

In Primary

Daniel E. Button, candidate in the Republican primary next Tuesday for Congressman from the 29th District, is a former award-winning newspaperman and active community leader. Mr. Button served as Executive Editor of the Albany Time-Union from 1960 until May 4 when he

in Journalism from Columbia University, Dan Button's early career was with the Associated Press and with newspapers in Wilmington, Delaware. He and his wife Rebecca, a former newspaperwoman, have five children: Nancy, 20, a student at Mount Holyoke College, South Hadley, Mass.; Sarah, 17, a high school senior; Daniel Jr., 12; Jefferson,

resigned to offer himself as a Republican candidate.

Dan Button has had experience in backing local Republican and reform candidates through editorial stands and with active campaign help, but decided this year to make the run himself. In the Capital District area, he has long taken an active role in civic affairs, serving as director and board member of groups like the Citizens Planning Committee, the Mohawk-Hudson Educational TV Council, the Albany Citizens Against Poverty, the YMCA and many more.

Mr. Button was formerly in education, serving as public relations director and then Assistant to the President of the State University of New York, and held similar positions at Rensselaer Polytechnic Institute and the University of Delaware. Drive-In Services

For the eleventh year, the First Methodist Church of Voorheesville will hold worship services at the Indian Ladder Drive-In, Route 85, New Scotland Road, each Sunday morning at 9:30 A. M. beginning July 3 through September 4.

Alarmed by the increasing demand of religious organizations for tax money to support their facilities, the Commission on Social Concerns in the First Methodist Church Voorheesville has asked the Reverend Walter E. Taylor, in his Independence Day Serman on Sunday, July 3, to trace the history of the First Amendment to the Constitution and its importance for religious freedom today.

The First Amendment, over which the tremendous legal battles are being fought today, assures the relation of church and state, and the freedom of religion.

Scholarship

Marcy Wilson of Delmar has been named the first recipient of a scholarship award, which will be presented annually in the future, from the Alumnae Association of Garland Junior College, Boston, where she is currently enrolled as a freshman.

A graduate of the Albany Academy for Girls, Marcy has been an elected representative to the Garland Student Council this year

Summer Music

The Music Department of Bethlehem Central School District is again offering a summer program for band students, grades seven through twelve and any interested alumni. This program has no registration fee and instrumtents are available without charge.

The summer band program consists of five weekly rehearsals and five outdoor evening concerts. All evening rehearsals will be on Mondays, beginning, June 27, 7-9 P. M., at the Junior High School building, Room 104, and the concert schedule is as follows:

- June 30 7:30 P. M. Elsmere Elementary
- July 7 7:30 P. M. Slingerlands Elementary
- July 14 7:30 P. M. Glenmont Elementary
- July 21 7:30 P. M. Senior High School
- July 28 8:30 P. M. Junior High School

Interested students and alumni are urged to contact Samuel Bozzella, Department Head of Music of the Bethlehem Central School District, before June 27.

To Clarkson

Peter J. Gregory, son of Mr. and Mrs. Ralph C. Gregory, 5 Grove Street, Delmar, has been accepted at Clarkson College of Technology, Potsdam, N. Y. this September.

Peter, a 1966 Regents Scholarship winner, graduates in June from Bethlehem Central Senior High School.

Art Display

From now until the end of July a special treat is in store for art lovers at the Delmar Public Library. Two area artists have loaned samples of their works. These will be on display in the Community Room at the Library.

Two approaches to the plastic media are exemplified in the work of Sally Weinstein and Florence Siegel.

Sally Weinstein explores the possibilities of water color to convey her joie de vivre with the world about her. Incorporated in her expression is a deep concern for mastery of the plastic elements. She is particularly concerned with light movement and design.

Mrs. Weinstein is a professional fashion illustrator whose work has been distributed nationwide. Art has been a part of her life from childhood. She studied illustration at the Franklin School of Professional Art in New York City. More recently she became interested in water color painting and studied under Avery Johnson.

