Lighting Contest

"Theme of Christmas" lighting contest again this year will be sponsored by the Bethlehem Chamber of Commerce. Prizes will be awarded in the following categories:

1. One religious prize of \$25.00 to be donated to the Church of the winner's choice.
2. A first, second and third prize for residential lighting displays, offering prizes of \$25, \$15, and \$10.00.
3. A plaque and certificate to be awarded for the three best commercial displays in the Tri-Village area.

All contestants must enter by mailing a postal card to the Bethlehem Chamber of Commerce, Box 133, Delmar, N. Y. This should be done as soon as the display is ready for review as this will give the committee and judges an opportunity to locate your home and preview the display as early as possible.

All entrants must be in the Town of Bethlehem. No entrants may win two years consecutively with the same display. All entries must be received by Monday, December 27. Final judging will be December 27 from 6:30 to 9 P. M.

DECA

Robert Pierson, Faculty Advisor, Bethlehem Central Senior High School Chapter of Distributive Education Clubs of America, has announced the election of the following officers for this school year.

President, William Balfoort; Vice President, Theodore Wilson; Secretary, Cynthia Boyer; Treasurer, Carol James; Publicity Chairman, Bill Stapleton; Historian, Mike Waldenmaier.

The girls of the Bethlehem Chapter who are interested in participating in the forthcoming DECA Sweet Heart contest recently heard a talk by Mrs. John Mc Clintock.

DECA is the only national youth organization operating through the public schools of the nation to attract young people to careers in marketing and distribution.

It is open to students enrolled in Distributive Education at Bethlehem Central.

The program encourages free enterprise and economic awareness through individual and group activities, Studies in Marketing Projects, and exposure to successful business leaders in an effort to develop future leaders for marketing and distribution.

THE SIXTH ANNUAL DINNER OF the Republican Party of the Town of Bethlehem was held last night at the Ten Eyck Hotel. Pictured above is the committee which handled the affair: Clifford J. Peters and Harold L. Williams, co-chairmen; Carl Spad, Chairman of the Republican Committee for the State of New York, was the honored guest; Left to right, seated: Robert Johnson, Robert Collins, Donald H. Burton; standing: Clifford J. Peters, Harold L. Williams and Edward C. Jenik, Jr.

PLANNING FOR THE ANNUAL Tithing Day at John G. Myers Company last Wednesday were Robert E. Irish, president, (at left) and Arnold Riede, vice-president. On that day it was possible for customers at Myers to donate 10% of the purchase price to the church or synagogue designated.

"OPERATION SHOW YOUR COLORS" - in action! Town of Bethlehem Supervisor Bertram E. Kohinke (center) receives American flag to wear on his lapel from Commander Edward J. Costigan (right) of Nathaniel Adams Blanchard Post 1040, American Legion. Looking on is Operation Chairman John J. Brady. The program is sponsored by the national organizations of the American Legion and American Legion Auxiliary. The card being handed to Mr. Kohinke reads: "Americans are serving the cause of freedom in Viet Nam. I wear my country's flag to show that I support their efforts." The flag and card are given away without cost. Anyone wanting this flag may secure it by stopping in at Blanchard Post in Delmar.

DRY, MISERABLE THROAT ... EVERY MORNING?

LENNOX Humidispray moisturizes, "softens" indoor air

If your home lacks the proper amount of moisture it will not only cost you a great deal of comfort but also increased fuel bills.

With properly humidified air you can set your thermostat lower and yet be completely comfortable. Dry hot air evaporates moisture on the surface of your body, causing chills.

The Lennox Humidispray humidifier can put the desired amount of moisture in your home and control it... up to 18 gallons per day.

This humidifier does not depend on evaporation alone but actually sprays a vapor of water into the plenum of your forced warm air furnace which is in turn distributed throughout your home.

No water pans to fill, no controls to set... automatically adjusts itself to the weather! The compact Humidispray unit, only 10" x 12" x 14" can be attached to any furnace.

We'll install your Humidispray in just two hours. At the same time we'll inspect your furnace... free.

Work Program

Mrs. Gladys Hosey, Head of the Business Department of the Bethlehem Central Senior High School, has announced placement of the following students in local businesses as a part of the Work Experience Program: William Balfourt, Honigsbaum's; Dean Barkman, Ingraham's Service Station; Carolyn Bauhofer, Verstandig's Florist; Kenneth Brown, Corner Store; Michael Buchanan, Howard Johnson's; Susan Dalton, Home Savings Bank; Dennis Drozd, Holiday Inn; Priscilla Durocher, Delmar Library; Carole James, Albany Medical Center; Dawn Karl, Veteran's Hospital; Sandra Kolber, Dr. S. B. Myers; James Love, Grand Union; Judith Marklay, Child Care Service, David Martin, Town and Tweed; Douglas Mc Kie, L. C. Smith; Robert

McDonald, Delmar Bakery; Roger McMillen, Tool's Coffee Shop; Arthur Mosely, Albany Public Market; Thomas Pratt, Tom & Ed's Delicatessen; Jan Prichard, F. W. Woolworth; Judith Ring, Grand Union; William Stapleton, Albany Public Market; Frank Tomaro, Jasper's Market; Karen Wood, Heart Association.

