BONNIE MASON, the present Tulip Queen and a resident of Delmar, and Hon. Erastus Corning, II, Mayor of Albany, are pictured as they officially opened the 1966 Albany Tulip Festival which will be highlighted by the crowning of a new Queen on May 14. Held in a Tulip Garden in the Community Exhibit Room at the downtown Albany office of City and County Savings Bank, the event was witnessed by Frederick W. Stolz, bank president, and Arthur J. Brumaghim, General Chairman of the Festival. The eleven finalists for the Tulip Queen Contest were introduced and interviewed at a reception in the Tulip Garden.

A "ROARIN' 20'S REVUE" is in the making for Nathaniel Adams Blanchard Post 1040, American Legion, in Delmar. Talent for the show has been recruited from the members of the Post and its Auxiliary. The Revue is being presented on two consecutive Saturday nights, May 14 and May 21. Co-Chairmen for the affair are Mr. and Mrs. Wallace Ehrichman of Slingerlands. Mrs. Ann Martin was engaged to direct. The theme of the program is a return in mode and mood to the decade of 1920-1929. Guests are urged to attend in costume of that period. In addition to a colorful musical floor-show there will be a buffet supper and dance music for the guests. The May 21 presentation will be coupled with the closing of the Post's annual fund-raising program. For this a colored TV will be given to a lucky ticket-holder. Vice Commander and Activities Chairman Sidney Kaplan arranged for the program. Vice Commander and Special Events Chairman George Butman is in charge of tickets. The picture above shows the case rehearsing for the Revue: (left to right) Michael Mele, Mrs. Mele, Mrs. Peggy Lilly, Royce W. Day (Master-of-Ceremonies), Mrs. Arthur J. Quinn, Mrs. Sid Kaplan and her husband.

JHS Concert

The annual Spring Festival of Music of the Bethlehem Central Junior High School will be presented in the school auditorium on Friday, May 13 at 8:00 P. M. Several vocal and instrumental groups will perform under the direction of Santa Ganey, Joseph Farrell, Richard Yacobian, and Samuel Bozzella, members of the music staff at the school.

The program will open with a special presentation of "Spring Greetings" with lyrics by Richard Feldman of the school faculty. The Junior High Concert Band will follow with "Citadel" by Erickson, "Canzonetta" by Peterson, "Legendary Air" by Erickson, "Balladair" by Erickson, and "Cuban Capers" by Kinyon.

The Boys' Choir will sing "Jerusalem Morning" and "Drunken Sailor" by Chantney and "Strike Up the Band" by Gershwin.

The String Sextet, composed by Linda VanEgmond, Lori MacHarg, Linda Illingworth, Sue Ann Vaughn, Susan Schlosberg, and Sidney Jones will play "Simple Symphony" by Britten.

The Serenaders, a girls' singing group, will present "Alleluia" by James, "Tutu Maramba" arranged by McKinney, "Which is the Properest Day to Sing" by Arne, "O Eyes of My Beloved" by Orlando di Lasso, and "No Man is an Island" by Whitney-Kramer.

After a brief intermission, the Junior High Repertoire Band

May Musical

The Slingerlands Elementary School will present its annual May Musical in the auditorium on May 19 at 8 P. M. The Choir and Music Literature Study Group, will present a varied program from Israeli Folk music to the hits of Richard Rodgers. The public is invited.

will play "Melody in F" by Rubenstein and "Gallant Eagle" by Conley.

The Girls' Choir will present "Brother James's Air" arranged by Jacob, "All the Pretty Little Horses" arranged by Owen, and "Catch a Falling Star" arranged by Ades.

A special String Quartet, consisting of Richard Hurwitz, Lynne Rockwood, Joanne Yungman, and Nancy Steltman will play "Quartet Opus 18, No. 1 in F" by Beethoven.

The Mixed Choir will present "With a Voice of Singing" by Shaw, "Jesu, Word of God Incarnate" by Mozart, "May Day Carol" by Taylor, and "Cantate Domino" by Pitoni.

The program will conclude with the Orchestra playing "Song of Jupiter" by Handel-Anderson, "Themes from the Fifth Symphony" by Tchaikowsky-Isaac, "Meditation" by Stephan, "Adagio and Allegro" by Corelli-Muller, and "Russian Sailors' Dance" by Gliere-Isaac.

