

IN ORDER TO OFFER a wider selection to its many customers, the Clothes Horse at Toll Gate, Slingerlands, announces the completion of an expansion program which has added more than 500 square feet of display space. With the beginning of its third year, the Clothes Horse can be justly proud of its larger size and added beauty. New fitting booths have been added, too. The new dressing rooms feature air conditioning which is independent of the store, insuring comfort even in the hottest weather. In the above photo, a portion of the new part of the store is shown.

Depicted above is one of the many tense courtroom scenes in The Slingerlands Players' upcoming production of the prize-winning play, "Inherit the Wind." From left to right above are: Doug Marone as the defense attorney, Drummond; Dick Walsh as Cates, the defendant; and Syd Turner as the reporter, Hornbeck. The controversial drama, by Jerome Lawrence and Robert E. Lee, will be presented at the Bethlehem Central High School auditorium tomorrow and Saturday evenings, January 21 and 22 at 8:40 P. M.

Ski Club

The Whiz Ski Club, which started as an idea in the minds of a few ardent skiers back in October, is today a fullfledged club with 95-plus members from the Tri-Village Area.

The aim and goal was and is to promote family recreational skiing. The members of the Club represent all age groups from 6 to 70. They are in all stages of skiing from the beginner who has never been on skis, to the expert. One of the benefits that the Club has to offer is that members are taught to ski. There are members of the club who were never on skis before this season, who can come down from the top of the mountain at this early date in a safe, controlled, prescribed manner.

The club has had three successful trips to date: two Sun-

Travelog

"Aloha Hawaii," a travelog of three weeks in our 50th state, will be shown at the next meeting of the Delmar Camera Club, to be held in St. Stephen's Church on Thursday evening, January 25, at 8 o'clock.

Alice Porter, a charter member of the club, made this trip this past summer with a group of photographers. She visited the islands, Oahu, Hawaii, Maui and Kauai. Traveling by jet, high above the clouds, many of the shots were made with a telephoto lens.

Each island visited is a story in itself. The people, customs, scenery, vegetation — everything of interest and beauty have been captured on film and then arranged by Mrs. Porter to provide a wonderful evening's entertainment.

WHEREAS, The National Society, Daughters of the American Revolution, has sponsored AMERICAN HISTORY MONTH in February since 1955;

NOW, THEREFORE, I, Bertram E. Kohinke, Supervisor of the Town of Bethlehem, do hereby designate the month of February, 1966, as AMERICAN HISTORY MONTH and ask that the citizens make every effort to stress the vitality and freedom we enjoy as citizens of the United States of America. The facts of written history refute the theory that indifference and ignorance can replace patriotism. Let us all contribute to the growth of our American

heritage and develop finer citizens for future generations.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the Town of Bethlehem to be affixed this 12th day of January, 1966.

The representatives from Cornell University who will present the information will include Prof. Walter Griffith of the Agronomy Department who is well known to Capital District farmers, and Prof. Milton H. Erdman who is visiting professor of field crops at Cornell. He is on leave from Michigan State University and is a well known authority on corn production and weed control.

All persons interested in the production of general farm crops are urged to be present and benefit from this meeting. Everyone will be welcome.

Elected

At a recent meeting of the Agricultural Executive Committee of the Albany County Cooperative Extension Service, Edward Waldron of Medusa was elected Chairman for 1966. This will be his third year serving in this capacity. Elected Vice-Chairman was Harold Slingerland of R.D., Delmar and as Secretary, Donald Schierbaum of Guilderland.

Royal Stanton of Coeymans Hollow is a new member of the Executive Committee serving as a Director-at-Large. He replaces Albert Collins who was recently elected as the Township Director for Coeymans for a three year term. The Township Director's position for Coeymans became vacant upon the retirement on December 31, 1965 of Donald Vanderzee who had served as the Coeymans Township Director for the past nine years.

New Director

Miss Margaret Shannon of New York City has been named Executive Director of the Department of United Church Women, National Council of Churches, it was announced recently by Dr. R. H. Edwin Espy, General Secretary of N.C.C. and Mrs. Stuart Sinclair, National President of United Church Women. Miss Shannon's appointment was effective January 1, 1966.