The Cooperative Work Experience Program is in its eleventh year as a part of the Bethlehem Central Senior High School program. Originally, and for the first six years, the placement was in office skill areas only. Since that time, students have been placed in both office skill jobs and in retailing jobs. These students are supervised by either Mrs. Hosey, if they are in the offices; or Robert Pierson, Retailing Teacher, if they are placed in the retailing positions.

OUR YULE SHOPPE HAS EVERYTHING FOR YOUR HOLIDAY DECORATING, AS WELL AS MANY GIFT ITEMS.

1. Beautiful, handcrafted candles for use in decorating, for centerpieces, or a nice gift.
2. A large assortment of lights and ornaments.
3. Hand-styled pinecone wreaths and door pieces. Very different and everlasting.
4. The finest trees available. Nursery grown and sheared to perfection.

Also, be advised, you are invited to stop in anytime for free Coffee and Doughnuts.

Remember Santa will arrive at the Garden Shoppe on December 10 with free gifts for the kids.

HE 9-1835

Students may receive up to one credit toward graduation for their work experience. They complete their required academic work and are dismissed at 1:15 P. M. to go to their jobs. This is a two-pronged program, supplying the businesses with part-time help, and giving the students valuable experience which often leads to permanent placement after Commencement. This program also constitutes one of the efforts to reduce the drop-out rate in the High School.

Besides those in the Work Experience Program for credit, eighteen other Bethlehem seniors are working on a general work program, although they receive no credit for their efforts.

Party

The traditional Christmas Green's Party will be held at the Slingerlands Community Methodist Church on December 6, at 7:30 P. M. The Women's Society for Christian Service and the Methodist Men's Club of the church will co-operate in this event. Carols will be sung during the evening and refreshments will be served.

PreVue

Sunday, December 5, marks the second PreVue of the Albany Symphony Series. This time, the meeting will be held in the Guild House of the St. Peter's Church, 107 State Street, at 3 P. M.

The appearance of Edward French, former director of the Albany Conservatory of Musical Art, brings unusual interest to the event. Mr. French is identified with practically every organization of musical merit

in the Capital District. He is a member of the Board of the Albany League of Arts, the Board of the Albany Symphony Orchestra, special member of the New York Federation of Music Clubs, and President of the Albany Chamber Music Society. A pupil of the late Percy Grainger, Mr. French is also well known as a lecture recitalist and orchestral soloist.

Mr. French will discuss the Beethoven Symphony III, (the Eroica), and the Brahms Piano Concerto #1, illustrating the

themes on the piano.

After this thorough analysis of the Monday night Symphony program, there will be an opportunity for questions and answers. Mrs. Charles Schlang is in charge of the social hour that follows.

PreVues are open to the public.

Party

The annual Christmas party of the Wesleyan Service Guild of the First Methodist Church, Delmar, will be held on Tues-

DO YOUR CHRISTMAS SHOPPING EARLY, THIS YEAR? Every year, you get swamped with this message. They say (to you, the buyer): Shop early. We say: Shop at your convenience, whenever the mood hits you.

THEY SAY:

"That way, you'll get a chance to park."

"You'll avoid the crowds."

"You won't have to shop in the rain."

"The selection is better, early."

"The clerks get tired late in the season."

"But if there's a sudden snow storm, you may be delayed (like several hours)"

"So shop early."

WE SAY:

"At Delaware Plaza, you can *always* park."

"Crowds? At Delaware Plaza they're *neighbors*."

"You shop under the *marquee* at Delaware Plaza."

"We *plan* on a *full* season, right up to Dec. 24th.

"Year round night hours are old stuff to Delaware Plaza. Our sales people are just getting their second wind by Christmas."

"The highway crews in Delmar are on the ball. You *always* get home quickly!"

"Shop Delaware Plaza, anytime you please. Remember, when *you're* ready - *we're* ready!"

Delaware Plaza Merchants' Association

THE SPOTLIGHT

day evening, December 7 at 7:30. Members are asked to bring mittens for the Mitten Tree and also costume jewelry. There will be a Christmas program.

Farms Shrink

When viewed from the air, Albany County shows few significant distinctions between urban and rural areas.

The technological revolution in agriculture is making land available for urban and suburban growth, for second homes, and for recreation.