Florence Siegel uses oils, acrylic and woodblock print to express her interior sensitivity as it relates to the media and the outside world. Technique is always the tool of personal expression, the touchstone to painterly freedom. She has studied at the New School for Social Research in New York City with Adja Yunkers, Anthony Toney and Warden Day. She has also

worked with Ben Carp and Arnold Blanch.

Summer Festival

Tanglewood really will be a summer music festival for area FM radio listeners.

The entire Tanglewood season - from chamber quartets to orchestral concerts - will be broadcast live by WAMC (90.3 mc.) FM station of the Albany Medical College, it was announced recently by Dr. Frank M. Woolsey, Jr., director of the station.

This is believed to be the first time in the 30-year history of the Festival at Lenox, Mass., that any radio station has won the right to carry the entire program on a live basis.

WAMC will broadcast music from Tanglewood every day from July 2 through August 25. To bring its listeners all of the concerts, the station will inaugurate Saturday broadcasting, something it has never done before. The broadcasts will begin at 8 P. M. Monday-Thursday and on Saturday, at 9 P. M. on Fridays, and at 2:30 P. M. on Sundays.

New at Fair

The Farm Museum committee of the Altamont Fair under the chairmanship of Mr. Gifford Mabie, of Altamont, associate director of the fair, have plans underway to make the Farm Museum section more attractive than ever this year when the Fair opens on August 15.

According to Mr. Mabie, a one

room school house from the Old Knox School District #12 town of Knox, Albany County, has been purchased and is being moved to the fair grounds. Here it will be repaired and go on exhibit in its original state with desks, books and other original equipment. This will give many children who attend our modern central schools to see how many of their grandparents and in some cases their parents went to school.

A maple sap rendering house and a cider mill will also be built in the area as permanent displays. Both will be in operation during fair week. In addition a large pole barn will be built on the grounds next to the present Farm Museum sight to house additional attractions being gathered by the committee, Mr. Mabie stated.

Other improvements to both the grounds and buildings are underway or being planned according to Mr. Fred S. Hart, President. Fair dates this year are August 15th through August 20th.

Promotion

The promotion of R. P. Wilson to branch manager of the Albany, New York, Glass Container Division sales office was announced by B. B. Jones, Sales Manager of the Atlantic Region for Owens-Illinois, Inc., a major glass container manufacturer.

Since joining O-I in 1956, Mr. Wilson has held sales positions in Philadelphia, Albany and Toledo, Ohio, headquarters of the company. He is a graduate of

Mr. & Mrs. Wilson, and their two children, will live in Colonial Acres, Glenmont.

Meeting

"Better Mothering through Nursing" will be discussed at the next meeting of the La Leche League of the Tri-Cities area, June 28 at the home of Mrs. Herman Mendel, 18 Gipp Rd., Westmere.

At Saratoga

Harness racing, more than any other sport, is stocked and staffed by individuals hailing from rural communities and small towns. Neil H. LaVene, who holds down the job of "starter" at Saratoga Raceway, is a product of this type of setting.

position, Mr. LaVene is popular with both horsemen and track officials alike.

A World War II veteran whose father and grandfather were both interested in standardbreds, he started training and driving as a hobby while operating a prosperous service station.

Neil was instrumental in forming the "Massena Driving Club." He built a starting gate for the group and handled the task of driving the car. When the club starter died of a sudden heart attack, Neil applied for a temporary license and took over the following week. Since that time he has traveled throughout New York, Pennsylvania and Vermont working at county fairs and other non-betting events.

DR. JOSEPH A. CASTELLANA will be the guest speaker on June 26 at the Communion Breakfast for graduating seniors of St. Thomas' Parish. Dr. Castellana is Associate Professor of Education at the College of Saint Rose. He is currently working on a book concerning man and his environment.

Please Trade!

At the May 3rd School Meeting, two dark rain coats were exchanged. The unfortunate part of the trade is: one coat was much larger than the other. At present the smaller man has the large coat; the larger man has a coat that won't even come close to fitting him.