The new executive head of the largest national church women's organization succeeds Mrs. W. Murdoch MacLeod, who is retiring after seventeen years of service in that post.

Miss Shannon, a native of Kanas, comes to the staff of the National Council of Churches from the Commission on Ecumenical Mission and Relations of the United Presbyterian Church in U.S.A. of which she has been Associate General Secretary for ecumenical relations since 1958.

The Department of United Church Women coordinates the work of 2,400 councils of Protestant, Anglican, and Orthodox church women across the nation, serving the interests of 14 million organized church

President's **OFG** Report

Early in 1965 a luncheon meet ing was held at the Center Inn for the purpose of announcing and welcoming the New York Farm Bureau, Farm Family Life Insurance Company and Farm Family Mutual Insurance Company to the Town of Bethlehem. 37 persons attended.

In February new officers were elected for the year as follows: President, Howard Geyer; Vice President, Alan Hilchie; Secretary, Richard Haverly; Treasurer, Kenneth Thatcher. Three new Trustees were nominated and elected to fulfill the expiring terms of William Schoonmaker, Chester Hawley and George Laird. Richard Benjamin and George Laird were elected by the general membership and Roy McCormick was elected Trustee by the Chamber of Commerce. Their terms will expire at the end of 1967.

A subscription to the Altamount Enterprise was approved for mailing to the office of OFG so that the organization could be kept posted on official Town business, inasmuch as it is in this paper that notices of Town meetings are published.

Early in the summer, Peter Emmons and Kenneth Thatcher were appointed cochairmen to up-date the membership roster and to bill all members of the 1965 dues. This work was com-

pleted by August.

In July the General Electric Company disclosed that they had purchased a large site on Long Lane and were proceeding with plans for a new plastics manufacturing plant. Ground plans were laid by OFG as early as 1962 which enabled this company and others who have subsequently settled in the Town of Bethlehem to review all important information relating to the Town through the use of the "Red Book" which compiled significant data and site maps.

In August a representative group of officers and Trustees of OFG attended a luncheon welcoming the G.E. Company officials to the Town of Bethlehem.

Toward the end of October, I attended the Seventh Annual meeting of the New York State Association of Industrial Development Agencies Inc. which was held at the Van Curler Hotel in Schenectady. Mr. Cady Schoonmaker, a member of OFG, also attended this workshop. Officials from the New York State Department of Commerce, G.E. Company, Mohawk Airlines, banking institutions and various industrial development agencies and Chambers of Commerce enthusiastically put forth their views and experiences for the consideration of those attending. A portion of a future OFG meeting in 1966 will be devoted to the review of the ideas and suggestions discussed.

Quite recently an event of extreme importance took place at the December meeting of OFG when Dr. Richard Moomaw, Supt. of the Bethlehem Central School District, spoke on the school relationship between taxes and assessed valuation in the Town. Many interesting side lights were reviewed during this talk which served to inform those present of the value of the service which OFG is able to perform.

In general, this was a year of re-evaluation. Our objects were to develop a strong nucleus within the organization with a deep interest in the aims of the Corporation — specifically to serve the Township by way of interesting and encouraging residents as well as outsiders, in the locating of new industries in properly zoned areas of our Town.

To implement this effort, two committees were appointed to study the design of a new leaflet which could be mailed to approximately 500 of the top industries in the United States. Considerable progress has been made with this future publica-

TO RESIDENTS OF THE TOWN OF COLONIE:

I am able to announce proudly and with great satisfaction that with the opening of our 472nd account deposits now total \$1,009,805.36 at our Colonie-Wolf Road Office - OUR FIRST MILLION.

When we projected deposit figures for the Banking Department in support of our Wolf Road application we estimated \$3,000,000 at the end of the first year. We have already better than a third of this figure and if a good start means a strong finish we will certainly reach our initial goal long before September 25th, 1966.

I am sure you share with us a certain pride in our accomplishment because, you have proven beyond a doubt that given SAVINGS BANK.services in a well staffed, attractive and well located branch office they will be used. Thank you for the lesson.