Changes in land use have blurred the distinctions between urban and rural areas, Norman Kidder, County Agricultural Agent, said, and promise substantial economic benefits for Albany County.

Today, each farmer produces food for 35 people. In 1980, he will produce food for 65 people, yields will have been boosted 31 per cent over today's and acres in crops will fall from 295 million to 270 million, it is predicted by the U. S. Department of Agriculture.

In this state, the agent said, every year approximately 300,000 acres of land once in agricultural use are diverted to other uses.

Albany County has 136,013 acres in farm, according to the latest statistics, a change of minus 15 per cent since 1950.

The number of farms is 1,024 today compared to 1,453 in 1950, a change of minus 30 per cent. However, it is important to note that the average size of farms is 141 acres today compared to 111 in 1950, a change of plus 27 per cent.

Changes in number and size of farms are reflected in changes in the average value of land and buildings per farm, Kidder said.

Today, the average value in the Albany County is \$24,536 compared with \$12,939 in 1950, a change of plus 90 per cent.

The agent said that the use of retired farm land for such purposes as hunting and fishing, commercial developments, and second homes brought in tourists dollars and created job opportunities.

have its annual Christmas meeting on December 4.

This year contributions will go to support Literacy Village — a quiet spot on the outskirts of the city of Luchnow in northern India. Literacy Village is a pilot institution for adult education in India. The men and women who train there will go out into the villages to teach.

The luncheon meeting will be at the home of Mrs. Elliott A. Carlson, 19 West Bayberry Road, Glenmont. Following the luncheon Mrs. Reuben Warrell, Albany County Chairman of Federated Garden Clubs, Third District will discuss, Creations in Driftwood.

Miss Mary C. Finn, guidance counselor, Scotia-Glenville Junior High School is chairman of the fund for Literacy Village.

Mrs. Christine Allen, elementary teacher, Amsterdam, planned for the demonstration of arrangements in driftwood.

Mrs. Elliott Carlson, hostess, will be assisted by Mrs. Robert Oliver, Mrs. Burton Prettyman and Miss Ruth C. Flurry, all of the Tri-Village area.

Party

The Tri-Village Welcome Wagon Newcomers Club will hold a holiday party for couples from 5 to 8 P. M. on Saturday, December 4, at the Schrafft's Motor Inn. Music for the party will be provided by Tommy Ippolito. Reservations may be made by contacting Mrs. Joseph Allgaier, chairman, or Mrs. Robert Chand-

ler. Members and their guests are cordially invited.

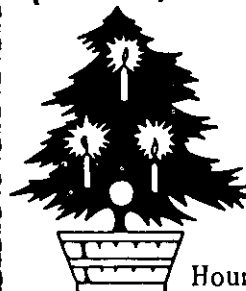

Flower Decor

Charles Williams, New York State Extension Service Regional Floriculture Agent, will offer some timely tips on selecting and using cut flowers and potted plants for the coming holiday season on Table Talk at 7:30 A. M., Wednesday, December 8 on Channel 13.

Assisting Mr. Williams and hostess Karen Hull will be a team of professional florists who will present some "tricks of the trade" that are designed to assist homemakers in brightening their holiday tables and enhancing their interior decorations with flowers. In addition to illustrating the various cut flowers and greens that are available for Christmas and offering some suggestions on their selection and care, the guest designers will demonstrate how easy it is for anyone to use flowers effectively by actually making a few simple yet attractive arrangements.

For those persons purchasing or lucky enough to receive a gift of a flowering potted plant, Mr. Williams will also present some cultural pointers which will help ensure their long life and enjoyment. A behind-the-scenes look into the actual production of the traditional Christmas poinsettia will be given and free leaflet on the selection and care of all holiday plants will be offered.

Members of the Bethlehem Business Womens Club were recently entertained for dinner at Verstandig's Nursery. Officers of the Club, from left to right: Mrs. Lindsay M. Boutelle, Vice President; Mrs. Franz Sommer, President; Mrs. Alfonso Verstandig, Hostess; Mrs. Charles Denny, Secretary; and Mrs. Richard Dalton, Treasurer.

DAR

Mrs. S. Benjamin Meyers, Regent of Gansevoort Chapter, DAR, has announced that on December 6, from 9:30 A. M. to 1:00 P. M. Chapter Members will be at the Albany Association for the Blind to assist in selling merchandise made by the employees of the Association. Mrs. Edith Pearson is Chairman with Mrs. Herbert F. Markell and Mrs. Benjamin F. Rathbun aiding her.

On December 13 at 12 Noon, a Christmas Buffet is planned at St. Andrews Church on Western Avenue, Albany, by Gansevoort Members. Mrs. Paul Judson Snyder is Chairman. The pro-

gram encompasses a talk on "Greens and Pine Cones" by Mrs. Lucien LeMaitre, Chairman of the Bethlehem Garden Club and Christmas Carols led by Mrs. Wiltzie Schermerhorn and Committee.