Accompanists for the program include Linda Cook, Kathie Fleming, Kimberly Gall, Barbara Stott, and Elizabeth Wilson.

JOYCE CORNES and Linda Gray have been a familiar sight around town with their tandem bike, advertising the 10th Annual Antique Show to be held at St. Stephen's Episcopal Church May 18 and 19.

Antique Show

The 10th Annual Antique Show & Sale of St. Stephen's Episcopal Church, Delmar, will be held on May 18 and 19 from 10 A. M. to 9 P. M. The admission will be 75¢ (with invitation card 60¢). Luncheon, snacks and dinner will be served on both days. Dinner will be at 5:30 and 6:30. To make reservations call the the Church office 439-3265.

There will be 20 dealers showing with a Silent Auction being held in each dealer's booth.

Anniversary

On April 27th, the Helderberg Senior Citizens celebrated their 5th anniversary with a banquet at the Clarksville Community Church.

President Lester Sharp was master of ceremonies and Frederick R. Edmunds, President of the New Scotland Kiwanis Club, which sponsored the Senior Citizens Group, was principal speaker.

Mr. Edmunds' theme was, "the great responsibility resting upon the senior citizens to take an active part in community affairs." He urged them to devote their experience over the years and their energies to such problems as community planning, adequate housing for senior citi-

zens, searching out new answers and new approaches to old problems.

Applications Due

The Slingerlands Nursery School has set June 1 as the deadline for applications for the term to begin September 15. During June the applications received will be reviewed and a limited enrollment selected.

Anyone interested in nursery school for 3 & 4 year olds should either write: P.O. Box 1, Slingerlands or telephone Mrs. J. Phillips Campbell at 439-3952.

To Scotland

Paula Dorman, daughter of Mr. and Mrs. John L. Dorman of 5 Brockley Drive, Delmar, has received word from Marischal College of the University of Aberdeen, Aberdeen, Scotland, that she has been accepted as a student for the year 1966-67.

Paula is a sophomore at Muskingum College, New Concord, Ohio, where she has been named to the Dean's list and was among those students recently honored at a Scholastic Honors Assembly and banquet as being in the top 5% of their class. She is a history major and plans to study Scottish and British History while at Aberdeen.

Ambassador Is Tim Thornton

The Bethlehem Community Ambassador Project announces Timothy Thornton as Community Ambassador to Poland for 1966. As previously planned, an am-

Tim Thornton

bassador to Egypt was also chosen, but due to a personal health problem, the candidate had to be withdrawn too late for another choice to be made.

A resident of Delmar since 1955, Tim is the son of Mr. and

Mrs. Thomas B. Thornton of 195 Adams Street. He is the oldest of their five sons and is, at present a Junior at Union College.

A fine student at BCHS, and Vice president of the Student Council during his senior year, Tim is also well remembered for his athletic record. Winner of varsity letters in football, basketball, and golf, he was also president of the Ski Club and co-captain of the Golf Team. Many members of the community knew him as "that nice paper boy" or, on occasion, as a substitute mailman.

At Union, Tim has continued his interest in athletics on a limited basis. A member of the Varsity swimming team during his first two years, he also serves as a Red Cross swimming instructor and works as a lifeguard during the summer.

Tim is presently majoring in Political Science. In the course of his work, he has made a specific study of communism. This makes him peculiarly fitted for his assignment as Ambassador. He is most anxious to experience

first hand some of the things he has studied about and he feels that the Community Ambassador program "will enable me to make some contribution to both my temporary community in Poland and my permanent community in Delmar. Just to remove a few of the bricks in the cultural wall that divides our two countries and to show this wall is not as high as it seems will be a rich and rewarding experience."

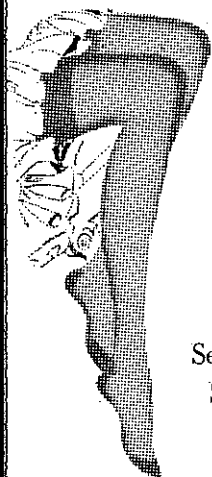

June 5 will see Tim on his way, first to Putney, Vermont, for a three-week intensive language training course, then on to Poland. During the summer, he

will also have a brief trip into Russia.

