Glenmont School prior to the completion and opening of that building in May of 1957. From then until the fall of 1963, it has been the home of the Tri-Village Nursery School.

Increased enrollment in the Bethlehem District, and particularly in Delmar, Hamagrael and Glenmont necessitated the move to use the building as a kindergarten school in order to free classrooms for other groups in the larger buildings.

On hand to greet guests on June 3 will be the school's staff, including the three classroom teachers: Mrs. Carol Forrest, Mrs. Mary Freeman, and Miss Dorothy Weiss.

BY-PASS MODEL ON DISPLAY AT TOWN HALL

The State Department of Public Works' model of the proposed connection between the Delmar and Slingerlands Bypasses is on display at the Bethlehem Town Hall in Delmar. It will remain there for several weeks.

Robert W. Sweet, DPW Chief Engineer, said today that arrangements to display the scale

that he will provide Supervisor Kohinke with results of the Department's recent Tri-Village traffic survey as soon as possible so that Town of Bethlehem officials could further consider the highway plans in relation to all available data. It is expected that the compiling of survey information will be completed by July.

1. End of present By-pass
2. Underpass at Delaware Ave.
3. Overpass at N. Scotland Rd.
4. Overpass at D&H Railroad

model were made at a recent meeting with Bertram E. Kohinke, Bethlehem Town Supervisor.

Placing the model in the Town Hall at 393 Delaware Avenue, Delmar, will give Town officials and other interested residents of the Tri-Village area (Elsmere-Delmar-Slingerlands) an opportunity to see how and where the proposed new roads would be constructed.

Mr. Sweet also announced

If Town officials indicate an interest in the proposed routes, the Chief Engineer said, the Albany District Office will complete the design for the first section of the Slingerlands bypass.

This section will extend from the present southern end of the Crosstown Arterial at Krumkill Road in Albany southwesterly to Maher Road in the Town of Bethlehem. Notice of this project has already been advertised

and placed on the Department's design program.

At the same time, Mr. Sweet said, the District Office would prepare preliminary plans for the rest of the Slingerlands bypass and the Delmar bypass connection, and would call a public hearing on this portion to present the plans and receive the comments of township residents.

After the Department secures bids for the Slingerlands bypass section to Maher Road, he said, it will advertise for bids for a second contract covering the remainder of the bypass to the Town of New Scotland and the connection with the Delmar bypass at Elm Avenue. This second segment will include an interchange in the vicinity of Font Grove Road, Slingerlands, to enable ready access to and from the bypass for Slingerlands area residents.

When the Slingerlands bypass is completed, traffic now using New Scotland Road (Route 85) will have a modern, easy-to-travel facility between Albany, the Tri-Village area and John Boyd Thacher State Park.

Tri-Village area residents interested in accelerating the planning and land acquisition for the two contracts should make their wishes known to Town Officials, Mr. Sweet said.

The new Delmar Bypass, between Route 9 near Exit 23 of the Gov. Thomas E. Dewey Thruway and Elm Avenue, Delmar, now is open to traffic.

 Glenmont School Ceremony**

Teacher Recognition Day at Glenmont School became Miss Marie Wiedeman Day as declared by the P.T.A. in a tribute planned to honor her for more than 25 years of elementary school teaching and of service to the Junior Red Cross.

At an assembly program at the school, Miss Wiedeman was honored by children, parents, and co-workers as they paid tribute in poetry and song to her sincere and dedicated efforts toward providing a challenging education for all her students.

David Marshman, sixth grade student, was master of ceremonies. He introduced Debbie Johns, a third grader, who in turn presented Glenmont P.T.A.'s president, Mrs. Rolf Olsen. Mrs. Olsen presented the "teacher of the day" with an orchid corsage and a mounted scroll written in Old English lettering which gave credit for her contribution to the children she has taught.

Sally Tomiko, fourth grader, and former student of Miss Wiedeman, read a tribute written by a parent of one of her students and which had attached the signature of all her present and former students now in attendance at Glenmont School.

Mrs. Edward McCaffrey, Grade Mother for the third grade, presented to Miss Wiedeman on behalf of the children and parents, a sundial which will be placed in her garden.

EDWIN BECKER PAINTS METHODIST CHURCH MURAL

Inspired by a sermon he heard in the First Methodist Church of Delmar in March 1953, a local artist set about painting a mural for the church. The artist is Edwin W. Becker of 48 Nathaniel Boulevard, Delmar, who is Staff Artist with the New York State Department of Civil Service.

The sermon involved a challenge to use our talents to the glory of God, based upon the words of Matthew 11:28, "Come to me, all who labor and are heavy-laden, and I will give you rest." Christ is depicted in the mural with arms outstretched and head bowed, aware of our difficulties and weaknesses, and present to lend us His strength.

Dedicated at the morning services Sunday before last, the mural, 18 feet by 8 feet, is mounted in the main foyer of the church where it may be

## SAME DAY MORTGAGE APPROVAL

Now it is no longer necessary to anxiously wait days or weeks for a bank's decision as to whether or not it will grant you a mortgage for the purchase of a home.

