Calling All Singers!

The Delmar Community Chorus is looking for people who like to sing. We feel there is a definite need for such a chorus in a community as ours, which has so many talented people with musical interests. Many of you already take part in various choirs and others would enjoy the fun and fellowship of a new musical outlet.

The Chorus performs at various community events throughout the year. Future rehearsals will be once a week for one and one half hours at a time to be

selected by the majority.

If you'd like to join us in the fun of singing and, at the same time, help to promote a worthwhile community activity, fill in the following questionnaire and mail to: Mr. Philip Moore, 128 Hudson Avenue, Delmar, N. Y. or phone information to: Mrs. Alwyn Bauder HE 9-2898.

Indicate First and Second choice of Day preferred for Rehearsals; circle time if your choice is Sunday.

**WITH THE
GIRL
SCOUTS**

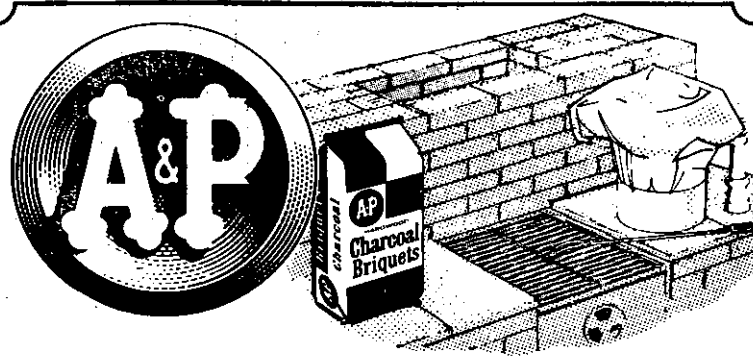

The Hudson Valley Girl Scout Council has been holding Brownie Be Discoverer Days' at Camp IS-SHO-DA and Junior Skills Days' at Camp SHA-TE-MUC. The Brownie program consisted of nature walks, songs, games, arts, and crafts. The Junior program provided demonstrations and instructions on the use of knives, tents, fire building, knots and lashing. The girls then worked on these projects themselves in order to increase their skills. Brownies and Juniors alike seemed to gain much from their experiences on these days and the program was a great success.

outdoor chefs are very fussy!

Ever since the outdoor cooking fad began,
we've been catering
to the special needs of outdoor chefs.

Over the years, we've satisfied scores of thousands.
Many, many find just the steak, chops or chicken they want
in our self-service meat departments.
Others have specific needs...
the steak must be 2½" thick, the chops double thick and so forth.
That's no problem.
If you don't see it...just ask. We'll be happy to help you.

One other reason we're so popular with "backyard barbequers"...
the quality of our "Super-Right" Meats.
Quality so high, some meat graded U.S. Choice
just isn't perfect enough to be "Super-Right" Meat.

Is this a good reason for shopping A&P? It's one of many.

Art Exhibit

The current art show at the Delmar Public Library is attracting much interest. A group of area men and women who have been painting together this past winter have loaned some of their pictures to the Library for this exhibit. None of the group is a professional and several are beginners. It is rewarding to see

the talent displayed by a group who paint as a hobby and simply for the joy of painting.

Among the exhibitors are: Norman Allaway, Olive Beaupre, Marilyn Cassidy, Joan Elsner, Robert R. Foster, Dorothy Green, Teresa Mercuri, Ruth McDowell, K. Moore, Mildred Rakebrand, Marguerite Rogers, Janet Smith, Mary Wasserbach and John R. Williams.

ents and virtuosity of its principal musicians and new conductor, and to demonstrate to the Capital District its appreciation for their continued support.

SECOND CONCERT, TUESDAY, NOVEMBER 29, 1966,

Walter Trampler, internationally renowned viola and viola d'amore virtuoso. Featured artist with the Casals Festival in Puerto Rico, Mr. Trampler has been heard in virtually every major music center. Of special note will be the World Premiere of the Concerto for Viola and Orchestra by Frederick Goosen, composed at Mr. Trampler's request. Mr. Hegyi and Mr. Trampler will play the violin and viola in Mozart's Concertante.

THIRD CONCERT, TUESDAY, JANUARY 31, 1967, Sidney Foster, one of America's great pianists. Throughout a brilliant career, which has included extensive coast to coast tours and numerous European successes, Mr. Foster has also concertized up and down the length of Central and South America and as far east as Japan. He has rightfully earned the reputation of being "not a mere virtuoso but a great interpreter of great music."

FOURTH CONCERT, TUESDAY, FEBRUARY 28, 1967, Irene Jordan, Metropolitan Opera Soprano. Soloist with many

of the world's leading symphony orchestras, including the New York Philharmonic, Miss Jordan was singled out by the Ford Foundation as one of the top ten artists to whom the Foundation wished to show "public appreciation of the richness and variety of America's musical resources at their highest level."