Library Notes

One thing the staff at the Delmar Public Library is sure about: everyone from pre-schooler to senior citizen loves a paper bag, especially if it has handles. Approximately 500 were delivered to the Library from the Upper Hudson Valley Federation (the Delmar Library is a member). In less than a week almost every one was gone. For the most part, books were still carried out by the armful but the new bag was carefully empty as it left.

There were exceptions: the small girl who happily and precisely placed her sticky lolly-pop in the bottom of her new bag; the small boy who hung from his ears by the handles (a future batman?); the far-sighted mother who asked for two, one to be inserted inside the other for extra strength.

The Tri-Village area is full of these mementos. The Library is not advertising; it is merely saying: "so glad you came; come again soon."

MAY TIPS FOR GARDEN & LAWN

Planting Around The House

Foundation plantings around the house are usually selected on the basis of personal preference. It is fortunate that our likes are not all the same or the landscape would be quite boring. There are no hard and fast rules to foundation plantings or to landscaping. However, there are some guidelines that can help maintain the appearance of your home in future years.

A house with a high foundation wall will require more planting around the base than one with a low wall. Also, a house with a high foundation can use taller growing plants.

Shrubs with an interest for more than one season of the year are preferred. Evergreens meet this requirement since they retain their color all year. Many of the deciduous shrubs (those that drop their leaves in winter) are interesting also. Their off-season interest may be from shape, bark color or fruit.

The design suggested for foundation planting is based on the "v" principle. The base or bottom of the "V" is at the main entrance. The high part of the "V" is about half the distance from the ground to the eaves at each corner of the house. Shrubs that are planted along the foundation should grow no taller than this imaginary line. The "V" tends to call the viewer's attention to the main entrance.

Keeping the "V" in mind, you

can plan to plant lower growing plants near the entrance and taller growing shrubs near the corners of the house. Plant only low-growing shrubs under windows, even if this doesn't fit the "V".

It is always a good practice to plan on paper before you plant. This will help you follow a plan even if it takes several years to complete the planting. Annual or perennial flowers can be used

to fill in during the time you are planting.

Meeting

At a meeting of the Board of Directors of the Bethlehem Community Christmas Festival held at the home of Dr. and Mrs. Roy Gillett April 24, the dates for the 1966 Christmas Festival were announced as Sunday afternoon, December 11, Thursday evening,

December 15, and Friday evening, December 16. Mrs. Warren Kimmey was appointed General Chairman of the 1966 Festival; Mrs. Perry Dunn and Mrs. Robert Kellum will serve as Vice-Chairmen. Miss Marjory Reid was appointed Secretary and Mr. John Haker, Treasurer.

C. M. Lacy has been appointed to the Board of Directors representing the Delmar Methodist Church.

A REMINDER

A Shade Tree?

Brilliantly alive and budding: Maple, Locust or Oak are offered as suggestions for lovely shade. They come in many sizes, beautifully shaped, top quality.

Flowering Shrubs?

Hardy, top quality stock that will grow on your property and give you hours of enjoyment each year. Choose from: Forsythia, Lilac, Viburnum, Almond.

Flowering Trees?

Dogwood, Flowering Crabapple, Flowering Plum. Choose the size best suited to your needs. We have a wide variety in all three of these popular sellers.

A Rose Garden?

We have table upon table filled with potted Roses. All you do is set the pot right in the ground. Hybrid teas, Floribundas and Climbers, in all new shades.

Annuals?

Special care was taken to make our annuals heavier in flowers, longer blooming. Choose Geraniums, Petunias, Marigolds, Alyssum, Phlox, Mums, Salvia, Verbena, etc.

Perennials?

It's planting time for next year's Perennials, too. We have a wide variety of Peonies, Primroses, Lupine, and Delphiniums. Unusual shades here too.

Evergreens?

Evergreens make any property more beautiful in summer; they add a dark green contrast on white snow in winter. Browse through our display and choose yours.

Drive-It Tour

By popular demand the original Drive-It-Yourself Tour which started in 1961 will again be held this year on two Sundays in July, the 10th and 17th.