WITH THE GIRL SCOUTS

As you read about the Girl Scout activities these past few weeks, you may have noticed that the individual troops in the area are well launched into a new

THE SPOTLIGHT

year of scouting. We have had excellent help in getting started but we would like to say a little about a former Neighborhood Chairman who is missing this year. Mrs. William Bennett, Jr. has retired. She began her Girl Scout work as a leader in Clarksville for several years and has spent the last three years as Neighborhood Chairman of District 9, Neighborhood 2. When we speak of a person who dedicates herself to her work, we speak of Barbara Bennett, who spent many hours in helping the cause of the Girl Scouts in the area. The duties of a Neighborhood Chairman are many and time consuming, if her Neighborhood is to run smoothly and efficiently for our girls' benefit and enjoyment. Her last official duty was as Co-Chairman of the Juliette Lowe Day program at the Colonie High School on October 30. Barbara was recently presented with a Girl Scout Statuette in appreciation for all her efforts in behalf of our children. We wish her well in any new endeavor and give her our many

thanks for a job well done.

...

Delmar School's Jr. Troop #323 has begun work on the Toy Maker Badge. As a Service Project, they are making stuffed dolls for the children at St. Catherine's infant Home.

...

Look for the posters which are being distributed by the Sr. Girl Scout Troop #65. The girls are eager to help you with your Adult Holiday Parties. They will be happy to do any work involved in preparing, serving, cleaning up, to ease things for you and help you enjoy your own party.

...

Mrs. Sagistrum and Mrs. Dinnel, leaders of Girl Scout Junior Troop #349, spent an outdoor day at Camp Is-Sho-Da on Saturday November 20th. They took the Nature Trail hike, cooked lunch and had a Nature Scavenger Hunt. A good time was had by all even amongst the snow flurries.

Exeter, England, Tufts University, University of Notre Dame, the Newman Chaplains' School, and local colleges and universities. He has done graduate research study at Oxford University, Oxford, England, was a U. S. Navy Tactical Radar Officer during World War II, and is now serving as president of the Mental Health Society of Rensselaer County.

Most of the religious art on display, arranged by Sister Margaret Maria of the Music and Art faculty of The College of Saint Rose, will be from the collection of Reverend Bertrand T. Fay, assistant pastor at the Church of St. John the Baptist in Schenectady. Two of the objects on display will be "Joan of Arc at the Stake," a sculpture of welded steel by Robert Blood of the Schenectady Museum, and "St. Vincent de Paul" by Bachleckner, known for his nativity groupings, one of which was on display at the Vatican Pavillion of the World's Fair.

Mr. and Mrs. Richard Dorsey, regional chaircouple of St. Thomas Parish, Delmar, stated that the meeting is planned as a supplement to one of the current study items: Creative Use of Leisure. This is the second of four general meetings to be held this year. Most of the work and study of CFM is done by individual groups in their own parishes.

Speakers Available

"Been elected program chairman of your organization?"

The U. S. Coast Guard Auxiliary has established a Speaker's Bureau to provide speakers, at no charge, to any established organization for its meetings.

Talks vary in length from 30 minutes to an hour and cover a wide variety of general interest subjects. Many talks can be illustrated by motion pictures.

To obtain a speaker for your organization's meeting, write: U. S. Coast Guard Auxiliary Speaker Bureau, room 731, U. S. Custom House, New York, N. Y. 10004.

The Coast Guard Auxiliary

participates in public service programs, including operations for and with the Coast Guard, and offers fellowship of boatmen with mutual interests.

Promotion

Lt. Cmdr. Richard G. Smith of Slingerlands is the new executive officer for Naval Reserve Training Center at 780 Washington Avenue, Albany. He entered the Reserve as an NROTC student at Princeton University from which he graduated in 1955. He was commissioned as an ensign that year and

later served on a troop transport in the Pacific. Cmdr. Smith is president of Livermore Chevrolet, president of the Albany Auto Dealers, Inc., and a vice president of the N. Y. State Auto Dealers and the Albany Boys Club.

What It Is

Have you seen articles about the Albany County Agricultural Extension Service and wondered what this organization was? Have you wondered if you should be taking part in the programs of the Extension Service? If you are a home owner, farmer, interested in gardening or interested in public affairs, you can benefit from participating in the programs of the Extension Service.

The Extension Service is the informal educational branch of the U. S. Department of Agriculture and the N. Y. State College of Agriculture of Cornell. It's educational programs give both rural and urban people up to date information on the production, marketing and use of agricultural products, information on community affairs.