The owner of the smaller coat, Charles H. Sanford, would appreciate hearing from the second gentleman so that an exchange can be made. Mr. Sanford's telephone number is HE 9-2615.

If YOU attended the same meeting; if you took a dark rain coat along and maybe haven't had occasion to wear it since, please get in touch with Mr. Sanford. You'll be happier with your own coat; it'll fit you.

Library Notes

Memo to all elementary school pupils — you may take a world tour this summer. The remarkable part of this promise is that you may stay at home and in your favorite reading spot travel through books.

Mrs. Ann Parrott, children's librarian at the Delmar Public Library, has announced plans for a summer reading program geared to youngsters in grades 1 through 6. Registration will begin June 27 and continue until all who wish may join in the fun. Reports will be accepted after

July 4. The child may report on one and not more than two books at a time. The reports may be oral or written. The program ends August 12. Any type of book will be approved, not only travel.

Progress of each child will be charted on a huge map in the children's room. For instance,

The enthusiastic response in
the past and the interested ques-
tions this year point out the need
for such a program.

This whole spring has been
busy for Mrs. Parrott. All first
grades in the school district
have visited the Library. They
have taken a tour of the build-
ing, visited the fascinating book-
mobile and have had library
rules and simple procedures
explained to them. Then the thrill
of receiving his very own library
card has enabled each one to sign
out his books all by himself for
the first time. Over 300 first
graders visited the Library in
this way.

Mrs. Parrott also met with the
individual 6th Grade groups.
This is an orientation program
planned to help in the fall when
as 7th graders, the children
will use the Public Library in-
creasingly.

still skeptical about A&P brand canned vegetables?

Incredible!

They're all Grade "A", you know, and labeled so.

Bet you don't know another brand that is.

Grade "A"... that's the best. You can't buy better.

You're still not sure?

Tell you what...

this week, buy a can of A&P Whole Small Green Beans.

Picked at a precise tender age, they are simply delicious.

You think this is just advertising talk?

Try them.

You'll get your money back if

you don't think they're the best you ever tasted.

Is this a good reason for shopping A&P? It's one of many.

P.S. If you're not a string bean lover,
pick any A&P Brand Canned Vegetable.

As we said, they're all Grade "A"...
all absolutely, unconditionally guaranteed.

Steinway Concert Grand Courtesy, Steinway Piano Co.

Like a Steinway Piano every Wood-Mode Kitchen is an original. Each recognized, each accepted as the leader in its field — both Grand . . . from start to "Hand-Rubbed" Finish. Only Wood-Mode, of all kitchen manufacturers, offers six cabinet styles, 3 woods and 37 "hand-rubbed" natural and enamel finishes. Like Steinway, when you select Wood-Mode you are automatically guaranteed fine furniture cabinetry, built by master craftsmen with generations of cabinet-making experience behind them.

Only a Wood-Mode Cabinet is actually "hand-rubbed" with pumice and oil to give a peerless, everlasting, satin finish, that is smooth to the touch and always "carefree."

Couple this with skilled design and installation services and you are assured a professional custom-design and custom-built installation.

We refuse to trust anything to luck. There is no room for guess work. Scaled blue prints, perspective drawings and a complete cost estimate to the penny of your kitchen are prepared for you before work is ever begun. This planning eliminates costly errors. From the very beginning, straight thru to the "hand-rubbed" fine furniture finish you are assured a kitchen of lasting beauty and prestige and a lifetime of "pride in ownership." A Wood-Mode kitchen — a Steinway concert piano, separately or together "both Grand."

Can't something be done about nuisance telephone calls from salesmen?

Yes.

There are things you can do

and things we are doing.

Most salespeople who use the phone are anxious to please you. But an aggressive telephone solicitor with a "pushy" sales pitch can be a real nuisance. We're concerned about the inconvenience and irritation such calls may cause you, and we're trying hard to eliminate them. But if you should receive such a call

Here's what you can do:

The best way to handle a nuisance sales call is politely, but firmly, to refuse the offer and hang up.