In making the announcement of this decision, Norman C. Kidder, Albany County Agricultural Extension Agent, and Frank Leavitt of the Soil Conservation Service, said that they were pressed by heavy popular demand to plan another Drive-It-Yourself Tour this year. Last year no tour was held. Arranging an event which attracts over 3300 people driving some 800 cars, as was the case in 1964, takes a great amount of time and planning. Due to other programs and the 50th Anniversary celebration of the Extension Service in Albany County, time was not available last year.

Because so many people were disappointed, plans are already underway for 1966. Both Kidder and Leavitt have been traveling county roads and mapping interesting places and checking intriguing stories.

July 10th and 17th will find hundreds of families taking a Sunday trip in the old car to places unknown, on roads that lead to someplace new, and over which history once traveled.

first year student at St. Peter's School of Nursing, from the 11 Finalists Competition for Tulip Queen. Miss Jawtakis' withdrawal came at the request of nursing school authorities who felt the Festival schedule and later appearance would interfere with school work.

Mr. Walter Marvin, Chairman of the Junior Chamber of Commerce's selection committee announced that Linda Lee and Linda Holmberg, both of Delmar and schoolmates until last year at Bethlehem Central High School would be the replacements for the two contestants who withdrew.

Delmar now has four residents in the 11 Finalists Competition: Lyn Osborne, 19, daughter of Mr. and Mrs. Thomas D. Osborne, 315 Kenwood Avenue, graduate of Bethlehem Central, employed at Macy's; Francine Murphy, daughter of Mr. and Mrs. William L. Murphy, 102 Paxwood Road, also a BC graduate, employee of State Identification and Intelligence Office; Linda Lee, 18, daughter of Mrs. L. June Lee of 17 Murray Avenue, an honor student at Albany College of Pharmacy, a volunteer teacher of Red Cross Swim Program for the handicapped; and Linda Holmberg, 19, daughter of Mr. and Mrs. George Airey, of 485 Delaware Turnpike, an employee in the State Department of Audit and Control.

An out-of-town panel of Judges will select the Tulip Queen for 1966 on Friday, May 13. Announcement will be made at the Coronation in Washington Park, at noon, May 14.

Meeting

The Ladies' Auxiliary of the Elsmere Fire Company will hold its regular meeting on Thursday, May 12, at 8:00 P. M. at the Fire House.

At Saratoga

High quality of the harness racing at Saratoga Raceway has amazed horsemen and fans alike during the early season. No small number of the trotting and pacing events have been decided in the final stride and some of the times have been nothing short of astounding.

Fastest mile of the season was turned in by Shadydale Hymn in the initial leg of the Can-Am Series, The \$5,000 Mechanicville Pace, on opening night. The handsome Airliner offspring toured the Spa oval with Herve Filion in the sulky in a sparkling 2:03.1. This was a new mark for the bay colt and a National Season Record for three-year-old pacers on a half-mile track.

Another National Season Record for a half-miler was set recently by Can-Am Series eligible Brie-A-Brac. Teamster

Pete Dailey reined the three-year-old sidewheeling filly through a crackling 2:05.1 tour.

Fastest trotting mile of the season came about when Argo Can captured the \$2,000 Countess Belwyn Invitational. Harold Story handled the ribbons of the gelded son of Florican who stopped the clock in 2:05.3.

Speaker

Albany County Judge Martin Schenck will give the commencement address at this year's graduation exercises for the Junior College of Albany.

A total of 100 students will receive diplomas at the commencement ceremony, scheduled for 7 P. M., Friday, May 27, on the college campus. This will be the largest graduating class in the history of the Junior College.

Judge Schenck is a native of Albany, who was educated at the Albany Academy, Yale University, and Albany Law School. He has been an Albany County Judge since 1951, and before that he served as Traffic Court Judge and Recorder and as an alderman for the 18th Ward.

Decoration Exhibit

An exhibition of Early American decoration will be held on May 20, 21 and 22 at the Cedar Hill School building on Route 144, Cedar Hill. It will be open to the public, free of charge, on Friday and Saturday from 1 to 5 and 7 to 9 P. M. and on Sunday from 1 to 5 P. M. The Cedar Hill building is the home of the Town of Bethlehem Historical Association.