The Extension Service is supported by individual membership dues (\$4.00 a year), and by

How can the Extension Service benefit you? Information is distributed in many ways. Timely letters are sent on many subjects such as how to control alfalfa weevil and Japanese beetles; the best varieties of oats to plant as well as the best varieties of lawn grass. Field tests have been established on the effect of fertilizers on hay crops and on lawns. Extension members receive the monthly Albany County Agricultural News with special sections on Dairy, Poultry, Livestock, Fruit and Vegetables, and Home Grounds.

Tithing Day

John G. Meyers Company department store in Albany observed "the spirit of Thanksgiving" last week with their annual tithing day. "Because we believe that tithing is part of Thanksgiving, we have made this an annual event," Robert E. Irish, store president, said.

Customers of the store were able to have 10% of the purchase price of any items they bought earmarked for the church or synagogue of their choice. The store sent a check to each church designated.

FILM PROGRAM

The Delmar Public Library announces that its second film program for children is scheduled for Saturday, December 11. As a result of the tremendous response to the first program in November there will be two showings, one at 10 A.M. and the second at 11:30 A.M.

The film to be shown is "One Wish Too Many," produced in England and based on a book by Peter Browne.

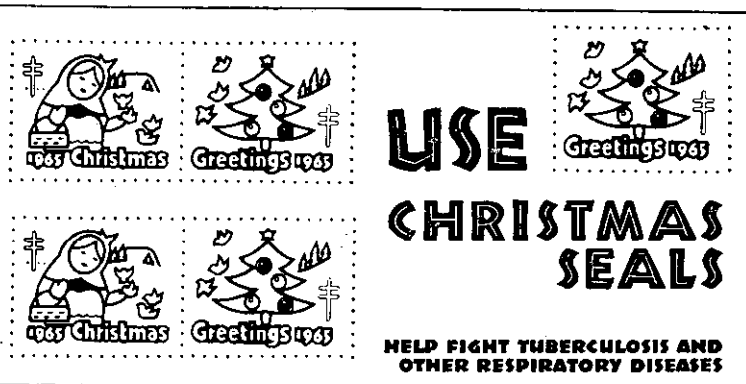

IN THE Spotlight

by Ann Trudney

Now that Thanksgiving has come and gone, the rush to get ready for Christmas is really on. After next Tuesday a favorite community gathering place, the Delmar Public Library, will be decked out in its Christmasy best - thanks to members of the Garden Group of the Delmar Progress Club.

The Garden Group gals traditionally devote their December meeting to dressing up the library in honor of the season. Co-chairmen of the group this year are Mrs. Sidney Vunck and Mrs. Franklin Amos.

The decorators will convene at 10 A. M. next Tuesday, December 7, having packed a luncheon sandwich in preparation

Now-more heat on less fuel with Texaco's New Jet Flame Booster

This great new flame-control development fits gun-type oil burners used in most homes. It scientifically mixes oil and air into a solid, compact flame that burns so cleanly and completely you get *more heat from less oil*. Tested in actual homes—proved it can increase oil-burner efficiency by as much as 42%. Give us a call. We'll analyze your burner's performance - tell you what the Texaco Jet Flame Booster can do for your home, big or small. No obligation, of course.

for an all-day work session. "It's really lots of fun," Mrs. Vunck told me the other day.

Among the ladies who expect to be on hand, with Mrs. Vunck and Mrs. Amos, are: Mrs. Rubin Warrell, Mrs. Ida Becker, Mrs. Warren Còxe, Mrs. Vincent D'Anza, Mrs. Frank H. Decker, Mrs. Donald French, Mrs. Eric Lake, Mrs. James McNally, Mrs. Russell Miller, Mrs. William L. Murphy, Mrs. Anthony Proto, Mrs. Raymond Rice, Mrs. Russell Shaw, Mrs. Archie Robertson, Mrs. Lionel Truscott, Mrs. C. Edgar Vail, and Mrs. Warren Wilbur.

Mrs. Warrell, incidentally, has been chairman of the Delmar Garden Group in past years, and is presently serving as Albany County Chairman of the Third District, Federated Garden Clubs of New York State.

As for this year's decorations, the children's room is receiving special attention. Cardboard cut-outs of storybook figures,

including such stand-bys as Rudolph the Red-Nosed Reindeer, the Littlest Angel, and the Gingerbread Boy, will be hung as mobiles by the windows.

In the main reading room, you will find the Della Robbia swags used in past years, with fresh greenery. Elsewhere the women will place the mural in colored felt of the three wise-men, much loved in past years; a good-sized wreath, and a few traditional Christmas trees.

Be sure to take a good look around, on your next visit to the library, and see if you don't feel that Christmas spirit taking over your thoughts.

Already installed at the library, but just recently, are the gifts brought back by this year's Bethlehem Community Ambassadors and accepted by the library on behalf of the community.