Again, we invite all residents of the Town to visit our Office at 8 Wolf Road and avail themselves of HOME SAVINGS BANK services there. Through them we are proud indeed to have become such a vital part of Colonie in such a short time.

Here's to our FIRST MILLION and the others to follow and the ever expanding role we will continue to play in the Town of Colonie:

With again our thanks and every good wish,

Harry D. Yates

In closing my report, I should like to thank all of the officers, Trustees and members of OFG who so faithfully attended meetings and carried out assignments. My thanks also go to Mrs. John Hanks who has handled the clerical work and to Mr. Robert King of the Spotlight and Miss Carol Schlageter of the Knickerbocker News who have kindly given publicity to our efforts.

Polly Bergen will host The Bell Telephone Hour's musical tribute to composer George Gershwin at 6:30 P. M., Sunday, January 30. Pianist Andre Previn and singers Diahann Carroll, John Raitt, Susan Watson and John Davidson also will appear on channel 6 colorcast.

Tri-Village families are noted for their interest in international affairs, and every year there are a number of people in our community who are hosts to foreign visitors.

Mr. and Mrs. Harry B. Rezzemini of 11 Furman Place have as a house guest now Miss Ching Ming Tzeng, a dark-haired beauty of 22 who is a graduate student in the College of Business at the State University of New York.

Ching Ming, who has assumed the Americanized name of Grace, came to Albany this summer and moved in with the Rezzeminis in October. She and Mrs. Rez-

zemini's daughter, Miss Karen Phillips, 23, have become close friends. Karen is employed by an Albany doctor, so she and Grace commute back and forth to Albany together.

Grace is studying for a master's degree in business administration, and plans to return to Formosa after next year. Her father is a general in the Nationalist Chinese Army, and her family is a prominent one in Formosa.

A charming young lady, Grace has adapted quickly to our way of life and speaks English very well. She is vehemently anti-Communist and has expressed her gratefulness to our country for the part we are playing in fighting the spread of Communism in Viet Nam. She naturally fears that the Communists might at some time invade Formosa. Before they infiltrated the Chinese mainland, that was her home.

Much in demand socially, Grace dates occasionally but is "not as interested in dating as most American girls," according to Mrs. Rezzemini. There are 15 Chinese students now at the State University, and others

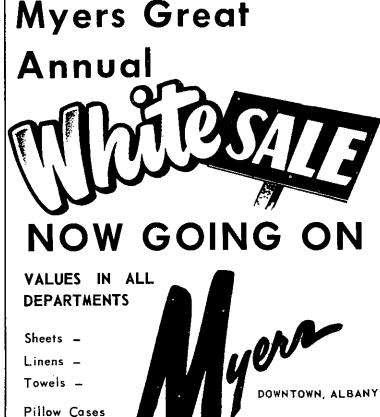

at other area colleges, and Grace quite often gets together with them.

I hope many of you have the opportunity to meet and talk with Grace, for she's an intelligent and gracious young lady from whom we can learn much about life in the troubled Far

Mr. and Mrs. Keith Wilson are newcomers to our community, having lived at 65 Marlboro Road in Delmar since early December. And we've already done them an injustice, because Vicki Wilson's professional background was unaccountably quite incorrectly reported in a Spotlight article last week about the Slingerland Players' latest production.

So let's set the record straight: The Wilsons come to us from Cincinnati, where they were active in an amateur theatrical group called the Mariemont Players. Mrs. Wilson, a graduate of the Cleveland Institute of Art, is a sculpter and portrait painter and has also done some acting.

Mr. Wilson is an accounts

manager for Ryder Truck Rental Inc., and they have one son, Mike, who is four.

Mrs. Wilson volunteered her services to the Slingerlands Players within day's of her arrival here, because she had already heard good things about our local theatrical group, both from friends who had once lived in Delmar and from a woman from Albany who looked at their house in Cincinati while it was for sale.

She has been happily working on set designing and painting for the Players' production of "Inherit the Wind," and expects to be actively involved in future productions. As a free-lance painter, she does oils and pastels and specializes in portraits of children.

She painted portraits, as a matter of fact, of Mrs. Richard Bowman and her daughter, Kim, who lived on Center Lane in Delmar until about four years ago when they moved to the Cincinati area.