The students of the Julia White Studio of Delmar, will be presenting this exhibition of their work for the enjoyment of all who are interested in Early Americana. These students are: Mesdames J. Dukehart Chesney, Edward H. Davis, Wayne F. Fry, John E. Glenn and Robert I. Kellum, all of Delmar, Mrs. Earl C. Foster, Glenmont; Miss Louise W. Goodwin, Mrs. George W. Hemstead and Mrs. Arthur D. Hengerer of Albany; Mrs. Nicholas E. Oglesby, Troy; Mrs. Robert J. Tucker, Colonie, Mrs. John S. Wall of East Greenbush and Mrs. Allen D. Bishop of Loudonville.

The basis of the students work is founded on patterns and designs that have been discovered on antique tin, wood and glass. These designs are used on trays, deed boxes, furniture and many other pieces of Early American and have their true designs registered with the Esther Stevens Brazer Guild. This is the Twen-

tieth anniversary of the foundation of the Historical Society in Early American Decoration, Inc. Originally called the Esther Stevens Brazer Guild, it was founded in honor and memory of Esther Stevens Brazer who spent a lifetime in the quest and research of Early American decorative styles and techniques and recreated the arts of decorating we today call Country Painting, Stencilling, Gold Leafing, Free-hand Bronzing, Lace Edge Painting, Reverse Gold Leafing and Painting on Glass, and Chippendale Painting. Mrs. Brazer tracked down the craftsmen who were still practicing, gleaned

a knowledge of their techniques, and taught these techniques to her pupils.

This is the thing which Mrs. Harold White is teaching in her studios in Delmar. She is a member of the Guild. In order to qualify for this honor applicants have to submit two pieces of their own work, one Stencilled, the other decorated with Country Painting.

Several of Mrs. White's students are working on exhibition pieces to qualify for membership in the Brazer Guild.

The exhibit will include all types of work and techniques which the students employ. Excellent charts, showing characteristics of the work in different sections of the country have been prepared by Mrs. White.

Puppet Show

"The Magic Mirror of Laughter," a marionette show for children, is scheduled for Wednesday afternoon, May 25, at the Delmar Public Library. This modern fairy tale is being produced by the Junior League of Albany under

the direction of Mrs. Eugene L. Sullivan, Jr.

Admission is free but since space is limited only 120 tickets will be issued. They may be obtained in the children's room of the library after May 15.

This will be the concluding program of this year's story hour series.

DELMAR FOUR CORNERS "NEW" SHOPPING AREA

The "May Festival of Values" sponsored by the Four Corners Merchants has been like a re-birth of business in this area as many hundreds of shoppers who abandoned the Four Corners for the shopping centers are finding that the Four Corners merchants are friendlier . . . they have **COMPLETE** stocks . . . the prices are competitive . . . and there **IS** parking that is convenient to the stores.

That's exactly the message these men and women have been trying to get across for years!

Some of this re-discovery may be due to the more than \$2000.00 in **FREE** prizes that the merchants are giving away this month. Whatever the reason, you'll want to register every time you shop:

r neighbors, the men mily Insurance Companies

Twelve years ago, Farm Family Life Insurance Company was organized, to provide farm families with an insurance service designed especially to meet their needs. Since then, the policyholders enjoying the financial protection of their own company have realized savings of over 3½ million dollars returned in dividends!

Nine years ago, Farm Bureau members began insuring their homes, autos, farms and farm buildings against fire and liability hazards with the newly-formed Farm Family Mutual Insurance Company. Today, they are receiving dividends.

HIGHLIGHTS OF 1965

New High in Life Insurance in Force

Total now exceeds \$266,000,000. 1965 saw the greatest yearly increase since the Company started business in 1954.

New High in Premium for Auto, Casualty and Fire

An increase of nearly 11% over 1964.

New High in Life Insurance Dividends

\$745,985 returned to policyholders in 1965 — more than in any previous year.

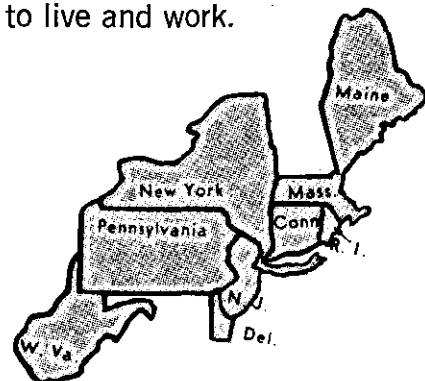

10% dividend paid on Major Medical Insurance.