Miss Barbara Howe, our ambassador to Chile this past summer, has given the library wood carvings of two dancers which

are typical of South American handiwork. Miss Mary Ann McManamon, who went to Japan, brought back a lacquer and gold painting which illustrates a well-known Japanese legend.

The library now has on display Community Ambassador gifts from Asia, Africa, South America and Europe.

"I watched these two girls (Barbara and Mary Ann) use our library as they grew up," said Mrs. Barbara Rau recently, "and I like to think that all the reading they did might have inspired them to want to travel as community ambassadors."

She added that application blanks for 1966 Bethlehem Community Ambassadors may be picked up now at the library.

...

Twin boys have turned life topsy-turvy at the home of Mr. and Mrs. Alan G. Parker at 498 Kenwood Avenue. Michael William and Scott Gifford arrived

on November 15.

Alan and his wife, the former Pat Peairs, are both 1960 graduates of Bethlehem Central. He is currently attending a training school for New York State troopers in Freehold, New York. (No 2 A. M. feedings for him!)

The proud grandparents are

Mr. and Mrs. Burdette J. Parker of 70 Adams Place, and Mr. and Mrs. William O. Peairs of 159 Adams Place.

New York Telephone Engineer Ralph Serafini, developer of new SENSICALL* telephone sets for handicapped people.

"Helping the deaf, deaf-blind and mute to use the phone has been my most rewarding assignment!"

"Some time ago a deaf and blind teen-age girl asked New York Telephone to devise a phone she could use. I was given the assignment and, after several months and countless experiments, developed these SENSICALL sets. Through vibrations of a button or blinking of a lamp, this equipment enables a person to communicate by the sense of touch or sight, or both. Providing service for handicapped people is a tradition with New York Telephone. I'm glad I could help with SENSICALL."

*Trademark

For more information on SENSICALL, call your telephone business office or send for free leaflet. Write SENSICALL, Room 1000, 140 West St., N. Y., N. Y. 10007.

LOCAL MERCHANTS FEATURE GIFT IDEAS

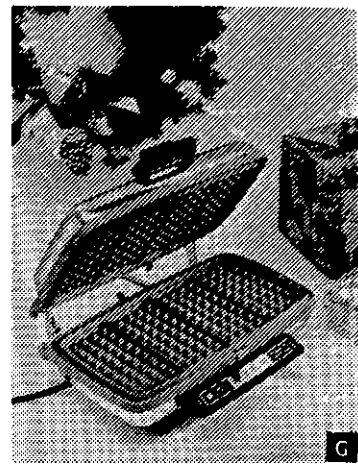

You don't have to travel far to get the very finest in Christmas values. Local merchants this year are offering a marvelous array of gift ideas.

Nothing gladdens the appetite more than new food adventures starting with the holidays. You can give that enjoyment to the family with a two-in-one grill and waffle baker that comes to the dining table in sleek style. Everyone, including teenagers, will be able to plan parties around the versatile, portable unit. Decorative touches on the chrome-plated steel shell make it "at home" with formal or informal table settings.

Starting with a breakfast menu, the Teflon-coated grid surface is perfect for cooking bacon and eggs, pancakes and sausages—even French toast. For lunch or a light supper, hamburgers, chops, steaks and sandwiches come from the closed grill piping hot.

With the flick of a finger, the grids that form the cooking surface of the grill can be

lifted up and reversed. Each grid has a flat, smooth grilling surface on one side and a waffle-patterned grid on the other side. The non-stick Tef-

lon coating assures easy clean-up and prevents foods from sticking.

For teenagers who plan slumber parties, here are some waffle variations from the General Electric housewares kitchens: Blueberry—to a batter recipe for four waffles, add 1/4 teaspoon cinnamon and 1

cup fresh or thawed frozen blueberries sweetened to taste; Pecan - to dry ingredients, add 1 cup finely chopped pecans; Sundae Waffles-top hot waffles with ice cream and butterscotch sauce.

Another good idea is to freeze left-over waffles. Later reheat in a toaster!

THE ROMANCE OF WOOD

Only one tool of man is older than fire... the wood he used to fuel the first blaze! Even before the first flame flickered in a gloomy cavern, wood—the world's most versatile raw material—was being used for rude weapons.

Soon men learned to fashion woodworking tools - saws, chisels, axes and augers - and

they carved this durable, beautiful material into furniture, decorations and idols for their homes and temples.

Wood has been important in world history. There was the Wooden Horse of Troy; the so-called "Wooden Walls" (ships of war) that long protected the island fortress of Britain from invasions; and, of course, the wooden cross upon which Christ died.

Wooden money has often been used. As recently as the depression years of the 30's, scrip money made of plywood, in 25¢, 50¢ and \$1.00 denominations, was used in the U.S., in the small town of Tenino, Washington.