Contrary to what you may have read before, Vicki Wilson has never lived in New York City nor has she ever worked in television.

The Wilsons like Delmar very much, (it was highly touted to them by the Bowmans) especially appreciating its nearness to resort areas and scenic rural settings. A native of Canada, Mrs. Wilson also enjoys the climate. ("I like snow that stays white for a while.")

Vicki Wilson is looking forward to meeting others of the many topnotch artists in our community, and Keith Wilson, an enthusiastic athelete, has

SEE AND SKI THE CANADIAN ROCKIES

Thousands of Americans from all parts of the country, who pack their bags each year and head north for Alberta, have discovered that a vacation in the Canadian Rockies can be one good way to have a change of pace and combat winter boredom.

Besides towering mountain peaks, dramatic ski lifts and high country skiing on spectacular powder snow. Alberta offers the winter vacationer distinctive cuisine, attractive modern accommodations, the camaraderie of apres-ski evenings and the sense of well-being that comes with easing tired muscles in one of the province's famous hot springs pools. But the delights of the mountain playground aren't for skiers alone. Hockey, curling, skating, tobogganing and snowshoeing are also available to the winter sportsman. And for camera enthusiasts, there are panoramic views of the majestic Rockies.

According to information supplied by The Alberta Government Travel Bureau, BANFF

NATIONAL PARK, one of the most outstanding ski regions on the continent, has been chosen by Canada as its Olympic Games site. A modern electric chairlife 3.240 feet long rises a vertical distance of 1,300 feet and is one of the steepest in the world.

The picturesque LAKE LOUISE ski area has its lower terminal on the Trans-Canada Highway 36 miles west of Banff. Five lifts with a total length of 20,092 feet and an altitude gain of 4.193 feet link two distinct areas to form a ten mile lift and downhill circuit. Lifts operate from December 15th to April 30th. Ski terrain extends from 5,000 to 10,000 feet and permits ski touring in early summer. The Lake Louise Ski School provides guides for ski tours. Skoko Lodge, exclusively for ski touring, is open from the end of February to the end of April.

SUNSHINE VILLAGE. 14 miles southwest of Banff, offers a variety of high-country skiing. The tricky slopes of Twin Cairns, Wah Wah Ridge and Standish Hill test even the most capable skier. For those who like to combine photography and skiing there are day excursions under the direction of expert guides. There's unparalleled alpine skiing on a variety of slopes. Overnight accomodation is available at the lodge and "package deals" include meals, rooms and tows as well as lessons and even outings for the camera-minded.

ily skiing. It has a day lodge (overright accomodations available at the nearby town of Canmore), a fully modern cafeteria and Children's Nursery — a service unique in Alberta ski regions. Three poma lifts, a skier's sport shop and ski school complete the facilities.

"Long Season" skiing is done at JASPER NATIONAL PARK. The season usually extends from mid-October to June on glaciers, and slope-skiing is enjoyed from mid-December to mid-April. Whistler Mountain, three miles from the town of Jasper, offers excellent downhill skiing. Comfortable chalets and cabins are available in winter. Many areas in the park - Tonquin Valley, Maligne Lake and Mount Edith Cavell are noted among skiers for fine slopes, deep powder snow and glacier skiing. This area is also perfect for photography.

Also in Jasper National Park. 234 miles west of the capital city of Edmonton, is fantastic MARMOT BASIN. The Basin. an hour's ride from the townsite of Jasper, is the answer to a skier's dream. It is surrounded by impressive snow peaks which protect the slopes from summit winds. Here the skier is virtually guaranteed good-to-excellent snow conditions from December

Today, you can buy FRONT WHEEL DRIVE in a large Detroit sport-sedan, at more than twice the price of a Swedish SAAB. Of course, SAAB has had Front Wheel Drive pulling for it for over sixteen years.

It was inevitable that American car manufacturers would latch on to it sooner or later. FRONT WHEEL DRIVE puts the engine weight over the driving wheels, makes for roadability and balance—pulls you through when the road throws you a curve, when the going gets rough . . . or slick. And you get tow-truck traction