For Company Employees increased Benefits in Health Insurance, Life Insurance and Pension Plan.

In 1957, we brought our home office to this friendly community, where we found an abundance of capable men and women for our staff and plenty of elbow room for our expanding offices. Every year since then has seen a steady rise in participation and benefits. Our staff has more than tripled and we need much more space for our records and business machines.

That's why we're moving to our beautiful new glass, porcelain and steel home in Glenmont . . . where we'll still be your neighbors. All of us, from top management to the newest employee, agree that the Town of Bethlehem is a good place to live and work.

Long distance Information Operator Willett Gray finds New York City numbers for out-of-town customers.

***"It's exciting, helping people
from all over the country."***

"You never know where the next call will be from when you're a long distance Information Operator. But you can be sure of one thing. Wherever the call comes from, the person will want the New York City number in a hurry. So we're given special training in finding these numbers quickly.

"Next time you need an out-of-town number, dial the area code (if it's different from your own) of the city you want, then 555-1212. You'll see how quickly the Information Operator in that city will serve you."

Mr. and Mrs. Harry G. Eyres realized "a life-long dream" about six weeks ago when they moved to a country home on Elm Avenue with 33 acres of land. They've lived in our community for about 20 years, most recently at 19 Euclid Ave. in Elsmere, but have always wanted to live in rural surroundings.

"Now we have all the advantages of country living, with suburban conveniences close by," Mr. Eyres told me recently. One of the biggest thrills of being in "the wide open spaces" is the opportunity, it gives the Eyres children to raise horses. The children, Beth, 16, David, 13, and Edith Lynn, 4, have three horses at present - a pinto, a palamino, and an Arab - and you can bet the youngsters have

been busy exploring those 33 acres on horseback.

Harry Eyres is a personnel recruitment representative for the State Civil Service Department, and Ruth Eyres has been employed this past school year as an instructor of secretarial science at the Junior College of Albany.

Mr. and Mrs. Eyres entertained for the first time in their new home last Friday evening, when they had seven faculty couples from the Junior College of Albany in for cocktails, prior to the annual graduation dinner-dance of the college held at the Ten Eyck Hotel.

sons, James, 14, Richard, 13, and Daniel, 8, returned recently from a two-week southern vacation trip.

Their first stop was Chapel Hill, N. C., where they stayed with Mr. and Mrs. Duane Taylor who lived in Slingerlands until about a year and a half ago. Mr. Taylor, who was with C.P.M. Industries while in this area, is now on the staff of the University of North Carolina, and the Taylors have added a member to their brood since moving from here and now have seven children.

The Geary's then enjoyed stop-overs in Jekyll Island, Georgia and Panama City Beach, Fla., before going on to New Orleans, where Mr. Geary attended a conference of the Printing Industries of America. (He is executive vice-president of Cromwell Printery here in Albany.)

The Geary family stayed at a famous hotel in New Orleans' French Quarter, and found they

were in that city at an opportune time, for its annual Spring Festival, with many band concerts and art shows, was being celebrated while they were there.

A number of smartly-dressed women from the Tri-Village area enjoyed the bridge party and fashion show sponsored last Thursday afternoon by the Albany County Medical Auxiliary at Maryrose Academy.

The fashion show was by Macy's, (the first they've done in this area since the store opened) and among the models who got to show off some stunning outfits were local auxiliary members Mrs. Howard Netter, Mrs. Gerald Austin, and Mrs. Edwin M. Pesnel Jr., and Mrs. John Grogan.

Mrs. Robert O'Koniewski of Delmar was hospitality chairman for the afternoon party, and some of the other local women I managed to spot between bridge hands were Mrs. John

Bellizzo, Mrs. Gene Primono, Mrs. Joseph Schultz, Mrs. Dennis Fitzpatrick, Mrs. Max Karp, Mrs. Robert Friedlander, Mrs. William R. Johnson, Mrs. Bernard Skaskiew, Mrs. Robert Illingworth, and Mrs. Jesse Kaye (who acted as mistress of ceremonies.)