Plywood - wood in sheets, or "plies"—is not new. In 1500 B.C., the plies came from split logs. Nowadays a log is shaved into a continuous wooden

the doorway would look after a quick repainting job. If you're undecided as to what color paint will flatter your home most, why not try a touch of history this year? A door that wears the new Colonial touch, offered by Pittsburgh Paints, recalls the gaiety of Christmas celebrated two hundred years ago, and more.

Top your freshly painted door off with a "welcome canopy" to put your guests in a festive mood. It can be made quickly and simply, using gaily colored oil cloth.

Start with the supporting posts; cover two wooden poles approximately 7-foot long (depending on height of the doorway) with strips of oil cloth. Candy-stripe them with gift ribbon. The canopy support frame is made of narrow strips of wood, measured to the

width of the door by the length of the canopy. Attach frame to the top of doorway and to supporting posts.

Make the canopy cover with alternate strips of oil cloth (here five strips, 10 inches wide by 42 inches long). Cut one end of each strip to a point, and attach strips to one another with tape. Now lay cover over frame and tack down, allowing points to overhang in front. Decorate with evergreen branches sprayed with quick-drying enamels. Pittsburgh Paints' pale gold, silver and copper enamels are especially effective here. In addition, there are the traditional Christmas hues of white, red and green.

Complete your Christmas picture with a tree and gaily-wrapped packages on the doorstep. And there you have it; what a cheerful way to say "howdy" to the holidays!

THE MYSTERY AND MIRACLE OF HEAT

© 1965 by The New York Times Company. Reprinted by permission.

Does sound travel faster when the temperature rises?

Is silver a better heat conductor than copper?

Can man create temperatures hotter than those inside the sun?

Can you heat an office building with light?

In each case, the answer is yes! At 50°C. (122°F.), sound travels about 100 feet per second faster than at 0°C. (32°F.).

Though most people think copper is the best conductor of heat, it takes second place to silver.

Temperatures in the sun's interior reach a fantastic 15,000,000°C.—but at the center of a hydrogen bomb they may be 350,000,000°C.! In the laboratory, attempting to harness H-power to peaceful use, University of California scientists have reported temperatures of 40,000,000°C. inside

a "fusion machine."

The trend toward heating with *light* is spreading rapidly across the country, according to the Industrial Electrification Council. In fact, several offices and plant buildings throughout the country are being heated entirely by "waste" heat from lighting systems. For example, in Jeannette, Pennsylvania, a two-story, 35,000 square foot structure, belonging to the Elliott Company, Division of

Carrier Corporation, actually gets most of its heat from fluorescent lighting. During extremely cold weather and week-ends when the office is closed, the lighting is left on to do the heating, with supplemental heat from electric in- the - duct heaters as required.

To some of us today, heat is commonplace, but to the ancients it was divine magic—and fire was thought to be stolen from the Gods.

Even scientific geniuses have had the wrong idea about heat. Antoine Lavoisier, the "father of chemistry," thought of heat as a weightless, invisible fluid.

Today, we know that heat results from the random motions of molecules and atoms. The air molecules of a warm room are moving faster than those in a cold room. But who would have ever thought that just a few short years ago, heat generated from today's cool, fluorescent lighting could help heat your office and keep you comfortable regardless of the weather outside.

SAFETY DAY

G

Flashlight Safety Day, the annual appeal to check all flashlights to make sure they are working and ready for emergency use, will take place on 1965's shortest day (and longest night), Tuesday, December 21.

Special attention, according to the makers of "Eveready" batteries, who initiated the public reminder, should be given flashlights kept in cars and in the home, near fuse boxes and stairways, in bedrooms, basements and garages.

Proper inspection requires replacing worn out bulbs and batteries or, with the newer rechargeable flashlights, batteries should be fully charged for maximum light. Flashlight cases should be checked for corrosion and faulty switches.

G

Miss Erna Deiglmayr of the New Orleans Travelers Aid chapter, was loaned to another United Fund agency, the Red Cross, to aid hurricane flood victims. During and after World War II she spent seven years working for refugee relief organizations in Europe.

LET YOUR GRIDDLE SERVE A MEAL

Grilling food at the table not only saves steps, it also lets you show off your culinary skill.

Home economists suggest this menu for breakfast or brunch: sizzling ham slices, sautéed tomatoes and French toast complemented with warm maple - butter syrup. Plenty of coffee is a must, so

keep it hot and handy.