In a persistent case, ask for the salesman's name and company and report him to his firm. Reputable companies know it's bad business to annoy or mislead potential customers.

If you feel a call is unethical or offensive, call your telephone business office. Or report the incident to your local Better Business Bureau or Chamber of Commerce.

Here's what we are doing:

When we're told about firms that have unethical or offensive sales practices, we call or visit them and review the complaint.

We meet with industry associations and discuss the proper use of the telephone. This includes keeping telephone selling free from deception and pressure, calling at the prospect's convenience, using only specially trained people, emphasizing good telephone manners and calling only bona fide prospects.

We are conducting a public-information campaign to eliminate undesirable practices.

We are required by law to provide telephone service for any legal purpose. Selling by telephone is legal, and, when properly conducted, is a mutually beneficial way to conduct business with customers. But, like many other things, it is subject to misuse. You should be protected against such misuse, and we are doing our best to see that you are.

were in charge of Communications and Tickets. Treasurers of the After-the-Ball affair were Mr. and Mrs. James McKee.

Appreciation was expressed by General Chairmen Bob and Betty Roth to all those Senior parents who assisted throughout the night with committee work.

Committee That Cares

"It is with no cheer we look forward to an extension of our program," reports the Town of Bethlehem Committee That Cares Chairman Alexander J. Woehrle. "Last fall when the Committee was formed it anticipated an operation of short duration. Now it has been functioning for more than six months. The prospects of its usefulness is now projected for at least another year. Hopefully, the cause for which it was initiated man have an earlier finish."

The purpose of the Committee That Cares is to express for the community the moral support it feels for the men of the Town of Bethlehem who are serving with the Armed Forces in the Viet Nam war zone. This has been accomplished by sending packages, letters and the community newspaper to the men whose names are on the Committee's list. In addition, the Committee has by its action encouraged other individuals and groups to take similar action.

During the Christmas season it arranged with Operation Good Will, conducted by Dave Marks in Albany, to have the families send taped recorded messages to their menfolk in Viet Nam. The Delmar Camera Club in January contributed to the Committee's efforts by making photographs of the families of the men in Viet Nam. The Committee obtained wallets to hold the pictures and gave them to the families to send to their men with the Army, Armed Forces, Navy, and Marines in the Asian battle area.

In another direction the Committee expressed in a letter to President Lyndon B. Johnson support of his actions in seek-

ing a solution to the Viet Nam crisis.

The Committee had its origin in Nathaniel Adams Blanchard Post #1040 of the American Legion in Delmar. An invitation was extended to other organizations in the Town of Bethlehem. These groups now make up the Committee with Blanchard Post; Bethlehem Memorial Post of the Veterans of Foreign Wars; Bethlehem Business and Professional Women's Club; Blanchard Post American Legion Auxiliary; Bethlehem Lions; Town of Bethlehem Government; Kiwanis Club of Delmar, Inc.; Tri-Village Ministers' Association; Keyettes of Bethlehem Central Senior High School; and Elsmere Fire Auxiliary.

The Committee schedules its meetings for 7:30 P. M. on the first Thursday of each month. The meeting place is at the Blanchard Post Hall.

Another action by the Committee had a two-fold purpose. It was dubbed "Operation Bolster." Through it the Committee made available bumper strips on which was printed "We support Our Men In Viet Nam." The Committee purchased the strips and distributed them through its co-operating organizations for whatever contribution was received. William J. O'Neil representing the Bethlehem Lodge of Elks is chairman for the program. He reports, "While the bumper-strips paid for themselves we see surprisingly few of them on autos. We still have an ample supply. We would feel their purpose was being fulfilled if more of them were displayed. The intent of these bumper strips is first to allow anyone so inclined to publicly express sentiments of support for our men in Viet Nam. Secondly, it gives those persons not directly associated with organizations in the Committee to have an opportunity to participate in its work."

Death recently took a member of the Committee. Earl S. Jones, its initial chairman, died while visiting in Florida last month.

These other individuals have taken an active part in the work of the Committee since it com-