Applications for a mortgage received at any of our three offices before 11:00 A.M. will be acted upon at once and the applicant advised of the Bank's approval (or other action) the same day.

This revolutionary, new type service, exclusive with this Bank, is made possible by our Field Appraisers covering the area in 3 automobiles equipped with telephones.

As soon as an application is received an Appraiser will be directed by 'phone, wherever he may be, to go to the property, make his appraisal and report promptly back to our Mortgage Department. This rapid appraisal service coupled with the Bank's prompt checking of the applicant's credit rating, makes it possible to give the Bank's decision the same day. Out of town credit ratings take a few days longer to verify.

The one-day service is limited to existing homes. On applications for new construction we waste no time either, but it does take a few more days to check plans and specifications.

The creation was fifteen months in the making from its inception to completion. Mr. John F. McColl, president of the board of trustees, accepted the mural on behalf of the church.

A consulting committee composed of Mr. Joseph Roberts, chairman, Mrs. Albert Howd, Dr. E. K. Fretwell, Mr. Warren Wilson and the Rev. Robert B. Thomas coordinated the arrangements.

Dr. White has already been advised of the formation of the club and will follow the progress of the club.

The group will have the assistance of the Bicycle Institute of America and will be in a position to utilize the safety literature and physical fitness materials published by the Institute. Depending upon the interest, the Institute might send lecturers on bike safety to talk with the group.

Membership in the club is open to adults, aged 18 to 98, but members' children will be welcomed with one or both parents. Mrs. Ruhl and Mr. Fuller said the membership probably would be divided into family groups, married couples without children, all ages, and unmarried adults. Plans are already underway for an all-day bike ride in June and a weekend trip in July. The

club will stress bike safety rules and regulations, but its primary function will be fun with others who enjoy being out of doors and the easy way of staying young and physically fit through bike riding.

Applications for membership may be obtained by writing to Bicycle Club, P.O. Box 7202, Capital Station, Albany, New York or by calling either Mrs. Ruhl or Mr. Fuller in Delmar.

### Display the Flag Memorial Day

Commander Richard P. Dalton of Blanchard Post, American Legion, urges all residents of the Tri-Village Area to display the American Flag on Memorial Day. He is particularly anxious to have 100 percent participation along the route of march. Correct flag etiquette on Memorial Day requires that the flag be hoisted to full-staff, then lowered to half-staff until noon, in honor of our war dead. At noon the flag is hoisted to full-staff, remaining there until sunset,

**Typewriting and Developmental Reading Offered by ABC**

Typewriting and Developmental Reading will feature the six-week summer session, July 6 to August 14, at the Albany Business College.

Applications for the summer school are now being accepted. Courses available include typing, Notehand, shorthand, record keeping for small businesses, business machine operation and the reading program.

Instruction in typewriting will include a beginner's class for high school and college students and advanced classes for vocational improvement.

The Developmental Reading program is designed to help

improve reading comprehension, rate of reading and study skills.

Shorthand classes will include beginning shorthand; intermediate theory and beginning dictation and classes in advanced dictation. Elementary book-keeping principles will form the core of the record keeping class.

Notehand, introduced in this area by ABC three years ago, is a "personal use" shorthand especially adapted for the pre-college or college student and for those who must take a minimum of notes in business.

## with the Girl Scouts

St. Thomas' Girl Scouts are grateful to their relatives, friends and neighbors who bought cookies and nuts, for the funds raised have provided for two very exciting events.

"Cookie Money" (678 boxes) made possible for Jr. Troop #316 an expenses-paid bus trip to the NYS Lake George Fish Hatchery on May 17. The trip to Fortsville, N.Y. will complete the Scout's Water Fun badge requirement. Mrs. Leroy Cooke, Jr. Troop leader will be accompanied on the trip by Mrs. Donald Wilcox and Mrs. Francis Rutnik.

Even more ambitious and successful was the sale of candy and nuts by Cadet Troop #199. This money will provide an expenses-paid one-day bus trip to the World's Fair on June 19. The prepaid itinerary will include discount tickets to the Amusement Area, The Mono-

### Pet Cat to Have Star Role

Greenville Playhouse producers C. Edwin Shade and Clair F. Hardenstine have announced the signing of the first member of the resident acting company, a Tennessee-born actress known only as "Daffy".

Coming from a long line of theatre-oriented felines, Daffy

is a Siamese Cat who was literally "born in a trunk." Her Blue Ribbon parents, Sam Too and Suzie Tong, are theatre cats who have made the transition to television, and continue to work in this new medium long after many theatre cats retired.

**Number one number two car!**

SAAB...first car to consider for performance and practicality when you think about a second car.

Why? Because SAAB starts instantly, winter or summer. Boasts sure-footed front-wheel drive. Plenty of passenger space. Two separate hydraulic braking systems and an un-

canny ability to squeeze into tiny parking spots. It also gets 28-32 mpg, treats tires kindly, and grows old gracefully.

Sound sensible? See your local SAAB dealer for a free test ride. He'll show you just how smart it is to own a SAAB, starting with its practical price of \$1895 p.o.e.