...

If you're in the mood for enjoying a good spaghetti dinner tonight — but don't feel like preparing for it all afternoon in your kitchen — you can drop over to the dining room of Bethlehem Central Senior High School anytime between 5:30 and 8 P. M. (on Thursday, May 12) and eat all you want for \$1.50. A child's portion is only \$1.

The spaghetti dinner is being prepared by members of the Creative Writing Club of Bethlehem Central, who will use the proceeds from the event to publish a collection of their works to be called "The Thinking Reed."

The Creative Writing Club was just organized this year, has about 30 members, and is advised by Mrs. Helen Adler, teacher of the Advanced Placement English class.

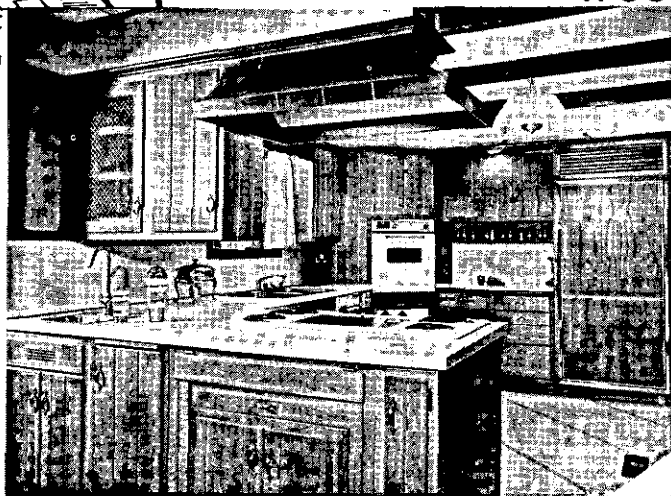

Diners will be entertained by a "jug band" whose members are Scott Hauser, Andy Palmer, Tom Odell, David Skidmore, and Irene Rasker. Students Judy Polan and Andy Palmer will also present some folk tunes.

You'll be encouraging the creative writing efforts of our local youngsters by partaking of their culinary efforts, (supplemented, in some cases, by the experienced hands of parents) so enjoy an afternoon off, Mom and take the family out for a good time.

TIRE SAFETY TALK!

No one tire fits all "safety needs", not all drivers do the same type of driving, not all drivers require the same type or grade of tire to insure adequate safety. There is a definite quality and price tire to fit your needs.

Determining which tire is a safe tire for you is not a hit or miss proposition. We at Weinberg feel that our know how and experience can help you determine which tire will best fit your needs.

Most drivers want safety when they buy a tire. Unfortunately, not all drivers wind up with the tire that fits their needs best.

When you next think of buying tires — consult us — and get assured that your safety will be our first concern.

Once again — do not allow price to be the determining factor when buying a tire. Your tire needs may be less expensive than you think. We can supply you with more than adequate "tire safety" — but we have to discuss it with you personally.

Stop in at our tire safety center and be convinced that our experience can not only save you money — but can also assure you of many safe driving miles.

Our 27th Year

Meyer Cohen, Prop. Tel. HO 5-7870

in The Travelers Insurance Companies annual highway accident booklet, which reports 48,500 deaths and 4,100,000 injured last year. Statistics in the booklet were compiled from reports by state motor vehicle departments.

The trail of death and destruction in 1965 marked the first time the casualty count has exceeded the 4,000,000 level. Fatalities increased by one per cent over 1964; injuries were up by seven per cent.

Young drivers — those under 25 years of age — again led the list of offenders. And their collective record in 1965 was substantially worse than in any previous year.

Although these younger persons represent only about 18 per cent of all licensed drivers, they were involved in more than 30 per cent of all fatal accidents and 28 per cent of all nonfatal mishaps.

"Sooner or later," says a Travelers spokesman, "the traffic toll will reach proportions where the nation will no longer tolerate such destruction on the highways."

The company in 1965 announced it would sponsor a massive research program designed to study man and his environment. The first phase of this program will deal with man and the automobile and will include research on the interaction of the driver, the car and the environment.

Travelers already has invested \$250,000 in this study and expects to contribute thousands more as research continues.