FIFTH CONCERT, TUESDAY, APRIL 11, 1967, Malcolm Frager, world famous pianist. One of America's foremost young pianists, Malcolm Frager has been touring the world, consolidating his reputation and emerging as one of the front-rank pianists of our time. He has appeared for four successive summers in Tanglewood with the Boston Symphony. Last summer he opened the season with the Mozart Concertos.

All concert performances will be at 8:15 P. M. at the Strand Theatre, and all seats reserved. Attended parking will be available in nearby lots for twenty-five cents.

BEACH FASHIONS & ACCESSORIES

This Is Killip's Summer "Nursery" Where we "Baby" your heavy Winter Garments

Have you seen the inside of a really modern vault for storing winter suits, overcoats, dresses and other heavy wearables? If you cannot take the time to personally inspect Killip's "Polarized" storage vaults, we bring you the above inside view.

What Killip's "Polarized" storage means to you

It means that ALL your winter garments will be beautifully dry cleaned—and that each suit, coat, or woolen dress will be suspended through the summer months from individual hangers.

It means that while your winter pieces remain in storage, you can enjoy more much-needed closet space and be free of worrying about the invasion of moths and mildew.

It means that these garments will live in clean, fresh, sanitary quarters where the atmosphere is scientifically de-humidified and maintained at controlled temperatures—quarters that are periodically fumigated to ward-off insidious moth larva.

How to use

Killip's Storage Service

Phone us—or ask our routeman to provide you with one of our big "HANDI-HAMPERS." Or more than one if you can't get everything into a single container. Pack the Handi-Hampers FULL. We will call and pick them up. There is no charge for Killip's convenient call-for-and deliver service. That beats lugging your wares to cash and carry stores all hollow!

Low Cost

We make one flat storage charge of \$5.95 regardless of the number of filled Handi-Hampers entrusted to us. You pay nothing until we deliver in the Fall. Then you pay the storage charge, plus regular dry cleaning charge for each garment. Your garments insured up to \$250 valuation against fire, theft, water damage. You will find this the most economical small investment you ever made.

of Broadcasters, accepted a "Thomas Jefferson Freedom of Speech Award" at NAB headquarters in Washington in late April of this year, from Edward C. Keefe, Oklahoma City, President of Kiwanis International.

The award acknowledged "radio's constant effort in behalf of free speech - the basis of our government, the foundation of our most precious liberty." It was the first of several hundred presented by Kiwanis clubs to their own home town radio stations during National Radio Month - May, 1966.

Information on the presentation was received here by Arthur Fleahman, Jr., President of the Kiwanis Club of Delmar.

"This year," Mr. Fleahman said, "Kiwanis clubs participating in National Radio Month are using the observance as an opportunity to dramatize - in just one more way - the Kiwanis Freedom Leadership Program, through emphasizing the greatest of all our freedoms, freedom of speech."

Kiwanis International, he added, is one of the oldest participants in National Radio Month, which is sponsored by the National Association of Broadcasters and which is held in May of each year.

Last October - during National Newspaper Week - Kiwanis honored the newspapers of the United States and Canada in similar fashion with presentation to them of the Golden Heritage of Free Speech Award.

Honored

Miss Susan Barbara Smith, daughter of Mr. and Mrs. Antony A. Smith, 5 Kenaware Avenue, Delmar, has been elected by members of her class to serve as secretary for the 1966-67 academic year at Keuka College, Keuka Park, N. Y.

Miss Smith is a sophomore at Keuka.

At Fonda

A combination program of eight races is on tap for Fonda Speedway this Saturday night. The United Racing Club drivers in their Indianapolis-type, open-

cockpit cars will compete in two heats and a feature event.

The leading sprint car drivers from New Jersey, Pennsylvania, and New York endeavor to break the Fonda Speedway track record which is presently held by Earl Halaquist, Sidney, New York, who is scheduled to appear in the Saturday night sprint car speed classic.

A full program of three heats, a consolation race and a 25-lap feature event for sportsman-modified drivers will round out the double program on the half-mile fairgrounds oval.

The top stock car drivers of the Northeast and Canada will be out to break the Lazzaro - Wimble - Shoemaker winning streak. The challengers will include such nationally-known drivers as Corey, Flemke, Gahan, Taylor, Danish, Kotary, Romano, Narducci, and the Canadian ace, Guy Chartrand.

Adult admission, including seats in the covered grandstand, parking and sales tax, for the double program is only \$2.50; children five to twelve 75¢.

The first event of the double-barrelled racing program will be given the green flag at 8 P. M.

Meeting

The monthly meeting of the Delmar Fire Department was held at the firehouse on Tuesday, May 10.

Plans for the forthcoming Carnival were announced by Chief Day. The carnival will be held on June 3-4 and on June 10-11 at the Firehouse in Delmar.

Rescue Squad Captain Cross reported 32 calls for the month and a total of 180 for the year. It was felt that there are many residents of the community that were unaware of the fact that the ambulance service was available. This emergency Ambulance service is provided as a public service by the Delmar Rescue Squad.