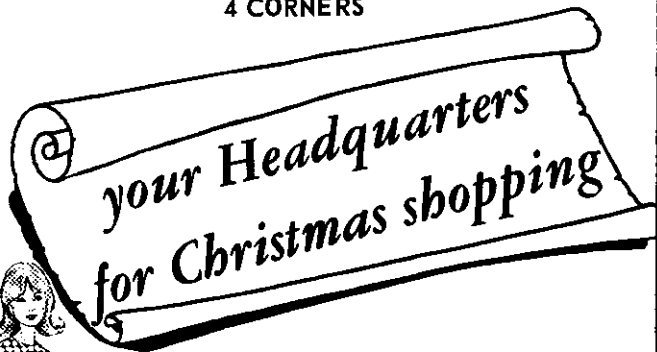

Preheat the griddle according to directions. Ready-to-eat ham slices should be up to 1/2" thick. Slash the edge fat to help prevent slices from curling on griddle. Grill about 5 minutes on each side.

Sauté 1/4" thick tomato circles for about five minutes.

For perfect French toast,

EXCELLENT VALUES
 for
 EVERY MEMBER
 OF THE FAMILY

THE SPOTLIGHT

try this recipe from the General Electric Housewares test kitchens:

- 1 egg, slightly beaten
- ¼ cup milk
- ¼ teaspoon salt
- 4 slices bread

Combine eggs, milk and salt in shallow dish or pie plate. Dip both sides of bread slices in egg-milk mixture, being careful that bread is just moistened. Grill slices 3-5 minutes; turn and toast until golden brown on other side. (Serves 2.)

Note these serving hints: top tomato slices with parsley sprigs; turn on your automatic coffee maker when you begin to grill the ham; for an especially good syrup, melt one stick of butter in one cup of maple syrup, stirring well to blend; serve confectioner's sugar for a light sprinkling on the toast.

The ingredients which make up this breakfast / brunch menu contain foods from the four basic food groups as set down by the U.S. Dept. of Agriculture. Important nutrients like riboflavin, carbohydrates, thiamine and Vitamins A, C and D are provided.

Try keynoting your table to sunny colors like yellow, tangerine and red. Coordinate plate color with napkins. Using paper placemats and fabric-like paper napkins can help cut down on clean-up chores. An earthenware jar filled with flowers can make an attractive centerpiece.

As you allow your griddle to work at your table, you may discover that it's easier than you ever dreamed to serve meals that are tasty, nutritional and attractive!

HISTORY OF CHRISTMAS CAROLS

Called *noels* in France, *le pas-
torali* in Italy and *Weihnacht-
slieder* in German, carols are
the welcome sound of Christmas
everywhere.

But did you know that origi-
nally carols were not songs but
dances? It's a fact! These

"round" dances were part of
early Christian worship, and one
of the first "carollers" was St.
Francis of Assisi, back in the
12th century.

When was the first carol sung?
Probably as an accompaniment
to early nativity plays. And one

of the earliest of the choruses of praise, *gloria in excelsis deo* (glory to God in the highest), can be heard in church services to this day.

The custom of outdoor carol singing is many hundreds of years old. According to researchers at the Aeolian Music Foundation, it seems to have started in the Middle Ages when groups of people went from house to house singing by torchlight.

Yet despite these joyous beginnings, the Christmas carol eventually ran into rough going. As Puritan influence grew, carols became gloomy and grim; finally the Puritans made it a crime to print or sing carols publicly!

But the carol - which plays so large a part in giving Christmas a spirit of gaiety - couldn't be suppressed for long, and many great writers such as Martin Luther and Charles Wesley and composers including Felix Mendelssohn and Friedrich Handel began to take an interest in this form of music.

In the England of Charles Dickens' time, the practice of "wassailing" or group singing of carols from house to house at Christmastime was popularized.

At the turn of the century, Americans added their own contribution to Christmas caroling as singers gathered around the

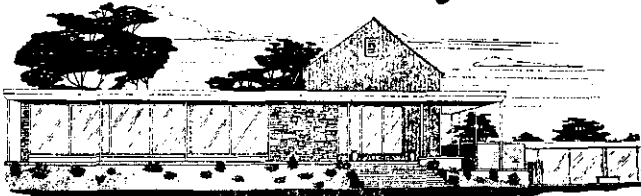

family player-piano. With the recent revival of the player-piano, this delightful scene is being recreated all across the country. Most popular of the modern players is the Pianola, both a regular piano and a player-piano that encourages family togetherness during the holiday season or any time of the year.

Family gatherings for carol singing should be better than ever this season with more Christmas music available on music rolls than before. Among a selection of almost 50 popular Christmas tunes and traditional carols, several rare and beautiful Scottish and Welsh carols are being put out on Aeolian player-piano rolls for the first time.

The happy memories that are revived each Christmas are composed of many ingredients - the smell of the fir tree, the glitter of tinsel, the taste of a Yuletide treat - but of all of them, perhaps the most evocative is the sound of carol playing and singing in the home.