Our Boom in Population

New York State's population quadrupled in 100 years from less than 4 million in 1860 to nearly 17 million in 1960 — according to data recently compiled by the State Commerce Department.

The data, based on figures reported by the U. S. Bureau of the Census, are contained in the Department's Research Bulletin No. 15, "A Century of Population Changes in Counties of New York State."

Population growth over the last century was not uniformly distributed throughout the State, but was characterized by move-

ment of people into cities and expansion of large urban areas at the expense of rural areas, it is noted in the bulletin. Of the 12 counties in the State which experienced population increases of more than 400 per cent between 1860-1960, eight were in the New York Metropolitan Area — Bronx, Kings, Nassau, Queens, Richmond, Rockland, Suffolk, Westchester. The other four were Broome, Erie, Monroe and Schenectady.

During this same period, five counties — Green, Lewis, Schoharie, Schuyler and Yates — recorded population declines, while seven counties — Allegany, Chenango, Columbia, Delaware, Otsego, Washington and Wyoming — had overall increases of less than 10 per cent. All of these counties have remained sparsely populated and largely rural.

Factors contributing to this population pattern included demand for industrial labor in cities, and improvements in farm machinery which reduced the need for agricultural labor. Hundreds of thousands of immigrants who came to this country in the 19th and early 20th centuries settled mostly in cities throughout the State. Development of the Erie Canal, followed later by the advent of railroads, opened up new areas to industry, provided easy access to raw materials and markets, and increased the mobility of the population.

Highlights of population changes outlined in the research bulletin include:

- The greatest percentage of population growth in the State during the century occurred in the first 50 years, due to the tremendous influx of immigrants and expansion of railroads into every area of the State.
- Many important technological advances occurred in this period, resulting in the creation of new industries. Among early industries which gave impetus to the expansion of industrial centers in the State were electrical machinery (General Electric Co.) in Schenectady; shoe manufacturing (Endicott

Johnson Corp.) in Binghamton; photographic equipment (Eastman Kodak Co.) in Rochester, and the iron steel industry in Buffalo, which was aided by early utilization of hydroelectric power.

- First indications in the State of the movement of people in large numbers from the urban core of the city to the periphery and into the suburbs occurred between 1910 and 1940. Business and industry tended to follow the movement of population, creating new urban centers.
- Tremendous suburbanization characterized the period between 1940-1960. Nassau and Suffolk counties more than tripled in population, and Putnam and Rockland nearly doubled theirs. New industrial development contributed to substantial population increases in Niagara, Dutchess, and Tioga counties.
- Only three counties in the state lost population between 1940-1960 - New York, Kings and Montgomery.
- Most small rural counties in the State had been losing population up until 1940, but then registered small to moderate increases in the next 20 years. This indicates that the exodus from the farm to the city had slowed or been reversed, and that both population and industry were expanding out of urban centers into surrounding areas.

Research Bulletin No. 15, which provides population statistics and information on ten areas of the State - New York Metropolitan, Mid-Hudson, Capital District, Northern, Syracuse, Mohawk Valley, Binghamton, Elmira, Rochester and Buffalo - can be obtained free of charge from the State Commerce Department, 112 State Street, Albany, N. Y. 12207, or any of its branch or regional offices.

Anniversary

A world-famous investment that is unusual because it serves the double purpose of building security for individual Americans and the Nation marks its silver anniversary this week.

The familiar United States Savings Bond was created 25 years ago when our country was about to face the agony of World War II. Savings Bonds were needed then to help back our fighting men with the weapons necessary for victory. And even as bonds helped speed victory, they helped build security for the people who bought them.

Through the years since 1941, Savings Bonds have enabled millions of Americans to achieve important personal goals such as a new home, college education for the children or added income for retirement. The billions of dollars invested through company Payroll Savings Plans in these reliable Shares in America have added to America's economic strength — the strength vital to our freedom.

Currently, there is nearly \$50 billion in E and H Savings Bonds outstanding. All of these bonds, even those bought in 1941, are still earning interest, and, since December 1, 1965, at the new improved rate of 4.15%.

Considering the indestructibility feature of Savings Bonds are now a better investment than ever before. We have an opportunity to build even greater security for ourselves and at the same time build greater stability and strength for our country.
